Catherine,

We recommend moving forward with the hearing on April 10. We schedule at our Commission as a formality but in this case we do not mind hearing after it is heard in committee, or even after first reading.

I have blocked out time in Regina's calendar. She is on call for Jury Duty so I can be available if necessary if she is called in.

Would you like me to ask DPW to be available as well, or do you think a representative from our office will suffice? We will have additional briefing documents, including a full breakdown of fees being waived.

Chris

Hey there –

I have the following item on the draft agenda for next week – April 10 at the B&F sub-committee. I understand that the Small Business Commission won't be hearing this until April 22, 2013. Please let me know how you would like to proceed. Should we schedule for next week? Also, who will be presenting on this? I know Mark has talking points but will anyone else be presenting on the legislation?

Catherine:

I have added the full Board Special meeting language. Please confirm that it is needed.

130285 – Awaiting CEQA from Planning and SBC review. I believe SBC will have a hearing on it on 4/22 and the Planning Department will get me the CEQA on Monday. It might be a problem to schedule it before we receive the department response.

Thanks.
