Dear Frances,

The District 6 Community Planners is in support of this proposed change to the "Kearny-Market-Mason-Sutter Conservation District, which will include the addition of 55 5th Street, Assessor's Block 3705, lot 039; 67-99 5th Street/899 Mission Street, Assessor's Block 3705 lots 021,023, 054. We feel that by including the area along 5th Street all the way to Mission is the right thing to do.

So again the District 6 Community Planners support this addition to this Conversation District.

Sincerely,

Marvis J. Phillips
