Be it ordained by the People of the City and County of San Francisco:

Section 1. General Findings.

1 (a) Movie Theaters serve as community cornerstones and gathering spaces for the
2 arts, and in recent years, their operations have been threatened by shifting streaming habits,
3 the COVID-19 pandemic, and more. The theaters hit hardest by these tough economic
4 conditions are small, single-screen, and historic theaters throughout the city and state, many
5 of which were small businesses and have been forced to close.

6 (b) It is imperative that the City and County of San Francisco do all that we can to keep
7 these small neighborhood theaters in business by supporting their profitability and delivering
8 clear, transparent, and efficient permitting processes for any necessary restoration work. This
9 ordinance helps support the neighborhood theater operations by allowing them to provide on-
10 site beer, wine, and/or liquor sales for drinking on the premises, enabling them to more easily
11 generate added revenue from these sales.

12 (c) Critically, this ordinance continues to require these theaters to obtain an ABC
13 license and does not affect any businesses governed by Alcohol Restricted Use Districts
14 where controls exist to protect the health, safety, and welfare of these neighborhoods.

15 (d) By enacting this ordinance, San Francisco helps make it easier for small movie
16 theater businesses to continue to serve their local communities and the arts.

17 18 Section 2. Environmental Findings.

19 (a) The Planning Department has determined that the actions contemplated in this
20 ordinance comply with the California Environmental Quality Act (California Public Resources
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
22 Supervisors in File No. 251103 and is incorporated herein by reference. The Board affirms
23 this determination.

24 (b) On January 15, 2026, the Planning Commission, in Resolution No. 21880, adopted
25 findings that the actions contemplated in this ordinance are consistent, on balance, with the

1 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board
2 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
3 Board of Supervisors in File No. 251103, and is incorporated herein by reference.

4 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning
5 Code amendments will serve the public necessity, convenience, and welfare for the reasons
6 set forth in Planning Commission Resolution No.21880 and the Board incorporates such
7 reasons herein by reference. A copy of Planning Commission Resolution No.21880 is on file
8 with the Clerk of the Board of Supervisors in File No. 251103.
