DEPARTMENT: HSS – HEALTH SERVICE SYSTEM

CHANGES TO HSS PROGRAMS IN FY 2012-13 AND FY 2013-14:

In FY 2011-12, the Health Service System was asked by Health Service Board to shift their enrollment period for employee health plans from April to January to coordinate the plan year with the calendar year. As a result, HSS has held two enrollment periods in FY 2011-12, as opposed to one, and the Department has postponed projects budgeted for in FY 2011-12 to FY 2012-13.

Overall, the needs of HSS in FY 2013-14 are unclear as the United States Supreme Court decision *Department of Health and Human Services, et al., Petitioners v. Florida, et al.* could change the nature, or associated compliance requirements, of HSS's provided services. Currently, HSS complies with the Patient Protection and Affordable Care Act of 2010.

- Reliance on the Library Preservation Fund's balance decreases from \$947,103 in FY 2011-12 by \$506,630 to \$440,473 in FY2012-13 as receipts from local tax revenues were greater than they were in FY2011-12.

FY 2013-14

The Department's revenues of \$42,289,890 in FY 2012-13, are \$2,688,508 or 6.8% more than FY 2011-12 revenues of \$39,601,382. General Fund support of \$54,680,000 in FY 2012-13 is \$1,930,000 or 3.7% more than the FY 2011-12 General Fund support of \$52,750,000.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$25,640,380 largely due to:

- A significant increase in salary and fringe benefit costs, resulting from a 3% salary increase occurring on July 1, 2012 based on the City’s agreement with the Firefighter’s Union and a 4% salary increase in FY 2011-12, of which 3% was effective July 1, 2011 and 1% was effective January 1, 2012. The 4% FY 2011-12 salary increase was not included in the FY 2011-12 budget based on ongoing negotiations with the Firefighter’s Union which weren’t finalized until after the budget was approved.
- The re-activation of Fire Engine 35, located at Station 35 at Pier 22 ½ along the Embarcadero. Since July 1, 2009, this Engine has been deactivated and not staffed due to safety issues with the facility itself, and specifically the facility’s ability to handle a Fire Engine and crew safely. There have been some improvements made to the facility, and the Department anticipates being able to re-staff the station effective July 1st, 2012.
- In January, 2012, the State agency, the Emergency Medical Services Authority allowed for San Francisco to become an exclusive operating area for 911 emergency response, limiting the number of ambulance providers within San Francisco’s ambulance system to the Fire Department as the main provider and two private ambulance companies. In order for the Fire Department to maintain its position as the main provider of ambulance services within the City, it must maintain at least 80% market share. The Fire Department currently has a 70-72% market share. The Fire Department’s current goal is to achieve 85-90% of emergency ambulance transports, which would require an academy class for H-3 Firefighter/Paramedics, consisting of 20 Level 1 (entry level) Firefighter/Paramedics, and the purchase of new equipment, such as ambulances, defibrillators, and gurneys.

FY 2013-14

The Department’s proposed FY 2013-14 budget has increased by \$6,029,013 largely due to:

- An increase in fringe benefit costs.

DEPARTMENT: FIR – FIRE

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 1,467.63 FTEs, which are 6.13 FTEs less than the 1,473.76 FTEs in the original FY 2011-12 budget. This represents a 0.4% decrease in FTEs from the original FY 2011-12 budget. The 6.13 decrease in FTE count is due to increases in Attrition.

The Department and the Mayor's Office are proposing the re-activation of Fire Engine 35, located at Station 35 at Pier 22 ½ along the Embarcadero effective July 1st, 2012. This will result in 4 additional members per day on 24-hour duty.

The Fire Department plans to conduct one H-3 Firefighter/Paramedic academy class to meet its 85 – 90% market share goal for emergency ambulance transport, consisting of 20 Level 1 Firefighter/Paramedics, scheduled to begin on July 9, 2012.

The Department and the Mayor's Office are proposing one entry-level H-2 Firefighter academy class, consisting of 42 entry-level firefighters, to begin training in September, 2012, allowing for a January, 2013 entry into the work force.

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 1,453.78 FTEs, which are 13.85 FTEs less than the 1,467.63 FTEs in the original FY 2012-13 budget. This represents a 0.9% decrease in FTEs from the original FY 2012-13 budget.

The Department and the Mayor's Office are proposing one entry-level H-2 Firefighter academy class, consisting of 42 entry-level firefighters, to begin training in July, 2013 allowing for an October, 2013 entry into the work force.

DEPARTMENT REVENUES:

FY 2012-13

The Department's revenues of \$110,944,430 in FY 2012-13, are \$14,547,246 or 15.1% more than FY 2011-12 revenues of \$96,397,184. General Fund support of \$215,948,618 in FY 2012-13 is \$11,093,134 or 3.7% more than FY 2011-12 General Fund support of \$204,855,484.

Specific changes in the Department's FY 2012-13 revenues include:

- A supplemental reimbursement of federal funds for Medi-Cal ambulance transports as a result of a State assembly bill in 2011, which increased reimbursement rates from current rates for ambulance transports to match Federal Medicare reimbursement rates. The supplemental reimbursement is retroactive to January, 2010, and will result in increased reimbursement of \$300 per ambulance transport to the Department. The retroactive supplemental reimbursement will be divided between FY 2012-13 and FY 2013-14. The increased supplemental reimbursement for ambulance transports is ongoing.

COMMENTS:

FY 2012-13

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$2,358,842 in FY 2012-13. Of the \$2,358,842 in recommended reductions, \$880,458 are ongoing savings and \$1,478,384 are one-time savings. These reductions would still allow an increase of \$23,281,538 or 7.7% in the Department’s FY 2012-13 budget.

However, the Department's H-2 Firefighter staff on regular duty will increase by 42 H-2 Firefighters in January, 2013 when the September H-2 Academy graduates. Therefore, the Department will need to rely less on overtime to fulfill its mandatory staffing levels than it did in FY 2011-12 and previous years. Based on our estimates, suppression overtime of \$32,363,259 in FY 2012-13 is sufficient to account for (1) 3.5% increase in salaries in FY 2011-12, (2) 3.5% salary increase in FY 2012-13, (3) projected \$3 million salary deficit in FY 2011-12, and (4) overtime for the staffing of Station 35. Of the \$54,009 in recommended reductions, \$47,509 are ongoing savings and \$6,500 are one-time savings. These reductions would still allow an increase of \$4,098,853 or 9.4% in the Department’s FY 2012-13 budget.

In addition, approval of the Budget and Legislative Analyst’s policy recommendations would result in savings of \$59,628 in FY 2012-13, which are ongoing savings.

YEAR TWO: FY 2013-14

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$35,607 in FY 2013-14, which are ongoing savings.

In addition, approval of the Budget and Legislative Analyst’s policy recommendations would result in savings of \$145,048 in FY 2013-14, which are ongoing savings.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$4,158,481 largely due to:

- Upgrade the Computer Aided Dispatch (CAD) system.
Tiburon Stratus CAD, which went live in April 2000, is the City’s main 9-1-1 call processing application. It will no longer be supported by the vendor after March, 2015. In FY 2011-12, the Department received Committee on Information Technology (COIT) approval to update the existing Tiburon Stratus CAD system to the latest version of Tiburon Command CAD. Project costs are estimated to be \$3,643,257 and will be incurred in FY 2012-13 and FY 2013-14.
- BayWEB Project:
BayWEB is a new regional interoperability communications network that will allow first responders throughout the Bay Area to communicate during a disaster and on an ongoing basis using advanced technologies. The network is primarily funded by federal grants, with City General Fund support proposed to be \$226,764 in FY 2012-13.
- City’s Earthquake Early Warning System:
Effective March 1, 2012, the Department (through coordination with the Controller’s Office) entered into a three-year agreement with the Regents of the University of California to participate as a member in the Berkeley Seismological Lab’s Earthquake Research Affiliates Program, which will give the City access to the program’s ground motion data feed. The data provided by this program is expected to assist the Department in issuing early alerts in the event of an earthquake. The City will pay an annual membership fee of \$60,000.
- A reduction in attrition savings, as described in more detailed below.

FY 2013-14

The Department’s proposed FY 2013-14 budget has decreased by \$574,470 largely due to a decreases CAD system update project costs, pending future approval by COIT.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 243.92 FTEs, which are 30.36 FTEs more than the 213.56 FTEs in the original FY 2011-12 budget. This represents a 14.2% increase in FTEs from the original FY 2011-12 budget. General Fund supported positions have increased by 6.86 FTEs, largely due to an attrition adjustment, as described below.

The primary position changes include:

- Recognition of 20 FTEs previously off-budget positions:

The Department’s FY 2012-13 budget recognizes 20 FTEs that were shown as “off-budget” positions in the FY 2011-12 budget. These positions are funded by federal Homeland Security grants. Along with the recognition of the positions, the Department’s budget also identifies the specific grant funding source.

- Four new grant-funded positions.
- Exempt Transition Project:

As a result of a Department of Human Resources (DHR) audit conducted in 2011, DHR informed the Department of Emergency Management that of 33 positions hired as Civil Service exempt positions, 10 of these positions had exceeded their three year limit for Civil Service exempt status. At the direction of the Civil Service Commission, the Department has worked with DHR to review the Department of Emergency Management’s staffing needs, identify positions that should be transitioned to regular permanent positions, and develop examinations for permanent positions. As of June 2012, all of the proposed position transitions have been approved by DHR. As part of this process, DHR developed a new classification series “Emergency Services Coordinator” (8600-8604) to more appropriately serve the needs of the Department, which currently uses the City’s Planner series to meet its emergency services personnel needs.

Five upward substitutions have been approved by DHR as part of this exempt transition process, two of which are positions supported by the General Fund, as follows:

- 1 FTE Class 5291 Planner III, transition to Class 0922 Manager I (to serve as Public Information Officer)
- 1 FTE Class 0932 Manager IV, transition to Class 0933 Manager V (to serve as Assistant Deputy Director)

The Budget and Legislative Analyst does not recommend approval of the upward substitution of the Class 0922 Manager I for the Class 5291 Planner III, since the position would not have supervisory responsibility. Instead, the Class 5291 Planner III should be replaced with the new Class 8603 Emergency Services Coordinator III classification.

- **Attrition Reduction and Corresponding Overtime Reduction:**

The proposed FY 2012-13 budget includes a reduction to attrition savings of \$350,996. The Department requested this to account for a lower separation/retirement rate than previously anticipated, based on a lower than typical separation/retirement rate experienced in FY 2011-12. Since the Department had lower overtime expenditures as a result of lower attrition in FY 2011-12, the proposed FY 2012-13 budget included a reduction of \$345,709 in overtime costs.

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 239.25 FTEs, which are 4.67 FTEs less than the 243.92 FTEs in the original FY 2012-13 budget. This represents a 1.9% decrease in FTEs from the original FY 2012-13 budget.

Specific changes in the Department's FY 2012-13 revenues include an increase in federal Homeland Security grants to coincide with the recognition of 20 FTEs that were previously shown as "off-budget".

FY 2013-14

The Department's revenues of \$5,521,602 in FY 2013-14 are \$102,758 or 1.8% less than FY 2012-13 revenues of \$5,624,360. General Fund support of \$41,611,270 in FY 2013-14 is \$471,712 or 1.1% less than FY 2012-13 General Fund support of \$42,082,982.

RECOMMENDATIONS

YEAR ONE: FY 2012-13

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$3,498,216 in FY 2012-13. Of the \$3,498,216 in recommended reductions, \$3,136,899 are ongoing savings and \$361,317 are one-time savings. These reductions would still allow an increase of \$26,818,824 or 5.4% in the Department's FY 2012-13 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended General Fund encumbrances, which would allow the return of \$235,271.48 to the General Fund.

Together, these recommendations will result in \$3,733,487 savings to the City's General Fund in FY 2012-13.

YEAR TWO: FY 2013-14

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$3,792,963 in FY 2013-14. Of the \$3,792,963 in recommended reductions, \$3,233,443 are ongoing savings and \$559,520 are one-time savings. These reductions would still allow an increase of \$17,132,962 or 3.3% in the Department's FY 2013-14 budget.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$30,317,040 largely due to:

- Increases in salary and fringe benefit costs. The Department anticipates significant retirements in FY 2012-13 and FY 2013-14 due, in part, to the expiration of the Deferred Retirement Option Program (DROP). To address attrition, the Department has developed a 6-year hiring plan to gradually increase the number of new officers in its force, including three General Fund supported Police Academy classes of 50 recruits each year in order to backfill retirements and increase the size of the force. In FY 2012-13, the Airport will also fund a class of 30 recruits to address its increased needs. The hiring plan also includes the hiring of civilian staff to allow the Department to move officers currently performing non-sworn functions back into the field.
- A new public safety building, currently under construction, that will be furnished with new furniture, fixtures, and equipment. The building, which will contain the new Police headquarters and house new police and fire stations, is scheduled to open in 2014 in the Mission Bay neighborhood.
- Technological improvements, including an expansion of the pilot *Cameras on Officers* program, the creation of a robust data warehouse, equipping officers with property technology tools, creating a technology help desk, and building a technology team.
- Two additional positions in the Office of Citizen Complaints to assist with investigating police misconduct allegations.

FY 2013-14

The Department’s proposed FY 2013-14 budget has increased by \$20,925,925 largely due to:

- Continued increases in salary and fringe benefit costs due to anticipated retirements in FY 2012-13-. As noted above, to address attrition, the Department has developed a 6-year hiring plan to gradually increase the number of new officers in its force, including three General Fund supported Policy Academy classes of 50 recruits each year in order to

backfill retirements and increase the size of the force. The hiring plan also includes the hiring of civilian staff to allow the Department to move officers currently performing non-sworn functions back into the field.

- Continued increased costs for the new public safety building, scheduled to open in 2014.
- Continued increased costs for technological improvements, noted above.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 2,665.88 FTEs, which are 0.96 FTEs more than the 2,664.92 FTEs in the original FY 2011-12 budget. This represents a 0.04% increase in FTEs from the original FY 2011-12 budget.

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 2,720.82 FTEs, which are 54.94 FTEs more than the 2,665.88 FTEs in the original FY 2012-13 budget. This represents a 2.06% increase in FTEs from the original FY 2012-13 budget.

INTERIM EXCEPTIONS

The Department has requested approval of 1.00 FTE 1824 Principal Administrative Analyst position as an interim exception. The Budget and Legislative Analyst recommends approval of 1.00 FTE position as an interim exception as:

- This position would not affect the general fund in FY 2012-13 as it will be funded by an Urban Areas Security Initiative (UASI) grant which would provide funding through April 30, 2014.
- The Board approved a motion to accept and expend the UASI grant in the amount of \$35,546,960 from the U.S. Department of Homeland Security to assist in building an enhanced and sustainable capacity to prevent, protect against, respond to, and recover from threats and acts of terrorism (File No. 12-0321).
- The position was approved by the Board on April 24, 2012 as an amendment to the FY 2011-12 Annual Salary Ordinance reflecting a 0.33 FTE increase (File No. 12-0321).

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$43,588 in FY 2012-13, which are ongoing savings. These reductions would still allow an increase of \$852,082 or 3.3% in the Department’s FY 2012-13 budget.

In addition, approval of the Budget and Legislative Analyst’s policy recommendations would result in reduction of 0.77 new FTE in FY 2012-13, for which the Department does not have a funding source.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$895,670 largely due to increased personnel costs resulting from mandated increases in salary and fringe benefits, and two new positions, one of which does not include funding, as described below.

FY 2013-14

The Department’s proposed FY 2013-14 budget has increased by \$1,140,788 largely due to increased cost of salaries and fringe benefits.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 157.87 FTEs, which are 1.93 FTEs less than the 159.80 FTEs in the original FY 2011-12 budget. This represents a 1.2% decrease in FTEs from the original FY 2011-12 budget, including two new positions offset by other adjustments.

The following two new positions are proposed:

- One new Court Alternative Specialist I (Class 8446):

This position would work as a Grant Writer Specialist, focusing on securing new grants from federal sources, including the Department of Justice’s Office of Justice Programs and the Bureau of Justice Assistance, with the intention of providing net savings to the City. Currently, the Department’s Executive Assistant and the attorney managers share the responsibility of preparing grant applications. The Budget and Legislative Analyst recommends approval of this position.

- One new Social Worker (Class 2910):

This position would serve as a youth advocate with the Juvenile Court Reentry Unit (JCRU), which is a proposed collaboration between the Superior Court of California, the San Francisco Juvenile Probation Department, the Public Defender’s Office and the Center on Juvenile and Criminal Justice (CJ CJ), and provides reentry planning for youth who are returning from out-of-home placements. Currently, the Public Defender participates in a similar initiative called the Juvenile Collaborative Reentry Team (JCRT), which was funded

by the federal Second Chance Act grant. Under the current arrangement, the Public Defender provides a Social Worker to the JCRT through a Juvenile Probation Department work order.

Current JCRT funding will end in September of 2012. The Public Defender's Office and its partners have applied for a new federal Second Chance Act grant to fund the proposed JCRU. The grant award determination will not be known until September of 2012. . The Department has included one new Social Worker positions as an off-budget position in the FY 2012-13 budget, which the Department expects to fund with the new Second Chance Act grant. The Department states that in the case that it does not secure the Second Chance Act grant in September 2012, it would use this new position authority and fund it with salary savings in order to keep the incumbent in place and support the JCRU.

The Budget and Legislative Analyst considers approval of one new Social Worker position to be a policy matter for the Board of Supervisors, given that (a) the Department does not have a funding source for the position; and (b) the Social Worker advocate role is not essential to the Department's core mission.

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 158.10 FTEs, which are 0.23 FTEs more than the 157.87 FTEs in the original FY 2012-13 budget. This represents a 0.1% increase in FTEs from the original FY 2011-12 budget.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$2,099,514 largely due to:

- Seven FTE’s moved from grant support to General Fund support, as described below.
- First year cost of a two-year project to upgrade the District Attorney’s case management system (DAMION) to the latest version which will allow the Office to improve statistical monitoring. The Committee on Information Technology (COIT) approved the project for \$320,428 in the first year and \$243,480 in the second year.
- Five Replacement Vehicles at a total cost of \$146,905. In order to comply with the Healthy and Clean Air Ordinance (HACTO), which requires subject departmental fleets to remove from service all light duty vehicles that are 12 or more years old, the District Attorney’s Office plans to replace several of its vehicles by 2014. The Department currently maintains a vehicle fleet of approximately 35 vehicles, 25 of which are 12 or more years old.

FY 2013-14

The Department’s proposed FY 2013-14 budget has increased by \$224,183 largely due to the second year cost of a two-year project to upgrade the District Attorney’s case management system, as described above.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 244.96 FTEs, which are 6.44 FTEs more than the 238.52 FTEs in the original FY 2011-12 budget. This represents a 2.7 percent increase in FTEs from the original FY 2011-12 budget.

DEPARTMENT: **DAT – DISTRICT ATTORNEY**

The proposed budget includes seven position reassignments that are currently grant-funded positions proposed to be supported by the General Fund under the reassignment. The positions include:

- Three 8177 Attorneys and one 8129 Victim/Witness Investigator:

Since 2010, these four positions have been funded by American Recovery and Reinvestment Act (ARRA) grant funds that are set to expire. These four positions were supported by the General Fund prior to the receipt of the ARRA funds in 2010. Under the proposed reassignment, the four positions would once again be supported by the General Fund. The Budget and Legislative Analyst recommends approval of these reassignments.

- Three 8129 Victim/Witness Investigators:

These three positions, which conduct outreach to victims of crime in the community, were previously funded by grants that no longer support the costs of the positions. The positions would be funded by the General Fund under the reassignment. These three positions were not supported by the General Fund prior to the grant funding. The Budget and Legislative Analyst believes that approval of these reassignments is a policy matter for the Board of Supervisors.

FY 2013-14

The number of full-time equivalent positions (FTE) budgeted for FY 2013-14 are 237.81 FTEs, which are 7.15 FTEs less than the 244.96 FTEs in the original FY 2012-13 budget. This represents a 2.9 percent decrease in FTEs from the original FY 2012-13 budget.

The primary change in the Department's FY 2012-14 positions is a reduction in Limited Term attorney and investigator personnel that were added during FY 2011-12 to address backlogged homicide cases and carry out other temporary work related to police misconduct cases.

The City will repay the Superior Court \$1.8 million over a five year period, according to documentation provided by the Superior Court.

OTHER ISSUES

Budget Authority

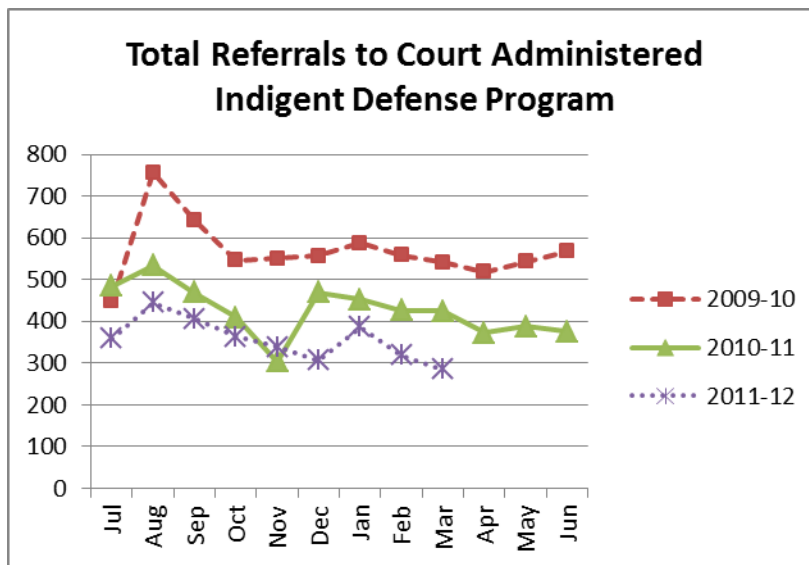

Under State law, the Board of Supervisors has authority only over programs funded by the City’s General Fund or the Special Revenue Fund, designated for courthouse debt service costs. The remainder of the Superior Court’s budget is funded by the State Trial Court funds.

The Board of Supervisors has authority over (1) annual “Maintenance of Effort” payments, which are determined by State statute and must be paid by the Court, (2) the Dispute Resolution Program, which is a fee-based program, (3) courthouse debt service payments, and (4) Indigent Defense and Civil Grand Jury programs.

Indigent Defense Program Costs

The Public Defender refers cases to the Superior Court’s Indigent Defense Program if the Public Defender has a conflict of interest, such as representing more than one individual in a case in which multiple defendants are charged with a crime. As such, the number of referrals received by the Indigent Defense Program is a primary driver of General Fund cost in the Superior Court’s budget.

As shown in the chart below, referrals to the Indigent Defense Program have declined in the last two fiscal years. Based on actual referrals through March 2012 and flat referral rate for the last three months of FY 2011-12 (consistent with historic patterns), total referrals are expected to be approximately 20 percent lower in FY 2011-12 than in the prior fiscal year. A corresponding decrease in billings is expected in FY 2012-13 as these referred cases are closed.

FY 2012-13

The Department’s proposed FY 2012-13 budget has increased by \$10,800,310 largely due to the anticipated need for increased services as a result of the 2011 Public Safety Realignment Act (AB 109). This State legislation transferred supervisory responsibilities for non-serious, non-violent and non-sex offenders from the California Department of Corrections and Rehabilitation to the counties, beginning October 1, 2011. Realignment requires the coordination of several departments in San Francisco, including Adult Probation, Sheriff, Police, Public Health, District Attorney and Public Defender’s office.

To comply with AB109, the Adult Probation Department is specifically charged with post-release community supervision. The department has focused programs on pre-release planning, post-release supervision, and service coordination with other departments to ensure that clients are able to access housing, employment, mental health and substance abuse resources during their transition from incarceration.

Based on the state funding formula, the Adult Probation Department expects to receive \$8,539,301 in FY 2012-13 for AB109 Realignment programs. The department will also receive \$1,356,567 from the City’s Community Corrections Performance Incentive Fund.

FY 2013-14

The Department’s proposed FY 2013-14 budget has decreased by \$7,183 largely due to the completion of the COMPAS case management data tracking system implementation.

SUMMARY OF DEPARTMENT POSITION CHANGES:

FY 2012-13

The number of full-time equivalent positions (FTE) budgeted for FY 2012-13 are 141.94 FTEs, which are 33.94 FTEs more than the 108.00 FTEs in the original FY 2011-12 budget. This represents a 31.4% increase in FTEs from the original FY 2011-12 budget.

Most of these position changes are related to increased staffing needs to support Public Safety Realignment. In September 2011, the Board of Supervisors approved a supplemental appropriation to hire 28 FTEs, including Deputy Probation Officers, Supervising Probation Officers, Clerks and Analysts.
