License type: 64

Hours of Operation: 10am – 11pm, Mon – Sun. Concessions is open 5pm – 9pm.

The application was filed with the California Department of Alcoholic Beverage Control on March 16, 2023, at the 33 New Montgomery St office.

The noticing requirements have been fulfilled. The public notice was posted on March 20, 2023.

The theater's capacity is 171. Public performances typically occur Thursday – Saturday evenings and Sunday afternoons. The sale of alcohol at the building is generally between the hours of 6pm – 9pm when performances are happening. ODC has a positive relationship with our residential neighbors, many of whom participate in our public programming. Obtaining a permanent license will not adversely affect our neighborhood as it will not change the way ODC has operated for the past 43 years. The change will be that ODC's sale of alcohol will be classified as a type-64 license instead of a daily 221 license. The type-64 license will serve the public convenience of the neighborhood by offering consistent service to our clients and community, by being a safe venue for public events, and by supporting ODC's ability to operate as an anchor for live performances in San Francisco.

SEC. 249.60. MISSION ALCOHOLIC BEVERAGE SPECIAL USE DISTRICT.

The Mission Alcoholic Beverage Special Use District (SUD) applies to the area generally bounded by Guerrero Street, San Jose Avenue, Randall Street, Mission Street, Cesar Chavez Street, Potrero Avenue and Fourteenth Street, as designated on Sectional Maps 7SU and 8SU of the [Zoning Map](#) of the City and County of San Francisco. The controls apply only within the boundaries of the SUD. There is a large number of establishments dispensing alcoholic beverages, including beer and wine, for both on-site and off-site consumption in this area. Bars and Restaurants are concentrated on the commercial corridors of Valencia Street, Mission Street, and 24th Street. Liquor Stores selling off-site liquor are distributed throughout this area. This concentration of alcoholic beverage establishments has contributed to numerous peace, health, safety and general welfare problems in the area.

The SUD, which has been in effect since 1987, was established to prohibit new establishments, or expansion of existing establishments, selling alcoholic beverages within the area and prohibited the transfer of liquor licenses. This has resulted in a freezing of entitlements that have less rigorous required operating conditions than are required today. While a net increase in Liquor Stores will continue to be prohibited, the transfer of a liquor license is permissible if the operating conditions currently in effect in the City and County of San Francisco are imposed on the transferee. The area would also benefit from new Grocery Stores of any size that may incidentally sell alcoholic beverages.

The following restrictions shall apply within such district:

(a) **Prohibition of New Liquor Stores.** No new Liquor Store, shall be permitted in the SUD, except that an existing Liquor Store may relocate pursuant to subsection (c) below.

(b) **Allowed Alcohol-related Uses.** Certain uses which are not likely to generate negative impacts on the surrounding area shall be allowed within the SUD as set forth below:

(1) The following uses shall be eligible for liquor licenses transferred from within the SUD as well as licenses transferred from outside the SUD:

(A) **Bona Fide Eating Places.** A Restaurant Use operating as a Bona Fide Eating Place shall be permitted to serve alcoholic beverages in this SUD.

(B) **Non-Profit Theaters.** A non-profit theater shall be permitted to serve alcoholic beverages in this SUD. A "non-profit theater" shall mean a building or part of a building intended to be used for the specific purposes of presenting any act, play, revue, pantomime, scene, song, dance act, or song and dance act, conducted or participated in by one or more persons, whether or not such

person or persons are compensated for such performance, and which is exempted from payment of income tax under Section 23701d of the California Revenue and Taxation Code and Section 501(c)(3) of the Internal Revenue Code of the United States. A "non-profit theater" shall not include any dance hall, as defined in Section 1022 of the Police Code, a billiard parlor, pool hall, bowling alley, or Adult Business.

(C) **Bowling Alleys and Mini-Golf Courses.** A bowling alley or a mini-golf course shall be permitted to serve alcoholic beverages along with any Restaurant use which is functionally and/or physically integrated with such bowling alley or mini-golf course. General Entertainment uses, excluding those uses that require a Place of Entertainment permit, shall be permitted to serve alcoholic beverages along with any Restaurant use which is functionally and/or physically integrated with such General Entertainment use.

(D) **Single Screen Movie Theaters.** A single screen Movie Theater shall be permitted to serve alcoholic beverages, provided that (i) such use contains only a single screen and auditorium, (ii) only beer and wine are offered for consumption, and (iii) such beer and wine are: a. only consumed on the premises and primarily in the main theater auditorium, b. only sold and consumed by ticketholders and only immediately before and during performances, and c. only offered in conjunction with the screening of films and not as an independent element of the establishment that is unrelated to the viewing of films.
