TOP ACADEMICS.
HANDS-ON APPROACH.

A WELCOME PLACE
FOR ALL.

At Willie L. Brown Jr. Middle School, we create unique learning experiences to find every student's spark. From an exciting school day and year to an on-site health center, electives such as computer science, music, languages, and digital art, the Willie Brown Jr. Middle School is anything but ordinary. Add to that our rigorous academics, interactive approach to learning, a welcoming community environment, and we provide the place your child will be sure to love at Willie Brown Middle School.

At Willie L. Brown, Jr. Middle School, our job is to prepare students to transform the 21st century and to make learning fun through our:

- **Commitment to academic excellence and college-bound culture**
- **Interactive, engaging learning experiences**
- **Personalized approach to teaching**
- **Engineering and technology-enhanced curriculum**

Our brand new, state-of-the-art campus is twice as large as before, has the only middle school science laboratory in the city, and is outfitted with a premier wireless infrastructure to support student devices.

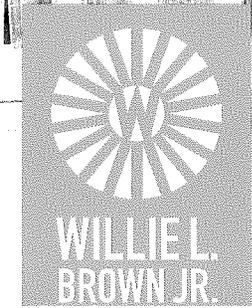

Located in the Bayview neighborhood, Willie Brown Jr. Middle School is designed from the ground up to be a safe, fun space for the entire community. We offer:

- **Classes for parents**
- **On-site multi-lingual translation**
- **A range of after-school programs**

Your child will feel at home from the first day thanks to our diverse student body and engaging faculty, who are committed to developing strong relationships with students and their families. Come visit us and see for yourself!
