RE: Resolution Authorizing Application to California Debt Limit Allocation Committee for Multifamily Housing Revenue Bonds for 5800 Third Street

With this memo, I am submitting to you for introduction at the Board of Supervisors meeting on Tuesday, December 4, 2012, a resolution regarding qualified mortgage revenue bonds for 5800 Third Street, San Francisco, a senior housing development sponsored by Bayview Supportive Housing, LLC (the "Project"). Funds generated from the execution and delivery of the Bonds would be used to pay certain costs incurred in connection with the Project.

The Project will consist of 116 one bedroom and 4 two bedroom units (plus one manager's unit), a basement garage with 54 parking spaces, a community garden, a central courtyard, supportive services space, a community room, residential common areas, and a senior center measuring approximately 13,000 square feet. Incomes and rents at the Project will serve households with incomes at or below 50% Area Median Income (AMI), with 24 units set aside for formerly homeless seniors.

The Mayor's Office of Housing has previously issued bonds for both rental housing and for first time homeownership. These financings are conduit financings, which do not require the City to pledge repayment of the bonds. Rather, the bondholders' only recourse for payment are the project revenues themselves and the credit enhancement provided by lenders.

In order to meet the deadline for submitting an application to CDLAC, the resolution should be introduced at the Board on December 4, 2012. We would appreciate any assistance you can provide to help meet this schedule so that the City is able to submit the application on January 11, 2013.

The attached resolution has been approved as-to-form by Deputy City Attorney Heidi Gewertz. I am enclosing a brief description of the project for your review.

If you have any questions about the resolution or the project, please contact Pam Sims at 701-5564.

Thank you,

Project Description

5800 Third Street

The project, 5800 Third Street, is located in the Bayview Hunters Point community of San Francisco and is on a mostly flat, irregularly shaped 64,369 sq. ft. parcel located the northwest corner of the larger 5800 Third Street site. The site is bounded by Carroll Avenue on the north, a Fresh and Easy grocery store on the east, which fronts Third Street, a proposed multi-unit development on the south and the railroad tracks on the west, all along the Third Street Corridor. The entire neighborhood benefits from the Third Street Light Rail which runs in the median of Third Street.

The site is planned for 121 units (116 one bedroom and 4 two bedroom units (plus one manager's unit)) of affordable senior rental housing, a basement garage with 54 parking spaces, a community garden, a central courtyard, supportive services space, a community room, residential common areas, and a senior center measuring approximately 13,000 square feet. Incomes and rents at the development will serve seniors with incomes at or below 50% Area Median Income (AMI), with 24 units set aside for formerly homeless seniors.

The building construction will consist of one level of concrete (Type I) construction with four levels of wood (Type V) construction above. The first level will consist of housing related property management offices and sitting, dining, and exercise rooms. Upper level housing common areas will include informal lounges and laundry rooms.

The senior center will also be located at the first level, and consists of conference rooms, a large kitchen, a lounge, and staff offices. Planned services include lunch meals, recreation activities, education classes, health and wellness activities, special events and social services/case management for approximately 50 seniors per day. Construction is planned to commence in late 2013.
