Supervisor Connie Chan

Re: Mayoral Appointment, Recreation and Park Commission - Vanita Louie

Dear Chair Supervisor Peskin, Supervisor Mandelman and Supervisor Chan,

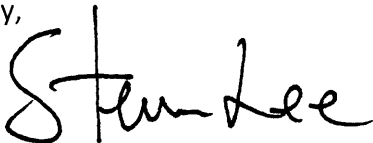

I am writing in strong support of Vanita Louie's appointment to the Recreation and Park Commission.

Vanita Louie has been a longtime friend for over 30 years. From day one I have met Vanita, she was always doing something positive dedicated to the community. I cannot remember anytime when she was not willing to roll up her sleeves to serve. Throughout her involvement with Rotary Club, she has embraced the sense of volunteer service and visions of "giving back." and didn't take long to become the Rotary Club President in 2016. Her Club members regularly tutor at Edwin and Anita Lee Newcomer School, a public school located on the border of Chinatown and the Financial District. When Club members realized that the entire student body was made up of newcomer students who are first time English learners, Vanita envisioned the Anita Fong Centennial Library and Language Lab, named after another dedicated friend and a long-time public health community advocate. 2021, Vanita Louie: wife, mother of two, and a volunteer who continues to participate actively in many projects, that also includes the park beautification legacy plan in Chinatown to better serve seniors and youth.

It is for these reasons, I strongly trust Vanita Louie to be a great choice and cannot do wrong by approving Vanita Louie's appointment to the Rec & Park Commission.

Please feel free to contact me if you have any questions.

Sincerely,

STEVEN LEE VENTURES
