Re: Electric Resistance Society, LLC dba Monarch, Liquor License "PCN" Request
Premises Expansion – Type 48

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our premises expansion. We are Electric Resistance Society LLC, doing business as Monarch at 101 6th Street, San Francisco, CA 94103. We currently hold a Type 48 – On Sale General Public Premises liquor license, and have been in good standing since 2011. We simply intend to expand and utilize the adjacent space, which we have acquired and renovated, as part of our operations. The new space is approximately 400 square feet.

Our approved business hours are from 6:00 am to 2:00 am each night of the week. Commonly, though, we operate from 5:30 pm to 2:00 am each night of the week.

We care deeply for San Francisco, and we choose to operate in this location in SOMA to bring a high quality business to an underserved area. We keep the vicinity clean, free from crime and nuisance, and attract paying and respectful patrons to our establishment and the neighborhood. A thriving business is good for the city, and we are one of the best in terms of our bar program, world class music offered in our downstairs venue, and the beautifully designed and maintained interior.

We vigilantly monitor the surrounding area to ensure the safety of our business and customers, do not serve obviously intoxicated people, and have good relationships with community leaders and members. Further, we have a close, working relationship with Captain Michael Redmond of the Southern Police Station. We are actively involved in making District 6 a thriving, safer community and feel our business contributes to this effort.

We seek the SF Board of Supervisor's affirmative ruling that our premises expansion serves the public convenience and necessity of our City.

Sincerely,

Tadd Cortell, Owner
