RESOLUTION APPROVING AMENDMENTS TO THE SAN FRANCISCO ZONING MAP OF THE PLANNING CODE TO GIVE EFFECT TO THE CENTRAL SOUTH OF MARKET AREA PLAN, AND MAKING FINDINGS OF PUBLIC NECESSITY, CONVENIENCE, AND WELFARE, FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN AND PLANNING CODE SECTION 101.1, AND FINDINGS UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT.

WHEREAS, on February 27, 2018, Mayor Mark Farrell and Supervisor Jane Kim introduced an ordinance for Zoning Map Amendments pursuant to the Central South of Market Plan (“Central SoMa Plan”).

WHEREAS, pursuant to Planning Code Section 302(b), on February 27, 2018, the San Francisco Board of Supervisors initiated the aforementioned Zoning Map Amendments.

WHEREAS, on April 10, 2018, Mayor Mark Farrell and Supervisor Jane Kim introduced a substitute ordinance for Zoning Map Amendments pursuant to the Central South of Market Plan (“Central SoMa Plan”).

WHEREAS, pursuant to Planning Code Section 302(b), on April 10, 2018, the San Francisco Board of Supervisors initiated the aforementioned Zoning Map Amendments.

WHEREAS, this Resolution adopting and recommending that the Board of Supervisors approve the Zoning Map Amendments is a companion to other legislative approvals relating to the Central SoMa Plan, including recommendations that the Board of Supervisors approve General Plan Amendments, Planning Code and Administrative Code Amendments, and an Implementation Program.

WHEREAS, The Zoning Map Amendments, together with proposed General Plan Amendments, Planning Code and Administrative Code Amendments, and the Implementation Program document, provide a comprehensive set of policies and implementation programming to realize the vision of the Plan. The Planning Commission incorporates by reference the general findings

and overview concerning the Central SoMa Plan as set forth in Planning Commission Resolution No. 20184 governing General Plan Amendments.

WHEREAS, as a means to implement the goals of the General Plan that are specific to the Central SoMa Plan, the Department is proposing Zoning Map Amendments that would generally reclassify areas currently zoned M-1, MUO, RED, SLI, SSO, WSMUG, and one parcel zoned P to the new Central SoMa Mixed Use Office zoning district (CMUO); most of the areas zoned SALI to CMUO, and areas zoned MUR to CMUO and MUG. Areas currently zoned C-3-O, NCT-SoMa, SPD, and the remainder of the P and SALI zoned areas would remain unchanged. These amendments would also add a new Central SoMa Special Use District to the Plan Area and remove the Western SoMa Special Use District from a subset of the Plan Area, and amend certain height limits and bulk districts. These changes correspond to conforming amendments to Sectional Maps ZN01, ZN08, HT01, HT08, SU01, and SU08 of the Zoning Maps of the City and County of San Francisco. A draft ordinance, substantially in the form attached hereto as Exhibit IV.3, approved as to form by the City Attorney's office, reflects these Zoning Map Amendments. A memorandum summarizing revisions made to the Zoning Map Amendments since consideration by the Planning Commission on March 1, 2018 is attached hereto as Exhibit IV.4.

WHEREAS, on May 10, 2018, after a duly noticed public hearing, the Commission reviewed and considered the Final Environmental Impact Report for the Central SoMa Plan ("Final EIR") and found the Final EIR to be adequate, accurate, and objective, thus reflecting the independent analysis and judgment of the Department and the Commission, and that the summary of comments and responses contained no significant revisions to the Draft EIR, and by Motion No. 20182 certified the Final EIR for the Central SoMa Plan as accurate, complete, and in compliance with CEQA, the CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code.

WHEREAS, on May 10, 2018, by Resolution No. 20183, the Commission approved CEQA Findings, including a statement of overriding considerations, and adoption of a Mitigation Monitoring and Reporting Program ("MMRP"), under Case No. 2011. 1356E, for approval of the Central SoMa Plan.

WHEREAS, on May 10, 2018, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting on the Zoning Map Amendments.

WHEREAS, Planning Department staff recommends adoption of this Resolution adopting and recommending that the Board of Supervisors approve the Zoning Map Amendments.

NOW, THEREFORE, BE IT RESOLVED, that the Commission finds from the facts presented that the public necessity, convenience, and general welfare require the proposed Zoning Map Amendments for the following reasons:

1. The Zoning Map Amendments will help implement the Central SoMa Plan, which will accommodate development capacity for up to 33,000 jobs and 8,300 housing units by removing much of the Plan Area's industrially-protective zoning and increasing height limits on many of the Plan Area's parcels.

2. The Zoning Map Amendments will help implement the Central SoMa Plan, which will maintain the diversity of residents by requiring that more than 33% of new housing units are affordable to low- and moderate-income households, and by requiring that these new units be built in SoMa.
3. The Zoning Map Amendments will help implement the Central SoMa Plan, which will facilitate an economically diversified and lively jobs center by requiring most large sites to be jobs-oriented, by requiring production, distribution, and repair uses in many projects, and by allowing retail, hotels, and entertainment uses in much of the Plan Area.
4. The Zoning Map Amendments will help implement the Central SoMa Plan, which will provide safe and convenient transportation by funding capital projects that will improve conditions for people walking, bicycling, and taking transit.
5. The Zoning Map Amendments will help implement the Central SoMa Plan, which will offer parks and recreational opportunities by funding the improvement of parks and recreation centers in the area and requiring large, non-residential projects to provide publicly-accessible open space.
6. The Zoning Map Amendments will help implement the Central SoMa Plan, which will create an environmentally sustainable and resilient neighborhood by requiring green roofs and use of non-greenhouse gas emitting energy sources. A proposal to include a Mello-Roos Community Facilities District (“CFD”) in the Central SoMa Plan is also under consideration. This CFD would provide funding for environmental sustainability and resilience strategies to improve air quality, provide biodiversity, and help manage stormwater. The CFD would also help to create an environmentally sustainable and resilient neighborhood.
7. The Zoning Map Amendments will help implement the Central SoMa Plan, which will preserve and celebrate the neighborhood’s cultural heritage by helping to fund the rehabilitation and maintenance of historic buildings. The CFD under consideration for addition to the Central SoMa Plan would provide funding to help preserve the Old Mint and for cultural and social programming for the neighborhood’s existing residents and organizations. The CFD would also help to preserve and celebrate the neighborhood’s cultural heritage.
8. The Zoning Map Amendments will help implement the Central SoMa Plan, which will ensure that new buildings enhance the character of the neighborhood and the City by implementing design controls that would generally help protect the neighborhood’s mid-rise character and street fabric, create a strong street wall, and facilitate innovative yet contextual architecture.

AND BE IT FURTHER RESOLVED, that the Commission adopts and incorporates by reference as though fully set forth herein the CEQA Findings set forth in Commission Resolution No. 20183.

AND BE IT FURTHER RESOLVED, that the Commission adopts and incorporates by reference as though fully set forth herein the Mitigation Monitoring and Reporting Program, the requirements of which are made conditions of this approval.

AND BE IT FURTHER RESOLVED, that the Commission finds that the Zoning Map Amendments are in general conformity with the General Plan as set forth in Planning Commission Resolution No. 20184.

AND BE IT FURTHER RESOLVED, that the Commission finds that the Zoning Map Amendments are in general conformity with Planning Code Section 101.1 as set forth in Planning Commission Resolution No. 20184.

AND BE IT FURTHER RESOLVED, that the Commission approves the Zoning Map Amendments as reflected in an ordinance approved as to form by the City Attorney attached hereto as Exhibit IV.3, and incorporated herein by reference, and recommends their approval by the Board of Supervisors.

I hereby certify that the foregoing Resolution was adopted by the Commission at its meeting on May 10, 2018.

Jonas P. Ionin
Commission Secretary

17 Be it ordained by the People of the City and County of San Francisco:

18 Section 1. Environmental and Planning Code Findings.

19 (a) On _____, 2018 after a duly noticed public hearing, the Planning
 20 Commission certified the Final Environmental Impact Report (EIR) for the proposed Central
 21 SoMa Area Plan (the Project) by Motion No. _____, finding the Final EIR reflects
 22 the independent judgment and analysis of the City and County of San Francisco, is adequate,
 23 accurate and objective, contains no significant revisions to the Draft EIR, and the content of
 24 the report and the procedures through which the Final EIR was prepared, publicized, and
 25 reviewed comply with the provisions of the California Environmental Quality Act (CEQA)

1 (Public Resources Code Section 21000 et seq.), the CEQA Guidelines (14 Cal. Code Regs.
2 Section 15000 et seq.) and Chapter 31 of the San Francisco Administrative Code. Copies of
3 the Planning Commission Motion and Final EIR are on file with the Clerk of the Board in File
4 No. _____ and are incorporated herein by reference.

5 (b) The Project evaluated in the Final EIR includes the proposed amendments to the
6 Planning Code and Zoning Map as well as amendments to the General Plan, adopting the
7 Central SoMa Area Plan and other related amendments. The proposed Planning Code and
8 Zoning Map amendments set forth in this ordinance are within the scope of the Project
9 evaluated in the Final EIR.

10 (c) At the same hearing during which the Planning Commission certified the Final EIR,
11 the Planning Commission adopted findings under CEQA regarding the Project's
12 environmental impacts, the disposition of mitigation measures, and project alternatives, as
13 well as a statement of overriding considerations (CEQA Findings) and adopted a mitigation
14 monitoring reporting program (MMRP), by Resolution _____.

15 (d) At the same hearing, the Planning Commission, in Resolution No. _____,
16 recommended the proposed Planning Code and Zoning Map amendments for approval and
17 adopted findings that the actions contemplated in this ordinance are consistent, on balance,
18 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The
19 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of
20 the Board of Supervisors in File No. _____, and is incorporated herein by reference.

21 (e) Pursuant to Planning Code Section 302, the Board of Supervisors finds that this
22 Zoning Map Amendment will serve the public necessity, convenience, and welfare for the
23 reasons set forth in Planning Commission Resolution No. _____, and the Board
24 incorporates such reasons herein by reference.

1 (f) The Board of Supervisors has reviewed and considered the Final EIR and the
2 environmental documents on file referred to herein. The Board of Supervisors has reviewed
3 and considered the CEQA Findings, and hereby adopts them as its own and incorporates
4 them by reference as though such findings were fully set forth in this Ordinance.

5 (g) The Board of Supervisors adopts the MMRP as a condition of this approval, and
6 endorses those mitigation measures that are under the jurisdiction of other City Departments,
7 and recommends for adoption those mitigation measures that are enforceable by agencies
8 other than City agencies, all as set forth in the CEQA Findings and MMRP.

9 (h) The Board of Supervisors finds that no substantial changes have occurred in the
10 proposed Project that would require revisions in the Final EIR due to the involvement of new
11 significant environmental effects or a substantial increase in the severity of previously
12 identified significant effects, no substantial changes have occurred with respect to the
13 circumstances under which the proposed Project is to be undertaken that would require major
14 revisions to the Final EIR due to the involvement of new environmental effects or a substantial
15 increase in the severity of effects identified in the Final EIR, and no new information of
16 substantial importance to the proposed Project has become available which indicates that (1)
17 the Project will have significant effects not discussed in the Final EIR, (2) significant
18 environmental effects will be substantially more severe, (3) mitigation measure or alternatives
19 found not feasible that would reduce one or more significant effects have become feasible or
20 (4) mitigation measures or alternatives that are considerably different from those in the Final
21 EIR would substantially reduce one or more significant effects on the environment.

22 Section 2. The Planning Code is hereby amended by revising Zoning Use District
23 Maps ZN01 and ZN08, Height and Bulk District Maps HT01 and HT08, and Special Use
24 District Maps SU01 and SU08, as follows:

(a) The San Francisco Planning Code is hereby amended by amending Zoning Use District Map ZN01 of the Zoning Map of the City and County of San Francisco, as follows:
