

[Proposition J Contract Certification Contracted-Out Department Services Previously Approved]

Resolution concurring with the Controller's certification that department services previously approved can be performed by private contractor for a lower cost than similar work performed by City and County employees, for the following services: security, information and guest services, parking operations, shuttle bus services (Airport); citations, paratransit, parking meter collections, security, towing, transit shelter cleaning services (Municipal Transportation Agency); janitorial services (Port); and security services (Public Utilities Commission).

WHEREAS, The Electorate of the City and County of San Francisco passed Proposition J in November 1976, allowing City and County Departments to contract with private companies for specific services that can be performed for a lower cost than similar work by City and County employees (Charter, Section 10.104.15); and,

WHEREAS, The City has previously approved outside contracts for the services listed below; and,

WHEREAS, The Controller has determined that a Purchaser's award of a contract for the services listed below to a private contractor will continue to achieve cost savings for the City; and,

WHEREAS, The City and County of San Francisco has a Charter obligation to enact a balanced budget each fiscal year; and,

WHEREAS, The Controller's certification, which confirms that said services can be performed at lower costs to the City and County by private contractor than by employees of the City and County, is on file with the Clerk of the Board of Supervisors in File No. 260480,

which is hereby declared to be part of this resolution as if set forth fully herein; now,
therefore be it;

RESOLVED, That the Board of Supervisors hereby concurs with the Controller's certification, and approves the Proposition J Resolution concerning the Purchaser's award of a contract to a private contractor for the services listed below for the period of July 1, 2026 through June 30, 2027, and for the period of July 1, 2027 through June 30, 2028 for the Airport, Municipal Transportation Agency, Port, and Public Utilities Commission.
