EXECUTIVE SUMMARY	
<p style="text-align: center;">Legislative Objectives</p> <ul style="list-style-type: none"> The proposed resolutions would approve insurance brokerage services contracts between the Risk Management Division (Risk Management) and (1) Arthur J. Gallagher & Co. Risk Management Services, LLC (Gallagher), for an amount not to exceed \$30,000,000 (File 25-0253); and (2) Alliant Insurance Services, Inc. (Alliant), for an amount not to exceed \$85,000,000 (File 25-0254). Each contract would have a three-year term from July 2025 through June 2028, with a six-year option to extend through June 2034. <p style="text-align: center;">Key Points</p> <ul style="list-style-type: none"> Risk Management uses insurance brokerage services to purchase insurance for City Departments, including property, liability, and other forms of third-party insurance. In January 2024, Risk Management issued a Request for Qualifications (RFQ) for insurance brokerage and risk management services and qualified five firms for brokerage services, including Alliant and Gallagher. The City has existing brokerage services contracts with Alliant and Gallagher, which were approved by the Board of Supervisors in April 2022. Due to the existing relationship with Alliant and Gallagher and their access to the global insurance marketplace, Risk Management awarded them new contracts. Both contracts provide property insurance. The City's contract with Gallagher is specific to Port assets, as the City is unable to insure Port assets under the Alliant Property Insurance Program due to the Pier 45 fire in May 2020 and the unique characteristics of Port property. The contract with Alliant is for City assets that are either revenue generating, such as enterprise assets and the Fine Arts Museums, or as required by bond financing covenants. <p style="text-align: center;">Fiscal Impact</p> <ul style="list-style-type: none"> The proposed contracts would have a combined not-to-exceed amount of \$115,000,000 over the initial three-year terms. The funding for premiums is paid through work orders from the various City departments for which the insurance is procured. Due to the volatility and complexity of the insurance market, quotes for premiums will not be available until approximately 15 days before the contracts take effect in July 2025. <p style="text-align: center;">Recommendation</p> <ul style="list-style-type: none"> Approve the proposed resolutions. 	

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

The City Administrator's Risk Management Division (Risk Management) uses insurance brokerage services to purchase insurance for City Departments, including property, liability, and other forms of third-party insurance. These brokers are responsible for assisting Risk Management in evaluating City departments' insurance needs and assuring that City departments have the appropriate level of insurance coverage.

In January 2024, Risk Management issued a Request for Qualifications (RFQ) for insurance brokerage and risk management services. Risk Management received five responses and an evaluation panel scored them, as shown in Exhibit 1 below.¹

Exhibit 1: Proposers and Scores from RFQ

Proposer	Average Score (out of 100 Points)
Arthur J. Gallagher & Co. (Gallagher)	93.25
Aon	90.50
Merriwether & Williams Insurance Services, Inc.	88.50
Alliant Insurance Services, Inc. (Alliant)	86.75
Marsh USA, Inc.	86.75

Source: Risk Management

All respondents exceeded the minimum score of 75 points and were deemed to be qualified and eligible for contracts.

The City has existing brokerage services contracts with Alliant and Gallagher, which were approved by the Board of Supervisors in April 2022 (Files 22-0196 and 22-0197). The contracts expire June 30, 2025 but have three two-year options to extend through June 2031. According to Matt Hansen, Risk Management Director, the City Attorney's Office advised Risk Management to issue a new RFQ rather than extend existing contracts to separate brokerage services from consulting services. Due to the existing relationships with Alliant and Gallagher and their access to the global insurance marketplace, Risk Management awarded them new contracts.²

¹ The evaluation panel included a Finance Manager from San Francisco International Airport, a Chief Financial Officer from the Port of San Francisco, a Risk Manager from San Francisco Public Utilities Commission (SFPUC), and a Director from the Risk Management Division.

² Risk Management has existing contracts with each of the prequalified firms, except Marsh. Following the RFQ, Risk Management entered into a new contract with Aon and extended the existing contract with Merriwether. These contracts did not require Board of Supervisors approval because they did not exceed 10 years or \$10 million.

DETAILS OF PROPOSED LEGISLATION

The proposed resolutions would approve insurance brokerage services contracts between Risk Management and (1) Gallagher, for an amount not to exceed \$30,000,000 (File 25-0253) and (2) Alliant, for an amount not to exceed \$85,000,000 (File 25-0254). Each contract would have an initial three-year term from July 2025 through June 2028, with a six-year option to extend through June 2034.

These contracts provide the City with property insurance coverage. The City's contract with Gallagher is specific to Port assets, as the City is unable to insure Port assets under the Alliant Property Insurance Program due to the Pier 45 fire in May 2020 and the unique characteristics of Port property. The contract with Alliant is for City assets that are either revenue generating, such as enterprise assets and the Fine Arts Museums,³ or as required by bond financing covenants. According to Director Hansen, the vast majority of insurance is purchased by the City's enterprise departments, predominantly the Airport, Port, San Francisco Municipal Transportation Agency (SFMTA), and San Francisco Public Utilities Commission (SFPUC). It is also purchased for facilities that are publicly financed and miscellaneous City facilities, such as City Hall. Insurance is purchased for specific assets, which may be added to, or removed from, the portfolio over the term of the contract. The City is self-insured for all other non-insured assets.

FISCAL IMPACT

The proposed contracts would have a combined not-to-exceed amount of \$115,000,000 over the initial three-year terms. According to Director Hansen, this amount is a rough estimate based on projections provided by the insurance brokers, which were provided before the Los Angeles area fires and tariff increases. Due to the volatility and complexity of the insurance market, quotes for premiums will not be available until approximately 15 days before the contracts take effect in July 2025.

According to Kelly Hines-Hernandez, Risk Management Deputy Director, actual premium costs in FY 2024-25 were \$22,864,044 for Alliant and \$8,915,703 for Gallagher, for a total of \$31,779,747. Alliant projects increases of approximately two percent in FY 2025-26, seven percent in FY 2026-27, and 15 percent in FY 2027-28. Gallagher projects increases of 20 percent in FY 2025-26 and FY 2026-27 and 15 percent in FY 2027-28. The projections provided by the brokers are shown in Exhibit 1 below.

³ The works of art are insured under a separate policy with Alliant.

Exhibit 1: Projected Annual Contract Expenditures

Broker	FY 2024-25 Actuals	FY 2025-26 Projected	FY 2026-27 Projected	FY 2027-28 Projected	Total 3-Year Estimate	Contract Not- to-Exceed Amount
Alliant	\$22,864,044	\$23,321,325	\$24,953,818	\$28,696,890	\$76,972,033	\$85,000,000
Gallagher	8,915,703	10,698,844	12,838,612	14,764,404	38,301,860	30,000,000
Total	\$31,779,747	\$34,020,168	\$37,792,430	\$43,461,294	\$115,273,893	\$115,000,000

Source: Risk Management, from Alliant and Gallagher

According to Deputy Director Hines-Hernandez, Gallagher's projections tend to be on the high end and include property valuation increases, while Alliant's projections tend to be on the low end and do not include property valuation increases. At this time, Risk Management anticipates a lower than projected increase for the Gallagher contract in FY 2025-26 and therefore believes that the \$30 million not-to-exceed amount will likely be sufficient for the three-year term. On the other hand, Risk Management has built a buffer into the Alliant contract in case the estimates are too low. Estimates made several months in advance can change significantly based on market conditions and claims experience.

The funding for premiums is paid through work orders from the various City departments for which the insurance is procured. Alliant and Gallagher pass through insurance premiums negotiated with insurance carriers across the global market. According to Director Hansen, broker charges would be similar if sold through other prequalified firms as they negotiate from the same insurance markets, although Alliant and Gallagher have access to different specialized components of the market.

This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.1.2 Maximum Costs. City’s payment obligation to Contractor cannot at any time exceed the amount certified by City’s Controller for the purpose and period stated in such certification. Absent an authorized emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, “Modification of this Agreement.”

The amount of this Agreement shall not exceed **thirty million dollars (\$30,000,000)**, the breakdown of which appears in Appendix B, “Calculation of Charges.” City shall not be liable for interest or late charges for any late payments. City will not honor minimum service order charges for any Services covered by this Agreement.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments until City approves the Services delivered. Payments to Contractor by City shall not excuse Contractor from its obligation to replace the unsatisfactory Services even if the unsatisfactory character was apparent or could have been detected at the time such payment was

made. Non-conforming Services may be rejected by City and in such case must be replaced by Contractor without delay at no cost to City.

3.3.3 Withhold Payments. If Contractor fails to provide the Services in accordance with Contractor's obligations under this Agreement, City may withhold any and all payments due to Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

To sign up for electronic payments, visit [SF City Partner at sfgov.org](https://sfcitypartner.sfgov.org).

(b) At the option of City, Contractor may be required to submit invoices directly in the City's financial and procurement system. Refer to <https://sfcitypartner.sfgov.org/pages/training.aspx> for more information.

3.3.7 Reserved.

3.3.8 Payment Terms.

(a) **Payment Due Date.** Unless City notifies the Contractor that a dispute exists, Payment shall be made within 30 calendar days, measured from (1) the rendering of the Services or (2) the date of receipt of the invoice, whichever is later. Payment is deemed to be made on the date City issued a check to Contractor or, if Contractor agreed to electronic payment, the date City has posted electronic payment to Contractor.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make copies of such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Any contractor or subcontractor who submits a false claim shall be liable to City for the statutory penalties set forth in that section.

3.6 **Reserved.**

Article 4 Services and Resources

4.1 **Services Contractor Agrees to Perform.** Contractor agrees to perform the Services stated in **Appendix A, “Scope of Services.”** Officers and employees of City are not authorized to request and City is not required to compensate for Services beyond those stated.

4.2 **Qualified Personnel.** Contractor represents and warrants that it is qualified to perform the Services required by City, and that all Services will be performed by competent personnel with the degree of skill and care required by current and sound professional procedures and practices. Contractor will comply with City’s reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City’s request, must be supervised by Contractor. Contractor shall commit sufficient resources for timely completion within the project schedule.

4.3 **Subcontracting.** Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All subcontracts must incorporate the terms of Article 10 “Additional Requirements Incorporated by Reference” of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 **Independent Contractor.** For the purposes of this Section 4.4, “Contractor” shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor is an independent contractor and is wholly responsible for the manner and means by which it performs the Services and work required under this Agreement. Contractor, and its agents and employees will not represent or hold themselves out to be employees of City at any time. Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor is liable for its acts and omissions. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor’s performing Services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor, or any of its agents or employees. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor’s compliance with this Section. Should City determine that Contractor is not

performing in accordance with the requirements of this Section, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Section.

4.5 Assignment. The Services to be performed by Contractor are personal in character. This Agreement may not be directly or indirectly assigned, novated, or otherwise transferred unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Reserved.

4.7 Reserved.

4.8 Reserved.

4.9 Reserved.

4.10 Emergency - Priority 1 Service. In case of an emergency that affects any part of the San Francisco Bay Area, Contractor will give the City and County of San Francisco Priority 1 service with regard to the Services procured under this Agreement unless preempted by State and/or Federal laws. Contractor will make every good faith effort in attempting to deliver Services using all modes of transportation available. In addition, the Contractor shall charge fair and competitive prices for Services ordered during an emergency and not covered under the awarded Agreement.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations.

(b) Commercial Automobile Liability Insurance with limits not less than **\$1,000,000** each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(c) Workers' Compensation Liability Insurance, in statutory amounts, with Employers' Liability Limits not less than **\$1,000,000** each accident, injury, or illness.

(d) Professional Liability Insurance, applicable to Contractor's profession, with limits not less than **\$10,000,000** for each claim with respect to negligent acts, errors or omissions in connection with the Services.

(e) Technology Errors and Omissions Liability Insurance, with limits of **\$1,000,000** for each claim and each loss. The policy shall at a minimum cover professional misconduct or lack of the requisite skill required for the performance of Services defined in this Agreement and shall also provide coverage for the following risks:

(i) Network security liability arising from the unauthorized access to, use of, or tampering with computers or computer systems, including hacker attacks; and

(ii) Liability arising from the introduction of any form of malicious software including computer viruses into, or otherwise causing damage to City's or third person's computer, computer system, network, or similar computer-related property and the data, software, and programs thereon.

(f) Cyber and Privacy Liability Insurance with limits of not less than **\$10,000,000** per claim. Contractor agrees to promptly provide information requested by City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 **Possessory Interest Taxes.** Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to timely report on behalf of City to the County Assessor the information required by San Francisco Administrative Code Section 23.39, as amended from time to time, and any successor provision. Contractor further agrees to provide such other information as may be requested by City to enable City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience.

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination ("Notice of Termination"). The Notice of Termination shall specify the date on which termination of the Agreement shall become effective ("Termination Date").

8.1.2 Upon receipt of the Notice of Termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to affect the termination of this Agreement on the Termination Date and to minimize the liability of

Contractor and City to third parties as a result of the termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

- (a) Completing performance of any Services that City requires Contractor to complete prior to the Termination Date.

Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the cancellation of such orders and subcontracts.
- (e) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the cancelled orders and subcontracts.
- (f) Taking such action as may be necessary, or as City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the Termination Date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

- (a) The reasonable cost to Contractor, without profit, for all Services provided prior to the Termination Date, for which City has not already made payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.
- (b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.
- (c) The reasonable cost to Contractor of handling and returning material or equipment delivered to City or otherwise disposed of as directed by City.
- (d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of such materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the Termination Date, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or

other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 **Payment Obligations.** City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

If Contractor defaults a second time in the same manner as a prior default cured by Contractor, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor, or of any substantial part of Contractor's property; or (v) takes action for the purpose of any of the foregoing.

On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default. Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent in accordance with Article 11.

8.3 Non-Waiver of Rights. The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

1.2 Statement of Need and Intent

What Does the City Seek?

The Risk Management Division of the City Administrator’s Office is soliciting qualifications from Firms with experience in successfully providing large multi-faceted municipal organizations with insurance brokerage and risk management services to create a list of Firms, including ranking for specific areas of expertise, that are pre-qualified to support the risk management needs of all City departments. The list will be in effect for two (2) years from the date it is established. This Request for Qualifications (“RFQ”) is directed at the specific Service Area described in Section 2, Scope of Work.

What is the City’s Intent with this RFQ?

Pursuant to Administrative Code section 21.16(c), all City departments may utilize the results of this RFQ. The City intends to negotiate agreements with Firms on the pre-qualified list on an as-needed basis for services indicated in Section 2, Scope of Work. The City may use the pre-qualified list, at its sole and absolute discretion, for selection of Firms and negotiations of contracts on an as-needed basis. Firms selected for the list are not guaranteed a contract, and Firms offered a contract are not guaranteed any work via task orders. Firms that are selected to provide services shall receive a contract with an original term of three (3) years. In addition, the City shall have three (3) options to extend the term for a period of two (2) years each, which the City may exercise in its sole, absolute discretion. The City reserves the right to procure services similar or identical to the services specified in this RFQ by any other means. Multiple contracts

may be awarded at the City's sole and absolute discretion in accordance to San Francisco Administrative Code, Section 21.8.

1.3 Background of the City and County of San Francisco

What is the City?

San Francisco is the fourth largest city in California and serves as a center for business, commerce and culture for the West Coast. The City and County of San Francisco, known as the "City," was established by Charter in 1850. It is a legal subdivision of the State of California with the governmental powers of both a city and a county under California law. The City's powers are exercised through a Board of Supervisors serving as the legislative authority, and a Mayor and other independent elected officials serving as the executive authority. The services provided by the City include public protection, public transportation, construction and maintenance of all public facilities, water, parks, public health systems, social services, planning, tax collection, and many others.

What are the Roles and Responsibilities of the City's Risk Management Division?

The City and County of San Francisco's Risk Management Division is part of the City Administrator's Office, and is generally the only City entity authorized to purchase insurance. The Risk Management Division also provides standards for insurance and indemnity language in City contracts, reviews any deviations from these standards, and provides general Risk Management support services and advice to all City departments and enterprises.

2. Scope of Work

This scope of work is a general guide to the work the City expects to be performed and is not a complete listing of all related services that may be required or desired. The City is soliciting qualifications to create a prequalified list of Firms that may be selected for any of the direct or related services described below.

Is My Firm Expected to Propose for a Specific Project?

No. The Risk Management Division will create a list of prequalified Firms, including ranking resulting from the evaluation process detailed in this RFQ. Each Respondent should demonstrate its capabilities by providing concise but comprehensive responses. The City will negotiate the specific scope of services, budget, deliverables and timeline with prequalified Firms selected for contract negotiations. There is no guarantee of a minimum amount of work or compensation for any Respondent(s) selected for contract negotiations. The City may select Contractors from the prequalified list in its sole and absolute discretion in compliance with Administrative Code section 21.4(d).

After the prequalified list has been established, the City may issue Request(s) for Proposals or Request(s) for Quotes to the prequalified Firms to better assess qualifications for a specific scope of service, which may require specific information concerning staffing, scheduling, deliverable, and cost. Alternatively, the City may select the highest-available ranked Contractor based on the rankings of the Proposers.

Does the City accept proposals from partnership Firms?

For any proposed Respondent partnerships, at least 50% of proposed work effort on the City's projects must come from the lead Respondent Firm.

Demonstrated expertise is requested, but is not limited to, the following Service Area:

Unauthorized contact may be cause for rejection of responses at the City's sole and absolute discretion.*

3.1 Deadline for RFQ Questions

Please e-mail any questions to both kelly.hernandez@sfgov.org and maria-zenaida.camua@sfgov.org

No oral questions will be accepted. Questions, in accordance with the below schedule, must be in writing and received before the **Deadline for RFQ Questions**. No questions will be accepted after this time with the exception of those concerning City vendor compliance. All inquiries should include the number and title of the RFQ. Substantive replies will be memorialized in written addenda to be made part of this RFQ. This RFQ will only be governed by information provided through written addenda.

3.3 City Communication Following Receipt of Responses

The City may contact the Respondents for clarification or correction of minor errors or deficiencies in their Responses prior to deeming a Response as non-responsive. Clarifications are "limited exchanges" between the City and a Respondent for the purpose of clarifying certain aspects of the Responses, and do not give a Respondent the opportunity to revise or modify its Response. Minor errors or deficiencies are defined as those that do not materially impact the City's evaluation of the Proposal; for example, failing to label the "original" Response as an "original." For information regarding the City's Evaluation Process, see RFQ Section 5 - Evaluation Criteria.

4. Response Submission Requirements

4.1 Time and Place for Submission of Responses

ALL SUBMISSIONS IN RESPONSE TO THIS RFQ MUST BE VIA EMAIL OR VIA SECURE SITES FOR FILE TRANSFER/DOWNLOAD. MATERIALS MUST BE IN PDF FORMAT. VERY LARGE FILES MUST BE BROKEN INTO SEPARATE SMALLER PDF FILES IF DELIVERED VIA EMAIL. OTHER RESPONSE FORMATS WILL NOT BE REVIEWED.

Late submissions will not be considered

If you do not receive a confirmation email regarding receipt of your response, please call the Risk Management Division at 415-554-2301 or 415-554-2305.

4.2 Response Package

Complete, but concise responses, are recommended for ease of review by the Evaluation Team. Responses should provide a straightforward, concise description of the Respondent's capabilities to satisfy the requirements of the RFQ. Marketing and sales type information should be excluded. All parts, pages, figures, and tables should be numbered and clearly labeled.

For word processing documents, the department prefers that text be unjustified (i.e., with a ragged-right margin) and use a serif font (e.g., Times Roman, and not Arial), and that pages have margins of at least 1" on all sides (excluding headers and footers).

Please note that there is a **page limit** for Attachment IV. Respondents may submit no more than ten (10) pages to demonstrate they meet or exceed the minimum qualifications set forth in Section 5.3A of this RFQ, and no more than ten (10) additional pages to demonstrate specific experience related to the Service Area per section 5.3B of this RFQ. If RFQ Attachment IV exceeds the page limit, then the pages beyond the page limit will not be evaluated. Include copies of resumes in RFQ Attachment IV. Copies of resumes do not count towards the page limit.

Response Item Checklist

RFQ Attachment I – Acknowledgement of RFQ Terms and Conditions

RFQ Attachment II – City's Administrative Requirements

RFQ Attachment III – City's Agreement Terms and Conditions

RFQ Attachment IV – Response Template including Specific Areas of Expertise

Each Attachment must include all documents submitted for that Attachment in one, separate, complete file. Each of these separate files must be titled with Respondent's name and Attachment number (e.g. **ABC Company Attachment I, ABC Company Attachment II**), in that specific order. Each file should include signatures, where applicable.

Respondents are advised to review RFQ Attachments I through III before beginning work on Response Template in RFQ Attachment IV to ensure that City's requirements can be met.

4.3 Content

Firms interested in responding to this RFQ must submit the information required in Section 5, in the order specified in Attachment IV: Response Template. Even if using an alternative format for your response, the information in Attachment IV must be included in the order specified to be scored appropriately.

Responses received under this RFQ that fail to address each of the requested items in sufficient and complete detail to substantiate that the Respondent can meet the City's minimum qualifications, will be deemed non-responsive and will not be considered for prequalification. Note that responses stating, "to be provided upon request" or "to be determined" or the like, or that do not otherwise provide the information requested (left blank) are not acceptable and shall be deemed non-responsive.

4.4 Redact Confidential or Proprietary Information

All documents under this solicitation process are subject to public disclosure per the California Public Records Act (California Government Code Section §6250 et. Seq) and the San Francisco Sunshine Ordinance (San Francisco Administrative Code Chapter 67).

4.4.1 Responses to RFQs, contracts, and all other records of communications between the City and Respondents shall be open to inspection immediately after a contract has been awarded. Nothing in this Administrative Code provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit *until and unless that person or organization is awarded the contract*.

4.4.2 If the City receives a Public Records Request ("Request") pertaining to this solicitation, City will use its best efforts to notify the affected Proposer(s) ("Proposers") of the Request and to provide the Proposer with a description of the material that the City deems responsive and the due date for disclosure ("Response Date"). If the Proposer asserts that some or all of the material requested contains or reveals valuable trade secret or other information belonging to the Proposer that is exempt from disclosure and directs the City in writing to withhold such material from production ("Withholding Directive"), then the City will comply with the Withholding Directive on the condition that the Proposer seeks judicial relief on or before the Response Date. Should Proposer fail to seek judicial relief on or before the Response Date, the City shall proceed with the disclosure of responsive documents.

5. Evaluation Criteria

This section describes the guidelines used for analyzing and evaluating the responses and for Respondent prequalification. It is the City's intent to prequalify Respondent(s) that present the best overall qualifications to the City that will provide the best overall service package. Consultant Firms selected for prequalification are not guaranteed a contract. This RFQ does not in any way limit the City's right to solicit contracts for similar or identical services if, in the

City's sole and absolute discretion, it determines the prequalified list is inadequate to satisfy its needs. There are two phases to the evaluation process. City and CMD staff first perform an Initial Screening as described in Section 5.1. Responses that pass the Initial Screening process (5.1) including Minimum Qualifications (5.2) will proceed to the Evaluation of Firms (that met Minimum Qualifications) described in Section 5.3.

City representatives will serve as the Evaluation Team responsible for evaluating Respondents. Specifically, the team will be responsible for the evaluation and scoring of the responses for prequalification, and for interviews, if desired by the City.

5.1 Initial Screening

The City will review each response for initial determination on responsiveness and acceptability in an Initial Screening process. Elements reviewed during the Initial Screening include, without limitation: compliance with CMD submission requirements; compliance with Minimum Qualification requirements (Section 5.2); compliance with format requirements; response completeness; and verifiable references.

Responses are not scored during the Initial Screening process. Initial Screening is a pass/fail determination as to whether a response meets the threshold requirements described above. By **Deadline for RFQ Responses**, any response that does not demonstrate that Respondent meets requirements in Sections 5.1 and 5.2 will not be eligible for consideration in the Evaluation of Firms (that met Minimum Qualifications) described below in Section 5.3. The City reserves the right to request clarification from the Respondent prior to rejecting a response for failure to meet the Initial Screening requirements. Clarifications are "limited exchanges" between the City and a Respondent for the purpose of clarifying certain aspects of the Response, and will not give a Respondent the opportunity to materially revise or modify its response.

5.1.1 Local Business Enterprise Goals and Rating Bonuses – RESERVED

5.2 Minimum Qualifications

Any response that does not demonstrate that the Respondent meets these minimum qualifications by the response deadline will be considered nonresponsive and will not be evaluated or eligible for award of any subsequent contract(s). The City retains the discretion to seek clarifications and to waive nonresponsive items that it deems immaterial. Use RFQ Attachment IV to provide the responsive information. Maximum number of pages permitted for responses to this Section 5.2.A regarding minimum qualifications is ten (10).

A) **EXPERIENCE:** Two (2) Prior Large Public Entity Insurance Broker and Risk Management Service engagements for which Respondent would like to be considered for prequalification, which meet all the following criteria:

- b. The services described must have been provided to public sector municipalities or similar government agency clients.
- c. Successful completion within five (5) years from the issuance date of this RFQ (successful completion means project deliverables have been completed as required) of the services the City is requesting. Additionally, Respondents must demonstrate extent of experience in the Service Area below:

- a. A minimum ten (10) years of experience providing insurance brokerage services to the public sector, demonstrating expertise in identifying all risks and placing insurance unique to cities and counties.

- c. A minimum of three (3) years' experience working with risk retention pools.

D) **LICENSE** - Current Insurance broker license issued by the California Department of Insurance, to be provided with Qualifications Statement.

5.3 Response Evaluation Criteria for Prequalification

Evaluation Team

City representatives will serve as the Evaluation Team responsible for scoring Respondents' submissions. Specifically, the team will be responsible for the evaluation and rating of the responses for prequalification, for conducting reference checks, and for interviews, if desired by the City.

Each RFQ Proposal that meets the Minimum Qualifications will be evaluated in accordance with the criteria below. Respondent must receive a score of 75 points or above out of the 100 total possible points to be prequalified. There is no numerical limit to the number of Firms that may be prequalified.

5.3.A1 Firm Qualifications – 25 points

- 1. Respondent's Firm history and structure, including total staff size and composition.
- 2. Pending or current litigation related to consulting services provided by the Firm, if any.

3. Client relationships severed for reasons other than convenience, if any.

5.3.A2 Staff Qualifications – 25 points

2. Roles and responsibilities, qualifications, and educational backgrounds of lead staff members.

5.3.A3 Completeness of Response Submission – 10 points

1. Response conforms with RFQ requirements and concisely but comprehensively addresses RFQ requirements;
2. Response is professionally presented and contains organized content and format.

5.3.A4 Experience – 40 points (see below).

5.3B Specific Expertise – Please submit a maximum of ten (10) additional pages, including the following information:

5.3.B1 Experience –As part of the RFQ Attachment IV response for which it would like to be considered for prequalification, please include:

1. Expectations of client involvement or level of effort that are appropriate; the proposed approach should demonstrate experience with providing services to comparable clients.
2. Sufficient expertise and methodology to create competitive differences that distinguish your Firm and will be beneficial to the City.
3. Two (2) Prior Project Descriptions for which it would like to be considered for prequalification, which meet all the following criteria:
 - a. The services/experiences described in **each** of the prior engagements must be comparable to the services the City is requesting, described in RFQ Section 2, Scope of Work.
 - b. Successful completion within five (5) years from the issuance date of this RFQ (successful completion means project deliverables have been completed as required) of the services the City is requesting. Additionally, Respondents must demonstrate extent of experience in the Service Area below:
 - i. **Service Area: INSURANCE BROKER AND RISK MANAGEMENT SERVICES** - A minimum ten (10) years of experience providing insurance brokerage services to the public sector, demonstrating expertise in identifying

all risks and placing insurance unique to cities and counties.

A minimum score of 75 points is needed for a Firm to be considered prequalified for the Service Area.

5.4 Prequalification Process

Respondents scoring 75 points and above may be added to the prequalified list and eligible for potential contract negotiations with the City on an as-needed basis. Respondents that meet this threshold will be ranked in the list based on their scores; such ranking may be the basis for selection for award of a contract pursuant to San Francisco Administrative Code section 21.4 (d). Due to the varied nature of the services to be performed, the City reserves the right to contract with any or all prequalified Respondents.

Reference Checks

Reference checks, including, but not limited to, prior clients as indicated in Attachment IV Prior Project Description(s), may be used to determine the applicability of Respondent experience to the services the City is requesting and the quality of services and staffing provided to prior clients, as well as adherence to schedules/budgets and Respondent's problem-solving, project management and communication abilities, as well as performance on deliverables and outcomes, and effectiveness in meeting or exceeding project objectives. If reference checks deem that information included in a Prior Project Description or elsewhere in the response is untruthful, then the City will reject the response.

Oral Interviews

Interviews may be conducted following the Response Evaluation process at the City's sole discretion. Respondents (who scored 75 points or above) may be invited to Oral Interviews with an Evaluation Team. Oral Interviews, if pursued by the City, will consist of standard questions asked of selected Respondents, and specific questions regarding individual responses. If Interviews are conducted, they will be worth 100 points based on a set of criteria established following review of written responses. The 100 points possible awarded for interviews will be added to the 100 possible points awarded during the Service Area Response Evaluation process for a total of 200 points. **Respondents scoring 150 points and above of the total 200 points will be added to the prequalified list.** The City has sole and absolute discretion over whether interviews will be conducted or not to select Respondents for prequalification.

Release and Waiver Agreement

To effectuate the candid completion of the reference check above, Respondent is required to sign the RFQ Attachment I, Section 14, Release of Liability.

5.5 Selection from Prequalified Lists of Consultants

After the pre-qualified list has been established, the City may issue Request(s) for Quotes or Request(s) for Proposals, Oral Selection Interviews/Demonstrations, or conduct Reference Checks to the prequalified consultant list to better assess qualifications for a specific scope of service, which may include staffing, scheduling, deliverable, and cost considerations. The City may instead, at its discretion, select the highest available ranked Respondent based on the ranking of responses to the RFQ. The City reserves the right to request proposals, quotes, oral interviews/demonstrations, and conduct reference checks from vendors for the Service Area.

For resulting contracts that are equal to or less than the City's Minimum Competitive Amount, the City may select Contractors from the prequalified list in its sole and absolute discretion instead of issuing further solicitations. The City's Minimum Competitive Amount is \$200,000, effective July 1, 2022.

Award of contracts will be made in a manner consistent with San Francisco Administrative Code Chapter 21 Section 21.4(d).

5.6 Other Terms and Conditions

The selection of any prequalified Respondent for contract negotiations shall not imply acceptance by the City of all terms of the response, which may be subject to further negotiation and approvals before the City may be legally bound thereby.

If a satisfactory contract cannot be negotiated in a reasonable time with any prequalified Respondent, then the City, in its sole discretion, may terminate negotiations and begin contract negotiations with any other remaining prequalified Respondents, consistent with San Francisco Administrative Code Section 21.4.

The City, in its sole discretion, has the right to approve or disapprove any staff person assigned to a Firm's projects before and throughout the contract term. The City reserves the right at any time to approve, disapprove or modify proposed project plans, timelines and deliverables. Such approvals will not be unreasonably withheld.

6. Protest Procedures

6.1 Protest of RFQ Terms

Failure of a Respondent to comply with the protest procedures set forth in this section will render a protest invalid and non-responsive, and will result in rejection of the protest.

Should a prospective Respondent object on any ground to any provision or legal requirement set forth in the RFQ (including all Appendices and all Addenda), including but not limited to Protests based on allegations that: (i) the RFQ is unlawful in whole or in part, (ii) one or more of the requirements of the RFQ is onerous, unfair, or unclear; (iii) the structure of the RFQ does not provide a correct or optimal process for the solicitation of the Services; (iv) the RFQ contains one or more ambiguity, conflict, discrepancy or other error; or (v) the RFQ unnecessarily precludes alternative solutions to the Services or project at issue, the prospective Respondent must provide timely written notice of Protest as set forth below.

No later than 5:00 p.m. P.S.T. on the third (3rd) working day of the issuance of the RFQ, a Respondent must submit written notice of any Protest of the RFQ terms via e-mail to both kelly.hernandez@sfgov.org and maria-zenaida.camua@sfgov.org as directed by Section 6.4. Protests or notices of Protests delivered orally (e.g., by telephone) will not be considered.

The written notice of Protest must state the basis for the Protest, refer to the specific requirement or portion of the RFQ at issue, cite all relevant law, and shall describe the modification to the RFQ sought by the prospective Respondent. The Protest shall also include the name, address, telephone number, and email address of the person representing the prospective Respondent.

If necessary, the City at its sole and absolute discretion may extend the response submittal deadline to allow sufficient time to review and investigate the Protest, and issue Addenda to incorporate any necessary changes to the RFQ.

6.2 Protest of Non-Responsiveness Determination

By 5:00 p.m. PST on the fifth (5th) working day of the City's issuance of the subject notice of non-responsiveness, any Respondent that has submitted a response and believes that the City has incorrectly determined that its response is non-responsive, may submit a written notice of protest by e-mail (fax is not acceptable) as directed in Section 6.4. Such notice of protest must be received by the City on or before 5 p.m. PST of the fifth (5th) working day following the City's issuance of the notice of non-responsiveness.

The notice of protest must include a written statement specifying in detail each and every reason asserted for the protest. The protest must be signed by an individual authorized to represent the Respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

6.3 Protest of Establishment of Prequalified Consultant List

By 5:00 p.m. PST on the fifth (5th) working day of the City's issuance of a Notice of Intent to Establish a Prequalified Consultant List, any consultant Firm that has submitted a responsive response and believes that the City has incorrectly excluded it from the prequalified list, or incorrectly selected another Respondent for prequalification, may submit a written notice of protest as directed in Section 6.4. Such notice of protest must be received by the City on or before 5 p.m. PST of the fifth (5th) working day after the City's issuance of the Notice of Intent to Establish a Prequalified Consultant List. In the case of Proposers that submit a proposal after the establishment of the prequalified list, the deadline for such Proposers to protest their exclusion from the list is extended to 5pm PST of the fifth (5th) working day after the City's issuance of the updated Prequalified Consultant List.

The notice of protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The protest must be signed by an individual authorized to represent the Respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

6.4 Delivery of Protests

All protests must be received by the specified dates and time deadlines specified in Section 6.1, 6.2 and 6.3. Protests or notice of protests made orally (e.g., by telephone) or by fax will not be considered.

Protests must be delivered via:

E-mail: both kelly.hernandez@sfgov.org and maria-zenaida.camua@sfgov.org

6.5 Protest Review

The City Administrator's Office will confirm receipt of notice of protest by Respondent which must be submitted in accordance to Section 6.1, 6.2, 6.3, and 6.4.

If a Respondent submits a valid, complete, and timely protest, the City Administrator's Office will review notice of protest soon after receipt of the protest to determine adequacy of notice, including, but not limited to: (1) receipt by due date; (2) inclusion of a written statement specifying in detail each and every one of the grounds asserted for the protest; (3) signed by an individual authorized to represent the Respondent; (4) citation of the law, rule, local ordinance, procedure or RFQ provision on which the protest is based; and (5) specification of facts and evidence sufficient for the City to determine the validity of the protest.

A Respondent may not rely on a Protest submitted by another Respondent, but must timely pursue its own Protest.

The City, at its discretion, may make a determination regarding a protest without requesting further documents or information from the Respondent who submitted the protest. Accordingly, the initial protest must include all grounds of protest and all supporting documentation or evidence reasonably available to the prospective Respondent at the time the protest is submitted. If the Respondent later raises new grounds or evidence that were not included in the initial protest, but which could have been raised at that time, then the City may not consider such new grounds or new evidence.

If the notice of protest is determined to be valid, the City Administrator's Office shall review facts and evidence to determine the outcome of the protest, citing any applicable laws, rules, ordinances, procedures, and/or provisions. The review shall be an informal process conducted by the City Administrator's Office or its designee and will be based upon the information submitted by the Respondent in its protest letter. The City Administrator's Office may seek input from the City Attorney's Office, Office of Contract Administration, Contract Monitoring Division, and/or other City departments as needed or appropriate. The City Administrator's Office will notify the Respondent in writing of its decision at the conclusion of the review. The City Administrator's Office or their designee shall make the final determination regarding the outcome of the protest. The decision of the City Administrator's Office is final.

7. Vendor Compliance

Respondent Team must fulfill the City's administrative requirements for doing business with the City and become a compliant vendor prior to contract award. Fulfillment is defined as completion, submission and approval by applicable City agencies of the forms and requirements referenced in RFQ Attachment II.

ATTACHMENT I: ACKNOWLEDGEMENT OF RFQ TERMS AND CONDITIONS

HOW TO RESPOND TO THIS ATTACHMENT

By submitting a Response, the Respondent, on behalf of itself and its Partners/Subcontractors acknowledges and agrees that:

1. **RESPONDENT AUTHORIZATION:** The signatories are authorized by the Respondent to make representations for the Respondent and to obligate the Respondent to perform the commitments contained in its Response.
2. **RESPONDENT SELECTION:** Based on Responses received to this Request for Qualifications ("RFQ"), it is the intent of the Risk Management Division to create a pre-qualified pool from which to select a Respondent(s) for contract negotiations. This RFQ does not in any way limit the City's right to solicit contracts for similar or identical services if, in the City's sole and absolute discretion, it determines Responses received are inadequate to satisfy its needs.
3. **CONTRACT NEGOTIATIONS:** The City may use the pre-qualified list, at its sole and absolute discretion, for selection of firms and negotiations of contracts for up to two years following establishment of the list, or up to four years if it reissues the RFQ with the same evaluation panel to reopen the list. Contracts issued to pre-qualified firms will have terms of varying lengths depending on the City's needs, but in no case longer than nine years including extensions that may be exercised at the sole discretion of the City. If a satisfactory contract cannot be negotiated in a reasonable time or for a reasonable price with the selected Respondent, then the Risk Management Division, in its sole discretion, may terminate negotiations and begin contract negotiations with another Respondent consistent with Administrative Code section 21.4. The selection of any Respondent for contract negotiations shall not imply acceptance by the City of all terms of the Response, which may be subject to further negotiation and approvals before the City may be legally bound thereby.
4. **NO GUARANTEE OF WORK OR COMPENSATION:** There is no guarantee of a minimal amount of work or compensation for any of the Respondents selected for contract negotiations.
5. **COMPLIANCE WITH LAWS AND REGULATIONS:** Respondent must comply with all applicable State, Federal, and local laws. In the event any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship or performance of the items offered on this Response prior to their delivery, it shall be the responsibility of the successful Respondent to notify the City at once, indicating in their letter the specific regulation which required such alterations. The City reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the contract.
6. **STAFFING:** The key individuals listed and identified in the Response will be performing the work and will not be substituted with other personnel or reassigned to another project by the Respondent/Contractor without the City's prior approval or request. The City, in its sole discretion, shall have the right to review and approve all staff assigned to provide services throughout the duration of the contracts negotiated under this RFQ. Such approval by the City will not be unreasonably withheld. If selected for interviews, the Respondent's key individuals, including partner/subcontractor representatives, will be required to meet with the City prior to selection for contract negotiations.
7. **LEAD ROLE:** The selected Respondent(s) will be expected to take the lead role in project management and staff/subcontractor coordination. Responses should factor this assumption into pricing.
8. **LBE:** There is no LBE subcontracting requirement for the total value of goods and services provided under this RFQ and resulting contracts. LBEs are strongly encouraged to submit responses. See RFQ Attachment for more information.

ATTACHMENT I: ACKNOWLEDGEMENT OF RFQ TERMS AND CONDITIONS

9. CITY'S APPROVAL RIGHTS OVER SUBCONTRACTORS AND SUBCONTRACTOR PAYMENTS: The City has approval rights over the use of all subcontractors. Respondents must identify all subcontractors in their Response and these subcontractors must conform to all City policies regarding subcontractors. Furthermore, each Respondent understands, acknowledges, and agrees that if it subcontracts with a third party for services, the Respondent accepts responsibility for full and prompt payment to the third party. Any dispute between the Respondent and the third party, including any payment dispute, will be promptly remedied by the Respondent. Failure to promptly remedy or to make prompt payment to a third party (subcontractor) may result in the withholding of funds from the Respondent by the City.

10. CITY RESOURCES: The City will arrange for Contractor's access to equipment and data as deemed appropriate by the City.

11. ADMINISTRATIVE REQUIREMENTS: see *RFQ Attachment II*. Respondent must fulfill the City's administrative requirements for doing business with the City prior to contract award. Fulfillment is defined as completion, submission and approval by applicable City agencies of the forms and requirements referenced in RFQ Attachment III.

12. THE CITY'S TERMS AND CONDITIONS: see *RFQ Attachment III*. Respondent is willing and able to meet all of the City's terms and conditions as stated in the City's standard professional services agreement ("Agreement") template. Respondents wishing to negotiate modification of other terms and conditions must attach a copy of the City's Agreement referring to the specific portion of the Agreement to be changed, and show proposed changes (deleted sections with a strike over and added sections in boldface type). The City's selection of any Respondent who proposes changes to the City's Agreement terms shall not be deemed as acceptance of the Respondent's proposed changes.

13. TERM OF COST AND WORK EFFORT ESTIMATE: Submission of a Response signifies that the proposed services and prices are valid for the full possible term of the contract awarded under this RFQ and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity.

The City may award contract(s) based on Responses received without discussion. A Respondent's initial cost and work effort estimate should, therefore, be based on the most favorable terms available. The City reserves the right to accept other than the lowest price offer and reject all Responses that are not responsive to this RFQ.

14. RELEASE OF LIABILITY: The Respondent hereby releases all individuals, entities and firms from all claims and losses that may arise from said individuals, entities or firms providing information, comments, or conclusions to inquiries that the City and County of San Francisco may make regarding the qualifications of any individual or firm seeking to be selected as a contractor or subcontractor in connection with this RFQ. This release is freely given and will be applicable whether or not the responses by said individuals, entities or firms are accurate or not, or made willfully or negligently.

15. FINANCIAL RESPONSIBILITY FOR RESPONSE COSTS: The City accepts no financial responsibility for any costs incurred by a firm in responding to this RFQ. Responses (and related materials), once submitted, become the property of the City and may be used by the City in any way deemed appropriate, and will be returned only at the City's option and at the expense of the Respondent submitting the response. One electronic copy of a submitted response will be retained for official files and become public record.

Any material that a Respondent considers as confidential but does not meet the disclosure exemption requirements of applicable public disclosure laws, including but not limited to the San Francisco Sunshine Ordinance and the California Public Records Act, should not be included in the Respondent's response, as it may be made available to the public.

Any Respondent selected for a contract must be available to commence work no later than the estimated start date stated in the RFQ. It will be the responsibility of any Respondent selected for contract negotiations to disclose, before negotiations commence, any limitations that may impact its ability to complete work in accordance with anticipated deliverables and timelines.
17. **OBJECTIONS TO RFQ TERMS OR RFQ ADDENDA:** Should a Respondent object on any ground to any provision or legal requirement set forth in this RFQ, the Respondent must, not more than three (3) business days after the RFQ is issued, provide written notice to the Controller's Office setting forth with specificity the grounds for the objection. The City may modify the RFQ document through RFQ addenda. If any Respondent wishes to object on any ground to any provision set forth in an addendum, it must notify the City no later than three (3) business days following the posting of the addendum. The failure of a Respondent to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.
18. **EXCEPTIONS TO THIS RFQ:** All information requested in this RFQ must be supplied. Respondents may clearly identify any exceptions to the RFQ in this section and must provide a written explanation to include the scope of the exceptions, the ramifications of the exceptions for the City, and the description of the advantages or disadvantages to the City as a result of exceptions. Respondents are to promptly notify the Controller's Office, in writing, if the Respondent discovers any ambiguity, discrepancy, omission or other error in the RFQ. Any such notification should be directed to the Controller's Office promptly after discovery, but in no event later than three (3) business days following the RFQ issuance or RFQ addendum. 21. **CHANGE NOTICES:** The Risk Management Division may modify the RFQ, prior to the Response due date, by issuing written addenda. The Risk Management Division will make reasonable efforts to post notification of modifications in a timely manner. Notwithstanding this provision, the Respondent shall be responsible for ensuring that its Response reflects any and all addenda issued by the Risk Management Division prior to the Response due date regardless of when the Response is submitted. Therefore, the City recommends that the Respondent contact the Risk Management Division via the two email addresses shown above or check the Controller's Office website before submitting its Response to determine if the Respondent is aware of all addenda.
22. **REVISION OF RESPONSE:** Respondent may revise a Response on the Respondent's own initiative at any time before the deadline for Responses. The Respondent must submit the revised Response in the same manner as the original. A revised Response must be received on or before the Response due date. The City reserves the right to create the RFQ pool without further clarification of Responses received.
23. **CONFLICTS OF INTEREST:** The successful Respondent will be required to agree to comply fully with and be bound by the applicable provisions of state and local laws related to conflicts of interest,

including Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California. The successful Respondent will be required to acknowledge that it is familiar with these laws; certify that it does not know of any facts that constitute a violation of said provisions; and agree to immediately notify the City if it becomes aware of any such fact during the term of the Agreement.

Individuals who will perform work for the City on behalf of the successful Respondent might be deemed contractors under state and local conflict of interest laws. If so, such individuals will be required to submit a Statement of Economic Interests, California Fair Political Practices Commission Form 700, to the City within ten (10) calendar days of the City notifying the successful Respondent that the City has selected the Respondent.

RESPONDENTS are strongly advised to consult with their legal counsel regarding their eligibility to submit a RESPONSE for this RFQ or subsequent RFQs/RFPs.

24. RESPONDENT'S OBLIGATIONS UNDER THE CAMPAIGN REFORM ORDINANCE:
Respondents must comply with Section 1.126 of the S.F. Campaign and Governmental Conduct Code, which states:

No person who contracts with the City and County of San Francisco for the rendition of personal services, for the furnishing of any material, supplies or equipment to the City, or for selling any land or building to the City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer, or candidates for such an office, or committee controlled by such officer or candidate at any time between commencement of negotiations and the later of either (1) the termination of negotiations for such contract, or (2) three months have elapsed from the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

If a Respondent is negotiating for a contract that must be approved by an elected local officer or the board on which that officer serves, during the negotiation period the Respondent is prohibited from making contributions to:

- the officer's re-election campaign
- a candidate for that officer's office
- a committee controlled by the officer or candidate.

The negotiation period begins with the first point of contact, either by telephone, in person, or in writing, when a contractor approaches any City officer or employee about a particular contract, or a City officer or employee initiates communication with a potential contractor about a contract. The negotiation period ends when a contract is awarded or not awarded to the contractor. Examples of initial contacts include: (i) a vendor contacts a city officer or employee to promote himself or herself as a candidate for a contract; and (ii) a City officer or employee contacts a contractor to propose that the contractor apply for a contract. Inquiries for information about a particular contract, requests for documents relating to a Request for Qualifications or Responses, and requests to be placed on a mailing list do not constitute negotiations.

Violation of Section 1.126 may result in the following criminal, civil, or administrative penalties:

- a) Criminal. Any person who knowingly or willfully violates section 1.126 is subject to a fine of up to \$5,000 and a jail term of not more than six months, or both.
- b) Civil. Any person who intentionally or negligently violates section 1.126 may be held liable in a civil action brought by the civil prosecutor for an amount up to \$5,000.
- c) Administrative. Any person who intentionally or negligently violates section 1.126 may be held liable in an administrative proceeding before the Ethics Commission held pursuant to the Charter for an amount up to \$5,000 for each violation.

Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request. Respondent understands that any writing presented under this RFQ may be subject to public disclosure.

26. **PUBLIC ACCESS TO MEETINGS AND RECORDS:** If a Respondent is a non-profit entity that receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the S.F. Administrative Code, the Respondent must comply with Chapter 12L. The Respondent must include in its Response (1) a statement describing its efforts to comply with the Chapter 12L provisions regarding public access to Respondent's meetings and records, and (2) a summary of all complaints concerning the Respondent's compliance with Chapter 12L that were filed with the City in the last two years and deemed by the City to be substantiated. The summary shall also describe the disposition of each complaint. If no such complaints were filed, the Respondents shall include a statement to that effect. Failure to comply with the reporting requirements of Chapter 12L or material misrepresentation in Respondent's Chapter 12L submission shall be grounds for rejection of the Response and/or termination of any subsequent Agreement reached on the basis of the Response.

27. **RESERVATIONS OF RIGHTS BY THE CITY:** The issuance of this RFQ does not constitute an agreement by the City that any contract will actually be entered into by the City. The City expressly reserves, without limitation, the right at any time to:

ATTACHMENT I: ACKNOWLEDGEMENT OF RFQ TERMS AND CONDITIONS

F. Determine that no contract will be pursued.

28. **NO WAIVER:** No waiver by the City of any provision of this RFQ shall be implied from any failure by the City to recognize or take action on account of any failure by a Respondent to observe any provision of this RFQ. Failure by the Department to object to an error, omission or deviation in the Response in no way will modify the RFQ or excuse the Respondent from full compliance with the specifications of the RFQ or any contract awarded pursuant to the RFQ.

29. **CERTIFICATION:** Each Respondent hereby certifies that it has carefully examined this RFQ and documents attached hereto for terms, conditions, specifications, covenants, requirements, services, etc.; and the Respondent certifies that it understands the services requested, that the Respondent has knowledge and expertise to provide the proposed services submitted for consideration, and that its Response is based upon the terms, conditions, specifications, services, and requirements of this RFQ and attachments. 30. **ACCEPTANCE:** Submission of a Response indicates a Respondent's acceptance of the terms and conditions contained in this RFQ unless clearly and specifically noted otherwise in the Response. The City may discontinue its selection, contract negotiations, or contract award processes with any Respondent if it is determined that the Respondent has not accepted the RFQ terms and conditions contained herein.

Should City determine that Contractor is not performing in accordance with the requirements of this Section, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Section.

Contractor agrees that the sum of **[insert whole dollar amount in words and numbers -- no pennies and no “.00”]** per calendar day for each day of delay beyond scheduled milestones and timelines is not a penalty, but is a reasonable estimate of the loss that City will incur based on the delay, established in light of the circumstances existing at the time this Agreement was awarded. City may deduct a sum representing the liquidated damages from any money due to Contractor under this Agreement or any other contract between City and Contractor.
