Item 16 File 24-0569	Department: Board of Supervisors
---------------------------------------	--

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed ordinance would appropriate \$400,000 in assessment appeal fee revenue generated in FY 2023-24 to a continuing fund for the Assessment Appeals Board. The funding would be used to help fund the procurement of a new online assessment appeals filing system.

Key Points

- The Assessment Appeals Board is a division of the Board of Supervisors and is responsible for evaluating tax assessment appeals. In general, Assessment Appeal Board fees must be used to fund related operations. Due to an increase in assessment appeals, fee revenue is projected to be approximately \$400,000 more than budgeted (\$304,150) in FY 2023-24.
- The Assessment Appeals Board’s current filing system is more than ten years old and beyond its useful life. In addition, the current system will not be able to accept data from the Assessor-Recorder’s new assessment filing system. The total estimated cost for the Assessment Appeals Board’s new filing system is \$1 - \$2 million; no other funding has been secured.

Fiscal Impact

- The proposed ordinance would appropriate up to \$400,000 in assessment appeal fees for a new online filing system. As noted above, this revenue must be spent on assessment appeals costs.

Recommendations

- Approve the proposed ordinance.
- Request the Clerk of the Board create a special revenue fund to deposit excess assessment appeal revenue to fund operating costs of the Assessment Appeals Board.

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

Section 16 of Article XIII of California State Constitution requires every county to have a board of equalization to evaluate tax assessment appeals. These assessment appeal boards are established by each county's board of supervisors. The San Francisco Assessment Appeals Board is a division of the San Francisco Board of Supervisors.

Consistent with State law, Administrative Code Chapter 2B establishes fees for processing assessment appeals, hearings, and fact findings. Processing and hearing fees must be used for the Assessment Appeal Board's operating costs, and fact-finding fees must be used to fund fact-finding expenses incurred by the county. The City Attorney is paid for actual hours spent on fact-finding. Assessment appeal filings have increased from approximately 3,000 filings in FY 2022-23 to a projected 8,000 in FY 2023-24. Due to this increase, fee revenue is projected to be approximately \$400,000 more than budgeted (\$304,150) in FY 2023-24.¹ In FY 2023-24, actual findings of fact fee revenue collected was \$17,000 and findings of fact fee revenue is much less than this amount in normal years. Per SF Admin Code Section 2B.11(f), the amount of fee revenue that City Attorney can collect from the Assessment Appeals Board is limited to actual findings of fact fee revenue collected during the fiscal year less the Assessment Appeals Board's cost to assist with production of findings of fact.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$400,000 in assessment appeal fee revenue generated in FY 2023-24 to a continuing fund for the Assessment Appeals Board. The funding would be used for a new online assessment appeals filing system.

The ordinance also places \$58,700 on Controller's Reserve pending receipt of revenue due to the uncertainty of final collections in FY 2023-24.

New Assessment Appeals Filing System

According to Edward de Asis, Deputy Director of Administration & Finance for the Board of Supervisors, the Assessment Appeals Board's current filing system is more than ten years old and beyond its useful life. In addition, the current system will not be able to accept data from the Assessor-Recorder's new assessment filing system. The total estimated cost for the Assessment

¹ The projected fee revenue is still below the FY 2023-24 Assessment Appeals Board budget of \$958,404.

Appeals Board's new filing system is \$1 - \$2 million; no other funding has been secured. The Clerk of the Board may wish to consider creating a special fund for excess assessment appeal revenue for this system or other operating costs of the Assessment Appeals Board.

FISCAL IMPACT

The proposed ordinance would appropriate up to \$400,000 in assessment appeal fees for a new online filing system. As noted above, this revenue must be spent on assessment appeals costs.

RECOMMENDATIONS

1. Approve the proposed ordinance.
2. Request the Clerk of the Board create a special revenue fund to deposit excess assessment appeal revenue to fund operating costs of the Assessment Appeals Board.
