MEMORANDUM

Date: August 1, 2023
From: *ACC* Angela Calvillo, Clerk of the Board of Supervisors
Subject: Clerk of the Board Notice for File No. 230515
(Recorded Map)

The map parcel images in the submitted recorded map do not correspond with the order in which the parcels are displayed in the Excelsior Community Benefit District Management District Plan (Pages 8-10) or the Excelsior CBD Engineer's Report (Pages 8-10). According to the Director of the Community Benefit District Program from the Office of Economic and Workforce Development (Director) the parcel images are transposed, with the images intended for map page 2 of 2 appearing on page 3 of 3 and vice versa. The Director confirmed on July 26, 2023, that all intended parcels are accounted for, and this discrepancy will not negatively impact the project or record.
