Board of Supervisors
1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, CA 94102

Dear Ms. Calvillo:

Attached please find an original single-sided and two single-sided, black and white copies of the proposed Resolution for the Board of Supervisors approval, which authorizes the Director of Health, Barbara A. Garcia, to sign an amended agreement with the California Department of Health Care Services (DHCS) for expansion of the Whole Person Care (WPC) Pilot, if DHCS approves the San Francisco Department of Public Health (SFDPH) expanded application. Resolution No 453-16, adopted November 1, 2016, authorized the SFDPH to enter into the original agreement with DHCS for WPC pilot.

SFDPH submitted an application to DHCS on March 1, 2017 to expand the WPC pilot program. DHCS plans to notify SFDPH of approval of its expanded application on June 12, 2017, and requires SFDPH to accept and return the signed amended agreement within 10 days - June 22, 2017. Therefore, the SFDPH is seeking the Board of Supervisors' approval prospectively to meet that deadline.
