Hello Board of Supervisors!

I just wanted to say thank you for voting unanimously to declare San Francisco a sanctuary for transgender, gender nonconforming, and nonbinary people. I count the days till I get to come back to my home in San Francisco, (finishing up my PhD) and this makes me and my family want to be back there even more!

With love and respect,
Poppy

Dear BOS,

I am writing in support of Supervisor Mandelmann's resolution making San Francisco a Sanctuary City for trans and GNC folks. As a 77 year old trans woman, I am terrified daily by news of the horrible laws being passed in red states that seek to render us folks either dead or invisible. This bill will take away some of the terror for folks like me. Thank you.

Sincerely,
Richelle Lee Slota
