7 issued for Improvement Area No. 1 to finance the Facilities and to pay for the Contingent

11 the same manner as ordinary ad valorem property taxes, or in such other manner as this
12 Board of Supervisors or its designee shall determine, including direct billing of the affected
13 property owners; and, be it

14 FURTHER RESOLVED, That the proposed rate and method of apportionment of the
15 Special Tax among the parcels of real property within Improvement Area No. 1, in sufficient
16 detail to allow each landowner within Improvement Area No. 1 to estimate the maximum
17 amount such owner will have to pay, is described in Exhibit B attached hereto and hereby

19 FURTHER RESOLVED, That the Special Tax to be levied in Improvement Area No. 1

24 Under no circumstances shall the Improvement Area No. 1 Special Tax levied against any
25 parcel in Improvement Area No. 1 to finance Facilities in any fiscal year used for private

2 Approval Procedures described herein; and, be it

3 FURTHER RESOLVED, That the “Annexation Approval Procedures” governing
4 annexations of parcels in the Future Annexation Area into the Special Tax District shall
5 consist of the following sets of procedures (specified in (A) and (B) that follow):

6 (A) The annexation and related matters described in the Unanimous Approval shall be
7 implemented and completed without the need for the approval of the Board of Supervisors as
8 long as the following conditions are met:

9 (1) The annexation is to an existing improvement area and the property proposed to
10 be annexed shall be subject to the Improvement Area No. 1 Rate and Method and the same
11 bonded indebtedness limits as such existing improvement area; or

12 (2) The annexation is to a new improvement area and the following conditions
13 apply:

14 (i) The rate and method of apportionment of special tax for the new
15 improvement area is prepared by a special tax consultant retained by the City and paid
16 for by the property owners submitting the Unanimous Approval.

17 (ii) The rate and method of apportionment of special tax for the new
18 improvement area is consistent with the Financing Plan.

19 (iii) The rate and method of apportionment of special tax for the new
20 improvement area does not establish a maximum special tax rate for the initial fiscal
21 year in which the special tax may be levied for any category of property subject to the
22 special tax that is greater than 120% of the maximum special tax rate established for
23 the same category of property subject to the special tax for the same fiscal year
24 calculated pursuant to the Improvement Area No. 1 Rate and Method.

25 ///

1 (iv) The rate and method of apportionment of special tax for the new
2 improvement area does not contain a type of special tax that was not included in the
3 Improvement Area No. 1 Rate and Method (for example, a one-time special tax).

4 (v) The rate and method of apportionment of special tax for the new
5 improvement area contains the same terms for "Collection of Special Tax" (including
6 with respect to the term of the special tax) as the Improvement Area No. 1 Rate and
7 Method.

8 (vi) If the rate and method of apportionment of special tax for the new
9 improvement area includes a provision allowing prepayment of the special tax, in whole
10 or in part, the Director of the Office of Public Finance, after consulting with the special
11 tax consultant retained by the City and the City Attorney, shall be satisfied that such
12 prepayment provision will not adversely impact the financing of authorized Facilities
13 and Contingent Services; *provided*, that if the prepayment formula set forth in such rate
14 and method of apportionment has previously been approved by this Board, then such
15 prepayment formula may be replicated in the rate and method of apportionment for
16 such new improvement area without meeting such test.

17 If the foregoing conditions ((1) or (2), as applicable), are satisfied, as determined by the
18 Director of the Office of Public Finance and set forth in a written acceptance by the Director of
19 the Office of Public Finance delivered to the property owner(s) that executed the Unanimous
20 Approval and the Clerk of the Board of Supervisors, the Unanimous Approval shall be
21 deemed accepted by the City and the Clerk of the Board of Supervisors shall record an
22 amendment to the notice of special tax lien or a new notice of special tax lien for the Special
23 Tax District pursuant to Streets & Highways Code Section 3117.5.

24 (B) For any annexation and related matters described in the Unanimous Approval that
25 do not meet the requirements of Section (A) above, the following procedures shall apply

1 (provided, however, that nothing in the following procedures shall prevent the property owners
2 of property to be annexed into the Special Tax District from a Future Annexation Area from
3 annexing property to the Special Tax District (including into a new improvement area)
4 pursuant to Section (A) above and then instituting change proceedings pursuant to the Code
5 to make additional changes to the rate and method of apportionment of special tax or other
6 authorized purposes):

7 *First*, the owners(s) of property to be annexed into the Special Tax District shall submit
8 a Unanimous Approval for each parcel or parcels to be annexed into the Special Tax District
9 to the Director of the Office of Public Finance, together with a statement as to whether the
10 Unanimous Approval is consistent with the Financing Plan and, if not, the reasons for such
11 inconsistency.

12 *Second*, the Director of the Office of Public Finance shall have 60 days to either (a)
13 submit the Unanimous Approval to the Board of Supervisors, accompanied by a written staff
14 report that includes a statement from the Director of the Office of Public Finance as to whether
15 the Unanimous Approval is consistent with the Financing Plan and, if not, a description of the
16 inconsistencies, the reasons for such inconsistencies given by the property owners or the
17 Developer and the Director of the Office of Public Finance's recommendation as to such
18 inconsistencies or (b) notify the property owners and the Developer that the Director of the
19 Office of Public Finance shall not submit the Unanimous Approval to the Board of Supervisors
20 due to inconsistencies with the Financing Plan.

21 *Third*, the Board of Supervisors shall, within 60 days of the receipt of any Unanimous
22 Approval by the Director of the Office of Public Finance pursuant to *Second* above, either (i)
23 adopt a resolution accepting the Unanimous Approval or (ii) adopt a resolution rejecting the
24 Unanimous Approval, with the sole basis for rejection being a detailed conclusion that the
25 Unanimous Approval is not consistent with the Financing Plan.

1 *Fourth*, if the Board of Supervisors adopts a resolution rejecting the Unanimous
2 Approval, the owner(s) of property to be annexed into the Special Tax District may revise the
3 Unanimous Approval and resubmit it to the Director of the Office of Public Finance, who shall
4 endeavor to submit the revised Unanimous Approval to the Board of Supervisors,
5 accompanied by a written staff report as outlined above under *Second*, at the next available
6 meeting of the Board of Supervisors, and the Board of Supervisors shall consider the revised
7 Unanimous Approval and either (i) adopt a resolution accepting the revised Unanimous
8 Approval or (ii) adopt a resolution rejecting the revised Unanimous Approval, with the sole
9 basis for rejection being a detailed conclusion that the revised Unanimous Approval is not
10 consistent with the Financing Plan, in which event the owner(s) may further revise the
11 Unanimous Approval and repeat the process described in this clause *Fourth*.

12 *Fifth*, if the Board of Supervisors adopts a resolution accepting the Unanimous
13 Approval, the Clerk of the Board of Supervisors shall record an amendment to the notice of
14 special tax lien for the Special Tax District pursuant to Streets & Highways Code Section
15 3117.5 or a new notice of special tax lien for the Special Tax District pursuant to Streets &
16 Highways Code Section 3117.5; and, be it

17 FURTHER RESOLVED, That this Board of Supervisors hereby finds that the provisions
18 of Mello-Roos Act, Sections 53313.6, 53313.7 and 53313.9 (relating to adjustments to *ad*
19 *valorem* property taxes and schools financed by a community facilities district), are
20 inapplicable to the proposed Special Tax District, Improvement Area No. 1 and the Future
21 Annexation Area; and, be it

22 FURTHER RESOLVED, That as required by Mello-Roos Act, Section 53339.3(d), this
23 Board of Supervisors hereby determines that the Special Tax proposed to pay for the
24 Facilities to be supplied within the Future Annexation Area financed with bonds that have
25 already been issued and that are secured by previously-existing areas of the Special Tax

1 District will be equal to the Special Taxes levied to pay for the same Facilities in previously-
2 existing areas of the Special Tax District and Improvement Area No. 1, except that (i) a higher
3 Special Tax may be levied within the Future Annexation Area to pay for the same Facilities to
4 compensate for the interest and principal previously paid from Special Taxes in the original
5 area of the Special Tax District and Improvement Area No. 1, less any depreciation allocable
6 to the financed Facilities and (ii) a higher Special Tax may be levied in the Future Annexation
7 Area to pay for new or additional Facilities, with or without bond financing; and, be it

8 FURTHER RESOLVED, That as required by Mello-Roos Act Section 53339.3(d), this
9 Board of Supervisors hereby further determines that the Special Tax proposed to pay for
10 Contingent Services to be supplied within the Future Annexation Area shall be equal to any
11 Special Tax levied to pay for the same Contingent Services in the existing Special Tax District
12 and Improvement Area No. 1, except that a higher or lower tax may be levied within the
13 Future Annexation Area to the extent that the actual cost of providing the Contingent Services
14 in the Future Annexation Area is higher or lower than the cost of providing those Contingent
15 Services in the existing Special Tax District and Improvement Area No. 1. In so finding, this
16 Board of Supervisors does not intend to limit its ability to levy a Special Tax within the Future
17 Annexation Area to provide new or additional services beyond those supplied within the
18 existing Special Tax District and Improvement Area No. 1 or its ability to implement changes
19 pursuant to Article 3 of the Mello-Roos Act within one or more improvement areas; and, be it

20 FURTHER RESOLVED, That except as may otherwise be provided by law or by the
21 Improvement Area No. 1 Rate and Method, all lands owned by any public entity, including the
22 United States, the State of California and/or the City, or any departments or political
23 subdivisions thereof, shall be omitted from the levy of the Special Tax to be made to cover the
24 costs and expenses of the Facilities, the Contingent Services, the Special Tax District or
25 Improvement Area No. 1. In the event that a portion of the property within Improvement Area

1 No. 1 shall become for any reason exempt, wholly or in part, from the levy of the Special Tax,
2 this Board of Supervisors will, on behalf of the Special Tax District, increase the levy to the
3 extent necessary upon the remaining property within Improvement Area No. 1 which is not
4 exempt in order to yield the required debt service payments and other annual expenses of
5 Improvement Area No. 1, if any, subject to the provisions of the Improvement Area No. 1 Rate
6 and Method; and, be it

7 FURTHER RESOLVED, That except as may otherwise be provided by law or by the
8 rate and method of apportionment of special tax for a Future Improvement Area, all lands
9 owned by any public entity, including the United States, the State of California and/or the City,
10 or any departments or political subdivisions thereof, shall be omitted from the levy of the
11 special tax to be made to cover the costs and expenses of the Facilities, the Contingent
12 Services and the Future Improvement Area. In the event that a portion of the property within
13 the Future Improvement Area shall become for any reason exempt, wholly or in part, from the
14 levy of the special tax, this Board of Supervisors will, on behalf of the Special Tax District,
15 increase the levy to the extent necessary upon the remaining property within the Future
16 Improvement Area which is not exempt in order to yield the required debt service payments
17 and other annual expenses of the Future Improvement Area, if any, subject to the provisions
18 of the rate and method of apportionment of the special tax; and, be it

19 FURTHER RESOLVED, That the levy of the Improvement Area No. 1 Special Tax and
20 an appropriations limit for the Special Tax District shall be subject to the approval of the
21 qualified electors of Improvement Area No. 1 at a special election, and the proposed voting
22 procedure shall be by mailed or hand-delivered ballot among the landowners in the proposed

DEPOSIT AND REIMBURSEMENT AGREEMENT

City and County of San Francisco
Special Tax District No. 2022-1
(Power Station)

THIS DEPOSIT AND REIMBURSEMENT AGREEMENT (the "Agreement"), dated for convenience as of _____ 1, 2022, is by and between the City and County of San Francisco (the "City"), a charter city and municipal corporation, and California Barrel Company LLC, a Delaware limited liability company (the "Landowner").

RECITALS:

WHEREAS, the Landowner would like the City to consider taking actions necessary to form the captioned Special Tax District (the "Special Tax District") under Chapter 43, Article X of the San Francisco Administrative Code (as it may be amended from time to time, "Code"), which Code incorporates by reference the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Act");

WHEREAS, the Landowner is willing to advance funds to the City or to its agents and consultants as necessary to ensure payment of any and all costs of the City in forming the Special Tax District, provided that any advances are reimbursed to the Landowner from the proceeds of any bonds issued by the City for the Special Tax District to the extent legally permissible;

WHEREAS, Section 53314.9 of the Act provides that, either before or after formation of the Special Tax District, the City may accept advances of funds and may provide, by resolution, for the use of those funds, including but not limited to pay any cost incurred by the local agency in creating the Special Tax District, and may agree to reimburse the advances under all of the following conditions: (1) the proposal to repay the advances is included both in the resolution of intention and the resolution of formation to establish the Special Tax District; and (2) any proposed special tax is approved by the qualified electors of the Special Tax District and, if the qualified electors of the district do not approve the proposed special tax, the local agency shall return any funds which have not been committed for any authorized purpose by the time of the election; and

WHEREAS, the City and the Landowner now desire to specify the terms of the advances of funds and reimbursement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants set forth herein, and for other consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

AGREEMENT:

Section 1. The Advances. The Landowner hereby agrees to provide \$100,000, in the form of cash or a check payable to the City (the "Initial Advance"), to be used by the City to pay the "Initial Costs" (as defined below); the Initial Advance shall be delivered to the Director of the Office of Public Finance of the City prior to the execution of this Agreement by the City. The City, by its execution hereof, acknowledges receipt of the Initial Advance. The Initial Advance represents costs that the City and the Landowner have concluded are not being funded with other moneys provided by the Landowner.

The Landowner further agrees to advance any additional amounts (collectively with the Initial Advance, the "Advances") incurred or reasonably expected to be incurred by the City, promptly upon written demand therefore by the Director of the Office of Public Finance, said Advances to be made to the City or directly to the City's consultants as specified by the Director of the Office of Public Finance in writing to the Landowner. In the event that the Landowner shall fail or refuse to remit any such amounts to or at the direction of the Director of the Office of Public Finance, all processing by the City of the proceedings for the Special Tax District shall cease until such time as the requested amounts are paid by the Landowner.

The Initial Costs include, but are not limited to: (i) the fees and expenses of any consultants to the City employed in connection with the formation of the Special Tax District (such as engineering, legal counsel, including special counsel to the City, financial advisory and special tax consultant); (ii) the costs of appraisals, absorption studies and other reports necessary or deemed advisable by City staff in forming the Special Tax District and issuing bonds for the Special Tax District; (iii) costs of publication of notices, preparation and mailing of ballots and other costs related to any election with respect to the Special Tax District, any special tax to be levied therein or any bonded indebtedness thereof; (iv) the costs (including attorneys fees) of any action prosecuted in the superior court to validate the formation of the Special Tax District, said special tax and/or any bonded indebtedness; (v) the costs of any actions (including attorneys fees) challenging the formation of the Special Tax District; (vi) a reasonable charge, as determined by the Director of the Office of Public Finance, in her sole discretion, for an allocable share of administrative expense with respect to City staff engaged in analyzing and participating in the Special Tax District formation, special tax formulation, facilities acquisition and bond issuance proceedings; and (vii) any and all other actual costs and expenses incurred by the City with respect to the creation of the Special Tax District.

Section 2. Use of Funds. Pursuant to Section 53314.9 of the Act, the Advances are subject to reimbursement only as follows:

(a) If the Special Tax District is formed and bonds are issued under the Code by the City secured by special taxes levied upon the land within the Special Tax District, the City shall provide for reimbursement to the Landowner, without interest, of all Advances, said reimbursement to be made solely from the proceeds of such bonds and

only to the extent otherwise permitted under the Code. On or within thirty (30) days after the date of issuance and delivery of the bonds, the Director of the Office of Public Finance shall return any then unexpended Advances to the Landowner, without interest, together with an amount equal to the Advances theretofore expended, without interest, to the extent such amount is funded with proceeds of the bonds and said reimbursement is otherwise permitted under the Code.

(b) If the qualified electors of the Special Tax District do not approve the proposed special tax to be levied on the property within the Special Tax District and the issuance of bonds by the City for the Special Tax District, the Director of the Office of Public Finance shall, within thirty (30) days of the confirmation of the election results by the City Council of the City, return any then unexpended Advances to the Landowner, without interest, less an amount equal to any Initial Costs which have been incurred or committed, but not yet paid by the City from the Advances.

(c) If the election is successful and the Special Tax District is formed, but such bonds are not issued, the Director of the Office of Public Finance shall, within thirty (30) days after adoption of the resolution stating the intent of the City to terminate proceedings under the Code with respect to the issuance of bonds for the Special Tax District, return any then unexpended Advances to the Landowner, without interest, less an amount equal to any Initial Costs incurred by the City or that the City is otherwise committed to pay, which costs would be subject to payment under Section 1 above but have not yet been paid by the City.

Section 3. Reimbursement of Other Landowner Costs. Nothing contained herein shall prohibit reimbursement of other costs and expenses of the Landowner incurred in connection with the Special Tax District from the proceeds of such bonds. Any such reimbursement shall be made solely from the proceeds of such bonds and only to the extent otherwise permitted under the Code and otherwise provided for in the proceedings for the formation of the Special Tax District and the issuance of such bonds.

Section 4. Agreement Not Debt or Liability of City. It is hereby acknowledged and agreed that this Agreement is not a debt or liability of the City, as provided in Section 53314.9(b) of the Act. The City shall in no event be liable hereunder other than to return any unexpended and uncommitted portions of any Advances as provided in Section 2 above and provide an accounting under Section 7 below. The City shall not be obligated to advance any of its own funds with respect to the establishment of the Special Tax District or for any of the other purposes listed in Section 1 hereof. No member of the City Council of the City or member, associate member, director, officer, employee or agent of the City shall to any extent be personally liable hereunder.

Section 5. No Obligation to Form Special Tax District The provisions of this Agreement shall in no way obligate the City to form the Special Tax District or to take any action with respect thereto.

Section 6. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent reasonably possible.

Section 7. Accounting. The City shall use the Advances to pay Initial Costs promptly upon the receipt of invoices from consultants and professionals for Initial Costs, as such invoices shall have been reviewed and approved by the Director of the Office of Public Finance ("Director"), in consultation with the City Attorney, as necessary. The Director shall maintain copies of all invoices paid from the Advances in accordance with this Section.

The Advances may be commingled with other funds of the City for purposes of investment and safekeeping, but the City shall at all times maintain records of the expenditure of the Advances. The City shall provide the Landowner with a written accounting, including copies of supporting invoices, of Advances expended pursuant to this Agreement within thirty (30) days of receipt by the Director of the Office of Public Finance of a written request therefor submitted by an authorized officer of the Landowner. No more than one accounting will be provided in any calendar month and the cost of providing the accounting shall be considered an Initial Cost.

Section 8. Indemnification. The Landowner hereby agrees to assume the defense of, indemnify and hold harmless the City, and each of its members, officers, employees and agents, from and against all actions, claims or proceedings of every type and description to which they or any of them may be subjected or put, by reason of, or arising out of, any acts or omissions of the Landowner or any of its members, officers, employees, contractors or agents in connection with the establishment of the Special Tax District and the issuance of any bonds by the City for the Special Tax District. The City shall promptly notify the Landowner of any such claim, action or proceeding, and the City shall cooperate in the defense thereof. The obligations of the Landowner under this Section shall not apply to any claims, actions or proceedings arising through the negligence or willful misconduct of the City, its members, officers, employees or agents.

Section 9. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of California.

Section 10. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto.

Section 11. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

B. DATA FOR STD ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property, Undeveloped Property, Taxable Association Property, or Taxable Public Property (ii) within which Block each Assessor’s Parcel is located, (iii) for Developed Property, the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and Excess Exempt Square Footage on each Parcel, (iv) whether the Conversion Date or the Contingent Trigger Event occurred in any prior Fiscal Year, and (v) the Facilities Special Tax Requirement and, if the Contingent Trigger Event occurred in any prior Fiscal Year, the Contingent Services Special Tax Requirement for the Fiscal Year.

The Administrator shall review Development Approval Documents and coordinate with the City and the Developer to identify Affordable Square Footage within each building. If there are transfers of Affordable Square Footage and For-Sale Residential Square Footage or Rental Residential Square Footage, as applicable, the Administrator shall refer to Section D.4 to determine the Maximum Special Taxes for each Taxable Parcel after such transfer. If, at any

time after the First Bond Sale, it is determined that a proposed increase in Affordable Square Footage will decrease Maximum IA1 Revenues to a point at which Required Coverage cannot be maintained, then some or all of the Affordable Square Footage that was not originally part of the Expected Land Uses shall be designated as Excess Exempt Square Footage and will be subject to the levy of the Facilities Special Tax pursuant to Section F herein. In such a case, the Administrator shall determine how much of the Affordable Square Footage must be subject to the Facilities Special Tax in order to maintain Required Coverage, and the City shall determine which Affordable Square Footage will be deemed Excess Exempt Square Footage. Based on the determination, the Administrator shall update Attachments 2 and 3 accordingly. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

When a Taxable Parcel becomes Developed Property, the Administrator and Review Authority shall also identify and document the Initial Exempt Square Footage for the building or buildings on or expected on the Taxable Parcel. The Administrator shall keep a record of the Initial Exempt Square Footage broken down by Exempt Use. After the First Bond Sale, as Square Footage within a building is designated for Exempt Uses, the Administrator shall compare the actual Square Footage used for each Exempt Use to the Initial Exempt Square Footage by Exempt Use. If, at any point in time, there is determined to be Excess Exempt Square Footage within a building, the Administrator and Review Authority shall use this comparison to determine which Square Footage should be designated Excess Exempt Square Footage. In addition, the Administrator shall determine whether the Excess Exempt Square Footage resulted in a reduction in For-Sale Residential Square Footage, Rental Residential Square Footage, or Taxable Non-Residential Square Footage expected in the building and, based on this determination, identify the applicable Maximum Special Taxes for the Excess Exempt Square Footage pursuant to the tables in Section C herein.

Prior to the First Bond Sale, the Administrator, City, and Developer shall coordinate to review the Expected Land Uses and determine if changes should be made to reflect more current estimates for land uses on any Blocks within the Project. Based on this review, the Administrator shall update Attachments 2 and 3 with the then-current Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Aggregate Project Revenues. The adjusted Expected Maximum Facilities Special Tax Revenues, escalated pursuant to Section D.1, will thereafter be the amount used to size Bond sales unless and until there are additional updates of Attachment 2. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

If a Certificate of Occupancy has been issued for a structure, and additional structures are anticipated to be built within the Block, as shown in Attachment 2 and the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the building(s) for which the Certificate of Occupancy was issued as Developed Property and any remaining buildings for which Certificates of Occupancy have not yet been issued as Undeveloped Property for purposes of levying the Special Taxes. If the buildings share an Assessor's Parcel, the Administrator shall take the sum of the Special Taxes determined for each building after application of the steps in Section F to determine the Special Tax levies for the Parcel.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created parcels, and (iii) one or more of the newly-created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the map or plan by determining the Special Tax that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Assessor's Parcel that was subdivided by recordation of the parcel map or condominium plan.

In addition to the tasks set forth above, on an ongoing basis, the Administrator will review the Development Approval Documents for property in Improvement Area No. 1 and communicate with the Developer regarding proposed Land Use Changes. The Administrator will, upon review of each Certificate of Occupancy, and upon any proposed Land Use Change that is made known to the Administrator, update Attachments 2 and 3 to reflect (i) the then-current Expected Land Uses for each Block, (ii) the Expected Maximum Facilities Special Tax Revenues, and (iii) the Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

C. MAXIMUM SPECIAL TAX

1. *Undeveloped Property*

1a. *Facilities Special Tax*

The Maximum Facilities Special Tax for Undeveloped Property in Improvement Area No. 1 shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 2 of this RMA, as it may be amended as set forth herein. If, in any Fiscal Year, separate Assessor's Parcels have not yet been created for property within each Block, the Administrator shall sum the Expected Maximum Facilities Special Tax Revenues for all Blocks within an Assessor's Parcel to determine the Maximum Facilities Special Tax that shall apply to the Parcel in such Fiscal Year.

If an Assessor's Parcel contains a portion of one or more Blocks, or if a Block contains a portion of one or more Assessor's Parcels, the Administrator will coordinate with the Review Authority to estimate the Expected Land Uses that will occur on each Taxable Parcel in order to allocate the Expected Maximum Facilities Special Tax Revenues among the Taxable Parcels that are in effect for the Fiscal Year, and such allocation shall be conclusive and binding. If it is unclear as to where the Expected Land Uses will be located on the Taxable Parcels, the Expected Maximum Facilities Special Tax Revenues may be allocated based on the acreage of the Taxable Parcels. The Maximum IA1 Revenues after such allocation shall not be less than the Maximum IA1 Revenues prior to this allocation.

1b. Contingent Services Special Tax

No Contingent Services Special Tax shall be levied on Parcels of Undeveloped Property within Improvement Area No. 1.

2. Developed Property

2a. Facilities Special Tax

When a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Taxable Parcel. If property annexes into Improvement Area No. 1, such property shall also be subject to the Maximum Facilities Special Taxes set forth in Table 1.

Table 1 Base Facilities Special Tax	
Land Use Category	Base Facilities Special Tax (FY 2021-22) *
For-Sale Residential Square Footage	\$3.75 per Square Foot
Rental Residential Square Footage	\$1.00 per Square Foot
Taxable Non-Residential Square Footage	\$1.50 per Square Foot
Excess Exempt Square Footage	\$3.75 per Square Foot if For-Sale Residential Square Footage was reduced, \$1.00 per Square Foot if Rental Residential Square Footage was reduced, or \$1.50 per Square Foot if Taxable Non-Residential Square Footage was reduced.

* The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.

- Step 1.* Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel.
- Step 2.* Multiply the applicable Base Facilities Special Tax from Table 1 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Facilities Special Tax for the Taxable Parcel.

Step 3. Compare the Estimated Base Facilities Special Tax Revenues from Step 2 to the Expected Maximum Facilities Special Tax Revenues, and, apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Estimated Base Facilities Special Tax Revenues are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel shall be determined by multiplying the applicable Base Facilities Special Taxes by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. The Administrator shall update Attachments 2 and 3 to reflect the change in the Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues.*
- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Estimated Base Facilities Special Tax Revenues are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer, and the Review Authority shall determine which of the following shall occur:*
 - (i) *the Base Facilities Special Taxes that were applied to For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel in Step 2 shall be increased proportionately until the amount that can be levied on the Taxable Parcel, combined with the Expected Maximum Facilities Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, **or***
 - (ii) *if the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues due to Excess Exempt Square Footage, then the Base Facilities Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included on the Taxable Parcel.*

If, pursuant to (i) above, the Base Facilities Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Facilities Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachments 2 and 3 to reflect any changes to the Expected Land Uses (including the addition of Excess

Exempt Square Footage), the Expected Maximum Facilities Special Tax Revenues, and the Aggregate Project Revenues.

Pursuant to this Section C.2a, the Administrator may from time to time update Attachments 2 and 3 to reflect revised Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

2b. Contingent Services Special Tax

In the first Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, and in each Fiscal Year thereafter, when a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Contingent Services Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Contingent Services Special Tax for the Taxable Parcel.

Table 2	
Base Contingent Services Special Tax	
Land Use Category	Base Contingent Services Special Tax (FY 2021-22) *
For-Sale Residential Square Footage	\$0.29 per Square Foot
Rental Residential Square Footage	\$0.29 per Square Foot
Taxable Non-Residential Square Footage	\$0.29 per Square Foot
Excess Exempt Square Footage	\$0.29 per Square Foot

*** The Base Contingent Services Special Taxes shown above shall be escalated as set forth in Section D.2.**

- Step 1.* Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel.
- Step 2.* Multiply the applicable Base Contingent Services Special Tax from Table 2 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel. The Maximum Contingent Services Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for each Land Use Category on the Taxable Parcel.

If additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of

Occupancy have not yet been issued shall not be subject to a Contingent Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Contingent Services Special Tax for any such Taxable Parcel, the Administrator shall take the sum of the Contingent Services Special Taxes determined for each building.

3. *Taxable Association Property and Taxable Public Property*

3a. *Facilities Special Tax*

If, in any Fiscal Year, the Administrator determines that there is Taxable Association Property and/or Taxable Public Property, the Administrator will, for each such Parcel, determine the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues that had applied to the Parcel before it became Association Property or Public Property. The Expected Maximum Facilities Special Tax Revenues for the Parcel shall continue to be the Expected Maximum Facilities Special Tax that will apply to the Parcel, as well as the Maximum Facilities Special Tax that will apply for purposes of levying the Facilities Special Tax pursuant to Section F herein. The Maximum Facilities Special Tax assigned to the Parcel shall be adjusted pursuant to Section D.1.

3b. *Contingent Services Special Tax*

No Contingent Services Special Tax shall apply to Taxable Association Property or Taxable Public Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. *Annual Escalation of Facilities Special Tax*

Beginning July 1, 2022 and each July 1 thereafter, the Base Facilities Special Taxes in Table 1, the Expected Maximum Facilities Special Tax Revenues in Attachment 2, the Aggregate Project Revenues in Attachment 3, and the Maximum Facilities Special Tax assigned to each Taxable Parcel in Improvement Area No. 1 shall be increased by 2% of the amount in effect in the prior Fiscal Year.

2. *Annual Escalation of Contingent Services Special Tax*

Beginning July 1, 2022 and each July 1 thereafter, the Base Contingent Services Special Taxes in Table 2 and the Maximum Contingent Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. *Adjustment of Maximum Facilities Special Tax in the Conversion Year*

In the Conversion Year, the Administrator shall apply the following steps to calculate a reduced amount of Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 and

a corresponding reduction in the Maximum Facilities Special Tax for all Taxable Parcels in Improvement Area No. 1:

- Step 1.* Coordinate with the Review Authority to confirm the current expected land uses within the Project, including Square Footage expected within the PG&E Affected Area.
- Step 2.* Based on the information collected in Step 1, (i) update Attachment 3 and calculate the current Aggregate Project Revenues; and (ii) update the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 in Attachment 2. For purposes of this Section D.3, the updated Expected Maximum Facilities Special Tax Revenues shall be deemed the “**Original Maximum Revenues**”.
- Step 3.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, identify the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year. If the PG&E Affected Area is no longer expected to annex into the STD, calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, as follows:
- 3a.** Using the information from Step 2, divide the Original Maximum Revenues by the Aggregate Project Revenues.
- 3b.** Multiply the quotient from Step 3a. by the Base Aggregate Facilities Special Tax Revenues to calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, which shall also be the new Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1. This amount shall, beginning July 1 of the following Fiscal Year, be adjusted pursuant to Section D.1.
- Step 4.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, divide the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year by the Original Maximum Revenues. If the PG&E Affected Area is no longer expected to annex into the STD, divide the Adjusted Base Aggregate Facilities Special Tax Revenues calculated in Step 3b by the Original Maximum Revenues from Step 2.
- Step 5.* Multiply the quotient calculated in Step 4 by the Maximum Facilities Special Tax assigned to all Taxable Parcels in Improvement Area No. 1 to calculate a reduced Maximum Facilities Special Tax that will (i) apply to each Parcel in the Conversion Year, and (ii) escalate on July 1 each Fiscal Year thereafter pursuant to Section D.1.
- Step 6.* Multiply the quotient calculated in Step 4 by the Base Facilities Special Tax for each Land Use Category, as determined pursuant to Section C.2a herein. The reduced Base Facilities Special Taxes shall, beginning in the Conversion Year,

be the effective Base Facilities Special Taxes for purposes of this RMA and will continue to increase each subsequent Fiscal Year pursuant to Section D.1.

- Step 7.* Update Attachment 2 to reflect the reduced Expected Maximum Facilities Special Tax Revenues determined pursuant to the steps above. Attachment 2 may be further revised pursuant to Sections C, D, and E herein. Such updates will be maintained internally by the Administrator and will not require recordation of an amended RMA.

Attachment 4 to this RMA provides a sample calculation of the adjustment to the Maximum Facilities Special Tax in the Conversion Year pursuant to this Section D.3. This sample is based on assumptions that are likely to change before the Conversion Year and is intended simply to provide an illustrative example of how the steps set forth above will be applied.

4. Adjustments to Affordable Square Footage

If, in any Fiscal Year after the First Bond Sale, the Administrator determines that Square Footage that had previously been designated as Affordable Square Footage no longer qualifies as such, the Maximum Facilities Special Taxes on such Square Footage shall be increased to the Maximum Facilities Special Taxes that would be levied on Market Rate Square Footage within the same Land Use Category. If, after the First Bond Sale, Market Rate Square Footage becomes Affordable Square Footage and, by exempting the Affordable Square Footage, the Administrator determines that Maximum IA1 Revenues would be reduced to a point at which Required Coverage cannot be maintained, then the Affordable Square Footage shall be designated as Excess Exempt Square Footage and shall be subject to the levy of the Facilities Special Tax pursuant to Section C herein.

5. Changes in Land Use Category on a Parcel of Developed Property

If the Square Footage on any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise changes Land Use Category, the Administrator shall multiply the Base Facilities Special Tax by the Square Footage within each of the new Land Use Category(ies); if the First Bond Sale has not occurred, this amount shall be the Maximum Facilities Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.5.

If the amount determined is greater than the Maximum Facilities Special Tax that applied to the Taxable Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Facilities Special Tax for the Parcel to the amount calculated for the new Land Use Category(ies). If the amount determined is less than the Maximum Facilities Special Tax that applied prior to the Land Use Change, there will be no change to the Maximum Facilities Special Tax for the Parcel. Except as otherwise provided in this RMA, under no circumstances shall the Maximum Facilities Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Land Use Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

6. *Reduction in Maximum Facilities Special Tax Prior to First Bond Sale*

As set forth in, and subject to the requirements of, Section 2.3(m) of the Financing Plan, the Maximum Facilities Special Taxes assigned to Taxable Parcels in Improvement Area No. 1 may be proportionately or disproportionately reduced prior to the First Bond Sale. Such reduction shall be made administratively without Board action or a vote of the qualified STD electors following: (i) initiation by written request to the City, and (ii) consultation with the City regarding such request. The reduction shall be codified by recordation of an amended Notice of Special Tax Lien against all Taxable Parcels within Improvement Area No. 1.

7. *Converted Rental Residential Building*

If a Rental Residential Building in the STD becomes a Converted Rental Residential Building, the Administrator will rely on information from the County Assessor, site visits to the sales office, data provided by the entity that is selling Residential Units within the building, and any other available source of information to track sales of Residential Units. In the first Fiscal Year in which there is a Converted For-Sale Unit within the building, the Administrator shall apply the Base Special Tax for For-Sale Residential Square Footage to calculate the Maximum Special Taxes for all Converted For-Sale Units in the building in that Fiscal Year. In addition, the Base Special Tax for For-Sale Residential Square Footage, escalated as set forth in Section D.1 or, as applicable, D.2 above, shall be used to calculate the Maximum Special Taxes for all future Converted For-Sale Units within the building. Rental Units within the Converted Rental Residential Building shall continue to be subject to the Maximum Special Taxes for Rental Units until such time as the units become Converted For-Sale Units. The Maximum Special Taxes for all Residential Units within the building shall escalate each Fiscal Year as set forth in Section D.1 or, as applicable, D.2 above.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Improvement Area No. 1, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.** Working with City staff and the landowner, the Administrator shall determine the Expected Land Uses for the area to be annexed.
- Step 2.** The Administrator shall prepare and keep on file updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses and Expected Maximum Facilities Special Tax Revenues. After the annexation is complete, the application of Sections C, D and F of this RMA shall be based on the adjusted Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Maximum IA1 Revenues including the newly annexed property.
- Step 3.** The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. *Facilities Special Tax*

Each Fiscal Year, the Facilities Special Tax shall be levied according to the steps outlined below:

Step 1. In all Fiscal Years prior to and including the earlier of (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Maximum Facilities Special Tax shall be levied on the For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan.

In all Fiscal Years after the earlier of: (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Special Tax shall be levied Proportionately on For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on each Parcel of Developed Property, up to 100% of the Maximum Facilities Special Tax until the amount levied is equal to the Facilities Special Tax Requirement.

Step 2. If additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property for such Fiscal Year.

Step 3. If additional revenue is needed after Step 2, the Facilities Special Tax shall be levied Proportionately on (i) each Parcel of Taxable Association Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Association Property, (ii) each Parcel of Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Public Property, and (iii) all Excess Exempt Square Footage, up to 100% of the Maximum Facilities Special Tax for Excess Exempt Square Footage.

2. *Contingent Services Special Tax*

Each Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, the Administrator shall coordinate with the City to determine the Contingent Services Special Tax Requirement for the Fiscal Year. The Contingent Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, in an amount up to 100% of the

Maximum Contingent Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Contingent Services Special Tax Requirement. The Contingent Services Special Tax shall not be levied on Undeveloped Property, Taxable Association Property, or Taxable Public Property.

G. COLLECTION OF SPECIAL TAXES

The Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied and collected until the earlier of (i) the Fiscal Year in which the City determines that all Qualified Project Costs have been funded pursuant to the Financing Plan and all other Authorized Expenditures that will be funded by the STD have been funded, and (ii) Fiscal Year 2131-32. The Contingent Services Special Tax shall be levied in the Fiscal Year following the Contingent Trigger Event and in perpetuity thereafter. Pursuant to Government Code Section 53321(d) (to the extent incorporated in the Act), the Facilities Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Facilities Special Tax in effect for the Fiscal Year in which the Facilities Special Tax is being levied.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on (i) Exempt Square Footage other than Excess Exempt Square Footage, or (ii) Public Property or Association Property, except Taxable Public Property or Taxable Association Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of Special Taxes and security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of a Special Tax was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Tax was correct, then such

determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the Act or elsewhere in applicable law.

B. DATA FOR STD ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property, Undeveloped Property, Taxable Association Property, or Taxable Public Property (ii) within which Block each Assessor’s Parcel is located, (iii) for Developed Property, the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and Excess Exempt Square Footage on each Parcel, (iv) whether the Conversion Date or the Contingent Trigger Event occurred in any prior Fiscal Year, and (v) the Facilities Special Tax Requirement and, if the Contingent Trigger Event occurred in any prior Fiscal Year, the Contingent Services Special Tax Requirement for the Fiscal Year.

The Administrator shall review Development Approval Documents and coordinate with the City and the Developer to identify Affordable Square Footage within each building. If there are transfers of Affordable Square Footage and For-Sale Residential Square Footage or Rental Residential Square Footage, as applicable, the Administrator shall refer to Section D.4 to determine the Maximum Special Taxes for each Taxable Parcel after such transfer. If, at any

time after the First Bond Sale, it is determined that a proposed increase in Affordable Square Footage will decrease Maximum IA1 Revenues to a point at which Required Coverage cannot be maintained, then some or all of the Affordable Square Footage that was not originally part of the Expected Land Uses shall be designated as Excess Exempt Square Footage and will be subject to the levy of the Facilities Special Tax pursuant to Section F herein. In such a case, the Administrator shall determine how much of the Affordable Square Footage must be subject to the Facilities Special Tax in order to maintain Required Coverage, and the City shall determine which Affordable Square Footage will be deemed Excess Exempt Square Footage. Based on the determination, the Administrator shall update Attachments 2 and 3 accordingly. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

When a Taxable Parcel becomes Developed Property, the Administrator and Review Authority shall also identify and document the Initial Exempt Square Footage for the building or buildings on or expected on the Taxable Parcel. The Administrator shall keep a record of the Initial Exempt Square Footage broken down by Exempt Use. After the First Bond Sale, as Square Footage within a building is designated for Exempt Uses, the Administrator shall compare the actual Square Footage used for each Exempt Use to the Initial Exempt Square Footage by Exempt Use. If, at any point in time, there is determined to be Excess Exempt Square Footage within a building, the Administrator and Review Authority shall use this comparison to determine which Square Footage should be designated Excess Exempt Square Footage. In addition, the Administrator shall determine whether the Excess Exempt Square Footage resulted in a reduction in For-Sale Residential Square Footage, Rental Residential Square Footage, or Taxable Non-Residential Square Footage expected in the building and, based on this determination, identify the applicable Maximum Special Taxes for the Excess Exempt Square Footage pursuant to the tables in Section C herein.

Prior to the First Bond Sale, the Administrator, City, and Developer shall coordinate to review the Expected Land Uses and determine if changes should be made to reflect more current estimates for land uses on any Blocks within the Project. Based on this review, the Administrator shall update Attachments 2 and 3 with the then-current Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Aggregate Project Revenues. The adjusted Expected Maximum Facilities Special Tax Revenues, escalated pursuant to Section D.1, will thereafter be the amount used to size Bond sales unless and until there are additional updates of Attachment 2. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

If a Certificate of Occupancy has been issued for a structure, and additional structures are anticipated to be built within the Block, as shown in Attachment 2 and the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the building(s) for which the Certificate of Occupancy was issued as Developed Property and any remaining buildings for which Certificates of Occupancy have not yet been issued as Undeveloped Property for purposes of levying the Special Taxes. If the buildings share an Assessor's Parcel, the Administrator shall take the sum of the Special Taxes determined for each building after application of the steps in Section F to determine the Special Tax levies for the Parcel.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created parcels, and (iii) one or more of the newly-created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the map or plan by determining the Special Tax that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Assessor's Parcel that was subdivided by recordation of the parcel map or condominium plan.

In addition to the tasks set forth above, on an ongoing basis, the Administrator will review the Development Approval Documents for property in Improvement Area No. 1 and communicate with the Developer regarding proposed Land Use Changes. The Administrator will, upon review of each Certificate of Occupancy, and upon any proposed Land Use Change that is made known to the Administrator, update Attachments 2 and 3 to reflect (i) the then-current Expected Land Uses for each Block, (ii) the Expected Maximum Facilities Special Tax Revenues, and (iii) the Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

C. MAXIMUM SPECIAL TAX

1. *Undeveloped Property*

1a. *Facilities Special Tax*

The Maximum Facilities Special Tax for Undeveloped Property in Improvement Area No. 1 shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 2 of this RMA, as it may be amended as set forth herein. If, in any Fiscal Year, separate Assessor's Parcels have not yet been created for property within each Block, the Administrator shall sum the Expected Maximum Facilities Special Tax Revenues for all Blocks within an Assessor's Parcel to determine the Maximum Facilities Special Tax that shall apply to the Parcel in such Fiscal Year.

If an Assessor's Parcel contains a portion of one or more Blocks, or if a Block contains a portion of one or more Assessor's Parcels, the Administrator will coordinate with the Review Authority to estimate the Expected Land Uses that will occur on each Taxable Parcel in order to allocate the Expected Maximum Facilities Special Tax Revenues among the Taxable Parcels that are in effect for the Fiscal Year, and such allocation shall be conclusive and binding. If it is unclear as to where the Expected Land Uses will be located on the Taxable Parcels, the Expected Maximum Facilities Special Tax Revenues may be allocated based on the acreage of the Taxable Parcels. The Maximum IA1 Revenues after such allocation shall not be less than the Maximum IA1 Revenues prior to this allocation.

1b. Contingent Services Special Tax

No Contingent Services Special Tax shall be levied on Parcels of Undeveloped Property within Improvement Area No. 1.

2. Developed Property

2a. Facilities Special Tax

When a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Taxable Parcel. If property annexes into Improvement Area No. 1, such property shall also be subject to the Maximum Facilities Special Taxes set forth in Table 1.

Table 1 Base Facilities Special Tax	
Land Use Category	Base Facilities Special Tax (FY 2021-22) *
For-Sale Residential Square Footage	\$3.75 per Square Foot
Rental Residential Square Footage	\$1.00 per Square Foot
Taxable Non-Residential Square Footage	\$1.50 per Square Foot
Excess Exempt Square Footage	\$3.75 per Square Foot if For-Sale Residential Square Footage was reduced, \$1.00 per Square Foot if Rental Residential Square Footage was reduced, or \$1.50 per Square Foot if Taxable Non-Residential Square Footage was reduced.

*** The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.**

Step 1. Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel.

Step 2. Multiply the applicable Base Facilities Special Tax from Table 1 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Facilities Special Tax for the Taxable Parcel.

Step 3. Compare the Estimated Base Facilities Special Tax Revenues from Step 2 to the Expected Maximum Facilities Special Tax Revenues, and, apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Estimated Base Facilities Special Tax Revenues are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel shall be determined by multiplying the applicable Base Facilities Special Taxes by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. The Administrator shall update Attachments 2 and 3 to reflect the change in the Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues.*
- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Estimated Base Facilities Special Tax Revenues are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer, and the Review Authority shall determine which of the following shall occur:*
 - (i) *the Base Facilities Special Taxes that were applied to For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel in Step 2 shall be increased proportionately until the amount that can be levied on the Taxable Parcel, combined with the Expected Maximum Facilities Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, **or***
 - (ii) *if the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues due to Excess Exempt Square Footage, then the Base Facilities Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included on the Taxable Parcel.*

If, pursuant to (i) above, the Base Facilities Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Facilities Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachments 2 and 3 to reflect any changes to the Expected Land Uses (including the addition of Excess

Exempt Square Footage), the Expected Maximum Facilities Special Tax Revenues, and the Aggregate Project Revenues.

Pursuant to this Section C.2a, the Administrator may from time to time update Attachments 2 and 3 to reflect revised Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

2b. Contingent Services Special Tax

In the first Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, and in each Fiscal Year thereafter, when a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Contingent Services Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Contingent Services Special Tax for the Taxable Parcel.

Table 2	
Base Contingent Services Special Tax	
Land Use Category	Base Contingent Services Special Tax (FY 2021-22) *
For-Sale Residential Square Footage	\$0.29 per Square Foot
Rental Residential Square Footage	\$0.29 per Square Foot
Taxable Non-Residential Square Footage	\$0.29 per Square Foot
Excess Exempt Square Footage	\$0.29 per Square Foot

*** The Base Contingent Services Special Taxes shown above shall be escalated as set forth in Section D.2.**

- Step 1.* Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel.
- Step 2.* Multiply the applicable Base Contingent Services Special Tax from Table 2 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel. The Maximum Contingent Services Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for each Land Use Category on the Taxable Parcel.

If additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of

Occupancy have not yet been issued shall not be subject to a Contingent Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Contingent Services Special Tax for any such Taxable Parcel, the Administrator shall take the sum of the Contingent Services Special Taxes determined for each building.

3. *Taxable Association Property and Taxable Public Property*

3a. *Facilities Special Tax*

If, in any Fiscal Year, the Administrator determines that there is Taxable Association Property and/or Taxable Public Property, the Administrator will, for each such Parcel, determine the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues that had applied to the Parcel before it became Association Property or Public Property. The Expected Maximum Facilities Special Tax Revenues for the Parcel shall continue to be the Expected Maximum Facilities Special Tax that will apply to the Parcel, as well as the Maximum Facilities Special Tax that will apply for purposes of levying the Facilities Special Tax pursuant to Section F herein. The Maximum Facilities Special Tax assigned to the Parcel shall be adjusted pursuant to Section D.1.

3b. *Contingent Services Special Tax*

No Contingent Services Special Tax shall apply to Taxable Association Property or Taxable Public Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. *Annual Escalation of Facilities Special Tax*

Beginning July 1, 2022 and each July 1 thereafter, the Base Facilities Special Taxes in Table 1, the Expected Maximum Facilities Special Tax Revenues in Attachment 2, the Aggregate Project Revenues in Attachment 3, and the Maximum Facilities Special Tax assigned to each Taxable Parcel in Improvement Area No. 1 shall be increased by 2% of the amount in effect in the prior Fiscal Year.

2. *Annual Escalation of Contingent Services Special Tax*

Beginning July 1, 2022 and each July 1 thereafter, the Base Contingent Services Special Taxes in Table 2 and the Maximum Contingent Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. *Adjustment of Maximum Facilities Special Tax in the Conversion Year*

In the Conversion Year, the Administrator shall apply the following steps to calculate a reduced amount of Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 and

a corresponding reduction in the Maximum Facilities Special Tax for all Taxable Parcels in Improvement Area No. 1:

- Step 1.* Coordinate with the Review Authority to confirm the current expected land uses within the Project, including Square Footage expected within the PG&E Affected Area.
- Step 2.* Based on the information collected in Step 1, (i) update Attachment 3 and calculate the current Aggregate Project Revenues; and (ii) update the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 in Attachment 2. For purposes of this Section D.3, the updated Expected Maximum Facilities Special Tax Revenues shall be deemed the “**Original Maximum Revenues**”.
- Step 3.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, identify the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year. If the PG&E Affected Area is no longer expected to annex into the STD, calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, as follows:
- 3a.** Using the information from Step 2, divide the Original Maximum Revenues by the Aggregate Project Revenues.
- 3b.** Multiply the quotient from Step 3a. by the Base Aggregate Facilities Special Tax Revenues to calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, which shall also be the new Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1. This amount shall, beginning July 1 of the following Fiscal Year, be adjusted pursuant to Section D.1.
- Step 4.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, divide the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year by the Original Maximum Revenues. If the PG&E Affected Area is no longer expected to annex into the STD, divide the Adjusted Base Aggregate Facilities Special Tax Revenues calculated in Step 3b by the Original Maximum Revenues from Step 2.
- Step 5.* Multiply the quotient calculated in Step 4 by the Maximum Facilities Special Tax assigned to all Taxable Parcels in Improvement Area No. 1 to calculate a reduced Maximum Facilities Special Tax that will (i) apply to each Parcel in the Conversion Year, and (ii) escalate on July 1 each Fiscal Year thereafter pursuant to Section D.1.
- Step 6.* Multiply the quotient calculated in Step 4 by the Base Facilities Special Tax for each Land Use Category, as determined pursuant to Section C.2a herein. The reduced Base Facilities Special Taxes shall, beginning in the Conversion Year,

be the effective Base Facilities Special Taxes for purposes of this RMA and will continue to increase each subsequent Fiscal Year pursuant to Section D.1.

- Step 7.* Update Attachment 2 to reflect the reduced Expected Maximum Facilities Special Tax Revenues determined pursuant to the steps above. Attachment 2 may be further revised pursuant to Sections C, D, and E herein. Such updates will be maintained internally by the Administrator and will not require recordation of an amended RMA.

Attachment 4 to this RMA provides a sample calculation of the adjustment to the Maximum Facilities Special Tax in the Conversion Year pursuant to this Section D.3. This sample is based on assumptions that are likely to change before the Conversion Year and is intended simply to provide an illustrative example of how the steps set forth above will be applied.

4. Adjustments to Affordable Square Footage

If, in any Fiscal Year after the First Bond Sale, the Administrator determines that Square Footage that had previously been designated as Affordable Square Footage no longer qualifies as such, the Maximum Facilities Special Taxes on such Square Footage shall be increased to the Maximum Facilities Special Taxes that would be levied on Market Rate Square Footage within the same Land Use Category. If, after the First Bond Sale, Market Rate Square Footage becomes Affordable Square Footage and, by exempting the Affordable Square Footage, the Administrator determines that Maximum IA1 Revenues would be reduced to a point at which Required Coverage cannot be maintained, then the Affordable Square Footage shall be designated as Excess Exempt Square Footage and shall be subject to the levy of the Facilities Special Tax pursuant to Section C herein.

5. Changes in Land Use Category on a Parcel of Developed Property

If the Square Footage on any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise changes Land Use Category, the Administrator shall multiply the Base Facilities Special Tax by the Square Footage within each of the new Land Use Category(ies); if the First Bond Sale has not occurred, this amount shall be the Maximum Facilities Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.5.

If the amount determined is greater than the Maximum Facilities Special Tax that applied to the Taxable Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Facilities Special Tax for the Parcel to the amount calculated for the new Land Use Category(ies). If the amount determined is less than the Maximum Facilities Special Tax that applied prior to the Land Use Change, there will be no change to the Maximum Facilities Special Tax for the Parcel. Except as otherwise provided in this RMA, under no circumstances shall the Maximum Facilities Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Land Use Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

6. *Reduction in Maximum Facilities Special Tax Prior to First Bond Sale*

As set forth in, and subject to the requirements of, Section 2.3(m) of the Financing Plan, the Maximum Facilities Special Taxes assigned to Taxable Parcels in Improvement Area No. 1 may be proportionately or disproportionately reduced prior to the First Bond Sale. Such reduction shall be made administratively without Board action or a vote of the qualified STD electors following: (i) initiation by written request to the City, and (ii) consultation with the City regarding such request. The reduction shall be codified by recordation of an amended Notice of Special Tax Lien against all Taxable Parcels within Improvement Area No. 1.

7. *Converted Rental Residential Building*

If a Rental Residential Building in the STD becomes a Converted Rental Residential Building, the Administrator will rely on information from the County Assessor, site visits to the sales office, data provided by the entity that is selling Residential Units within the building, and any other available source of information to track sales of Residential Units. In the first Fiscal Year in which there is a Converted For-Sale Unit within the building, the Administrator shall apply the Base Special Tax for For-Sale Residential Square Footage to calculate the Maximum Special Taxes for all Converted For-Sale Units in the building in that Fiscal Year. In addition, the Base Special Tax for For-Sale Residential Square Footage, escalated as set forth in Section D.1 or, as applicable, D.2 above, shall be used to calculate the Maximum Special Taxes for all future Converted For-Sale Units within the building. Rental Units within the Converted Rental Residential Building shall continue to be subject to the Maximum Special Taxes for Rental Units until such time as the units become Converted For-Sale Units. The Maximum Special Taxes for all Residential Units within the building shall escalate each Fiscal Year as set forth in Section D.1 or, as applicable, D.2 above.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Improvement Area No. 1, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.** Working with City staff and the landowner, the Administrator shall determine the Expected Land Uses for the area to be annexed.
- Step 2.** The Administrator shall prepare and keep on file updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses and Expected Maximum Facilities Special Tax Revenues. After the annexation is complete, the application of Sections C, D and F of this RMA shall be based on the adjusted Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Maximum IA1 Revenues including the newly annexed property.
- Step 3.** The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. *Facilities Special Tax*

Each Fiscal Year, the Facilities Special Tax shall be levied according to the steps outlined below:

Step 1. In all Fiscal Years prior to and including the earlier of (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Maximum Facilities Special Tax shall be levied on the For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan.

In all Fiscal Years after the earlier of: (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Special Tax shall be levied Proportionately on For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on each Parcel of Developed Property, up to 100% of the Maximum Facilities Special Tax until the amount levied is equal to the Facilities Special Tax Requirement.

Step 2. If additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property for such Fiscal Year.

Step 3. If additional revenue is needed after Step 2, the Facilities Special Tax shall be levied Proportionately on (i) each Parcel of Taxable Association Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Association Property, (ii) each Parcel of Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Public Property, and (iii) all Excess Exempt Square Footage, up to 100% of the Maximum Facilities Special Tax for Excess Exempt Square Footage.

2. *Contingent Services Special Tax*

Each Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, the Administrator shall coordinate with the City to determine the Contingent Services Special Tax Requirement for the Fiscal Year. The Contingent Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, in an amount up to 100% of the

Maximum Contingent Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Contingent Services Special Tax Requirement. The Contingent Services Special Tax shall not be levied on Undeveloped Property, Taxable Association Property, or Taxable Public Property.

G. COLLECTION OF SPECIAL TAXES

The Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied and collected until the earlier of (i) the Fiscal Year in which the City determines that all Qualified Project Costs have been funded pursuant to the Financing Plan and all other Authorized Expenditures that will be funded by the STD have been funded, and (ii) Fiscal Year 2131-32. The Contingent Services Special Tax shall be levied in the Fiscal Year following the Contingent Trigger Event and in perpetuity thereafter. Pursuant to Government Code Section 53321(d) (to the extent incorporated in the Act), the Facilities Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Facilities Special Tax in effect for the Fiscal Year in which the Facilities Special Tax is being levied.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on (i) Exempt Square Footage other than Excess Exempt Square Footage, or (ii) Public Property or Association Property, except Taxable Public Property or Taxable Association Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of Special Taxes and security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of a Special Tax was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Tax was correct, then such

determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the Act or elsewhere in applicable law.

MEMORANDUM

DATE: December 14, 2021

SUBJECT: Memorandum on the initial legislative steps to Form a Special Tax District (and a related Future Annexation Area) to finance improvements and ongoing services in the Power Station Mixed-Use Project located between 22nd, Illinois, 23rd streets and the San Francisco Bay

Background

In April of 2020, the Board of Supervisors (Board) approved a package of legislation which provides the framework for the Power Station Project (Project), formerly known as the Potrero Power Station Project, consistent with prior approvals from the Port and Planning Commissions. The approved legislation included a ground lease between the City and County of San Francisco (City) and the California Barrel Company LLC (Master Developer) (file # 200217), General Plan Amendments (file # 200174), Planning Code Text and Map Amendments (file # 200039), and the Development Agreement (Agreement) between the City and the Master Developer (file # 200040). The Agreement commits the Master Developer to provide various public benefits including 30% affordable housing and approximately 6.9 acres of publicly accessible parks and open space.

Formation of the Special Tax District (District) and a related future annexation area (Future Annexation Area) is a key component of the Power Station Financing Plan (Financing Plan), which is Exhibit C of the Agreement. The process to form the Special Tax District is outlined below. Exhibit A of to this memorandum summarizes the proposed tax structure and rates for the District. The City will be authorized to levy Facilities Special Taxes to finance capital facilities as well as Contingent Services Special Taxes in the case of a Contingent Trigger Event, as outlined in the Financing Plan. After the formation of the District, project and City staff will pursue issuance of bonds that will be payable from the Facilities Special Taxes levied in the District, which will require future Board action.

2 | Power Station – Special Tax District Formation

Formation of the Future Annexation Area allows for additional parcels to annex into the District through a streamlined process; the Master Developer anticipates annexing property that is currently owned by Pacific Gas & Electric Company (PG&E) at a later date.

Special Tax District Formation Process

Forming the District is a multi-step legislative process. The first legislative step is to declare the intention to form the District and the Future Annexation Area and the intention to incur bonded indebtedness and other debt for the District. The legislative packet before the Board with this introduction includes:

- Petition to Create a Special Tax District (Including Waivers), pursuant to which the Master Developer asks the Board of Supervisors to establish the District
- Resolution of Intention to establish City and County of San Francisco Special Tax District No. 2022-1 (Power Station), Improvement Area No. 1 and a Future Annexation Area, and determining other matters in connection therewith, which includes a list of authorized facilities and services and the RMA described below
- Resolution of Intention to Incur Bonded Indebtedness and Other Debt for the City and County of San Francisco Special Tax District No. 2022-1 (Power Station), and determining other matters in connection therewith
- Rate and Method of Apportionment of Special Taxes (RMA), which establishes the rate and method of levying the Facilities Special Taxes and the Contingent Services Special Taxes
- Certificate of Registrar of Voters confirming that there are no registered voters in the boundaries of the District
- Map of the Proposed Boundaries of the Special Tax District (exhibit to RMA)
- Deposit and Reimbursement Agreement, pursuant to which the Master Developer will deposit funds with the City in an amount sufficient to pay the City's non-contingent District formation costs

The second legislative step involves the Board holding a noticed public hearing, adopting a resolution forming the District, adopting a resolution declaring the necessity to incur bonded indebtedness and other debt for the District, and calling an election of the qualified elector(s); the only qualified elector for the District is expected to be the Master Developer, as the sole landowner in the District. Introduction of this second tranche of legislation is planned for late January. The election is anticipated to occur in March 2022.

The third legislative step involves the Board declaring the results of the election and introducing an ordinance levying special taxes in the District, which will be adopted at a subsequent meeting. At a subsequent meeting, the Board will adopt the ordinance levying special taxes in the District.

After the District is established, the Office of Public Finance (OPF) will return to the Board to request authorization to issue bonds, secured by the Facilities Special Taxes levied in the District, to finance the horizontal infrastructure improvements for the Project. This initial issuance of bonds is currently anticipated to occur in 2023.

Power Station Project

The Power Station site is located on approximately 29 acres of land on 6 privately-owned parcels and approximately 2.75 acres of land owned by the City and the Port of San Francisco (Port). Current uses on the site include a small office building occupied by the Master Developer, an electrical switchyard owned and operated by PG&E, and street rights of way or shoreline areas owned by the Port and City; the remainder of the site includes multiple vacant structures and unused infrastructure related to the site's previous use as a power station.

The Project will be built in up to three phases and include:

- 2.5 million square feet (sq ft) of residential space (2,601 units);
- 100,000 sq ft of Retail Sales and Service;
- 800,000 sq ft of Office;
- 650,000 sq ft of Life Science/Laboratory;
- 240,000 sq ft of hotel (250 rooms);
- 35,000 sq ft of Production, Distribution, and Repair (PDR) uses;
- 25,000 sq ft of entertainment/assembly uses;
- 50,000 sq ft of community facilities;
- Up to 2,686 off-street automobile parking spaces; and
- 6.9 acres of publicly accessible open space.

Proposed Uses

The Project is proposing the establishment of the District in order to levy Facilities Special Taxes, issue bonds, and fund certain project costs pursuant to the Development Agreement (summarized in Planning Department memo, Exhibit B) including but not limited to the following:

- Shoreline improvements including maintenance, repair, and replacement of improvements;
- Future sea level rise improvements deemed necessary or appropriate by the City to ensure that the shoreline, related public or publicly accessible facilities (located on public or private property), and public access improvements will be protected should sea level rise at or near the Project Site;
- Additional community facilities including public facilities (located on public or private property) that serve the Project Site;
- Infrastructure to be constructed by the Master Developer as described in the Infrastructure Plan attached to the Development Agreement;
- Publicly accessible parks and open space in accordance with the Design for Development;
- Public improvements including streets, all Infrastructure and public utilities within such streets (such as electricity, water and sewer lines but excluding any non-municipal utilities). The Public Improvements also include the SFPUC Infrastructure, and the SFMTA Infrastructure. The Public Improvements do not include Privately-Owned Community Improvements or, if any, privately owned facilities or improvements in the public right of way.
- Privately-owned community improvements that are privately-owned and privately maintained, at no cost to the City (other than any public financing set forth in the Financing Plan), for the public benefit and not dedicated to the City, including any Infrastructure that is not a Public Improvement.

4 | Power Station – Special Tax District Formation

The District will also finance the maintenance, repair, replacement and operation of certain improvements in the event certain contingencies are met.

B. DATA FOR STD ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property, Undeveloped Property, Taxable Association Property, or Taxable Public Property (ii) within which Block each Assessor’s Parcel is located, (iii) for Developed Property, the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and Excess Exempt Square Footage on each Parcel, (iv) whether the Conversion Date or the Contingent Trigger Event occurred in any prior Fiscal Year, and (v) the Facilities Special Tax Requirement and, if the Contingent Trigger Event occurred in any prior Fiscal Year, the Contingent Services Special Tax Requirement for the Fiscal Year.

The Administrator shall review Development Approval Documents and coordinate with the City and the Developer to identify Affordable Square Footage within each building. If there are transfers of Affordable Square Footage and For-Sale Residential Square Footage or Rental Residential Square Footage, as applicable, the Administrator shall refer to Section D.4 to determine the Maximum Special Taxes for each Taxable Parcel after such transfer. If, at any

time after the First Bond Sale, it is determined that a proposed increase in Affordable Square Footage will decrease Maximum IA1 Revenues to a point at which Required Coverage cannot be maintained, then some or all of the Affordable Square Footage that was not originally part of the Expected Land Uses shall be designated as Excess Exempt Square Footage and will be subject to the levy of the Facilities Special Tax pursuant to Section F herein. In such a case, the Administrator shall determine how much of the Affordable Square Footage must be subject to the Facilities Special Tax in order to maintain Required Coverage, and the City shall determine which Affordable Square Footage will be deemed Excess Exempt Square Footage. Based on the determination, the Administrator shall update Attachments 2 and 3 accordingly. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

When a Taxable Parcel becomes Developed Property, the Administrator and Review Authority shall also identify and document the Initial Exempt Square Footage for the building or buildings on or expected on the Taxable Parcel. The Administrator shall keep a record of the Initial Exempt Square Footage broken down by Exempt Use. After the First Bond Sale, as Square Footage within a building is designated for Exempt Uses, the Administrator shall compare the actual Square Footage used for each Exempt Use to the Initial Exempt Square Footage by Exempt Use. If, at any point in time, there is determined to be Excess Exempt Square Footage within a building, the Administrator and Review Authority shall use this comparison to determine which Square Footage should be designated Excess Exempt Square Footage. In addition, the Administrator shall determine whether the Excess Exempt Square Footage resulted in a reduction in For-Sale Residential Square Footage, Rental Residential Square Footage, or Taxable Non-Residential Square Footage expected in the building and, based on this determination, identify the applicable Maximum Special Taxes for the Excess Exempt Square Footage pursuant to the tables in Section C herein.

Prior to the First Bond Sale, the Administrator, City, and Developer shall coordinate to review the Expected Land Uses and determine if changes should be made to reflect more current estimates for land uses on any Blocks within the Project. Based on this review, the Administrator shall update Attachments 2 and 3 with the then-current Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Aggregate Project Revenues. The adjusted Expected Maximum Facilities Special Tax Revenues, escalated pursuant to Section D.1, will thereafter be the amount used to size Bond sales unless and until there are additional updates of Attachment 2. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

If a Certificate of Occupancy has been issued for a structure, and additional structures are anticipated to be built within the Block, as shown in Attachment 2 and the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the building(s) for which the Certificate of Occupancy was issued as Developed Property and any remaining buildings for which Certificates of Occupancy have not yet been issued as Undeveloped Property for purposes of levying the Special Taxes. If the buildings share an Assessor's Parcel, the Administrator shall take the sum of the Special Taxes determined for each building after application of the steps in Section F to determine the Special Tax levies for the Parcel.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created parcels, and (iii) one or more of the newly-created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the map or plan by determining the Special Tax that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Assessor's Parcel that was subdivided by recordation of the parcel map or condominium plan.

In addition to the tasks set forth above, on an ongoing basis, the Administrator will review the Development Approval Documents for property in Improvement Area No. 1 and communicate with the Developer regarding proposed Land Use Changes. The Administrator will, upon review of each Certificate of Occupancy, and upon any proposed Land Use Change that is made known to the Administrator, update Attachments 2 and 3 to reflect (i) the then-current Expected Land Uses for each Block, (ii) the Expected Maximum Facilities Special Tax Revenues, and (iii) the Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

C. MAXIMUM SPECIAL TAX

1. *Undeveloped Property*

1a. *Facilities Special Tax*

The Maximum Facilities Special Tax for Undeveloped Property in Improvement Area No. 1 shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 2 of this RMA, as it may be amended as set forth herein. If, in any Fiscal Year, separate Assessor's Parcels have not yet been created for property within each Block, the Administrator shall sum the Expected Maximum Facilities Special Tax Revenues for all Blocks within an Assessor's Parcel to determine the Maximum Facilities Special Tax that shall apply to the Parcel in such Fiscal Year.

If an Assessor's Parcel contains a portion of one or more Blocks, or if a Block contains a portion of one or more Assessor's Parcels, the Administrator will coordinate with the Review Authority to estimate the Expected Land Uses that will occur on each Taxable Parcel in order to allocate the Expected Maximum Facilities Special Tax Revenues among the Taxable Parcels that are in effect for the Fiscal Year, and such allocation shall be conclusive and binding. If it is unclear as to where the Expected Land Uses will be located on the Taxable Parcels, the Expected Maximum Facilities Special Tax Revenues may be allocated based on the acreage of the Taxable Parcels. The Maximum IA1 Revenues after such allocation shall not be less than the Maximum IA1 Revenues prior to this allocation.

1b. Contingent Services Special Tax

No Contingent Services Special Tax shall be levied on Parcels of Undeveloped Property within Improvement Area No. 1.

2. Developed Property

2a. Facilities Special Tax

When a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Taxable Parcel. If property annexes into Improvement Area No. 1, such property shall also be subject to the Maximum Facilities Special Taxes set forth in Table 1.

Table 1 Base Facilities Special Tax	
Land Use Category	Base Facilities Special Tax (FY 2021-22) *
For-Sale Residential Square Footage	\$3.75 per Square Foot
Rental Residential Square Footage	\$1.00 per Square Foot
Taxable Non-Residential Square Footage	\$1.50 per Square Foot
Excess Exempt Square Footage	\$3.75 per Square Foot if For-Sale Residential Square Footage was reduced, \$1.00 per Square Foot if Rental Residential Square Footage was reduced, or \$1.50 per Square Foot if Taxable Non-Residential Square Footage was reduced.

*** The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.**

Step 1. Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel.

Step 2. Multiply the applicable Base Facilities Special Tax from Table 1 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Facilities Special Tax for the Taxable Parcel.

Step 3. Compare the Estimated Base Facilities Special Tax Revenues from Step 2 to the Expected Maximum Facilities Special Tax Revenues, and, apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Estimated Base Facilities Special Tax Revenues are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel shall be determined by multiplying the applicable Base Facilities Special Taxes by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. The Administrator shall update Attachments 2 and 3 to reflect the change in the Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues.*
- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Estimated Base Facilities Special Tax Revenues are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer, and the Review Authority shall determine which of the following shall occur:*
 - (i) *the Base Facilities Special Taxes that were applied to For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel in Step 2 shall be increased proportionately until the amount that can be levied on the Taxable Parcel, combined with the Expected Maximum Facilities Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, **or***
 - (ii) *if the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues due to Excess Exempt Square Footage, then the Base Facilities Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included on the Taxable Parcel.*

If, pursuant to (i) above, the Base Facilities Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Facilities Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachments 2 and 3 to reflect any changes to the Expected Land Uses (including the addition of Excess

Exempt Square Footage), the Expected Maximum Facilities Special Tax Revenues, and the Aggregate Project Revenues.

Pursuant to this Section C.2a, the Administrator may from time to time update Attachments 2 and 3 to reflect revised Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

2b. Contingent Services Special Tax

In the first Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, and in each Fiscal Year thereafter, when a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Contingent Services Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Contingent Services Special Tax for the Taxable Parcel.

Table 2	
Base Contingent Services Special Tax	
Land Use Category	Base Contingent Services Special Tax (FY 2021-22) *
For-Sale Residential Square Footage	\$0.29 per Square Foot
Rental Residential Square Footage	\$0.29 per Square Foot
Taxable Non-Residential Square Footage	\$0.29 per Square Foot
Excess Exempt Square Footage	\$0.29 per Square Foot

*** The Base Contingent Services Special Taxes shown above shall be escalated as set forth in Section D.2.**

- Step 1.* Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel.
- Step 2.* Multiply the applicable Base Contingent Services Special Tax from Table 2 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel. The Maximum Contingent Services Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for each Land Use Category on the Taxable Parcel.

If additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of

Occupancy have not yet been issued shall not be subject to a Contingent Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Contingent Services Special Tax for any such Taxable Parcel, the Administrator shall take the sum of the Contingent Services Special Taxes determined for each building.

3. *Taxable Association Property and Taxable Public Property*

3a. *Facilities Special Tax*

If, in any Fiscal Year, the Administrator determines that there is Taxable Association Property and/or Taxable Public Property, the Administrator will, for each such Parcel, determine the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues that had applied to the Parcel before it became Association Property or Public Property. The Expected Maximum Facilities Special Tax Revenues for the Parcel shall continue to be the Expected Maximum Facilities Special Tax that will apply to the Parcel, as well as the Maximum Facilities Special Tax that will apply for purposes of levying the Facilities Special Tax pursuant to Section F herein. The Maximum Facilities Special Tax assigned to the Parcel shall be adjusted pursuant to Section D.1.

3b. *Contingent Services Special Tax*

No Contingent Services Special Tax shall apply to Taxable Association Property or Taxable Public Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. *Annual Escalation of Facilities Special Tax*

Beginning July 1, 2022 and each July 1 thereafter, the Base Facilities Special Taxes in Table 1, the Expected Maximum Facilities Special Tax Revenues in Attachment 2, the Aggregate Project Revenues in Attachment 3, and the Maximum Facilities Special Tax assigned to each Taxable Parcel in Improvement Area No. 1 shall be increased by 2% of the amount in effect in the prior Fiscal Year.

2. *Annual Escalation of Contingent Services Special Tax*

Beginning July 1, 2022 and each July 1 thereafter, the Base Contingent Services Special Taxes in Table 2 and the Maximum Contingent Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. *Adjustment of Maximum Facilities Special Tax in the Conversion Year*

In the Conversion Year, the Administrator shall apply the following steps to calculate a reduced amount of Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 and

a corresponding reduction in the Maximum Facilities Special Tax for all Taxable Parcels in Improvement Area No. 1:

- Step 1.* Coordinate with the Review Authority to confirm the current expected land uses within the Project, including Square Footage expected within the PG&E Affected Area.
- Step 2.* Based on the information collected in Step 1, (i) update Attachment 3 and calculate the current Aggregate Project Revenues; and (ii) update the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 in Attachment 2. For purposes of this Section D.3, the updated Expected Maximum Facilities Special Tax Revenues shall be deemed the “**Original Maximum Revenues**”.
- Step 3.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, identify the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year. If the PG&E Affected Area is no longer expected to annex into the STD, calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, as follows:
- 3a.** Using the information from Step 2, divide the Original Maximum Revenues by the Aggregate Project Revenues.
- 3b.** Multiply the quotient from Step 3a. by the Base Aggregate Facilities Special Tax Revenues to calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, which shall also be the new Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1. This amount shall, beginning July 1 of the following Fiscal Year, be adjusted pursuant to Section D.1.
- Step 4.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, divide the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year by the Original Maximum Revenues. If the PG&E Affected Area is no longer expected to annex into the STD, divide the Adjusted Base Aggregate Facilities Special Tax Revenues calculated in Step 3b by the Original Maximum Revenues from Step 2.
- Step 5.* Multiply the quotient calculated in Step 4 by the Maximum Facilities Special Tax assigned to all Taxable Parcels in Improvement Area No. 1 to calculate a reduced Maximum Facilities Special Tax that will (i) apply to each Parcel in the Conversion Year, and (ii) escalate on July 1 each Fiscal Year thereafter pursuant to Section D.1.
- Step 6.* Multiply the quotient calculated in Step 4 by the Base Facilities Special Tax for each Land Use Category, as determined pursuant to Section C.2a herein. The reduced Base Facilities Special Taxes shall, beginning in the Conversion Year,

be the effective Base Facilities Special Taxes for purposes of this RMA and will continue to increase each subsequent Fiscal Year pursuant to Section D.1.

- Step 7.* Update Attachment 2 to reflect the reduced Expected Maximum Facilities Special Tax Revenues determined pursuant to the steps above. Attachment 2 may be further revised pursuant to Sections C, D, and E herein. Such updates will be maintained internally by the Administrator and will not require recordation of an amended RMA.

Attachment 4 to this RMA provides a sample calculation of the adjustment to the Maximum Facilities Special Tax in the Conversion Year pursuant to this Section D.3. This sample is based on assumptions that are likely to change before the Conversion Year and is intended simply to provide an illustrative example of how the steps set forth above will be applied.

4. Adjustments to Affordable Square Footage

If, in any Fiscal Year after the First Bond Sale, the Administrator determines that Square Footage that had previously been designated as Affordable Square Footage no longer qualifies as such, the Maximum Facilities Special Taxes on such Square Footage shall be increased to the Maximum Facilities Special Taxes that would be levied on Market Rate Square Footage within the same Land Use Category. If, after the First Bond Sale, Market Rate Square Footage becomes Affordable Square Footage and, by exempting the Affordable Square Footage, the Administrator determines that Maximum IA1 Revenues would be reduced to a point at which Required Coverage cannot be maintained, then the Affordable Square Footage shall be designated as Excess Exempt Square Footage and shall be subject to the levy of the Facilities Special Tax pursuant to Section C herein.

5. Changes in Land Use Category on a Parcel of Developed Property

If the Square Footage on any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise changes Land Use Category, the Administrator shall multiply the Base Facilities Special Tax by the Square Footage within each of the new Land Use Category(ies); if the First Bond Sale has not occurred, this amount shall be the Maximum Facilities Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.5.

If the amount determined is greater than the Maximum Facilities Special Tax that applied to the Taxable Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Facilities Special Tax for the Parcel to the amount calculated for the new Land Use Category(ies). If the amount determined is less than the Maximum Facilities Special Tax that applied prior to the Land Use Change, there will be no change to the Maximum Facilities Special Tax for the Parcel. Except as otherwise provided in this RMA, under no circumstances shall the Maximum Facilities Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Land Use Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

6. *Reduction in Maximum Facilities Special Tax Prior to First Bond Sale*

As set forth in, and subject to the requirements of, Section 2.3(m) of the Financing Plan, the Maximum Facilities Special Taxes assigned to Taxable Parcels in Improvement Area No. 1 may be proportionately or disproportionately reduced prior to the First Bond Sale. Such reduction shall be made administratively without Board action or a vote of the qualified STD electors following: (i) initiation by written request to the City, and (ii) consultation with the City regarding such request. The reduction shall be codified by recordation of an amended Notice of Special Tax Lien against all Taxable Parcels within Improvement Area No. 1.

7. *Converted Rental Residential Building*

If a Rental Residential Building in the STD becomes a Converted Rental Residential Building, the Administrator will rely on information from the County Assessor, site visits to the sales office, data provided by the entity that is selling Residential Units within the building, and any other available source of information to track sales of Residential Units. In the first Fiscal Year in which there is a Converted For-Sale Unit within the building, the Administrator shall apply the Base Special Tax for For-Sale Residential Square Footage to calculate the Maximum Special Taxes for all Converted For-Sale Units in the building in that Fiscal Year. In addition, the Base Special Tax for For-Sale Residential Square Footage, escalated as set forth in Section D.1 or, as applicable, D.2 above, shall be used to calculate the Maximum Special Taxes for all future Converted For-Sale Units within the building. Rental Units within the Converted Rental Residential Building shall continue to be subject to the Maximum Special Taxes for Rental Units until such time as the units become Converted For-Sale Units. The Maximum Special Taxes for all Residential Units within the building shall escalate each Fiscal Year as set forth in Section D.1 or, as applicable, D.2 above.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Improvement Area No. 1, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.** Working with City staff and the landowner, the Administrator shall determine the Expected Land Uses for the area to be annexed.
- Step 2.** The Administrator shall prepare and keep on file updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses and Expected Maximum Facilities Special Tax Revenues. After the annexation is complete, the application of Sections C, D and F of this RMA shall be based on the adjusted Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Maximum IA1 Revenues including the newly annexed property.
- Step 3.** The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. *Facilities Special Tax*

Each Fiscal Year, the Facilities Special Tax shall be levied according to the steps outlined below:

Step 1. In all Fiscal Years prior to and including the earlier of (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Maximum Facilities Special Tax shall be levied on the For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan.

In all Fiscal Years after the earlier of: (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Special Tax shall be levied Proportionately on For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on each Parcel of Developed Property, up to 100% of the Maximum Facilities Special Tax until the amount levied is equal to the Facilities Special Tax Requirement.

Step 2. If additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property for such Fiscal Year.

Step 3. If additional revenue is needed after Step 2, the Facilities Special Tax shall be levied Proportionately on (i) each Parcel of Taxable Association Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Association Property, (ii) each Parcel of Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Public Property, and (iii) all Excess Exempt Square Footage, up to 100% of the Maximum Facilities Special Tax for Excess Exempt Square Footage.

2. *Contingent Services Special Tax*

Each Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, the Administrator shall coordinate with the City to determine the Contingent Services Special Tax Requirement for the Fiscal Year. The Contingent Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, in an amount up to 100% of the

Maximum Contingent Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Contingent Services Special Tax Requirement. The Contingent Services Special Tax shall not be levied on Undeveloped Property, Taxable Association Property, or Taxable Public Property.

G. COLLECTION OF SPECIAL TAXES

The Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied and collected until the earlier of (i) the Fiscal Year in which the City determines that all Qualified Project Costs have been funded pursuant to the Financing Plan and all other Authorized Expenditures that will be funded by the STD have been funded, and (ii) Fiscal Year 2131-32. The Contingent Services Special Tax shall be levied in the Fiscal Year following the Contingent Trigger Event and in perpetuity thereafter. Pursuant to Government Code Section 53321(d) (to the extent incorporated in the Act), the Facilities Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Facilities Special Tax in effect for the Fiscal Year in which the Facilities Special Tax is being levied.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on (i) Exempt Square Footage other than Excess Exempt Square Footage, or (ii) Public Property or Association Property, except Taxable Public Property or Taxable Association Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of Special Taxes and security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of a Special Tax was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Tax was correct, then such

determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

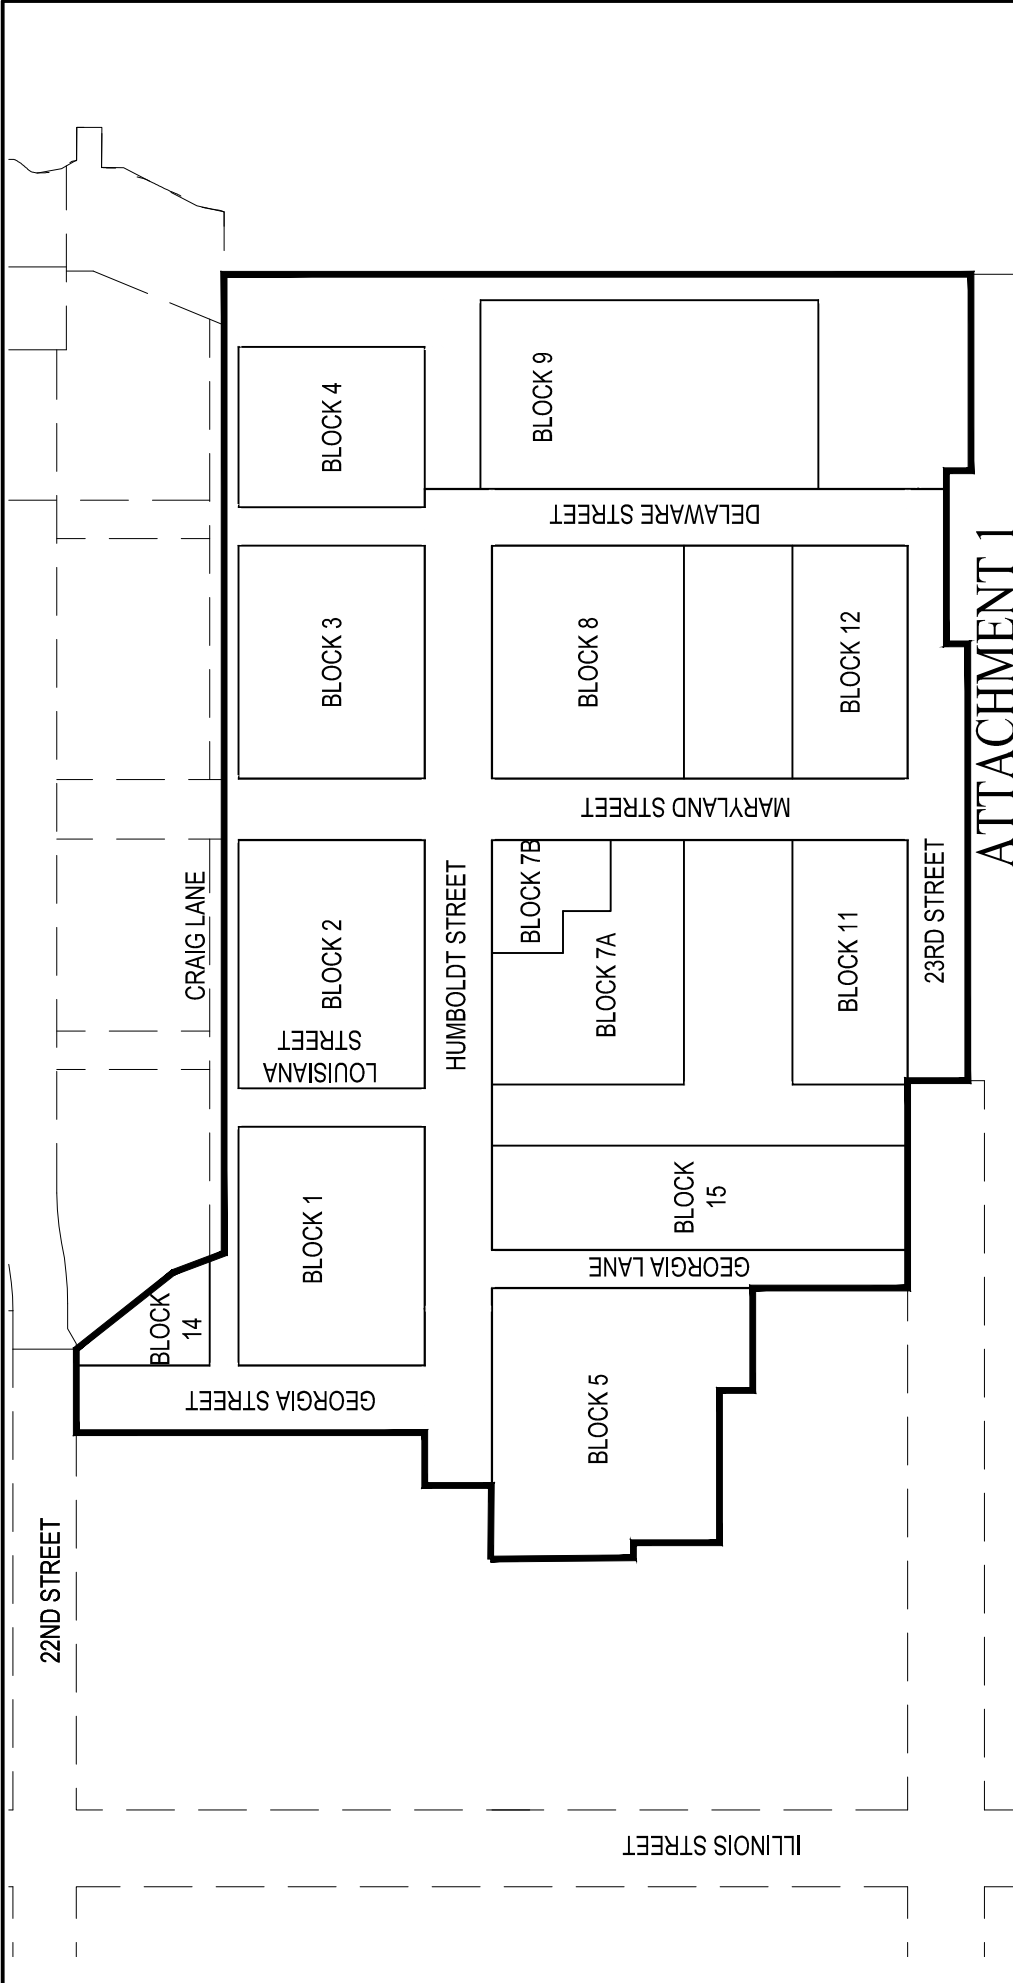

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the Act or elsewhere in applicable law.
