Dear Supervisor Chan, Supervisor Mandelman and Supervisor Safai:

I hope this email finds you well.

I am sending this to you on behalf of my wife, Judy Guggenhime. Judy is a Lifetime Director for the San Francisco General Hospital Foundation (SFGHF), I am writing to urge your support for the authorization of the lease extension for SFGHF's office space - currently located at 2789 25th Street. As you know, you will be considering this item during a vote at the Budget and Finance Committee on Wednesday, November 1st, 2023. This agreement, meticulously negotiated by the City's Real Estate Division, the Department of Public Health, the Office of the City Attorney, and SFGHF, has received unanimous endorsement from the SF Health Commission on November 1, 2022.

This decision holds immense significance, not just for our Foundation but also for the vital

services provided by the Zuckerberg San Francisco General Hospital (ZSFG) community. ZSFG plays a crucial role, offering essential inpatient and outpatient healthcare services, as well as trauma care, regardless of socioeconomic status. By approving this lease extension, you would ensure that the hospital continues to receive all available funds from the Foundation. Since 1993, SFGHF has raised approximately \$250 million through public and private donations, directly benefiting ZSFG. These funds have been instrumental in addressing the city's most pressing health and social issues, exemplifying our commitment to the well-being of our community.

Over the next five years, SFGHF plans to raise an additional \$250 million for ZSFG's capital and programmatic needs. These funds will significantly impact the City's health network, reinforcing our dedication to compassion, health equity, and excellence in healthcare.

I urge you to support this resolution, affirming our shared commitment to the success of ZSFG and the values that define our community. Your positive vote will ensure that ZSFG continues to provide high-quality care to those who need it most.

Thank you for your time and consideration.

Sincerely,

Rich Guggenheimer
