7 WHEREAS, It is estimated that at least 90,000 San Franciscans, or 12% of the
8 population, are at-risk for severe problems related to alcohol and/or drug use; and,

9 WHEREAS, San Francisco ranks among the highest of all U.S. cities in drug-related
10 emergency room admissions due not only to heroin use, but also methamphetamines, crack
11 cocaine and LSD; and,

12 WHEREAS, It is the mission of the San Francisco Treatment on Demand Planning
13 Council to serve as a community planning body that has recently adopted the following key
14 principles to include: 1) That while abstinence is the ultimate goal of any substance abuse
15 treatment system, harm reduction is an important part of addressing the practical realities of
16 and individual's needs; 2) That programs must be culturally competent and sensitive and deal
17 with the complexity of an individual's life situation and requirements for full recovery; 3) That
18 programs must work with the client in the context of her or his family and community so that
19 recovery leads them to an integration with those systems; 4) That programs must work to
20 advance the recovery of the client in the many aspects of their healing, whether that work is
21 through a single program or through the linkage of multiple programs; 5) That while programs
22 should be free to be creative in offering services there must be accountability for both the
23 functioning and outcomes of the program; and 6) That dignity and safety for each client is a
24 paramount concern; and,

25

1 WHEREAS, The Treatment on Demand Planning Council has set its funding priorities
2 for Fiscal Year 2001-02 in alignment with its core principles; now, therefore, be it

3 RESOLVED, The City and County of San Francisco Board of Supervisors commends
4 the Treatment on Demand Planning Council for adopting its key principles in community
5 dialogue with members of the public; and be it

6 FURTHER RESOLVED, That the Board of Supervisors of the City and County of San
7 Francisco urges the Mayor to do everything possible to ensure support and funding for all
8 interventions proposed by the Treatment on Demand Planning Council.
