8. Proposed Grant Project Summary:

This planning project will develop a planning guidance document for local policy makers and building owners that addresses end-to-end financing strategies for earthquake risk reduction through the City and County's Concrete Building Safety Program, a proposed program to identify and retrofit vulnerable concrete buildings. There are two primary objectives for developing a financing strategies guidance document for the Concrete Building Safety Program:

- Inform City policy makers of policy interventions and other programmatic actions complementary to a retrofit ordinance (e.g., special tax district, development incentives, loan loss reserve fund) that would increase access to capital and make retrofits more financially feasible for building owners;
- Increase building owners' understanding of available financing options, especially for those who haven't previously undertaken a major capital improvement project.

9. Grant Project Schedule, as allowed in approval documents, or as proposed:

Start-Date: July 14, 2022

End-Date: November 14, 2024
