RE: General Obligation Bonds - Earthquake Safety and Emergency Response \$535,000,000
DATE: December 9, 2025

Resolution determining and declaring that the public interest and necessity demand the construction, acquisition, improvement, rehabilitation, expansion, renovation, and seismic retrofitting of the Emergency Firefighting Water System, Firefighting Facilities and Infrastructure, Police Facilities and Infrastructure, transportation facilities for the Municipal Railway Bus Storage and Maintenance Facility at Potrero Yard, and other Public Safety Facilities and Infrastructure for earthquake and public safety and related costs necessary or convenient for the foregoing purposes (collectively, the "ESER Facilities"); authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants in accordance with Chapter 37 of the Administrative Code; finding that the estimated cost of \$535,000,000 for the proposed ESER Facilities is and will be too great to be paid out of the ordinary annual income and revenue of the City and County and will require expenditures greater than the amount allowed therefor by the annual tax levy; finding that portions of the bond proposal are not a "project" under the California Environmental Quality Act (CEQA) and adopting findings under CEQA for the remaining portion of the bond proposal; finding that the proposed bond is in conformity with the eight priority policies of Planning Code, Section 101.1(b), and is consistent with the General Plan; and waiving the time requirements specified in Section 2.34 of the Administrative Code.
