MEMORANDUM

TO: Ms. Angela Calvillo
Clerk of the Board of Supervisors

FROM: Ben Rosenfield

DATE: September 14, 2021

SUBJECT: **File No. 210864 – Memorandum of Understanding – Committee of Interns and Residents, Service Employees International Union**

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I submit a cost analysis of an amendment to the Memorandum of Understanding (MOU) with the Committee of Interns and Residents, Service Employees International Union. The MOU, originally in effect from July 1, 2017 through June 30, 2021, is amended to extend the duration of the MOU one additional year, to June 30, 2022.

In each year from FY 2017-18 through FY 2020-21, Zuckerberg San Francisco General Hospital contributed to the Patient Care Fund. The amended MOU specifies that in the final year of the MOU, FY 2021-22, the contribution will be made by the University of California, San Francisco instead of the hospital. Thus, the amendment is a cost savings of \$183,319 to the City. There are no other changes to the MOU that affect costs to the City.

Note that wages for members of the Committee of Interns and Residents are not set within the MOU, but are instead set by the University of California, San Francisco.

If you have additional questions or concerns, please contact Carol Lu of my staff at carol.lu@sfgov.org.

Sincerely,

A handwritten signature in blue ink, appearing to read "BJR", enclosed in a blue oval.
