RE: Proposed Establishment (Renewal and Expansion) of Civic Center Community Benefit District

Dear Mayor Breed,

Enclosed for your review and legislative submittal are the materials related to the proposed formation (renewal and expansion) of the Civic Center Community Benefit District, those materials include:

- Resolution to Establish (Renew and Expand) the Civic Center CBD
- Civic Center CBD Management Plan
- Civic Center Engineer's Report

This piece of legislation follows two other pieces of legislation you have introduced regarding the Civic Center Community Benefit District renewal and expansion allowing you to petition on behalf of City owned parcels and authorizing the CBD's special election. Supervisors Brown and Haney co-sponsored both pieces of previous legislation.

If you should have any questions regarding the materials enclosed or the formation process please do not hesitate to contact me. I look forward to the introduction of the Resolution on Tuesday June 4, 2019.
