8 to Finding Nos. F1 and F9, as well as Recommendation Nos. R1, R5, R7, R8.5 and R9
9 contained in the subject Report; and

10 WHEREAS, Finding No. F1 states: “First Year Free has been generally well-received
11 by small businesses and City agencies, but due to its limited scope when first adopted and its
12 status as a temporary pilot program, its financial benefits to small businesses have been more
13 modest than initially expected;” and

14 WHEREAS, Finding No. F9 states: “Despite recent reforms, there remains a prevalent
15 perception that San Francisco is inhospitable to small businesses, and City agencies have not
16 deployed the resources required to effectively counter that perception;”

6 compilation of disparate system data into transparent and usable output for small business
7 customers.” and

2 contained in the subject Report; now, therefore, be it

3 RESOLVED, That the Board of Supervisors reports to the Presiding Judge of the
4 Superior Court that they agree with Finding No. F1; and, be it

5 FURTHER RESOLVED, That the Board of Supervisors reports to the Presiding Judge
6 of the Superior Court that they partially disagree with Finding No. F9 for the following
7 reason: it is critical to reverse existing perceptions that the City is inhospitable to small
8 businesses, including conducting more outreach about the programs small businesses can
9 utilize for their benefit. However, the City agencies have deployed resources to counter this
10 perception, and we do not have certainty that it is not the level of resources required to
11 counter the perception; and, be it

12 FURTHER RESOLVED, That the Board of Supervisors reports that Recommendation
13 No. R1 requires further analysis and requests the Budget and Legislative Analyst's Office to
14 study the financial impacts of making First Year Free a permanent program and provide a
15 report by June 30, 2024; and, be it

16 FURTHER RESOLVED, That the Board of Supervisors reports that Recommendation
17 No. R5 has not been implemented but will be implemented by June 30, 2024; and, be it

20 study the financial and process impacts of making departments, including the Department of
21 Building Inspection, move to a new computer system and provide a report by September 30,
22 2024; and, be it

23 FURTHER RESOLVED, That the Board of Supervisors reports that Recommendation
24 No. R8.5 will not be implemented because it is not reasonable since each Supervisorial
25 district is unique and contains different institutions, non-profits, merchant associations, and

1 community stakeholders, and that most offices already hold these meetings regularly; and, be
2 it

3 FURTHER RESOLVED, That the Board of Supervisors reports that Recommendation
4 No. R9 has been implemented with existing resources dedicated to marketing and promoting
5 the City's supportive environment for small businesses through the ShopDineSF campaign
6 and raising awareness through information videos and handouts of Proposition H's as well as
7 First-Year-Free's provisions to small business applicants at the permit center and online; and,
8 be it

9 FURTHER RESOLVED, That the Board of Supervisors urges the Mayor to cause the
10 implementation of the accepted findings and recommendations through her department heads
