2. Awarded	RFQ 86: Cultural Wealth	DKI-CW1-007	San Francisco Black Film Festival	San Francisco is celebrated as a sanctuary city rich in cultural pride and social justice movements, with the San Francisco Black Film Festival (SFBFF) playing a vital role in showcasing Black filmmakers and fostering community dialogue. SFBFF's mission is to celebrate African American cinema, promote positive representations, and provide a platform for diverse voices, while also creating economic opportunities through initiatives like the SFBFF Ambassador Program. The festival features screenings, panels, and community events, particularly during Juneteenth, and aims to engage a wide audience across various neighborhoods, with a commitment to highlighting local talent and addressing important social issues through film.	TBD	TBD	200,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW1-008	SF Black Wall Street Foundation	SFBWS has been actively organizing events to celebrate Black culture and support Black entrepreneurs, including corridor activations, virtual conferences, and Juneteenth celebrations, despite pandemic challenges. They are currently seeking funds to secure event space in Bayview to create marketplace opportunities for makers and support micro and small businesses, emphasizing spatial justice for BiPOC businesses. With a proven ability to secure funding and strong administrative capacity, SFBWS will track their impact through surveys for vendors and attendees, sharing results publicly and updating their strategic plans based on stakeholder input.	TBD	TBD	250,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW1-010	Transgender Gender-Variant & Intersex Justice (TGJIP) (Service Area 1)	The TGI Justice Project is grateful for funding from the San Francisco Human Rights Commission and is excited to propose their qualifications for the Cultural Wealth RFP, focusing on culturally affirming spaces, housing justice, and initiatives for marginalized people. Their proposal aims to improve the quality of life for Black transgender and gender nonconforming individuals in San Francisco through healing-centered services, trans-led counseling, support groups, and community events that address systemic inequities and promote Afrocentric healing. With the funding, TGJIP plans to expand their services and increase the number of clients they support, having already served over 70 participants this year.	TBD	TBD	250,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW1-011	Westside Community Services	Westside is committed to delivering expertise in "Culturally Affirming Spaces" by adhering to contract deliverables, providing monthly invoicing and quarterly performance reports, and conducting financial audits and internal control reviews. With over fifty-five years of experience, Westside offers integrated community-based programming that includes outreach, case management, and culturally responsive services for individuals affected by violence, poverty, and mental illness. Their goal is to enhance access to culturally proficient treatment and promote overall well-being through a holistic approach supported by a diverse staff of professionals.	TBD	TBD	1,250,000

2. Awarded	RFQ 86: Cultural Wealth	DKI-CW1-012	Booker T. Washington Community Service Center (Service Area 1)	BTWCSC has a strong history of creating culturally affirming spaces in the Western Addition community, focusing on the impacts of gentrification and displacement on Black residents. As a Black-female-led organization with a predominantly BIPOC staff, they aim to dismantle systemic racism and provide services that honor Black cultural identity. Their proposed intergenerational program will create a safe, Afrocentric space for youth, families, and seniors, featuring hands-on workshops, educational sessions on Black history, and activities that promote self-esteem, cultural pride, and community resilience.	TBD	TBD	750,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW2-001	Booker T. Washington Community Service Center (Service Area 2)	Building on their experience serving low-income, diverse residents in the Fillmore/Western Addition, BTWCSC plans to implement a food distribution program aimed at supporting 300 households annually during the grant term. The program will cater to participants' cultural preferences while emphasizing dignity, choice, and ease of access, leveraging BTWCSC's reputation as a trusted community institution. Food will be distributed in various ways, reaching approximately 1,200 individuals in the first year of the grant period through bags or boxes of produce, food staples, and grocery items.	TBD	TBD	500,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW2-004	Living with Phyllis	The Black Food Sovereignty Learning Program (BFSL) is focused on promoting systemic change in the food system by advancing food justice, celebrating cultural diversity, and ensuring equitable access to healthy and culturally relevant food for the Black community. Grounded in Afro-Indigenous permaculture principles, the program aims to heal historical harms and address food disparities through educational initiatives, hands-on learning, and community engagement, including internships for youth and workshops for families and seniors. BFSL will provide resources, cooking demonstrations featuring local Black chefs, and practical skills for urban residents to create home gardens and adopt healthy eating practices, ultimately fostering a more just and inclusive food system.	TBD	TBD	23,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW3-001	Bayview Senior Services (Service Area 3)	Bayview Senior Services has established the Bayview Hunters Point Adult Day Health Center (Bayview ADHC) as a key healthcare institution in the community. The program aims to offer culturally rich programming while enhancing staff support, including hiring an activities coordinator and an intake/outreach worker to assist with paratransit services. This initiative is designed to improve access to healthcare and support for local seniors.	TBD	TBD	300,000

2. Awarded	RFQ 86: Cultural Wealth	DKI-CW3-003	Transgender Gender-Variant & Intersex Justice (TGJIP) (Service Area 3)	TGI Justice Project is excited to submit a proposal for the Cultural Wealth RFP, focusing on culturally affirming spaces, housing justice, and initiatives for marginalized people, particularly Black transgender and gender nonconforming individuals in San Francisco. With over a decade of experience in advocacy and cultural safety, TGJIP has successfully implemented housing subsidies and services, including overseeing 250 housing subsidies and managing three transitional housing sites as part of the "Our Trans Home" Initiative. Their comprehensive approach aims to improve clients' quality of life and address systemic inequities, having already housed nearly 80 transgender participants in permanent housing this year, with a significant portion identifying as Black.	TBD	TBD	350,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW4-001	Booker T. Washington Community Service Center (Service Area 4)	This program serves as a one-stop center for low-income families with children, providing access to stabilizing services, housing support, and essential resources. It offers various services, including case management, mental health support, food access, workshops, and emergency utility payments, depending on available resources. With growing demand, the program aims to expand its services to accommodate more families until reaching its maximum capacity.	TBD	TBD	250,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW4-002	FACES SF	FACES SF is dedicated to providing holistic services to families, particularly at the Bayview Campus in San Francisco, focusing on emotional support, wellness, fatherhood empowerment, and workforce development. Their initiatives include barrier removal efforts like free diapers and food provisions, which complement programs aimed at increasing vaccination uptake and equitable access to COVID-19 testing. By integrating these services, FACES SF aims to address immediate challenges while promoting health equity and building a resilient foundation for the communities they serve.	TBD	TBD	350,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW5-001	Bayview Senior Services (Service Area 5)	Bayview Senior Services has developed the Bayview Hunters Point Adult Day Health Center (Bayview ADHC), and it has become "an anchor healthcare institution in the community". This program's goal is to provide more culturally rich programming, and to enhance the current work of the staff. This includes an activities coordinator, and an intake/outreach worker to help with paratransit. "	TBD	TBD	350,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW5-002	Booker T. Washington Community Service Center (Service Area 5)	The senior wellness program seeks to expand its services to reach more participants, offering a comprehensive range of support. This includes in-person workshops and classes, events and field trips, transportation to and from the center, meal access, and assistance with barrier removal. The program is designed to enhance senior stabilization and overall well-being.	TBD	TBD	250,000

2. Awarded	RFQ 86: Cultural Wealth	DKI-CW6-002	Mlife (Service Area 6)	The African American Youth Ambassadors for Africa (AYA) aims to help young African Americans aged 14-24 explore their heritage through intercultural collaboration and skill transfer with the Black Diaspora. Modeled after the Birthright Israel initiative, the program provides a year-long cohort-based cultural affirming space that addresses diverse cultural values and combats Afrophobia and cultural racism. Key tasks include curriculum development, cohort building, and organizing a fully funded 10-day trip to Africa, with deliverables such as educational materials and program evaluation reports, all overseen by a dedicated team.	TBD	TBD	200,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW6-003	New Community Leadership Foundation (Service Area #6)	"United Empowerment: A Guided Collaboration for Marginalized Communities" is an innovative initiative led by the New Community Leadership Foundation (NCLF), bringing together 13 diverse partner organizations to support economically marginalized communities, particularly Black LGBTQI+ and gender nonconforming individuals. The program focuses on delivering racially equitable and inclusive services, ranging from economic empowerment and suicide awareness to arts and cultural enrichment, all aimed at uplifting and transforming the quality of life for marginalized individuals. NCLF also provides leadership and technical assistance to ensure organizational sustainability, helping these BIPOC-led organizations collaborate effectively and share best practices to promote equity and inclusivity in San Francisco.	TBD	TBD	250,000
2. Awarded	RFQ 86: Cultural Wealth	DKI-CW6-004	Queer Woman of Color Media Arts (QWOCMAP)	The proposed program aims to enhance QWOCMAP's workforce development initiatives by becoming an official employer of Arts2Work, the first federally registered National Apprenticeship Program in Media Arts and Creative Technologies. This initiative will create sustainable career pathways for LBTQIA+ BIPOC filmmakers through a combination of professional training, one-on-one mentorship, and equitable workplace practices that emphasize racial, gender, and disability justice. Beyond a jobs program, it will connect participants to the broader film industry across the U.S., offering access to training resources, innovative workshops, and a curriculum grounded in social justice, narrative sovereignty, and ethical storytelling. 3. Executed	RFP 79: Native Hawaiian/Pacific Islander	DKI-NHPI-003	SALT/BACR	<p>The SALT Collaborative is a coalition of agencies that began a formal partnership in late 2020, bringing together representative organizations from different ethnic groups within the San Francisco PI community to speak as a single voice. These organizations have all been delivering services in the PI community for many years.</p> <p>The overall goal of this project is to build the capacity of SALT to address the pressing needs of residents of public housing in San Francisco. Pacific Islander residents in particular could benefit from the services SALT shall provide via this grant. Like the PI community itself, the organizations that make up SALT have been chronically under-resourced. For many years, we delivered critically needed services to the PI community on an entirely volunteer bases, with no outside support. It was only in 2021 that we were finally provided funding from the City and County of San Francisco that allowed us to establish the PI Resource Hut in Visitacion Valley. Since then, we have delivered services to more than 500 individuals and families. However, we have not yet been in a position to develop the organization infrastructure and professional expertise needed to continue to build out our services and estavlish SALT as an independent, sustainable coalition. This request for funding will allow us to build our capacity to address the pressing needs of underserved communities. While SALT has a focused expertise reaching and meeting the needs of PI residents in San Francisco, the services funded by this grant are open to everyone regardless of race and ethnicity who otherwise meet the criteria.</p>	7/31/2023	12/30/2024	350,000
