Except as otherwise provided in writing and subject to Section 42 of this Agreement, Contractor may modify the fees once per Renewal Term provided that any increase will not exceed twelve and a half percent (12.5%) over the then-current fees.

13. Indemnification.

a. General Indemnification. Contractor shall indemnify and save harmless City and its officers, agents and employees acting on behalf of City from, and, if requested, shall defend them against any and all third party loss, cost, damage, injury, and claims thereof for injury to or death of a person, including employees of Contractor or loss of or damage to property, to the extent arising from Contractor's gross negligence or willful misconduct in performance of this Agreement, except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Agreement, and except where such loss, damage, injury, liability or claim is the result of the gross negligence or willful misconduct of City, its officers, agents and employees. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. In Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an obligation to defend City from any claim which falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is timely tendered to Contractor by City and continues so long the claim continues to satisfy the requirements for indemnification under this Section 13(a).

b. Infringement Indemnification. If notified promptly in writing of any judicial action brought against City by a third party to the extent based on an allegation that City's use of the SaaS Application and Services infringes a United States, Canadian or European Union patent, copyright, or any right of a third party or constitutes misuse or misappropriation of a trade secret or any other right in intellectual property ("Infringement"), Contractor will hold City harmless and defend such action at its own expense provided that the SaaS Application and Services are used in compliance with this Agreement and all applicable Documentation. Contractor will pay the costs and damages finally awarded in any such action or the cost of settling such action, provided that Contractor shall have sole control of the defense of any such action and all negotiations or its settlement or compromise. City shall notify Contractor promptly in writing of any informal claim (other than a judicial action) brought or threatened against City based on an allegation that City's use of the SaaS Application and/or Services constitutes Infringement. Contractor will pay the costs associated with its defense of an Infringement claim subject to indemnification under this Section 13(b), and will pay the applicable settlement amount (if any), provided that Contractor shall have sole control of the resolution of any such claim and all negotiations for its settlement, including the decision to settle and for such amounts, and further provided that Contractor has the reasonable cooperation of City. Notwithstanding the foregoing, Contractor will not settle any claim in a manner which would require a monetary payment without City's consent. In the event a final injunction is obtained against City's use of the SaaS Application and Services by reason of Infringement, or in Contractor's opinion City's use of the SaaS Application and Services is likely to become the subject of Infringement, Contractor may at its option and expense: (a) procure for City the right to continue to use the SaaS Application and Services as contemplated hereunder, (b) replace the

SaaS Application and Services with a non-infringing, functionally equivalent substitute SaaS Application and Services, or (c) suitably modify the SaaS Application and Services to make its use hereunder non-infringing while retaining functional equivalency to the unmodified version of the SaaS Application and Services. If none of these options is reasonably available to Contractor, then this Agreement may be terminated at the option of either party hereto and Contractor shall refund to City refund a pro-rata portion of the fees paid by City based on its lost use and terminate this Agreement. Any unauthorized modification or attempted modification of the SaaS Application and Services by City or any failure by City to implement any improvements or updates to the SaaS Application and Services, as supplied by Contractor, shall void this indemnity unless City has obtained prior written authorization from Contractor permitting such modification, attempted modification or failure to implement. Contractor shall have no liability for any claim of Infringement based on City's use or combination of the SaaS Application and Services with products or data of the type for which the SaaS Application and Services was neither designed nor intended to be used.

14. Guaranteed Maximum Costs. The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, which may be increased by additional amounts certified by the Controller. Except as may be provided by City ordinances governing emergency conditions, the City and its employees and officers are not authorized to request Contractor to perform services or to provide materials, equipment and supplies that would result in Contractor performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies agreed upon in the contract unless the agreement is amended in writing and approved as required by law to authorize additional services, materials, equipment or supplies. The City is not required to reimburse Contractor for services, materials, equipment or supplies that are provided by Contractor which are beyond the scope of the services, materials, equipment and supplies agreed upon in the contract and which were not approved by a written amendment to the agreement having been lawfully executed by the City. The City and its employees and officers are not authorized to offer or promise to Contractor additional funding for the contract which would exceed the maximum amount of funding provided for in the contract for Contractor's performance under the contract. Additional funding for the contract in excess of the maximum provided in the contract shall require lawful approval and certification by the Controller of the City and County of San Francisco. The City is not required to honor any offered or promised additional funding for a contract which exceeds the maximum provided in the contract which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained. The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.

15. Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form attached hereto in Exhibit 4, and must include a unique identifying number. All amounts paid by City to Contractor shall be subject to audit by City as further set forth in Section 34. Payment shall be made by City to Contractor at the address specified in the section entitled "Notices to the Parties."

16. Submitting False Claims; Monetary Penalties. Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false

claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) knowingly conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

a. **Taxes.** City will pay all applicable sales, use, withholding and excise taxes, and any other assessments against City in the nature of taxes, duties or charges however designated on the Services and SaaS Application or their license or use, on or resulting from this Agreement, exclusive of taxes based on the net income of Contractor, unless exempted by law and unless a valid tax exemption certificate has been provided to Contractor prior to invoicing. Contractor recognizes and understands that this Agreement may create a “possessory interest” for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. Additionally, the parties do not intend to create a possessory interest for Contractor. If such a possessory interest is created, then the following shall apply:

1) Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest;

2) Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a “change in ownership” for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

3) Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

4) Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

17. Acceptance of Work. When the Services are made available for public use (“go-live”), the City will be deemed to have accepted the Services. Prior to the “go-live” software,

components, or workmanship that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay.

18. Reserved.

19. Qualified Personnel. Work under this Agreement shall be performed only by competent personnel under the supervision of Contractor. Contractor will comply with City's reasonable requests regarding assignment of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor.

20. Reserved.

21. Independent Contractor; Payment of Taxes and Other Expenses

a. Independent Contractor. Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement.

b. Payment of Taxes and Other Expenses. Should City, at the written request of a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the City shall provide Contractor with prompt notice of such request. After any appeals made by Contractor, and upon the rendering of a final determination by the relevant taxing authority, the amounts payable under this Agreement, if required, shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, and after, in Contractor's discretion, exhausting all appeals, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement,

Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, reasonable out-of-pocket costs, damages, and reasonable out-of-pocket expenses, including attorney's fees, arising from this section.

22. Nondiscrimination; Penalties

a. Contractor Shall Not Discriminate. In the performance of this Agreement, Contractor agrees not to discriminate against any employee, City and County employee working with such contractor or subcontractor, applicant for employment with such contractor or subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

b. Subcontracts. Contractor shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from Purchasing) and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

c. Nondiscrimination in Benefits. Contractor does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

d. Condition to Contract. As a condition to this Agreement, Contractor shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

e. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the

provisions of this Agreement may be assessed against Contractor and/or deducted from any payments due Contractor.

23. Insurance.

a. Without limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

1) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

2) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and

b. Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

1) Include as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

2) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

c. Regarding Workers' Compensation, Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

d. Contractor shall provide thirty days' advance written notice to the City of reduction or nonrenewal of coverages or cancellation of coverages for any reason. Notices shall be sent to the City address in the "Notices to the Parties" section. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of one (1) year beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies, subject to the terms, conditions, and exclusions of the policy.

e. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

f. Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date.

g. Before commencing any operations under this Agreement, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance substantially in compliance with this Section 23, if not resolved to the satisfaction of the Parties, shall constitute a material breach of this Agreement.

h. Approval of the insurance by City shall not relieve or decrease the liability of Contractor hereunder.

24. IN NO EVENT SHALL CONTRACTOR BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOST PROFITS, LOST SAVINGS, COST OF REPLACEMENT SERVICES, LOST DATA, LOSS OF USE OF INFORMATION OR SERVICES, WHETHER OR NOT CONTRACTOR HAS PREVIOUSLY BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. CONTRACTOR'S TOTAL AGGREGATE LIABILITY FOR ALL MATTERS ARISING FROM OR RELATED TO THIS AGREEMENT IS LIMITED TO THE AMOUNT OF FEES ACTUALLY PAID BY CITY AS CONSIDERATION FOR THE SaaS APPLICATION AND SERVICES GIVING RISE TO SUCH CLAIMS DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE DATE ON WHICH THE FIRST CAUSE OF ACTION AROSE. CONTRACTOR'S LIABILITY LIMIT SET FORTH HEREIN SHALL NOT APPLY TO DAMAGES CAUSED BY CONTRACTOR'S GROSS NEGLIGENCE OR WILLFUL ACTS OR OMISSIONS, CONTRACTOR'S OBLIGATION TO INDEMNIFY, AND WRONGFUL DEATH DIRECTLY CAUSED BY CONTRACTOR. FOR THE PURPOSES OF THIS SECTION 23 AND ANY INDEMNIFICATION PROTECTING CONTRACTOR UNDER THIS AGREEMENT, REFERENCE TO CONTRACTOR WILL ALSO INCLUDE ITS SUPPLIERS AND LICENSORS.

25. Liability Of City. CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 10 (COMPENSATION) OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

26. Force Majeure.

a. Liability. No Party shall be liable for any default or delay in the performance of its obligations under this Agreement: (i) if and to the extent such default or delay is caused, directly or indirectly, by: fire, flood, earthquake, elements of nature or acts of God; riots, civil disorders, or any other cause beyond the reasonable control of such Party (a "Force Majeure Event"), (ii) provided the non-performing Party is without fault in causing reasonable precautions and cannot reasonably be circumvented by the non-performing Party through the use of alternate sources, workaround plans or other means (including, with respect to Contractor, by meeting its obligation for performing disaster recovery services as described in Section 25(d)).

b. Duration. In such event, the non-performing Party shall be excused from further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and such Party continues to use commercially reasonable efforts to recommence performance or observance whenever and to whatever extent possible without delay. Any Party so delayed in its performance shall notify the Party to whom performance is due as soon as reasonably practicable by telephone (to be confirmed in writing) and describe at a reasonable level of detail the circumstances causing such delay.

c. Effect. If any event under Section 24(a), above substantially prevents, hinders, or delays performance of a Party for more than fifteen (15) consecutive days, then the Party to whom performance is due, may, at its option: (i) terminate any portion of this Agreement so affected and the charges payable hereunder shall be equitably adjusted to reflect those terminated Services; or (ii) terminate this Agreement without liability to the other Party as of a date specified by in a written notice of termination. Contractor shall not have the right to any additional payments from City for costs or expenses incurred by Contractor as a result of any force majeure condition that lasts longer than three (3) days. Under no circumstances will this provision be interpreted as to excuse any payment obligations of City.

d. Disaster Recovery. In the event of a disaster, as defined below, Contractor will be responsible for providing disaster recovery services in accordance with the provisions of the disaster recovery plan attached as set forth in Exhibit 3 hereto, or as otherwise set forth in this Agreement or any Statement of Work.

27. Nondisclosure. Subject to the San Francisco Administrative Code §67.24(e) and to any state open records or freedom of information statutes, and any other applicable laws, City agrees that it shall treat the SaaS Application with the same degree of care as it treats like information of its own, which it does not wish to disclose to the public, from the date the Contractor first provides the SaaS Application and Services to the City until the license is terminated as provided herein. The obligations of the City set forth above, however, shall not apply to the SaaS Application or Services, or any portion thereof, which:

- a.** is now or hereafter becomes publicly known;
- b.** is disclosed to the City by a third party which the City has no reason to believe is not legally entitled to disclose such information;
- c.** is known to the City prior to its receipt of the SaaS Application and Services;

- d. is subsequently developed by the City independently of any disclosures made hereunder by Contractor;
- e. is disclosed with Contractor's prior written consent;
- f. is disclosed by Contractor to a third party without similar restrictions.

In the event of a request under San Francisco Administrative Code §67.24(e) and to any state open records or freedom of information statutes, and any other applicable laws for the disclosure of any confidential and/or proprietary information of the Contractor, the City shall immediately notify the Contractor to allow the Contractor a reasonable opportunity to seek protective legal treatment for such confidential and/or proprietary information.

28. Proprietary or Confidential Information.

a. **Proprietary or Confidential Information.** The Parties understand and agree that, in the performance of the work or services under this Agreement or in contemplation thereof, each Party may have access to private or confidential information which may be owned or controlled by the other Party and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the other Party. Contractor agrees that all information disclosed between the Parties shall be held in confidence and used only in accordance with the terms of the Agreement. Each Party shall exercise the same standard of care to protect such information as a reasonably prudent party would use to protect its own proprietary information.

b. **Nondisclosure.** The receiving Party of proprietary or confidential information agrees and acknowledges that it shall have no proprietary interest in the confidential information and will not disclose, communicate nor publish the nature or content of such information to any person or entity, nor use, except in connection with the performance of its obligations under this Agreement or as otherwise authorized in writing by the disclosing Party, any of the confidential information it produces, receives, acquires or obtains from the disclosing Party. The receiving Party shall take all necessary steps to ensure that the confidential information is securely maintained. The receiving Party's obligations set forth herein shall survive the termination or expiration of this Agreement. In the event the receiving Party becomes legally compelled to disclose any of the confidential information, it shall provide the disclosing Party with prompt notice thereof and shall not divulge any information until the disclosing Party has had the opportunity to seek a protective order or other appropriate remedy to curtail such disclosure. If such actions by the disclosing Party are unsuccessful, or the disclosing Party otherwise waives its right to seek such remedies, the receiving Party shall disclose only that portion of the confidential information which it is legally required to disclose.

c. **Data Security.** Contractor shall at all times during the term provide and maintain up-to-date security with respect to (a) the Services, (b) the Website, (c) Contractor's physical facilities, and (d) Contractor's networks, to prevent unauthorized access or "hacking" of City's confidential information and City's hosted Data. Contractor shall provide security for its networks and all internet connections consistent with industry standards observed by well-managed SaaS working in the financial services industry, and will promptly install all patches, fixes, upgrades, updates and new versions of any security software it employs. Contractor will maintain appropriate safeguards to restrict access to City's confidential information in Contractor's possession and control to those employees, agents or service providers of

Contractor who need the information to carry out the purposes for which it was disclosed to Contractor. For information disclosed in electronic form, Contractor agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion detection or similar barriers) and password protected access to the City's confidential information and hosted Data. For information disclosed in written form, Contractor agrees that appropriate safeguards include secured storage of City's confidential information. Contractor also will establish and maintain any additional physical, electronic and procedural controls and safeguards to protect the City's confidential information and hosted Data from unwarranted disclosure.

d. Data Transmission. The Contractor shall ensure that all electronic transmission or exchange of system and application data with City and/or any other parties expressly designated by City shall take place via secure means (using HTTPS or SFTP or equivalent). The Contractor shall also ensure that all data exchanged shall be used expressly and solely for the purposes enumerated in the Agreement.

e. Loss or Unauthorized Access to City's Data; Security Breach Notification. The Contractor shall comply with all applicable laws that require the notification of individuals in the event of unauthorized release of personally identifiable information or other event requiring notification. Contractor shall notify City of any actual exposure or misappropriation of City's Data in its possession and control (any "Leak") within forty eight (48) hours of the discovery of such. Contractor will reasonably cooperate with City and with law enforcement authorities in investigating any such Leak, at Contractor's expense. Contractor will likewise reasonably cooperate with City and with law enforcement agencies in any effort to notify injured or potentially injured parties, at Contractor's expense.

f. City's Data Backup. Contractor agrees to store all of City's Data on Contractor's primary server and back-up servers. Contractor will: (i) execute incremental database backups to a backup server on a regular basis throughout the day, (ii) conduct weekly full backups, (iii) will replicate City's database and default path to an off-site location (i.e., other than the primary data center); and (iv) will archive the Data as set forth in Exhibit 3.

g. City Data Retrieval. Subject to any applicable Payment Card Industry Standards, City shall at all times, during the term, have access and control of its Data and shall be able to retrieve it in a readable format in electronic form, at any time, at no additional cost.

h. Information Collection and Authorized Users. Notwithstanding anything to the contrary herein, Contractor may collect certain information from individuals as part of a registration process. City may login to Contractors data management system to access this information. Both Parties agree to use the collected information in compliance with (i) all applicable laws, rules and regulations, including, without limitation, those governing online privacy and use of credit card data (i.e. using credit card information only for purposes authorized by the cardholder); (ii) applicable Payment Card Industry Data Security Standards; and (iii) Contractor's privacy policy as published on its website. City is solely responsible for the security of its login information, authorization credentials, and similar access information (collectively "Login Information") and for the use or misuse of such Login Information. City agrees to only allow access to and use of the SaaS Application and Services to its authorized users. City acknowledges and agrees that Contractor may provide access to or use of SaaS

Application and Services to anyone utilizing City's Login Information or who is otherwise authorized by City to use or access the SaaS Application and Services on City's behalf. City is responsible for such users' compliance with the terms and conditions of this Agreement. Contractor may suspend or terminate any such user's access to the SaaS Application and Services upon notice to City if Contractor reasonably determines that any such user has violated the terms and conditions of this Agreement or is otherwise using the SaaS Application and Services for suspect purposes. City will immediately either notify Contractor in writing or disable such user's access if any previously authorized City user is no longer authorized to use the Login Information or otherwise use or access the SaaS Application and Services. Contractor may rely, without independent verification, on such notice.

29. Protection of Private Information. Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

30. SSAE 16 and SOC 1/SOC 2 Audit Reports. During the Term of the Agreement, Contractor will provide upon written request, but no more than on a semi-annual basis, the SSAE 16 and SOC 1/SOC 2 Audit reports ("Audit Reports") it receives from its hosting service provider as follows: (a) the Audit Reports will include a 180 day (six month) testing period; and (b) the Audit Reports will be available to City no later than 30 days after they are received by Contractor. Upon City's written request, Contractor will provide a so-called "negative assurance opinion" to City as soon as said opinion is received from Contractor's hosting service provider. Contractor shall on a semi-annual basis, and otherwise as reasonably requested by City: (i) provide the foregoing Audit Reports to City and (ii) request such "negative assurance opinions" on City's behalf.

31. Termination

a. Either Party shall have the right, without further obligation or liability to the other Party to immediately terminate this Agreement if such Party commits any breach of this Agreement and fails to remedy such breach within thirty (30) days after written notice by the non-breaching Party of such breach. Such termination shall not excuse the City from its payment obligations set forth herein.

b. Disposition Content. Upon expiration or termination of this Agreement, Contractor may immediately discontinue the SaaS Services and City shall immediately cease accessing the SaaS Application and Services. Up until expiration or termination of this Agreement, Contractor shall continue to provide access to City's Data in an agreed-upon machine readable format. Once Contractor has received written confirmation from City that City's Data has been successfully transferred to City, Contractor shall within thirty (30) days purge all City Data from its hosted servers and provide City with written certification that such purge occurred, subject to Contractor's retention of data for legal, regulatory and archival

purposes. If City elects to use other hosting options, including on premise hosting and hosting by other third-parties, Contractor will provide reasonable assistance the City in the transition to ensure uninterrupted access to City's Data. The Contractor shall provide reasonable cooperation in the transition of City's Data as to ensure uninterrupted access, provided that City pays Contractor's reasonably, mutually agreed upon rates associated with such assistance.

insolvency or the protection of rights of creditors, then at the option of the other party this Agreement shall terminate and be of no further force and effect.

34. Subcontracting. Contractor is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records and other data for the sole purpose of verifying the accuracy of invoicing under this Agreement and/or Contractor's compliance with its obligations hereunder, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than seven years from the creation of such record. The State of California or any federal agency having an interest in the subject matter of this Agreement shall have the same rights conferred upon City by this Section. Other than information owned by City or otherwise made available to City on a non-confidential basis, all such information examined or obtained in connection with any such audit shall constitute confidential information of Contractor and may be used only for the purpose described above. In no event shall Contractor have access to any legally privileged or highly sensitive information. Under no circumstances shall this provision be construed as to permit access to Contractor's servers, technology or computer systems.

36. Assignment. Neither party may assign its rights or obligations arising out of this Agreement without the other party's prior written consent, except that Contractor may assign any of its rights or obligations under this Agreement (i) to an affiliate; (ii) the purchaser of all or substantially all of Contractor's assets or equity securities related to the business of Contractor that is the subject matter of this Agreement or (iii) to any successor by way of merger, consolidation, or other corporate reorganization of Contractor related to the business of Contractor that is the subject matter of this Agreement; provided that in each case the assignee is adequately capitalized and can provide adequate assurances that it can perform the obligations under this Agreement. In the event that any such assignment is made by Contractor, Contractor will provide the City with written notice of such assignment. City will work in good faith with Contractor to effectuate the assignment, but City must affirmatively accept the assignment in accordance with Administrative Code 21.22.

37. Compliance with Americans with Disabilities Act. Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled

persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Agreement. Contractor shall adhere to the requirements of the Americans with Disabilities Act of 1990 (ADA), as amended (42 U.S.C. Sec. 1201 et seq.) and Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. Sec. 794d).

38. Sunshine Ordinance. In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, responses to requests for proposals and all other records of communications between City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request provided however, that in the event of such a request, the City shall promptly notify the Contractor to allow the Contractor a reasonable opportunity to seek protective legal treatment for such confidential and/or proprietary information required to be disclosed by City pursuant to the request.

Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Through its execution of this Agreement, Contractor acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any

facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

41. Non-Waiver of Rights. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

42. Modification of Agreement. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

43. Administrative Remedy for Agreement Interpretation. Should any question arise as to the meaning and intent of this Agreement, the question shall, prior to any other action or resort to any other legal remedy, be referred to Purchasing who shall decide the true meaning and intent of the Agreement.

45. Construction. All paragraph captions are for reference only and shall not be considered in construing this Agreement.

46. Entire Agreement. This contract sets forth the entire Agreement between the Parties, and supersedes all other oral or written provisions. If any provision of this Agreement is held to be unenforceable, this Agreement shall be construed without such provision. Contractor further agrees that in the event of conflicting language between this Agreement and Contractor's printed form attached as Appendix D, the provisions of this Agreement shall take precedence.

47. Compliance with Laws. Contractor shall keep itself fully informed of the City's Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Agreement, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws.

48. Reserved.

49. Cooperative Drafting. This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

50. Notification of Legal Requests. Contractor shall immediately notify City upon receipt of any electronic discovery, litigation holds, discovery searches and expert testimonies related to City's Data under this Agreement, or which in any way might reasonably require access to City's Data. 51. PCI Requirements. Contractors providing services and products that handle, transmit or store cardholder data, are subject to the following requirements:

a. Applications shall be compliant with the Payment Application Data Security Standard (PA-DSS) and validated by a Payment Application Qualified Security Assessor (PA-QSA). A Contractor whose application has achieved PA-DSS certification must then be listed on the PCI Councils list of PA-DSS approved and validated payment applications.

b. Gateway providers shall have appropriate Payment Card Industry Data Security Standards (PCI DSS) certification as service providers (<https://www.pcisecuritystandards.org/index.shtml>). Compliance with the PCI DSS shall be achieved through a third party audit process. The Contractor shall comply with Visa Cardholder Information Security Program (CISP) and MasterCard Site Data Protection (SDP) programs.

ActiveNet Software Service Agreement – Extension

Agenda Wording

Discussion and possible action to recommend that the Board of Supervisors approve an amendment of the software service agreement between the Recreation and Park Department and ActiveNet Recreation and Permits Business Services, to authorize a 2-year extension of the agreement from January 2026 through December 2027.

Strategic Plan

Strategy 2: Inspire Play: Promote active living, well-being and community for San Francisco's diverse and growing population.

Objective 2.1 : Strengthen the quality, responsiveness, and accessibility of recreation programs

Strategy 5: Inspire Team: Encourage innovation and cultivate a connected, engaged and aligned workforce that delivers outstanding service.

Objective 5.1: Strengthen organizational efficiency and support innovation

Background

This is a request for an extension of the Software as a service agreement between the City and County of San Francisco and Active Network, LLC which is set to expire on 12/31/2025. This contract was initiated in 2015 and has been amended for extension four times since that date.

This software is the business operating software for all recreation business services which includes all program, product, and permit sales for this department. Financial transactions annually are over \$20M. The system is linked to the City's financial systems and includes both a customer and administrator interface.

The Department plans to submit a request for bids for a new contract. Due to the integral nature of this system and the length of time it would take to complete the bidding and to transition to an entirely new business system, it is not feasible to accomplish all of that in less than a two year period. Therefore the Department is requesting a two-year extension of this contract to allow enough time to perform a bidding process but potentially convert to a different business system.

As part of the two-year extension, the service agreement amendment will be including language to allow the Department to exclude the requirement for exclusive use of ActiveNet for tennis court reservations and County Fair Building reservations. ActiveNet does not currently have the functionality required to be able to restrict access by customers wishing to reserve courts as well as other limitations.
