MOHCD OVERVIEW

Mayor's Office of Housing & Community Development

The mission of the Mayor's Office of Housing and Community Development (MOHCD) is to support San Franciscans with affordable housing opportunities and essential services to build strong communities. The department is organized into four divisions: Housing, Community Development, Homeownership and Below Market Rate (HBMR) programs, and Fiscal/Administrative. In addition to managing the Cultural Districts program, the Community Development division works with a broad network of community-based partners to create an inclusive and equitable City where all residents can thrive.

MOHCD's investments support the city's most vulnerable residents by providing much needed services, strengthening civil society, and advancing individual and collective opportunity. It is imperative for the office to be intentional and explicit in meeting its goals of reducing racial disparities in service delivery and increasing social and economic opportunities within San Francisco.

Racial Equity

In partnership with city and community leaders, MOHCD seeks to advance opportunities and improve programmatic outcomes for Black, Brown and low-income residents. As such, we are assessing programs, contracts, and procurements to ensure they advance the city's racial equity goals. We will be working closely with our partner organizations to monitor the impact of our investments. We will provide capacity building, clear information to partners organization, and create channels to give and receive feedback to ensure that all parties are aligned in the expectation to create an inclusive and equitable City where all residents have the opportunity to thrive.

Mayor Breed recently established the Office of Racial Equity with the goal of transforming systems to support the collective liberation of Black, Indigenous/American Indian, and People of Color in San Francisco. MOHCD and the Cultural Districts Program are aligned with this effort and are proud of the fact that the Cultural Districts legislation clearly states that its focus is to "support cultural communities and ethnic groups that historically have been discriminated against, displaced and oppressed". We continue this commitment during these changing times and will continue to center our work on culturally responsive solutions developed by the people most impacted by social inequities.

CULTURAL DISTRICTS PROGRAM

San Francisco’s Cultural District program preserves, strengthens and promotes cultural assets and diverse communities. Its goal is to enable individuals, families and the businesses that serve and employ them, as well as nonprofit, community arts and educational institutions to live, work and prosper within the city.

The Cultural Districts program was created by the Board of Supervisors and Mayor in 2018 and is supported by an inter-departmental steering committee, including the Office of Economic and Workforce Development (OEWD), the Planning Department, the Arts Commission and coordinated by MOHCD. These Departments work together to streamline City and community partnerships to coordinate resources aimed at stabilizing these communities which face displacement.

Legislation calls on City departments to collaborate and partner with each Cultural District’s community-based leadership body to establish a clear strategic plan to fulfill each District’s vision and goals, resulting in a Cultural History, Housing and Economic Sustainability Strategies (“CHHESS”) Report. Extensive community engagement and City reports and data will inform each District’s CHHESS Report so that it can serve as a roadmap to stabilize and support historically oppressed communities.

SOMA PILIPINAS

The City officially recognized SOMA Pilipinas as San Francisco’s Filipino Cultural Heritage District in 2016. The District, spanning 1.5 square miles in the rapidly gentrifying South of Market neighborhood, celebrates the community’s living legacy and culture, builds community and fights for economic and racial justice.

SOMA Pilipinas engaged in a yearlong CHHESS community engagement process, conducting over 20 interviews, gathering surveys specifically aimed at collecting information from seniors and unhoused Filipino residents, and holding multiple community presentations on to develop strategies that align with the District’s goals. Leaders worked closely with the City’s Cultural District’s steering committee to vet each strategy for feasibility and come up with a final list of priorities for community stabilization and preservation. In September 2022, SOMA Pilipinas became the first Cultural District to have their [CHHESS Report](#) approved by the Board of Supervisors.

The community-prioritized SOMA Pilipinas CHHESS strategies fall within the Cultural District program’s legislated focus areas of Cultural Preservation, Tenant Protections, Arts and Culture, Economic & Workforce Development, Place-Keeping & Place-Making, and Cultural Competency. This Request for Proposals (RFP) is a vehicle by which the City can resource the District to start the important work of implementing some of the strategies surfaced in the Cultural District’s community engagement efforts, specifically in the area of housing and tenant protections:

- Protect and stabilize buildings that contain a high proportion of Filipino tenants and stabilize existing Filipino residents
- Build Capacity and Filipino Cultural Competence to Support Residential Acquisition and Rehabilitation in SOMA
- Increase language and culturally competent housing readiness support for Filipinos to get into affordable, below market rate (BMR), and supportive housing

Additional Requirements

1. This funding opportunity is limited to organizations that are located within the SOMA Pilipinas Cultural District and/or currently serve the community located within the Cultural District.
2. Each applicant can apply for up to \$200,000 for one-time community building and impact grant funding.

FUNDING OPPORTUNITY

Each Cultural District is working to preserve, strengthen and promote their cultural communities. The goal of this RFP is to invest in a community-prioritized strategy (or strategies) identified in the SOMA Pilipinas CHHES Report with the goal to build partnerships, model practices, and leverage City planning and implementation efforts in the SOMA Pilipinas Cultural District.

Following the spirit of the Cultural Districts program and the CHHES process, implementation of funded programs will be a collaborative effort with SOMA Pilipinas leaders and the City's steering committee.

This RFP will provide up to \$200,000 of one-time funding for a 24-month grant starting July 1, 2024 and ending on June 30, 2026.

MOHCD has a responsibility to maintain transparency in its processes. This open and competitive process is utilized throughout the City for the allocation of public funds. MOHCD is issuing this request for proposals to solicit proposals for the following funding opportunities. The term of the grants and funding amount are also shown in the table below. Please note the final terms and conditions of the grant are subject to negotiation. Please note your proposal might be considered for future funding opportunities without submission of an additional response. In such a case, the funds awarded will not exceed \$500,000 or 150% of the original grant amount authorized through this RFP, whichever is greater.

HOUSING & TENANT PROTECTIONS

The SOMA Pilipinas Filipino Cultural Heritage District has been a hub for the Filipino community throughout their 120+ year history in the Bay Area. In recent decades, the City has endured pendulum swings of boom and bust, largely driven by the tech sector, which brought enormous wealth and capital to the South of Market, while also leading to massive gentrification and the displacement of working-class communities, particularly those of color. More recently, the COVID-19 pandemic and current economic downturn are leading to further housing insecurity for communities already suffering from gentrification and displacement.

This funding opportunity is intended to support the anti-displacement strategies that the SOMA Pilipinas community has identified in their [CHHES report](#) to help stabilize vulnerable residents. Specifically, proposals should show how a project will make progress in one of the following priority areas: 1) preserving existing housing, 2) stabilizing residents in place, and/or 3) increasing access to affordable housing. A focused proposal going deeper into one priority area is preferred over a broader proposal attempting to touch on multiple areas that may not be able to go as deep.

Applicants should describe how the proposed project aligns with one of the three aforementioned community-developed strategies in the CHHES; the types of services to be offered and how they will be delivered; and how any existing relationships with organizations within the SOMA Pilipinas Cultural District will be leveraged for greater outreach and impact. Proposed projects should incorporate a community engagement process, and applicants must be prepared to work closely MOHCD staff.

SCORING

Grant proposals that meet our Eligibility Requirements (see page 5) will be scored and receive a funding recommendation. Proposals that do not satisfy the Eligibility Criteria will be determined as non-responsive to this RFP and will not be further reviewed.

Eligible proposals will be read and scored by reviewers with relevant programmatic expertise. Each reviewer will use a scoring rubric to assign a preliminary score between 0 and 100 points to each proposal they read. The point value of each section in the scoring rubric is below.

MOHCD will average the preliminary scores for each proposal to generate a final score. Proposals with a final score of 70 points or higher will be considered fundable. A review panel will convene to discuss proposals and finalize scores, and MOHCD staff will award the grant to the proposal with the highest average score.

APPEAL PROCEDURE

Proposals will be determined as non-responsive if they are incomplete, undelivered, or do not meet the Eligibility Requirements (see page 4). If we determine your proposal to be non-responsive, we will inform you. Applicants may appeal a determination of non-responsiveness to this RFP by submitting notice by email to MOHCD setting forth the grounds for the appeal by no later than five (5) business days after receiving MOHCD's determination.

Organizations will be notified if a proposal was not selected for an award. If there is disagreement with the decision, organizations may file a formal appeal within five (5) business days of the award announcement. MOHCD must receive the appeal on or before the fifth business day.

The appeal must include a written statement of each of the grounds for appeal. An individual authorized to represent the respondent must submit the appeal by email to CommDevRFP@sfgov.org. The appeal must cite all applicable laws, rules, procedures, or provisions that we did not follow faithfully, as documented in this RFP. The appeal must specify facts and evidence enough for us to determine its validity. Disagreements about program quality or value do not constitute grounds for appeal. Failure to object or appeal in the manner and within the times set forth above will constitute a complete and irrevocable waiver of any appeal of MOHCD's decision.

MOHCD will only accept appeals of non-responsiveness or an award decision by email. It is the responsibility of applicants to ensure email delivery prior to the deadline specified. A panel selected by MOHCD will review all eligible appeals, and the panel decisions will be final.
