

San Francisco International Airport

July 10, 2023

TO: Angela Calvillo, Clerk of the Board of Supervisors (BOS)

FROM: Cathy Widener, Chief External Affairs Officer (AIR)

SUBJECT: BOS Files 230204 & 230342 – Report of San Francisco International Airport on Compliance of Airline Lease and Use Signatories with San Francisco Administrative Code Chapter 12B

Pursuant to San Francisco Board of Supervisors (BOS) Resolutions No. 337-23 and 338-23 (Resolutions), the approvals of the BOS of the 2023 Lease and Use Agreements (LUA) at San Francisco International Airport (Airport) were expressly conditioned on each LUA signatory’s full compliance with Chapter 12B of the San Francisco Administrative Code (Chapter 12B) no later than June 30, 2023, or obtaining the appropriate waivers thereto, to the extent such compliance is required. Further, the Resolutions direct the Airport to provide a report to the Board of Supervisors on the signatories that complied with Chapter 12B, those that did not comply, and those that obtained a waiver. I am pleased to report to you that all of the signatories party to an approved LUA under the Resolutions which were required to comply with Chapter 12B became compliant by June 30, 2023. No LUA signatories failed to timely comply or were granted waivers.

Thank you for your help and attention to this matter. Airport staff can assist with any further information that may be needed. Should you have any questions regarding this matter, please contact Javad Hadizadeh, Director, Aviation, Parking, and Space Management, at (650) 821-4525.

Very truly yours,
