MEMORANDUM OF UNDERSTANDING

City and County of San Francisco
Recreation and Park Department
and
San Francisco Parks Alliance
and the
Friends of Kezar Triangle
for the

Design and Construction of Improvements at the Kezar Triangle in Golden Gate Park

This Memorandum of Understanding ("MOU"), dated for reference purposes only as August 15, 2013, by and among the City and County of San Francisco ("City"), acting through the Recreation and Park Department ("RPD"), the Friends of Kezar Triangle, a neighborhood park advocacy group ("Friends"), and the San Francisco Parks Alliance, a California nonprofit public benefit corporation ("SFPA"), acting as the fiscal agent for the Friends; collectively referred to herein as the ("Parties"). The purpose of this MOU is to delineate the responsibilities of each of the parties in the design and construction of landscape and environmental art improvements at the Kezar Triangle ("Project").

RECITALS

- A. RPD operates and maintains real property owned by the City and County of San Francisco located between Kezar Drive, Arguello Boulevard, and Lincoln Way commonly known as "Kezar Triangle" that is described on Exhibit A attached hereto ("Property"). The Property is owned by the City.
- B. The Friends of Kezar Triangle is a park advocacy group that was formed to re-imagine and revitalize Kezar Triangle. The goal of the Friends is to promote a holistic approach to place that combines art, ecology and community engagement. The Friends has entered into a fiscal sponsorship agreement with SFPA for purposes of designing and constructing the Project at Kezar Triangle.
- C. In partnership with RPD and SFPA, the Friends has led the community design process for the Project. At a community meeting held on May 28, 2013, Friends and RPD presented a conceptual site plan ("Conceptual Plan") for the design and construction of landscape and environmental art improvements at Kezar Triangle. At that meeting, community members supported the Conceptual Plan to renovate the landscaping with improved turf and irrigation, expand native plantings and selected trees, and designate areas for temporary environmental art exhibits. The improvements will be fully accessible in compliance with disability access laws. The temporary art component will be in partnership with the San Francisco Arts Commission.
- D. Friends, acting through SFPA as its fiscal sponsor, proposes to provide funding and services necessary to implement the Conceptual Plan in one phase as shown in Exhibit B.

Approved by Rec Park Commission on 8/15/2013

- A. On August 15, 2013 by Resolution No. 1308-014, the San Francisco Recreation and Park Commission ("Commission") approved the Conceptual Plan shown on Exhibit B, approved this MOU, and recommended that the Board of Supervisors accept from SFPA, acting on behalf of the Friends, (1) an in-kind grant of design and construction services valued at up to approximately Six Hundred Fifty Thousand Dollars (\$650,000) for implementation of the Conceptual Plan, and (2) a cash grant of \$19,000 to fund the services of one RPD Project Manager to coordinate the design and construction approvals process (the "Grant"). Services to be provided by SFPA under the in-kind grant shall include design development, construction documents, construction, change order requests, extra work authorizations, claims for additional cost, construction management services, and all related permits and approvals necessary to implement the Conceptual Plan. Friends intends to provide funds sufficient to implement the Grant regardless of final cost. The City's acceptance of the Grant is subject to and conditioned upon acceptance by the Board of Supervisors.
- E. The Parties have established a preliminary Project and Funding Schedule, which is attached hereto as Exhibit C, and a preliminary Project Budget, which is attached hereto as Exhibit D.
- F. The City's Planning Department has found that the Project is categorically exempt from environmental review under the California Environmental Quality Act (a copy of these findings is on file with the Recreation and Park Commission Secretary and are incorporated herein by reference);

NOW, THEREFORE, the Parties hereto agree as follows:

1. **Term of MOU.** This MOU shall become effective upon approval of this MOU by the City in accord with applicable City Charter and Code provisions and full execution by the Parties (the "Effective Date") and shall expire, unless otherwise earlier terminated as set forth in Section 10 below, on the date upon which the City executes a letter accepting the Improvements as set forth in Section 12 (the "Term").
2. **The Project.** The "Project" shall consist of the provision of design and construction services necessary to implement the Conceptual Plan attached hereto as Exhibit B.
3. **Schedule.** The Parties have agreed upon certain milestones as set forth in Exhibit C attached hereto (the "Schedule"). The Schedule may be amended only by mutual written consent of each of the Parties.
4. **Roles and Responsibilities.**
 - 4.1. **The City.**
 - A. It is the role of the Recreation and Park Commission to:
 1. Approve the Conceptual Plan, and

Approved by Rec Park Commission on 8/15/2013

2. Approve a donor recognition and signage plan for the Project, which are to conform to the Commission's Grant Policy (Res. No. 0103-042) and to RPD's sign standards; and
3. Recommend to the Board of Supervisors to accept the Grant from Friends, acting through SFPA as fiscal sponsor.

B. Subject to the acceptance of the Grant by the Board of Supervisors, RPD shall provide the following for the Project:

1. Project Management. RPD shall provide the services of one RPD Project Manager to coordinate necessary City approvals and services for the Project, including but not limited to specialized design services, Environmental Review, compliance with disability access laws, and other RPD reviews, and
2. Maintenance. After completion of construction of the Project and acceptance by the City, RPD will be responsible for the maintenance of the Project according to the Proposition C¹ park maintenance standards.

C. RPD reserves the right to remove or alter the site improvements to the Property in its sole discretion. However, RPD shall conduct "good faith efforts" to contact SFPA in advance of removing or altering any major component of the site improvements in order to allow SFPA the opportunity to restore the site improvements, where applicable.

4.2 Friends and SFPA.

A. General Obligations.

1. The Parties acknowledge that, in contemplation of this MOU, SFPA has entered into a fiscal sponsorship agreement with the Friends to act as fiscal sponsor for the Friends. In furtherance thereof, to the extent required under California Business and Professions Code section 7040(a), the City shall designate SFPA as an "authorized representative" of the City acting through RPD as such term is used therein. The Parties further recognize that as the Friends' fiscal agent, SFPA shall assume full responsibility and liability for any and all of the Friends' obligations hereunder, including but not limited to insurance and indemnity obligations.

2. Friends, through SFPA, shall provide all labor, materials, and project and construction management services necessary for the completion of design and the construction of the Project in accordance with the conceptual and schematic designs set forth in Exhibit B, and the project

Friends, through SFPA, shall be responsible for fully incorporating comments from RPD staff in the Construction Document development phase. Friends, through SFPA, shall be responsible for obtaining all permits and governmental approvals necessary to complete the Project.

3. Friends, through SFPA, will select a contractor or contractors of its choice to perform all services relating to site preparation and installation of the Project, subject to the requirements in subsections C and D below. Friends, through SFPA, will fund all costs associated with its contracts or subcontracts for construction management, design consultation/value engineering, and contractor's work, and all costs associated with the acquisition of all materials and supplies necessary for the contractor to perform its work. Friends, through SFPA, will be fully responsible for all payments to all consultants, contractors and subcontractors retained by it and performing work related to the Project at no cost to the City.

4. Friends, through SFPA, shall provide evidence satisfactory to the City of the acknowledgment of all consultants, contractors and subcontractors, that the City is not financially liable, and shall not be invoiced, for any costs incurred in performing any work related to the Project, except as expressly approved by the City.

5. Friends, through SFPA, shall deliver the construction services free of all liens, easements or claims and shall provide RPD with fully executed waivers and releases from all contractors and subcontractors of all claims against the City, its employees, and agents.

6. Friends, through SFPA, shall ensure that the completed Project complies with all applicable disability access laws.

B. Funding.

1. Cash Grant. Friends, through SFPA, shall provide RPD with approximately \$19,000 to fund the services of the RPD Project Manager described in Section 4.1(B)(1) above. Friends, through SFPA, shall provide the funds to RPD in two tranches as follows:

a. Construction Documents Phase: \$9,500, to be delivered to RPD on or before August 27, 2013.

b. Construction Inspection Phase: \$9,500, to be delivered to RPD on or

before the date that Friends receives the Notice to Proceed from RPD.

2. On or before the date that Friends receives the Notice to Proceed, Friends shall certify to RPD that it has in place all funds necessary to complete construction of the Project. If adequate funds have not been raised by such date, construction shall be delayed and shall not commence unless and until Friends has obtained all funds necessary to complete construction.

3. SFPA, acting as fiscal sponsor for Friends, shall not be liable to RPD, City or any other person to provide funds or services under this MOU except and only to the extent the amounts of such funds or services are provided by Friends. Neither SFPA nor RPD shall be obligated to fund any funding shortfall pursuant to this MOU or any other agreement unless such party expressly so agrees in writing.

C. Architect/Design Professional Contract.

SFPA's contract with the architect or design professional it hires to design the Project ("Architect") shall include the following terms and conditions:

1. Insurance. Architect shall maintain in force, during the full term of its agreement, insurance in the amounts and coverages specified in Exhibit E, and name as an additional insured the City and County of San Francisco, its Officers, Agents, and Employees.

2. Indemnification.

a. General. To the fullest extent permitted by law, Architect shall assume the defense of (with legal counsel subject to approval of the City), indemnify and save harmless the City, its boards, commissions, officers, and employees (collectively "Indemnitees"), from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of the Architect or its subconsultants), expense and liability of every kind, nature, and description (including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses, fees of expert consultants or witnesses in litigation, and costs of investigation), that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of the Architect, any subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively, "Liabilities").

b. Limitations. No insurance policy covering the Architect's performance under this Agreement shall operate to limit the Architect's Liabilities under this provision. Nor shall the amount of insurance coverage operate to limit the extent of such Liabilities. The Architect assumes no liability whatsoever for the sole negligence, active negligence, or willful misconduct of any Indemnitee or the contractors

of any Indemnitee.

c. Copyright infringement. Architect shall also indemnify, defend and hold harmless all Indemnitees from all suits or claims for infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark, or any other proprietary right of any person or persons in consequence of the use by the City, or any of its boards, commissions, officers, or employees of articles or services to be supplied in the performance of Architect's services under this Agreement. Infringement of patent rights, copyrights, or other proprietary rights in the performance of this Agreement, if not the basis for indemnification under the law, shall nevertheless be considered a material breach of contract.

3. Construction Phase Support. The Architect shall be retained for the duration of the Project's construction and be required to provide the City with construction support services related to the Project.

4. Code Compliance. The Architect shall comply with requirements of applicable codes, regulations, and current written interpretation thereof published and in effect during the Architect's services. Where there is an irreconcilable discrepancy between any of the above mentioned codes and regulations, the Architect shall identify to RPD the irreconcilable discrepancy, exercise a professional standard of care in determining which code or regulation governs, and provide RPD with the basis for its determination. In the event of changes in such codes, regulations or interpretations during the course of the Project that were not and could not have been reasonably anticipated by the Architect and which result in a substantive change to the Plans, the Architect shall not be held responsible for the resulting additional costs, fees or time, and shall be entitled to reasonable additional compensation for the time and expense of responding to such changes. The Architect shall be responsible, however, to identify, analyze and report to the City pending changes to codes and regulations that would reasonably be expected to affect the design of the Project, including pending changes to the California building codes and San Francisco Building Code and other amendments.

5. Standard of Performance. The Architect shall acknowledge and agree that the Architect shall perform its services under the agreement in accordance with the professional standard of care applicable to the design and construction administration of projects of similar size and complexity in the San Francisco Bay Area.

asserting a claim covered by this indemnity. Contractor shall pay all costs that may be incurred by the City and all indemnified parties specified in subparagraph 3.19A, including reasonable attorney's fees.

7. Amendments. This MOU may be amended only by mutual written consent of each of the Parties, executed in the same manner as the original agreement.

Upon delivery of the improvements undertaken by Friends/SFPA, Friends/SFPA shall assign to the City any warranties or guaranties required by its contracts with the contractors and subcontractors hired by Friends. Friends shall also assign to the City the right to any available remedies for latent defects.

8. Insurance.

A. SFPA shall procure and keep in effect at all times during the term of this MOU, at SFPA's expense, insurance as follows:

Prior to the date any contractor commences work on the Property hereunder, SFPA shall deliver to City certificates of insurance and additional insured policy endorsements from insurers in a form satisfactory to City, evidencing the coverages required from such contractor hereunder, together with complete copies of the policies at City's request.

C. No Limitation of Obligations. SFPA's compliance with the provisions of this Section shall in no way relieve or decrease SFPA's indemnification obligations under this MOU or any of SFPA's other obligations hereunder. Notwithstanding anything to the

Approved by Rec Park Commission on 8/15/2013

contrary in this MOU, this MOU shall terminate immediately, without notice to SFPA, upon the lapse of any required insurance coverage.

9. Indemnification. Subject to any provision in this MOU or in any subsequent agreement entered into hereunder to the contrary, each party agrees to waive claims against and indemnify the other party as follows:

SFPA agrees to defend, indemnify and hold harmless the City, its officers, employees and agents ("City Indemnitees") from any and all acts, claims, omissions, liabilities and losses asserted by any third party arising out of acts or omissions of SFPA and/or the Friends in connection with this MOU, except those arising by reason of the sole negligence of the City Indemnitees.

City agrees to defend, indemnify and hold harmless SFPA, their officers, directors, employees and agents, from any and all acts, claims, omissions, liabilities and losses asserted by any third party arising out of acts or omissions of City, its officers, employees and agents in connection with this MOU, except those arising by reason of the sole negligence of SFPA and/or Friends, their officers, directors, employees and agents.

In the event of concurrent negligence of the City, its officers, employees and agents, and SFPA, their officers, directors, employees and agents, the liability for any and all claims for injuries or damages to persons and/or property shall be apportioned under the California theory of comparative negligence as presently established or as may hereafter be modified.

SFPA's obligations under this Section shall survive the expiration or other termination of this MOU.

10. No Recourse. RPD and SFPA recognize and acknowledge that Friends is an unincorporated association of neighbors and friends of Kezar Triangle, that each member is a volunteer, and that each is unpaid, devoting his or her services to the objectives and purposes of Friends. Accordingly, no director, officer, or member of Friends shall have any personal responsibility or liability whatsoever for the discharge of the obligations of Friends set forth in this MOU, and no director, officer, or member of Friends shall have any personal responsibility or liability whatsoever for any obligations or liabilities of Friends assumed or incurred by Friends under this MOU, provided however that SFPA assumes all such obligations and liabilities for the Friends under this MOU.

11. Public Relations. RPD, SFPA, and the Friends shall use good faith efforts to cooperate on matters of public relations and media responses related to the Project. The Parties shall also use good faith efforts to cooperate with any inquiry by the other Party or by the public in regard to this Agreement. Party. Neither SFPA nor RPD shall issue a press release in regard to this Agreement without providing prior notice to the other party. To facilitate the execution of this Section, the City and SFPA have each designated one person as a spokesperson with respect to this Agreement. All media contacts to RPD will be directed to the Director of Policy and Public Affairs at the address provided for RPD in Section 14 below. All media contacts to SFPA will be directed to Steve Schweigerdt at the address provided for SFPA in Section 14 below. All media contacts to SFPA will be directed to Carla Crane at the address provided for the Friends in Section 14 below.

At a time and in a format to be determined by the Parties, RPD, SFPA, and the Friends may hold at least one joint public event, such as a ground breaking ceremony or ribbon cutting ceremony. At any such event, the Parties shall participate on an equal basis. If RPD, SFPA, or the Friends holds any other event solely or largely dedicated to the Project, the Parties shall, as time permits, notify the other Party and allow that Party to participate on an equal basis. Materials and collateral for the Project shall be approved by RPD, SFPA, and the Friends.

Nothing in this Agreement shall prohibit SFPA or RPD from discussing this Agreement in response to inquiries from the public or the press.

12. Final Acceptance. Upon notice from Friends that (a) the improvements undertaken by Friends are complete in accordance with the Construction Drawings, and (b) Friends has obtained all necessary regulatory approvals, and upon submission to the City of the waivers and releases and assignments required under this Agreement, RPD shall, within ten (10) working days of such notice, perform a final inspection of the Property. Contingent on conducting this inspection, RPD must receive from Friends as-built drawings that are marked-up on hard copy of construction drawings, operating manuals, all warranties and any additional requirements as outlined in the Construction Drawings. In addition, RPD must receive electronic files, preferably CAD files or scanned versions on a compact disc (CD). Upon RPD's inspection and decision to accept the improvements, RPD will, no later than seven (7) days from such decision to accept the work, prepare a letter of final acceptance (the "Acceptance Letter") addressed to Friends and SFPA. Upon receipt of the Acceptance Letter, Friends/SFPA shall immediately remove all of its property from the Property and shall repair, at the Friends' cost, any damage to the Property caused by such removal or caused by Friends/SFPA's construction activities on the Property as permitted hereunder, and shall with the exception of the land underneath the improvements and subject to the Construction Drawings, restore the Property to its condition prior to construction of the improvements undertaken by Friends. Prior to delivery of the Acceptance Letter to Friends, the improvements shall not be open to the public.

13. Early Termination and Notices. SFPA and the Friends may terminate this MOU due to the City's failure to comply with any term of this MOU (including all exhibits hereto) 30 days after having given the City notice of such failure, unless the City cures such failure to the SFPA/Friends' reasonable satisfaction within such 30-day period, or a different reasonable timeframe mutually agreed upon by the Parties in writing.

- 1) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.
- 2) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

c. Regarding Workers' Compensation, Architect hereby agrees to waive subrogation which any insurer of Architect may acquire from Architect by virtue of the payment of any loss. Architect agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Architect, its employees, agents and consultants.

d. All policies shall provide thirty days' advance written notice to the City of reduction or nonrenewal of coverages or cancellation of coverages for any reason. Notices shall be sent to the City address in the "Notices to the Parties" section.

Failure to maintain insurance shall constitute a material breach of this Agreement.

i. Approval of the insurance by City shall not relieve or decrease the liability of Architect hereunder.

j. If a subcontractor will be used to complete any portion of this Agreement, the Architect shall ensure that the consultant shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the Architect listed as additional insureds.
