DEPARTMENT OF ELECTIONS

MARK E. FARRELL

July 29, 2016

John Arntz
Director
San Francisco Department of Elections

Dear Director Arntz:

I am writing to you today to formally withdraw my name as the lead sponsor of the Initiative Ordinance – Accessory Dwelling Units – that was submitted to your department on June 21, 2016 for placement on the November ballot.

There is no longer a need for this initiative because we were able to pass a comprehensive consensus policy on the citywide construction of accessory dwelling units through our legislative process at the Board of Supervisors.

If you have any questions, please don't hesitate to reach me at 415-554-7752, or via email at Mark.Farrell@sfgov.org.

Sincerely,

A handwritten signature in black ink that reads "Mark E. Farrell".
