Walk San Francisco is writing to strongly support Mayor Lee's re-appointment of Cheryl Brinkman to the San Francisco Municipal Transportation Agency (SFMTA) Board of Directors.

For the past three years, Cheryl has been a champion for safe, equitable and sustainable transportation – exactly the solutions that San Francisco needs as we grapple with increasing housing costs and a growing population.

Cheryl is a strong leader and dedicated to the SFMTA Board. Cheryl serves as the Vice-Chair of the board, and is regularly present at board meetings, and countless public events. Cheryl is also accessible to the community and makes herself available to discuss concerns.

Demonstrating her leadership and commitment to a safe transportation system, Cheryl led the SFMTA towards Vision Zero—zero traffic fatalities in 10 years. Cheryl requested that staff draft a resolution, she supported the policy as the board considered it for adoption, and continues to champion safety as the board works to implement Vision Zero. **All** San Franciscans will benefit from Cheryl's leadership.

Cheryl also adds an important voice for women and families. Cheryl regularly works to consider how transportation decisions impacts women and children, a lens that is not regularly considered in our transportation system.

Walk San Francisco and our members have been pleased to work with Cheryl over the last three years. With your support, we look forward to continuing that partnership for years to come.

Sincerely,

Subject: Support for Cheryl Brinkman for SFMTA Board

Dear Board Members:

I write to strongly support the re-appointment of Cheryl Brinkman to the SFMATA board. Cheryl understands and represents all citizens of San Francisco, and fairly balances our many transportation needs. At the same time, she understands and has the courage to lead in the critical effort to move us to a more sustainable transportation mode share, one that will make the planet, our city, and our residents more healthy and more financially viable.

I urge you to reappoint Ms. Brinkman to the post. Cheryl has performed stellar service in her three years on the board and deserves the reappointment. All of the San Francisco will benefit from her continued leadership in this important position.

Thank you for considering my views.

Subject: Recommend to re-appoint Cheryl Brinkman to SFMTA Board

Dear Supervisors Yee, Tang, and Campos,

It's a pleasure to enthusiastically encourage you to recommend the re-appointment of Cheryl Brinkman to the SFMTA Board of Directors.

Brinkman has shown considerable insight and skill in helping direct San Francisco's complicated and troubled transportation system. She has developed a record of considering all sides of issues and then advocating for the best outcomes. She has also demonstrated an understanding of the interplay of all modes of transportation, seeking to balance both movement on city streets and, especially, safety.

San Francisco's transportation system faces even greater user demands, and the city needs vision and leadership to guide sane and safe policies through bureaucratic gridlock and sometime failing commitment to stated goals.

I especially appreciate that Brinkman maintains a high degree of civility in dealing with the public no matter the controversial nature of discourse. She does so without the rancor or stridency that often prevails at public hearings.

For all these reasons, I strongly urge you to recommend that the Board of Supervisors approve the re-appointment of Brinkman.

Thank you for your consideration.
