9 Section 1079~~(g)~~~~(i)~~ *of this Article*, may consider such facts as it deems pertinent, but must  
10 consider the following:

11 (1) Whether the applicant is financially responsible and will comply with all insurance  
12 requirements and will maintain proper financial records.

13 (2) Whether the applicant has complied with all applicable statutes, ordinances, rules  
14 and regulations.

15 (3) Whether the applicant holds or has ever held any other permits issued to operate a

17 record of such applicant with regard to any such other or former permits.

19 issued unless the person applying for the permit shall declare under penalty of perjury his or  
20 her intention actively and personally to engage as permittee-driver under any permit issued to  
21 him or her for at least four hours during any 24-hour period on at least 75 percent of the

4 issued unless the applicant has the driving experience required by Section 1121 for a taxicab permit or  
5 Section 1148.1 for a ramped taxi permit.

6 (d) ~~(e)~~ **Order of Consideration.** Subject to any preference created by ~~Except as otherwise~~  
7 stated in this Article, all applications for motor vehicle for hire permits shall be processed and  
8 considered in the order of their receipt by the ~~Police~~ Taxi Commission. The Commission retains  
9 discretion at any time, following a hearing, to deny an application for a motor vehicle for hire permit  
10 on the basis that the applicant has engaged in fraud, deceit, misrepresentation, or other misconduct in  
11 connection with the application process.

12 (e) **Applicability of Section.** Notwithstanding any contrary provision in this Article, the

8 ~~she was a full-time driver in the 12 months immediately preceding the Police Commission hearing on~~  
9 ~~his or her application.~~

10 (b) Driving Experience Required. To qualify for issuance of a taxicab permit, an otherwise  
11 qualified applicant must have the driving experience specified in subparts (i)-(vi) below, subject to the  
12 modification stated in subsection (c). The required driving may be satisfied only by driving a taxicab  
13 and/or ramped taxi for which a permit has been issued by the Taxi Commission. For purposes of this  
14 subsection (b), the phrase "application heard by the Commission during calendar year" includes an  
15 application publicly scheduled to be heard in the calendar year, but continued in that calendar year to  
16 the next calendar year by the Commission.

17 (i) For an application heard by the Commission during calendar year 2004: The  
18 applicant must have been a full-time driver during the 12 months immediately preceding the  
19 Commission's hearing on the application. For purposes of this subpart (i), "full-time driver"  
20 shall be defined in accordance with Section 1076(o), except that the time frame applicable to  
21 the definition is the 12 months immediately preceding the hearing on the application rather than  
22 12 months constituting a calendar year.

23 (ii) For an application heard by the Commission during calendar year 2005: The  
24 applicant must have been a full-time driver, as defined in Section 1076(o), during calendar year  
25 2004 or the 12 months immediately preceding the hearing on the application.

1                    (iii) For an application heard by the Commission during calendar year 2006: The  
2 applicant must have been a full-time driver, as defined in Section 1076(o), during any two  
3 calendar years from 2004 to 2006, inclusive.

4                    (iv) For an application heard by the Commission during calendar year 2007: The  
5 applicant must have been a full-time driver, as defined in Section 1076(o), during any three  
6 calendar years from 2004 to 2007, inclusive.

7                    (v) For an application heard by the Commission during calendar year 2008: The  
8 applicant must have been a full-time driver, as defined in Section 1076(o), during any four  
9 calendar years from 2004 to 2008, inclusive.

10                   (vi) For an application heard by the Commission in 2009 and subsequent calendar  
11 years: The applicant must have been a full-time driver, as defined in Section 1076(o), for five  
12 years, as specified in Alternative 1 or Alternative 2 below.

13                    Alternative 1: The applicant was a full-time driver during the calendar year  
14 immediately preceding the hearing, and during four of the five calendar years  
15 immediately preceding that calendar year.

16                    Alternative 2: The applicant was a full-time driver during the calendar year in  
17 which the application is heard, and during four of the five calendar years immediately  
18 preceding that calendar year.

19                   (c) **Modification of Required Driving Experience.** If no applicant has the driving experience  
20 required pursuant to subsections (b)(ii)-(vi), but public convenience and necessity as determined  
21 pursuant to Section 1079 warrants issuance of a taxicab permit, the Taxi Commission may issue the  
22 permit to an otherwise qualified applicant who has been a full-time driver during the 12 months  
23 immediately preceding the Commission's hearing on the application. For purposes of this first  
24 paragraph of subsection (c), "full-time driver" shall be defined in accordance with Section 1076(o),  
25

1 except that the time frame applicable to the definition is the 12 months immediately preceding the  
2 hearing on the application rather than 12 months constituting a calendar year.

3 The Commission may by regulation establish additional driving experience required for the  
4 issuance of a taxicab permit under the circumstances described in this subsection (c), provided that the  
5 regulation shall require neither greater driving experience than is required pursuant to subsections  
6 (b)(ii)-(vi) nor driving experience for any calendar year greater than the driving experience  
7 encompassed in the definition of "full-time driver" in Section 1076(o).

8 (d) **Educational Requirements.** In addition to meeting the driving requirements in subsections  
9 (b) and (c), applicants must also meet any educational or training requirements imposed by the Taxi  
10 Commission.

11 (e) **Burden of Proof on Applicant; Recordkeeping by Applicant.** The taxicab permit applicant  
12 shall have the burden of showing that he or she has the driving experience required to qualify for the  
13 taxicab permit. The applicant shall keep records sufficient to document his or her driving for the  
14 calendar year or years necessary to satisfy the driving requirement.

15 (f) **Recordkeeping By Color Scheme Permitholders.** Holders of color scheme permits shall  
16 maintain and retain records that will document driving performed by drivers of taxicabs and ramped  
17 taxis affiliated with the color scheme. Within 60 days of the effective date of this subsection (e), the  
18 Taxi Commission shall adopt a regulation requiring holders of color scheme permits to maintain and  
19 retain such records for a period of time sufficient to aid the Commission in determining whether  
20 applicants have met the specific driving requirements mandated by subsection (b). Failure of the  
21 Commission to adopt such a regulation, or failure of the color scheme permitholder to comply with the  
22 regulation, shall not excuse the permit applicant from the driving requirement or relieve the applicant  
23 from the burden of proving that he or she has satisfied the requirement.

24 (g) **Notice of Required Driving.** Notice of the driving experience required of taxicab permit  
25 applicants pursuant to subsections (b) and (c) and of the applicant's burden of proving the requisite

1 driving experience and maintaining adequate records pursuant to subsection (d), shall be given by the  
2 City and color scheme permit holders pursuant to subparts (i)-(iii) below. In accord with Section  
3 1148.1(e), the notice shall also include information pertaining to ramped taxi permit applicants.  
4 Failure to give the notice required by subparts (i), (ii), or (iii) shall not excuse the taxicab permit  
5 applicant from the driving requirement or relieve the applicant from the burden of proving that he or  
6 she has satisfied the requirement. The Taxi Commission may provide additional notice beyond that  
7 required by subparts (i)-(iii).

8 (i) Within 30 days of the effective date of this subsection (f), the Commission shall give  
9 written notice of the requirements of subsections (b), (c), and (d) to each applicant on the  
10 taxicab waiting list. Thereafter, the Commission shall give written notice to each new applicant  
11 on the taxicab waiting list on or before the filing of the application.

12 (ii) Beginning no later than 30 days after the effective date of this subsection (f), the  
13 Office of Treasurer and Tax Collector, in consultation with the Commission, shall give written  
14 notice of the requirements of subsections (b), (c), and (d) to each person who is obtaining or  
15 renewing the driver of public passenger vehicle permit. Said notice shall additionally inform  
16 the person of the existence of the taxicab waiting list and the process for getting on the list.

17 (iii) Within 60 days of the effective date of this subsection (f), the Commission shall  
18 adopt a regulation requiring each holder of a color scheme permit to post written notice of the  
19 requirements of subsections (b), (c), and (d) at a location at the color scheme's place of  
20 business that is ordinarily within the view of working taxi drivers affiliated with the color  
21 scheme.

22  
23 **SEC. 1148.1. PERMIT APPLICATIONS; ~~PREFERENCES.~~**

25 made to the Taxi Commission on a form to be furnished by the Commission. An applicant for a

1 ramped taxi permit must, at the time of filing the application, meet the same requirements as set forth in  
2 Section 1121(a) for an applicant for a taxi permit. Applications for permits for ramped taxis shall  
3 be accepted by the Commission and shall be recorded by the date and time at which each  
4 application is received. Except as otherwise provided herein, the Commission shall maintain  
5 a list in the order of receipt ("ramped taxi list"). In the absence of any preference provided for  
6 in this Division, applicants for permits for ramped taxis shall be processed and considered by  
7 the Commission in accordance with the order of application as set forth on the ramped taxi  
8 list. When a permit becomes available for issuance and an applicant on the waiting list is  
9 eligible for a hearing before the Taxi Commission, the Commission shall so notify the  
10 applicant.

14 as of the date and time on which his or her application for the taxicab waiting list was received  
15 by the Commission. Those individuals so placed will remain on the taxicab waiting list until  
16 they are removed in accordance with Section 1080(c)(1) of this Article.

18 taxi permit shall be precluded from accepting any other motor vehicle for hire permit regulated  
19 by this Article for a minimum of five years after receipt of a ramped taxi permit or, in the  
20 alternative, for a minimum of three years after receipt of the ramped taxi permit so long as six  
21 months have elapsed since the permittee gave notice of his or her intent to leave the ramped  
22 taxi program in accordance with the provisions of Subsection (c). If the permittee becomes  
23 eligible for a permit from another motor vehicle for hire waiting list at a time when the  
24 permittee is precluded from accepting the permit, the permittee's application will be kept  
25

1 active until a permit becomes available when the permittee is no longer precluded from  
2 accepting one.

3 (c) **Notice of Intent to Leave the Ramped Taxi Program.** Upon completion of a  
4 minimum of 30 months as a ramped taxi permittee, the permittee may opt to leave the ramped  
5 taxi program by filing with the Taxi Commission a written notice of intent to leave the program.  
6 The date the Commission receives the notice of intent to leave the ramped taxi program shall  
7 be deemed the date the permittee filed the notice. Upon receipt of the notice, the  
8 Commission shall promptly inform a reasonable number of persons at the head of the ramped  
9 taxi list of the permittee's intent to leave the ramped taxi program.

10 In accordance with Subsection (b), the permittee's decision to leave the ramped taxi  
11 program shall become effective six months after his or her filing of the notice of intent to leave  
12 the program. Subject to qualifications (i) and (ii) below, upon completion of the six-month  
13 notice period, the permittee shall be required to leave the ramped taxi program, and shall no  
14 longer be precluded from accepting another motor vehicle for hire permit regulated by this  
15 Article.

16 (i) If, at the completion of the six-month period, the permittee is not yet eligible  
17 for a permit from another motor vehicle for hire list, or no such permit is available, the  
18 permittee, at his or her option, may remain in the ramped taxi program for any period of  
19 time until the permittee becomes eligible for a permit from another motor vehicle for  
20 hire list and such permit becomes available.

21 (ii) The permittee's decision to leave the ramped taxi program shall become  
22 inoperative if, within the first three months of the required six-month notice period, the  
23 permittee informs the Commission in writing of his or her decision to rescind the notice  
24 of intent to leave the program. The permittee shall be required to file a subsequent  
25 notice of intent to leave the program if he or she subsequently decides to leave the

1 program. The same requirements governing the permittee's initial notice of intent to  
2 leave the program, including the full six-month notice period, shall govern any  
3 subsequent notice of intent to leave the program.

4 (d) Notwithstanding any other provision of this Section, the Taxi Commission may  
5 require that a taxicab permit to be issued to a ramped taxi permittee exiting the ramped taxi  
6 program be issued (i) three months after the Commission hearing on the application for the  
7 taxicab permit or (ii) when a new permittee has qualified for the ramped taxi permit and has  
8 acquired a suitable vehicle which has passed inspection, whichever event occurs first. Before  
9 the taxicab permit is issued, the ramped taxi permittee who is exiting the ramped taxi program  
10 shall retain the ramped taxi permit and continue to operate the ramped taxi permit. Under no  
11 circumstances may an individual simultaneously hold a ramped taxi permit and a taxicab  
12 permit. Under no circumstances may two individuals hold the same ramped taxi permit or  
13 taxicab permit.

14 (e) **Driving Experience Required.** In order to qualify for a ramped taxi permit, an applicant  
15 must meet the same driving requirement stated in Section 1121(b) that an applicant for a taxicab  
16 permit must meet. In accordance with Section 1121(c), if no ramped taxi permit applicant has the  
17 requisite driving experience, but public convenience and necessity as determined by the Taxi  
18 Commission pursuant to Section 1079 warrants issuance of a ramped taxi permit, the Commission may  
19 issue the permit to an otherwise qualified applicant who has been a full-time driver during the 12  
20 months immediately preceding the Commission's hearing on the application. In accordance with  
21 Section 1121(d), a ramped taxi permit applicant has the burden of showing that he or she has the  
22 driving experience required to qualify for the permit, and shall keep records sufficient to document his  
23 or her driving for the calendar year or years necessary to satisfy the driving requirement. Failure of  
24 the Taxi Commission to adopt the regulation specified in Section 1121(e) requiring recordkeeping by  
25 color scheme permit holders, or failure of a color scheme permit holder to follow the regulation, shall

1 not excuse a ramped taxi permit applicant from the driving requirement or relieve the applicant of the  
2 burden of proving that he or she has satisfied the requirement.

3 The notices required by Section 1121(g) shall indicate that the driving experience required by  
4 Section 1121(b) covers applicants for a ramped taxi permit as well as applicants for a taxicab permit.  
5 The notices required to Sections 1121(g)(i) and 1121(g)(ii) shall be given to applicants on the ramped  
6 taxi list as well as applicants on the taxicab waiting list, but if an applicant is on both lists, these  
7 notices need not be given twice to the same person. Failure to give the notices required pursuant to  
8 Sections 1121(g)(i), 1121(g)(ii), or 1121(g)(iii) and this subsection (d) shall not excuse the ramped taxi  
9 applicant from the driving requirement or relieve the applicant from the burden of proving that he or  
10 she has satisfied the requirement.

11 (f) (e) **Preference for Full-Time Drivers of Ramped Taxis.** Among the applicants  
12 whose names appear on the ramped taxi list, the Taxi Commission shall give preference to  
13 any applicant who has been a full-time driver of a ramped taxi during the 6 months  
14 immediately preceding the Commission's hearing on that applicant's application, granting  
15 permits to all otherwise eligible full-time drivers of ramped taxis on the list before granting  
16 permits to others on the ramped taxi list. Any applicant seeking a preference pursuant to this  
17 Subsection shall, at least 21 days prior to the hearing at which the applicant seeks to be  
18 considered, so notify the Commission in writing and submit evidence to prove that the  
19 applicant was a full-time driver of a ramped taxi in the preceding 6 months. For purposes of  
20 this section, "full-time driver of a ramped taxi" shall mean a permitted driver who is actually  
21 engaged in the mechanical operation and having physical charge or custody of a ramped taxi  
22 as defined in this Article which is available for hire or actually hired (i) for at least four hours  
23 during any 24-hour period on at least 75 percent of the business days during the ~~calendar year~~  
24 6 months immediately preceding the Commission's hearing on that applicant's application, or (ii) for  
25

1 at least 400 hours during the 6 months immediately preceding the Commission's hearing on the  
2 application.

3  
4 Section 3. The San Francisco Police Code is hereby amended by adding  
5 Sections 1186, 1187, and 1188, to read as follows:

6 **SEC. 1186. FULL-TIME DRIVING REQUIREMENT; VIOLATIONS; ADMINISTRATIVE**  
7 **PENALTIES.**

8 (a) Full-Time Driving Requirement. The holder of a taxicab permit shall be a full-time driver  
9 as provided in Section 1081.

10 (b) Administrative Penalties. The Taxi Commission (the Commission) may impose  
11 administrative penalties for violations of the full-time driving requirement, in accordance with the  
12 procedures established in Section 1188.

13 (c) Amount of Penalty. The administrative penalties assessed against the permit holder by the  
14 Commission shall not exceed the amount of any lease fees collected by the permit holder during the  
15 period that the permit holder was in violation of the full-time driving requirement. Where the permit  
16 holder does not collect lease fees, the Commission may impose administrative penalties not to exceed  
17 \$140 for each day or \$30 for each hour the permit holder fails to drive short of the applicable standard  
18 for compliance.

19 In determining the amount of the penalty in an individual case, the Commission shall take into  
20 account:

21 (i) Whether the permit holder has in the past violated the full-time driving requirement, other  
22 provisions of Article 16, the Taxi Commission's rules and regulations, or state law relevant to the  
23 operation of a taxicab permit;

24 (ii) Whether the permit holder concealed or attempted to conceal his or her non-compliance  
25 with the full-time driving requirement; and,

1            (iii) Such additional factors as the Commission may determine are appropriate.

2  
3            **SEC. 1187. COMMISSION RULES AND REGULATIONS; VIOLATIONS; ADMINISTRATIVE**  
4            **PENALTIES.**

5            (a) Administrative Penalties. The Taxi Commission (the Commission) may impose  
6            administrative penalties for violations of the Commission's rules and regulations, in accordance with  
7            the procedures established in Section 1188.

8            (b) Amount of Penalty. For regulations classified as Minor under the Commission's Rules,  
9            there shall be a penalty not to exceed \$25 for the first violation, \$50 for a second violation of the  
10           regulation within one year of the first violation, and \$150 for a third or additional violation of the  
11           regulation within one year of the first violation.

12           For regulations classified as Moderate under the Commission's Rules, there shall be a penalty  
13           not to exceed \$75 for the first violation, \$150 for a second violation of the regulation within one year of  
14           the first violation, and \$450 for a third or additional violation of the regulation within one year of the  
15           first violation.

16           For regulations classified as Major under the Commission's Rules, there shall be a penalty not  
17           to exceed \$250 for the first violation, \$400 for a second violation of the regulation within one year of  
18           the first violation, and \$500 for a third or additional violation of the regulation within one year of the  
19           first violation.

20           In determining the amount of the penalty in an individual case, the Commission shall take into  
21           account:

22           (i) Whether the permit holder has in the past violated the full-time driving requirement, other  
23           provisions of Article 16, the Taxi Commission's rules and regulations, or state law relevant to the  
24           operation of a taxicab permit;

1            (ii) Whether the permit holder concealed or attempted to conceal his or her non-compliance  
2 with the Commission's rules and regulations; and,

3            (iii) Such additional factors as the Commission may determine are appropriate.

4  
5 **SEC. 1188. PROCEDURES FOR ADMINISTRATIVE PENALTIES.**

6            (a) Director's Notice. Upon a determination that a permit holder has violated the full-time  
7 driving requirement or the Commission's rules and regulations, the Executive Director of the Taxi  
8 Commission (the Director) shall send a written notice, by first class mail or hand-delivery, to the  
9 permit holder, at the address listed in the Taxi Commission's records, identifying and describing the  
10 alleged violations and stating the amount of the administrative penalty to be imposed. The notice shall  
11 also inform the permit holder that he or she has the right to request a fact-finding hearing on the  
12 alleged violations and the proposed penalty by filing such a request within 15 business days of the date  
13 of the notice. The Director and the permit holder may modify the Director's proposed decision by  
14 mutual consent. If the permit holder does not request a fact-finding hearing within the 15 days, the  
15 decision of the Director shall be final.

16            (b) Scheduling of Fact-finding Hearing. Whenever a fact-finding hearing is requested under  
17 subsection (a) above, the Director within 10 business days of receiving the request shall notify the  
18 permit holder of the date, time, and place of the hearing by first-class mail or hand delivery. Such  
19 hearing shall be held no sooner than 20 business days and no later than 40 business days after the  
20 Director receives the request for a hearing, unless the time is extended by mutual agreement of the  
21 permit holder and the Director. Notice of hearings shall be posted on the Commission's web site at  
22 least 72 hours in advance of the hearing.

23            (b) Hearing Officers. The Director shall appoint a hearing officer for the fact-finding hearing  
24 from a list approved by the Commission. The hearing officer shall not be an employee of the Taxi  
25 Commission or the Police Department.

1           (c) Submittals for the Hearing. At least 5 business days prior to the hearing, the parties to the  
2 hearing shall submit written information to the hearing officer including, but not limited to, the  
3 following: a statement of the issues to be determined by the hearing officer, a statement of the evidence  
4 to be offered at the hearing and the identity of any witnesses to appear at the hearing. The written  
5 information shall not exceed 10 double-spaced pages, excluding exhibits.

6           (d) Conduct of the Hearing. The hearing shall be open to the public and tape recorded. Any  
7 party to the hearing may, at his or her own expense, cause the hearing to be recorded by a certified  
8 court reporter. During the hearing, evidence and testimony may be presented to the hearing officer.  
9 Parties may be represented by counsel and have the right to cross-examine witnesses. All testimony  
10 shall be given under oath.

11           The hearing need not be conducted according to formal rules of procedure and evidence, but no  
12 decision shall be based solely on hearsay evidence. The hearing officer may make reasonable rulings  
13 to ensure a fair and efficient hearing.

14           (e) Proposed Decision. The hearing officer shall, within ten business days after the conclusion  
15 of the hearing, present a proposed decision including written findings and recommendations regarding  
16 penalties to the Commission. The hearing officer shall at that time transmit his or her decision to the  
17 permit holder by certified mail directed to the most recent address on file with the Commission for the  
18 permit holder. The Commission shall post at its office a notice that a copy of the proposed decision is  
19 available for public inspection during normal business hours.

20           (f) Commission Action. The Executive Director shall place the hearing officer's proposed  
21 decision on the Commission's consent calendar for the next scheduled meeting occurring not less than  
22 ten calendar days after entry of the Director's decision. The Director shall also submit the recording  
23 of the hearing and any written materials submitted in connection with the hearing. The proposed  
24 decision shall be a recommendation to the Commission, and the Commission may adopt, modify, or  
25 deny such recommendation, or may remand the matter to the hearing officer for further proceedings.

1 The Commission may act on the hearing officer's proposed decision and the record presented; it may  
2 not rehear the case. The Commission shall serve its final decision upon the parties to the hearing and  
3 post the decision in the same manner as provided for herein with respect to the hearing officer's  
4 proposed decision.

5 (g) **Collection.** If the Commission finds against the permit holder and imposes administrative  
6 penalties, the Commission's decision shall state the amount of the penalties and declare that they are  
7 due and payable to the City and County of San Francisco within 30 days of the date of the decision,  
8 provided that the Executive Director may agree to a reasonable payment schedule. If the penalties are  
9 not paid to the Taxi Commission within 30 days of the notice, the Commission may move to suspend or  
10 revoke the permit.

11 (h) **Other Penalties.** The penalties and methods of enforcement set forth in this Section and in  
12 Sections 1186 and 1187 are in addition to those set forth in Sections 1090 and 1185 of this Code and in  
13 addition to any other penalties or methods of enforcement authorized by law.
