Hi David,

In response to your email, please see below:

186 2nd Street – the first application for an issuance of a Type 21 was withdraw; the second application for Type 21 transfer was introduced on 3/14. The ALU is working on their report for this item. Also, I'm waiting for a new recommendation from Planning.

300 Kearny Street – hoping to have this item scheduled at the next meeting. The ALU's report is forthcoming. Planning's recommendation is attached.

A full service liquor store is a necessity to serve many the offices and hotels in the Financial District as there is no longer a Type 21 liquor store in the Financial District. We receive many requests for a high quality, varied selection weekly.

My Type 21 location would be a definite convenience since the closest store is in Chinatown, which does not offer the selection requested be customers. The Chinatown store is too distant to walk and does not accept business checks nor credit cards.

In summary, a varied inventory of quality distilled spirits for consumers (dominantly corporate and hotels guests) in and adjacent to the Financial District serves the need of the community and provides the convenience of not needing to travel to unfamiliar areas of San Francisco.

Jim,

The documents enclosed in your email were received for the first time on December 19th as per the thread below. A signed original PCN request letter by the applicant is required for a file to be opened. Per my communication to you on December 20, 2013, I had opened the file based on the contents you provided as a courtesy, contingent that an original signed letter follow. Several months ago, you submitted two PCNs, one of which did not have the original signature, and for which the original signed letter was received at a later date.

Regarding 300 Kearny, the file has been opened, and I also referred it to the ALU and Planning. That process has already started; however, I still need the signed PCN request letter for the file.

Furthermore, the PCN request letter(s) submitted do not include the requested information; particularly, "the address the license is coming from" and the explanation of "how the license serves the public convenience." That information is requested in the attached PDF, and it is imperative that I have that information for all PCN requests before we open the file.

In an effort to expedite your request, please mail a signed PCN request letter to the address below, and include the address from where the license is being transferred.

Kindly note for future reference that as a matter of policy, files will not be opened without a signed PCN request letter. If you opt to provide the original signed letter in person, our office will provide a copy of the time-stamped letter to you as confirmation of receipt.

Please feel free to let me know if I can be of further assistance.

Derek,

In the enclosed documents, the ABC 245, para 20c states to take this form to the Board of Supervisors since there is an over concentration in para 11 & 19. Months ago I took the cover letter and the ABC 245 to the BofS Clerks Office in a manila envelope addressed to you. I know the BofS are busy so I waited a few months to learn when this was calendared.

In December when I called you, you left a message that the ABC 245 is not required. In calling Joan at ABC, the only item missing to transfer this license is the ABC 245 approval from the BofS. Since I always have the Buyer sign three copies in case of situations like this, I immediately delivered a second original manila envelope to your office.

As of this writing, what can be done to expedite this since the delay is not of the Buyer or Seller?

Jim, I received your voice message. I triple checked with our front desk and there is no record of the 300 Kearny Street PCN request. The other PCNs, I did receive (1040 Hyde Street and 186 2nd Street), and those are almost ready to be scheduled. I recommend that in the future that you get a copy of the time stamped PCN request letter after the front desk staff receive it.

Per my previous email, I already opened a file for 300 Kearny with what you emailed me; however, our protocol is that we need a wet signature on the PCN request letter for the file. All we need at this point is the signed letter for the file. You can mail it to the address on my signature.
