<p>EXECUTIVE SUMMARY</p>	
<p style="text-align: center;">Legislative Objectives</p> <ul style="list-style-type: none"> The proposed ordinance would de-appropriate \$4,750,000 in permanent salaries and appropriate \$4,750,000 in overtime in the San Francisco Police Department (SFPD) Airport Bureau. <p style="text-align: center;">Key Points</p> <ul style="list-style-type: none"> Administrative Code Section 3.17 states that certain departments must obtain a supplemental appropriation to exceed the overtime budgets in their annual operating funds. In April 2024, the Board of Supervisors approved an ordinance de-appropriating from permanent salaries and benefits and appropriating to overtime in five department budgets, including SFPD. Due to an oversight, the SFPD overtime appropriation did not include the Airport Bureau. The Airport Bureau exceeded its overtime budget in February 2024. The need for additional overtime funds is largely due to vacancies, as SFPD separations have outpaced new hires in recent years, and overtime has been used to backfill vacant positions. Additionally, overtime has been used to enhance staffing for the Asia Pacific Economic Cooperation (APEC) conference, increase patrol presence at the BART station, and trespassing enforcement. The Police Bureau anticipates that additional overtime will be needed as passenger loads increase for summer travel and for dignitary visits associated with the 2024 Presidential Election. <p style="text-align: center;">Fiscal Impact</p> <ul style="list-style-type: none"> The proposed ordinance shifts \$4,750,000 in savings from permanent salaries to overtime in the SFPD Airport Bureau. The Airport Bureau is paid for by Airport operating funds, not the General Fund. To avoid future supplemental appropriations, the SFPD Airport Bureau has requested an increase to its overtime budget in the upcoming two-year budget from \$2.9 million to approximately \$10.5 million in FY 2024-25 and \$9.9 million in FY 2025-26. <p style="text-align: center;">Recommendation</p> <ul style="list-style-type: none"> Approve the proposed ordinance. 	

MANDATE STATEMENT

Charter Section 9.105 provides that amendments to the Annual Appropriation Ordinance be subject to Board of Supervisors approval by ordinance, after the Controller certifies the availability of funds.

Administrative Code Section 3.17 states that the Airport; Department of Emergency Management; Fire Department; Police Department; Department of Public Health; Public Utilities Commission; Department of Public Works; Recreation and Park Department; and Sheriff must obtain a supplemental appropriation to exceed the overtime budgets in their annual operating funds.

BACKGROUND

In April 2024, the Board of Supervisors approved an ordinance that de-appropriated \$84,988,592 from permanent salaries, mandatory fringe benefits, and programmatic projects and appropriated \$89,759,299 to overtime in five department budgets including the San Francisco Police Department (SFPD) (File 24-0125). Due to administrative oversight, the SFPD overtime appropriation did not include the Airport Bureau. Like other SFPD divisions, the Airport Bureau has incurred overtime to backfill vacant positions and is projected to exceed its overtime budget in FY 2023-24.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would de-appropriate \$4,750,000 in permanent salaries and appropriate \$4,750,00 in overtime in the SFPD Airport Bureau FY 2023-24 budget. The Airport Bureau exceeded its FY 2023-24 overtime budget in the pay period ending February 2, 2024.

FISCAL IMPACT

The proposed appropriation would increase the SFPD Airport Bureau’s overtime budget by \$4,750,000, or approximately 95 percent. Exhibit 1 below summarizes the Airport Bureau’s FY 2023-24 approved budget, the resulting increase from the proposed ordinance, and FY 2022-23 actual expenditures. The Airport Bureau is paid for by Airport operating funds, not the General Fund.

Exhibit 1: SFPD Airport Bureau FY 2023-24 Overtime Budget and Proposed Increase

FY 2023-24 Overtime Budget	\$4,987,466
Proposed Increase in Ordinance	4,750,000
New Overtime Budget	\$9,737,466
Percent Increase	95%
FY 2022-23 Actual Overtime Expenditures	\$4,552,111
New Overtime Budget, as Percent of FY 2022-23 Actual Expenditures	214%

Source: Proposed ordinance, SFPD

According to Emily Yee, SFPD Airport Bureau Fiscal Services Program Manager, the permanent salaries surplus largely due to vacancies, as SFPD separations have outpaced new hires in recent years. The Airport Bureau has 27 vacant sworn positions out of 242 sworn positions, for a vacancy rate of approximately 11 percent. Additionally, the Airport Bureau has 17 vacancies in the Traffic Division, including 15 in the 9209 Police Service Aide position out of 200 budgeted positions, for a 7.5 percent vacancy rate. The Airport Bureau projects that FY 2023-24 permanent salaries will total approximately \$30.9 million, compared to a budgeted amount of \$47.8 million, for a projected surplus of \$16.9 million. However, the Airport Bureau projects FY 2023-24 overtime expenditures of approximately \$9.2 million, compared to a budgeted amount of \$5.0 million, for a projected deficit of \$4.2 million. The Airport Bureau is requesting a \$4.75 million appropriation to provide a buffer in case overtime expenditures increase in the final two months of the fiscal year.

According to Fiscal Services Program Manager Yee, overtime has primarily been used to backfill vacant positions, enhance staffing for the Asia Pacific Economic Cooperation (APEC) conference, increase patrol presence at the BART station, and trespassing enforcement. The Police Bureau anticipates that additional overtime will be needed as passenger loads increase for summer travel and for dignitary visits associated with the 2024 Presidential Election.

To avoid future supplemental appropriations, the SFPD Airport Bureau has requested an increase to its overtime budget in the upcoming two-year budget from \$2.9 million to approximately \$10.5 million in FY 2024-25 and \$9.9 million in FY 2025-26. This may provide sufficient overtime in the Airport Bureau if additional separations are not replaced and the Airport does not add new requests for service without reducing BART patrols and trespassing enforcement. Additionally, the Airport Bureau is using approximately 38 retirees to help backfill vacant positions, as allowed under City Charter Section A8.511(c), which allows retirees to work for up to 960 hours per year while also receiving a pension. However, these workers are not considered sworn officers and cannot carry out all functions. Approximately 37 retirees are serving as Community Ambassadors, and one is serving in Police Records.

RECOMMENDATION

Approve the proposed ordinance.
