## castro

LGBTQ  
Cultural  
District

The Castro LGBTQ Cultural District has a new set of small business grants we have awarded to six local entrepreneurs. Grants of \$6,000 to each small business will be used to produce activation events that build foot traffic. The deadline for these grants was July 21, 2023. With these new grants, we have supported small businesses in the Castro with more than \$130,000 in funds over the last two years!
