

REVISED LEGISLATIVE DIGEST

(Substituted, 6/4/2024)

[Park Code - Marina Fees]

Ordinance amending the Park Code to raise the fees for various goods and services at the Marina Small Craft Harbor; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

The Recreation and Park Department charges fees for various goods and services at the Marina Small Craft Harbor.

Amendments to Current Law

The proposed ordinance would increase certain Marina fees effective July 1, 2024, with a further increase on July 1, 2025. But there would be a 15% discount on berthing license fees going forward, if the primary owner of the vessel was a San Francisco resident.

Background Information

The fees shown in the proposed ordinance as existing text do not necessarily reflect the fees that currently apply, as the Controller adjusts the fees annually after they are adopted based on changes in the Consumer Price Index. For example, the codified fee for a 20-foot berth at the East Harbor is \$8.64 (Park Code Section 12.11(a)(1)), but the current adjusted fee is \$11.93. The Recreation and Park Department maintains a record of the fees currently in effect. The purpose of the fee increase is to help cover Marina operating costs.

On April 23, 2024, the sponsor introduced a substitute ordinance that changed the amount of some of the fees. This digest reflects subsequent amendments in committee that added a resident discount for berthing license fees.
