File No. 171139

Lisa Gibson
Acting Environmental Review Officer
Planning Department
1650 Mission Street, Ste. 400
San Francisco, CA 94103

Dear Ms. Gibson:

On October 24, 2017, Supervisor Farrell introduced the following proposed legislation:

File No. 171139

Ordinance amending the Building Code to require new commercial buildings of 25,000 square feet or more and new residential buildings of three units or more to provide a dedicated telecommunications space in a centrally located place in the building and to install fiber-ready cabling that is connected to an approved telecommunications network; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of local conditions under the California Health and Safety Code; and directing the Clerk of the Board of Supervisors to forward the legislation to the California Building Standards Commission as required by State law.

This legislation is being transmitted to you for environmental review.

Angela Calvillo, Clerk of the Board

for By:  Alisa Somera, Legislative Deputy Director
Land Use and Transportation Committee

Attachment

Not defined as a project under CEQA Guidelines Section 15378 and 15060(c)(2) because it does not result in a physical change in the environment.
