Pending license # 21- 619328

To whom it may concern:

This letter is in regards to the California Business and Professions Code, Section 23958.4.

Dakhaz Inc, dba., Mainland Market & Produce is applying for an ABC Type 21 off - sale general liquor license at 5601 Geary Blvd, San Francisco, CA 94121. This type 21 license is being purchased from an existing licensee and is being transferred to the location located at 5601 Geary Blvd. This ABC license application was filed on 9/10/20 with the San Francisco ABC district office located at 33 New Montgomery St, ste 1230, San Francisco, CA 94105, via Fed Ex. All residents within a 500 ft radius have been notified via USPS mail delivery on 10/09/2020 with ABC Form (ABC 207E), and a posting notice of intent to engage in the sale of alcohol was posted on the front of the premises on 9/15/2020.

Mainland Market & Produce is a full service, high-end organic grocery store with a full produce offering, a butcher shop, and will soon have a full service deli and kitchen. The store's hours of operation are 8 am - 8 pm, seven days a week. Unlike specialty stores or convenience stores, the Mainland Market is a full service grocer providing local residents a "one-stop-shop" for grocery needs, avoiding the need to visit multiple stores. However, many Mainland Market shoppers that purchase their weekly groceries at the store have to go elsewhere to purchase alcohol beverages. Permitting Mainland Market to sell alcohol beverages would benefit customers in multiple ways. For example, customer safety would improve by allowing customers to obtain all groceries and alcohol beverages at a single location, particularly during the Covid era in which each additional store visit creates a potential exposure risk. Moreover, as our lives become increasingly hectic, added efficiencies and time savings in our daily tasks can benefit everyone.

There are several nearby stores with ABC Type 21 licenses, but these stores are fundamentally different from the full-service Mainland Market. For example, one is a very small liquor store that carries only liquor, wine, beer, and a few snacks. Another is a Russian grocery store that caters predominantly to the Russian community and has only Russian grocery items. Thus, there is a need in the community for a full service grocery and alcohol beverage store, to allow residents to obtain everything in a single visit to one location.

In summary, we would serve a need and convenience for one-stop, full service shopping of a broad range of groceries, produce, and meat for the general public not currently provided by other markets or liquor based stores. The space is currently zoned as "General Grocery". As a General Grocery, the area devoted to the display and sale of alcohol beverages must not occupy 15% or more of the Occupied Floor Area of the establishment. We intend to operate in strict compliance with this regulation.

Thank you in advance for your consideration and taking the time to assess this request. Please feel free to reach out with any questions via email or phone.
