RE: BOS File No. 250537 – Entertainment Permits- Support

Dear Ms. Calvillo,

On June 23, 2025, the Small Business Commission (the Commission) heard BOS File No. 250537 – Entertainment Permits. The legislation will reduce permit processing timelines for nighttime and entertainment uses by eliminating the routing of permits to certain departments where the review is not relevant to entertainment permits and is otherwise redundant. It will also reduce costs for events and venues through additional updates to Police Code. The Commission noted that this proposal, as part of Mayor Lurie's PermitSF legislative package, identifies inefficiencies in the current permitting process and removes those obstacles to support new and existing business growth.

The Commission supported the legislation with a 6-0 vote, with one Commissioner absent. Thank you for considering the Commission's recommendations. Please feel free to contact me should you have any questions.

Sincerely,
