

**LEGISLATIVE DIGEST**

[Health Service System Plans and Contribution Rates for Calendar Year 2023]

**Ordinance approving Health Service System plans and contribution rates for calendar year 2023.**

Existing Law

Charter, Section A8.422, requires the Board of Supervisors to adopt health care plan contribution rates annually for Health Service System members by three fourths of its members.

Amendments to Current Law

The Ordinance sets the participating employer’s average contribution toward member health insurance premiums in addition to the Health Service System member health care plan contribution rates.

Background Information

The San Francisco Board of Supervisors (Board) approves rates and benefits for San Francisco Health Service System (HSS) members, and the employer’s “average contribution” toward member health insurance premiums, through a single uncodified ordinance. The “average contribution” is the average contribution made by the ten counties in California with the largest populations toward the providing of health care plans, exclusive of dental or optical care, for each employee of such county.
