18 Section 1. Environmental and Land Use Findings.

19 (a) The Planning Department has determined that the actions contemplated in this  
20 ordinance comply with the California Environmental Quality Act (California Public Resources  
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
22 Supervisors in File No. 240932 and is incorporated herein by reference. The Board affirms  
23 this determination.

24 (b) On December 5, 2024, the Planning Commission, in Resolution No. 21656,  
25 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
with the City's General Plan and eight priority policies of Planning Code Section 101.1. The

1 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of  
2 the Board of Supervisors in File No. 240932, and is incorporated herein by reference.

3 (c) Pursuant to Planning Code Section 302, the Board finds that this Planning Code  
4 amendment will serve the public necessity, convenience, and welfare for the reasons set forth  
5 in Planning Commission Resolution No. 21656, and the Board incorporates such reasons  
6 herein by reference. A copy of said resolution is on file with the Clerk of the Board of  
7 Supervisors in File No. 240932.

8  
9 Section 2. General Findings.

10 (a) Over the years, a number of craft breweries, wineries, and distilleries have  
11 operated within the Bayview neighborhood. These businesses are part of a broader tradition  
12 of local manufacturing. They are also an important part of the local food and beverage  
13 ecosystem, producing products for sale on their premises, as well as in restaurants, bars,  
14 retail markets, and other establishments.

15 (b) The Third Street Alcohol Restricted Use District currently prohibits the  
16 establishment of new beer and wine bars.

17 (c) Bars serving beer and wine can add to the variety of nightlife offerings in a  
18 neighborhood commercial district, filling vacant storefronts and providing additional vibrancy  
19 to benefit a corridor.

20 (d) Enabling manufacturers within the neighborhood to launch new beer and wine bars  
21 will create new opportunities for small businesses along Third Street, and could attract  
22 additional alcohol manufacturers.

23  
24 Section 3. Article 2 of the Planning Code is hereby amended by revising Section  
25 249.62, to read as follows:

1           **SEC. 249.62. THIRD STREET ALCOHOL RESTRICTED USE DISTRICT.**
