19 Section 1. Environmental and Land Use Findings.

20 (a) The Planning Department has determined that the actions contemplated in this
 21 ordinance comply with the California Environmental Quality Act (California Public Resources
 22 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
 23 Supervisors in File No. ____ and is incorporated herein by reference. The Board affirms this
 24 determination.

25

1 (b) On _____, the Planning Commission, in Resolution No. _____,
2 adopted findings that the actions contemplated in this ordinance are consistent, on balance,
3 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The
4 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of
5 the Board of Supervisors in File No. _____, and is incorporated herein by reference.

6 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code
7 amendments will serve the public necessity, convenience, and welfare for the reasons set
8 forth in Planning Commission Resolution No. _____, and the Board adopts such
9 reasons as its own. A copy of said resolution is on file with the Clerk of the Board of
10 Supervisors in File No. _____ and is incorporated herein by reference.

11
12 Section 2. General Findings.

13 (a) The California Debt Limit Allocation Committee (CDLAC) administers the State's
14 tax-exempt bond financing program that helps spur affordable housing production by assisting
15 developers of multifamily rental housing units with the acquisition and construction of new
16 units, or the purchase and rehabilitation of existing units.

17 (b) The California Tax Credit Allocation Committee (TCAC) administers the State's
18 Low Income Housing Tax Credit Programs to facilitate the investment of private capital into
19 the development of affordable rental housing for low-income Californians. TCAC allocates
20 federal and state tax credits to the developers of these projects.

21 (c) Currently, the Inclusionary Housing Ordinance permits housing projects to use
22 financing awarded from CDLAC and TCAC if (1) 20% of the project's units are affordable to
23 households at 50% of Area Median Income; or (2) 10% of the project's units are affordable to
24 households at 50% of Area Median Income, and 30% of the units are affordable to
25 households at 60% of Area Median Income for on-site housing.

1 (d) Certain affordable housing projects that exceed these thresholds, but do not meet
2 the minimum affordability levels, are unable to use the CDLAC and TCAC financing. It is
3 reasonable and in the public interest to allow the use of these financing programs when the
4 project will provide additional affordable units, or units at deeper affordability levels.

5
6 Section 3. Article 4 of the Planning Code is hereby amended by revising Section
7 415.6, to read as follows:

8 **SEC. 415. HOUSING REQUIREMENTS FOR RESIDENTIAL AND LIVE/WORK**
9 **DEVELOPMENT PROJECTS.**

10 * * * *

11 **SEC. 415.6. ON-SITE AFFORDABLE HOUSING ALTERNATIVE.**

12 * * * *

13 (g) **Marketing the Units.** MOHCD shall be responsible for overseeing and monitoring
14 the marketing of Affordable Units by the Project Sponsor under this Section 415.6. In general,
15 the marketing requirements and procedures shall be contained in the Procedures Manual as
16 amended from time to time and shall apply to the Affordable Units in the project. MOHCD may
17 develop occupancy standards for units of different bedroom sizes in the Procedures Manual in
18 order to promote an efficient allocation of Affordable Units. MOHCD may require in the
19 Procedures Manual that prospective purchasers complete homebuyer education training or
20 fulfill other requirements. MOHCD shall develop a list of minimum qualifications for marketing
21 firms that market Affordable Units under Section 415.6 *et seq.*, referred to in the Procedures
22 Manual as Below Market Rate (BMR units). Developers marketing Affordable Units under
23 Section 415.6 shall market the Affordable Units through a marketing firm meeting all of the
24 minimum qualifications. The Notice of Special Restrictions or conditions of approval shall
25

1 specify that the marketing requirements and procedures contained in the Procedures Manual
2 as amended from time to time, shall apply to the Affordable Units in the project.

3 (1) Notice of Special Restrictions. The Notice of Special Restrictions (“NSR”)
4 required pursuant to this Section 415.6 shall be completed and recorded by the project
5 sponsor no later than the issuance of the architectural addendum for the site permit and at
6 least 12 months prior to the first certificate of occupancy.

7 (2) Pricing Determination. The project sponsor shall submit a request for a
8 pricing determination from MOHCD at least 8 months prior to issuance of a first certificate of
9 occupancy.

10 (3) Timeline for Construction. After the project has been approved by the
11 Planning Commission or Department, the project sponsor must submit an update to the
12 Department and MOHCD which includes an estimated timeline for the construction of the
13 project. The estimated construction timeline must assume the requirements of subsections
14 (g)(1) and (g)(2) above. Failure to finalize the NSR or initiate marketing within the time frames
15 set forth in this Section 415.6(g), or to submit an estimated construction timeline will be
16 deemed a violation of the Planning Code subject to enforcement and penalties.

17 ~~(42)~~ **Lottery.** At the initial offering of Affordable Units in a housing project and
18 when Affordable Units become available for re-sale or re-rent in any housing project subject to
19 this Program after the initial offering, MOHCD must require the use of a public lottery
20 approved by MOHCD to select purchasers or tenants.

21 ~~(53)~~ **Preferences.** MOHCD shall create a lottery system that gives preference
22 according to the provisions of Administrative Code Chapter 47. MOHCD shall propose policies
23 and procedures for implementing these preferences to the Planning Commission for inclusion
24 as an addendum to the Procedures Manual. Otherwise, it is the policy of the City to treat all
25 households equally in allocating affordable units under this Program.

1 (h) Use of Subsidies.

2 (1) Generally Prohibited. Individual affordable units constructed under Section
3 415.6 as part of an on-site project shall not have received development subsidies from any
4 Federal, State, or local program established for the purpose of providing affordable housing
5 ~~and.~~ Units that have received such development subsidies shall not be counted to satisfy any
6 affordable housing requirement. ~~Other units in the same on-site project may have received such~~
7 ~~subsidies. In addition,~~

8 (2) Exceptions:

9 (A) Notwithstanding subsection (h)(1), subsidies may be used, ~~only with the~~
10 ~~express written permission by MOHCD,~~ to deepen the affordability of an affordable unit beyond
11 the level of affordability required by this Program, with the express written permission of MOHCD.

12 (iB) CDLAC and TCAC. Notwithstanding the provisions of ~~S~~subection
13 415.6 (h)(1) and (h)(2)(A) above, a project may use California Debt Limit Allocation Committee
14 (CDLAC) tax-exempt bond financing, ~~and~~ 4% tax credits under the Tax Credit Allocation
15 Committee (TCAC), and tax credits allocated under the TCAC guidelines to help fund its
16 obligations under Section 415.1 et seq. as long as the project provides at least one of the
17 following: (i) 20% of the units as affordable to households at 50% of Area Median Income for
18 on-site housing; ~~or~~ (ii) 10% of the units as affordable to households at 50% of Area Median
19 Income, and 30% of the units as affordable to households at 60% of Area Median Income for
20 on-site housing; or (iii) the same number of on-site affordable units as required by the applicable on-
21 site affordable housing requirement in this Section 415 et seq. plus an additional number of on-site
22 affordable units equal to 10% of the applicable on-site affordable units as affordable to households at
23 or below 80% of Area Median Income. The income table to be used for such projects when the
24 units are priced at 50%, ~~or~~ 60%, or 80% of Area Median Income is the income table used by
25 MOHCD for the Inclusionary Affordable Housing Program, not that used by TCAC or CDLAC.

1 Except as provided in this subsection (h)(2)(iB), all units provided under this Section must
2 meet all of the requirements of Section 415.1 et seq. and the Procedures Manual for on-site
3 housing.

5
6 Section 4. Effective Date. This ordinance shall become effective 30 days after
7 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
8 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
9 of Supervisors overrides the Mayor’s veto of the ordinance.

10
11 Section 5. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors
12 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,
13 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
14 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
15 additions, and Board amendment deletions in accordance with the “Note” that appears under

LEGISLATIVE DIGEST

[Planning Code - Inclusionary Housing Ordinance]

Ordinance amending the Planning Code to permit the use of California Debt Limit Allocation Committee tax-exempt bond financing and tax credits under the Tax Credit Allocation Committee for certain affordable housing projects that provide additional affordable units or deeper affordability levels than required by the Inclusionary Housing Ordinance; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of public necessity, convenience, and general welfare findings under Planning Code, Section 302; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

The Inclusionary Ordinance generally requires certain residential projects to pay a fee or provide on-site inclusionary housing units. For projects that provide on-site units, the Planning Code generally does not allow those projects to use the California Debt Limit Allocation Committee (CDLAC) tax-exempt bond financing or tax credits under the Tax Credit Allocation Committee (TCAC), unless the project provides deeper levels of affordability. The Planning Code currently considers deeper affordability to be the following: 20% of the units as affordable to households at 50% of Area Median Income for on-site housing; or 10% of the units as affordable to households at 50% of Area Median Income, and 30% of the units as affordable to households at 60% of Area Median Income for on-site housing.

Amendments to Current Law

This ordinance would allow projects to use tax credits allocated under TCAC, in addition to the CDLAC tax-exempt bond financing and TCAC tax credits. The ordinance would also create a third circumstance for projects to use financing from the California Debt Limit Allocation Committee tax-exempt bond financing and tax credits under the Tax Credit Allocation Committee. This would be permissible if the project provides the same number of on-site affordable units as required by the applicable on-site affordable housing requirement in this Section 415 et seq, plus an additional number of on-site affordable units equal to 10% of the applicable on-site affordable units at or below 80% of Area Median Income.
