NOTICE OF PUBLIC HEARING
BUDGET AND APPROPRIATIONS COMMITTEE
BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT the Board of Supervisors of the City and County of San Francisco's Budget and Appropriations Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

Date: June 18, 2025

Time: 10:00 a.m.

Location: Legislative Chamber, Room 250, located at City Hall
1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102

Subject: **File No. 250606.** Ordinance amending the Business and Tax Regulations Code, Health Code, Administrative Code, and Public Works Code to: 1) eliminate Department of Public Health permit requirement for veterinary hospitals and laundry facilities; 2) eliminate the food facility surcharge and certain fees for agricultural inspections; 3) establish fees for regulatory compliance activities for solid waste facilities, refuse service for commercial and residential properties, and licensing of refuse collectors; 4) establish regulatory fee for food safety classes and food safety examinations; 5) increase existing regulatory fees for agricultural inspections, certified farmers' market permits, and hazardous waste management; and 6) increase penalties for violations of tobacco sales ordinances by tobacco retailers.

If this legislation passes, the San Francisco Business and Tax Regulations Code, Section 35, will be modified to establish a fee of \$251 per hour for service by environmental health inspectors and a fee of \$229 per hour for service by environmental health technicians when the Department of Public Health conducts inspections, permitting, and enforcement of solid waste facilities, as defined in Section 40194 and required by California Public Resources Code, Sections 43209 et seq.; and a fee of \$188 per training, class, or examination will be charged when the Department of Public Health offers training, classes, or examinations to the person in charge of the operation of a food facility and food handlers, such as a food safety classes and food safety examinations as required by California Health and Safety Code, Sections 113947 et seq. San Francisco Business and Tax Regulations, Section 249.6, will establish an annual license fee for \$12,545 to the Tax Collector for every refuse collector licensed by the Director of Health for each refuse collection route permitted by the Director of Health in accordance with Health Code, Article 6.

Health Code, Section 22A.19, will be modified to increase the initial fee payable to the Department of Public Health upon filing documents for review in administration of Article 22A: Hazard Waste

Management from \$609.50 to \$1,000, and increase the additional fee from \$203.17 to \$333 per hour exceeding three hours or portion thereof.

San Francisco Health Code, Sections 1249 and 3108, will be modified to establish an initial fee of \$1,000 payable to the Department of Public Health due upon filing documents for a dust control plan and for review and establish an additional fee of \$333 per hour exceeding three hours or portion thereof for the administration of Articles 22B and 31. The Controller shall, if necessary, adjust the fees upward or downward for the upcoming fiscal year as appropriate to ensure that the program recovers the costs of operation without producing revenue.

Health Code, Section 3811, will be modified to increase the fees in review and approval of an enhanced ventilation proposal from \$984 to \$1,255; additional consultation, document review or inspection will increase from \$225 to \$251. The Controller shall, if necessary, adjust the fees upward or downward for the upcoming fiscal year to ensure program recovery without producing revenue.

Administrative Code, Section 1.10, will be modified to increase the fees for inspection and certificates for agricultural products to be shipped from \$40 to \$70; certificate of fumigation from \$30 to \$70, and the minimum charge for any single certificate from \$25 to \$70. Quarantine inspection fees will increase from a minimum of \$135 to \$240 plus any hour or portion thereof in excess of three hours required to complete the inspection will increase from \$45 to \$90 per hour; and per mile traveled to perform such inspections will increase from \$0.30 to \$0.56 per mile. Inspections of quarantine shipments which require special handling will increase from \$35 to \$90 per hour, and from \$0.30 to \$0.56 per mile traveled to perform such inspections.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors. Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard: **File No. 250605.** Ordinance amending the Park Code to allow the Recreation and Park Department to set fees for recreation programs based on the Department's operating costs for those programs and various other factors, including whether the program is designated for youth, seniors or persons

with disabilities, subject to approval of the Recreation and Park Commission; directing the Commission to update its scholarship policy to provide for further discounts for recreation programs for persons with disabilities; making certain clarifying changes; and affirming the Planning Department's determination under the California Environmental Quality Act, if the legislation provides \$100,000 would be established to hold a reservation for each tent site or cabin reserved at Camp Mather. The remaining balance of the reservation fee shall be due 30 days prior to the start of the reservation. The Commission would allow the Recreation and Park Department to set recreation program fees based on the estimated operating costs of those programs. The Department generally could not charge a fee for recreation programs' full operating costs, but for programs designed for youth or seniors or persons with disabilities could set fees that recovered only 75% of the operating costs. In addition, the Department would set fees for programs that benefit the community at large based on only 50% of the operating costs. All fees would require approval from the Recreation and Park Commission and, if published on the Department's website. The Ordinance also directs the Recreation and Park Commission to update its scholarship policy to provide for further discounts for recreation programs for persons with disabilities.
