MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Change in Ambassador Program Oversight and Budget

The Department of Emergency Management (DEM) is assuming responsibilities from the Office of Economic and Workforce Development (OEWD) to manage the City’s portfolio of ambassador programs, including the Mid-Market/Tenderloin Community-Based Safety Program and Downtown Ambassadors Program, in coordination with the City’s street response efforts. DEM staff report that the department will be responsible for coordinating the ambassador programs (including identifying training needs), evaluating the programs, and creating a streamlined process for ambassadors to be deployed to respond to complaints received via 311 or by the contractor. OEWD will continue to be responsible for fiscal management of the contracts.

The Mayor’s Proposed Budget includes a new Street Ambassador Program Coordinator (0922 Manager I) in DEM to oversee the City and CBD-funded ambassador teams. OEWD reports they are reducing staffing dedicated to the ambassador programs from 0.30 FTE in July 2022 to 0.15 FTE in July 2023.

Total spending on the two program contracts in FY 2023-24 is budgeted at \$26.5 million in the Mayor’s proposed budget, decreasing to \$19.15 million in FY 2024-25. Funding over the two-year period includes opioid settlement funding of \$15.1 million in FY 2023-24 and \$11.2 million in FY 2024-25 to support the Mid-Market/Tenderloin program.

Exhibit 1: Select Ambassador Program Costs

Grantee	FY 2022-23 Original	FY 2023-24 Proposed	FY 2024-25 Proposed	3-Year Total
Mid-Market Foundation	\$23,590,570	\$21,500,000	\$16,000,000	\$61,090,570
SF Travel	6,600,000	5,000,000	3,150,000	14,750,000
Total	30,190,570	26,500,000	19,150,000	75,840,570

The proposed budget of \$26.5 million for FY 2023-24 reflects an increase of \$9.1 million above the original FY 2023-24 budget of \$17.4 million previously approved by the Board of Supervisors.

Mid-Market/Tenderloin Community-Based Safety Program

In July 2021, OEWD entered into a contract with the Mid-Market Foundation, a 501(c)(3) organization affiliated with the Mid-Market Business Association,¹ to provide community ambassador services in the Mid-Market/Tenderloin neighborhood based on a competitive solicitation process.² The original agreement was for a not to exceed amount of \$4,500,000 for a one-year term from July 2021 to June 2022. In December 2021, OEWD amended the agreement to increase the funding amount to \$5.25 million to increase community ambassador staffing in the Tenderloin neighborhood.³

In July 2022, OEWD entered into a new \$9 million agreement with Mid-Market Foundation for the period July 2022 to March 2023, relying on the 2021 RFP related to the Mid-Market/Tenderloin Community-Based Safety Program. In November 2022, the Board of Supervisors approved the first amendment to the July 2022 agreement, increasing the not to exceed amount from \$9 million to \$20.49 million and extending the term from March 2023 through June 30, 2023 (File 22-1058). In March 2022, the Board of Supervisors approved the second amendment to the July 2022 agreement, increasing the not to exceed amount from \$20.49 million to \$33,590,570 and extending the term from June 2023 through October 15, 2023 (File 23-0041). The Department executed the second amendment at a lower funding level of \$30,090,570.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the third amendment to OEWD's grant agreement with the Mid-Market Foundation to increase the not to exceed amount from \$30,090,570 to \$61,090,570, an increase of \$31,000,000 and to extend the term by one-year and eight-months through June 2025.

¹ According to the Internal Revenue Service, a business league is an association of persons formed to address a common business interest rather than for generating profit. Section 501(c)(6) of the Internal Revenue Code provides for tax exemption of business leagues. According to its website, the purpose of the Mid-Market Foundation is to secure grants to fund community-based safety programs, cleanliness, arts/activation, and connect the community.

² The Mid-Market Foundation submitted the only response to a 2021 Request for Proposals (RFP) to provide community ambassador staffing in the Mid-Market area. As noted in our November 2022 report, the RFP's minimum qualifications and two-week posting may have limited the pool of proposers (See File 22-1058). The 2021 Request for Proposals provided for a maximum \$4.5 million and one-year term for the Mid-Market/Tenderloin scope of work, but also stated that the City may renew or extend programming through FY 2024-25.

³ Separately, under the Mayor's Tenderloin Emergency Declaration, OEWD entered into a sole-source \$7.4 million agreement with the Mid-Market Foundation for the period January 2022 – June 2022- to further increase ambassador staffing in the Tenderloin.

Service Provided

According to Appendix B-1 of the proposed amended agreement, Mid-Market Foundation will continue to manage the Mid-Market Community-Based Safety Program, whose purpose is to ensure safe and inviting public space, overdose prevention, and connect people to services.

Urban Alchemy

Mid-Market Foundation subcontracts to two organizations: Urban Alchemy and Urban Space Planning. Urban Alchemy will provide 225 community ambassadors to cover 80 block faces within Mid-Market/Tenderloin Community-Based Safety Program Area⁴ between 7am and 7pm, every day. The second amendment added 20 community ambassadors between January 2023 and March 2023, a three-month period, to provide increased services to United Nations Plaza. The second amendment also funded an expansion in the service area in the Market Street and Civic Center area between December 2022 and June 2023, which is maintained under the proposed third amendment, although DEM staff expect deployment levels to decline over time.⁵

Under the proposed grant agreement, Mid-Market Foundation's deployment plan must be approved by OEWD after it is approved by DEM. Appendix 1 to this report shows the deployment area as of March 2023.

Urban Alchemy's scope of work includes recruiting, training, and deploying community ambassadors to provide visitors, residents, and businesses with resource information (including emergency medical and law enforcement requests), interrupting negative behavior (such as public urination, noise, and littering), de-escalating mental health events, reversing overdoses, preventing or interrupting violence and other crimes, and light trash pick-up (including needle disposal). Exhibit 2 below shows these activities for July 2022 through March 2023, as reported by the Mid-Market Foundation. Total ambassador hours and block faces with ambassador presence have increased over the nine-month period due to the Mayor's expansion of ambassador programming, which was implemented on December 1st according to Mid-Market Foundation's November report on the program.

⁴ According to the 2021 RFP, the Mid-Market/Tenderloin Community-Based Safety Program Area boundaries are from Powell Station (5th Street) to 8th Street on Market Street and adjacent areas south of Market Street to Mission; UN Plaza; and the Tenderloin blocks bordered by Market Street, Larkin Street, and Ellis Street.

⁵ The Market Street area expanded from 8th Street to Van Ness Avenue and from 5th Street to 4th Street, and the Civic Center area expanded to provide services around Bill Graham Auditorium.

Urban Place Consulting

Urban Place Consulting is a private firm subcontracted by the Mid-Market Foundation to take “total responsibility” for the management, administration, and operations of the Mid-Market Foundation, including managing the Urban Alchemy contract, managing the Foundation’s finances, conducting marketing and outreach for the Mid-Market Foundation and Mid-Market Business Association, and preparing invoices and periodic reports for the City.

Performance Monitoring/Program Evaluation

The grant agreement requires that the Mid-Market Foundation complete ongoing program evaluation, including through community surveys. In addition, the grantee provides OEWD with periodic deployment reports, which are summarized in Exhibit 2 above.

The most recent community survey was completed in November and December 2022 and included 162 respondents. Respondents were residents, employees, business owners, visitors, and students. According to the survey, 30 percent of respondents feel much safer or somewhat safer than they did six months ago, and 70 percent reported feeling the same level of safety or less safe. Sixty-two percent of respondents reported feeling not safe outside of program hours (after 7pm). Results from a forthcoming 2023 community survey will be included in the Semi-Annual Report for the January to June 2023 period due to the City by June 20, 2023.

FISCAL IMPACT

The proposed grant agreement provides for milestone payments, payable upon receipt of start-up and ramp-down program plans and monthly or quarterly activity reports.

The programmatic budget is shown in Exhibit 3 below. The budget declines by 9 percent in the second year from \$23,590,570 in FY 2022-23 to \$21,500,000 in FY 2023-24 and by an additional

25 percent in the third year to \$16,000,000 in FY 2024-25 driven by reductions in the subgrant to Urban Alchemy for ambassador programming.

Source: OEWD

⁶ According to OEWD staff, costs for the UA Turk/Hyde Field office are more than doubling in FY 2023-24 to reflect annual operating costs because the FY 2022-23 budgeted amount was estimated before the field office opened.

⁷ In FY 2022-23, \$700,000 was included to staff community ambassadors for three parks in the Tenderloin via the Tenderloin Community Benefits District, and \$222,600 is included to staff community ambassadors to patrol alleys off Larkin Street via the Tenderloin Merchant Association. According to OEWD staff, OEWD funding for other ambassador programs is not included in the remaining years of the grant to streamline ambassador programs and minimize fragmented funding. The Tenderloin CBD has a separate grant under the Tenderloin emergency plan for park ambassadors, safe passage, and cleaning services that will continue in FY 2023-24.

⁸ According to OEWD staff, Neighborhood Safety Improvements stimulate positive activity in the district and ensure negative activity is less likely to return. Initiatives could include activations, support to small businesses and filling vacancies, and pro-social programming. Funds will be programmed as sub-grants to organizations, which could include Urban Alchemy.

Costs are funded by \$26.3 million in opioid settlement funding (\$15.1 million in FY 2023-24 and \$11.2 million in FY 2024-25) and \$34,790,570 from the General Fund. As of June 2023, \$20.3 million of the \$23.6 million grant agreement (87 percent) had been spent. The Mayor’s proposed budget includes \$21.5 million for the proposed amended grant in FY 2023-24 and \$16.0 million in FY 2024-25, which reflects the grant budget.

City Staff Costs

City staff costs to support the ambassador programs (including the Mid-Market/Tenderloin and Downtown Ambassadors programs, as well as other programs) are \$275,565 in FY 2023-24 and \$283,147 in FY 2024-25, as shown in Exhibit 4 below.

Under the new oversight structure, the City’s role in the programs is enhanced, and DEM is responsible for operational management of the programs, and OEWD is responsible for fiscal management activities. The new structure results in additional costs of approximately \$215,000⁹ in FY 2023-24 relative to the previous structure under which OEWD was solely responsible for operational management and fiscal management activities.

POLICY CONSIDERATION

Reduced but Continued Ambassador Deployment through June 2025

The Mid-Market/Tenderloin program was designed to promote economic recovery in the Mid-Market/Tenderloin area, which was impacted by the COVID-19 pandemic. According to the existing agreement, the intent of the program is to ramp down ambassador presence over time. However, there is no planned end date to the program, and the City is adding permanent

⁹ In July 2022, OEWD had 0.30 FTE dedicated to the programs, including 0.15 FTE 0922 Manager I, 0.10 FTE 9774 Senior Community Development Specialist I, and 0.05 FTE 1823 Senior Administrative analyst. If this structure was continued in FY 2023-24, the cost of these positions would be \$61,112.

positions to manage the ambassador programs. The proposed grant budget reduces funding over the three-year period, but the FY 2024-25 budget is still \$16.0 million, or 68 percent of the FY 2022-23 budget. Because the proposed agreement extends the program by an additional one-year and eight-months, approval of the proposed resolution is a policy matter for the Board of Supervisors.

Status of Program Ramp Down

OEWD staff report that Urban Alchemy initiated the planned ramp down¹⁰ in October 2022. The expanded coverage area that began in December added additional ambassadors while the originally planned ramp down in other areas continued – primarily achieved by reducing the concentration of posts where feasible and adding roving posts to supplement reduced fixed posts. Although the service area will remain the same, DEM staff report that they expect the number of ambassadors to decline over the upcoming two-year period by implementing program efficiencies. According to DEM staff, such program efficiencies may include new partnerships with other ambassador programs and additional changes to the configurations of postings (i.e., transitioning from fixed posts to roving posts).

High Administrative Costs

Administrative and overhead costs are more than 20 percent of direct service costs, including administrative costs for Mid-Market Foundation and Urban Place, as well as Urban Alchemy's overhead. As shown in Exhibit 3 above, the proposed grant agreement includes \$2.8 million (4.6% of the grant budget) for outreach and management to pay for Mid-Market Foundation and Urban Place activities, including \$1.5 million over the extended term.¹¹ These monies do not provide direct service and do not appear essential to service delivery, given that the Urban Alchemy budget includes field staff, program management, and overhead, calculated as 15 percent of direct costs to support executive leadership, accounting support, human resources, payroll, etc. According to OEWD, these expenditures are related to ongoing community engagement efforts that inform community ambassador deployment to ensure the program is responsive to community needs.

In addition, the City is enhancing its role in operational management of the programs at an annual cost of approximately \$215,000 in FY 2023-24, without any reduction in administrative costs of the grants in FY 2023-24. The Board of Supervisors could consider rejecting the proposed resolution and request that OEWD and DEM reprocur the service with a direct service provider to reduce administrative costs. For example, Urban Alchemy directly contracts with the City for other programs. The approximately \$1.5 million in administrative savings could be used for other purposes such as (a) an increase in ambassador coverage, (b) up to 12,500 hours of Police

¹⁰ The ramp down plan prepared by the grantee identified the following three elements to sustain a reduced initiative after the grant: (1) a decrease in the number of 12-hour/7-day per week posts from 115 in September 2022 to 63 in June 2023; (2) an increase in fundraising efforts to raise financial support from the private sector; and (3) a reduction in the need for the program through “public art, placemaking, and targeted retail activations.”

¹¹ Includes \$666,467 for eight-month extension in FY 2023-24 and \$850,400 in FY 2024-25.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Change in Ambassador Program Oversight and Budget

The Department of Emergency Management (DEM) is assuming responsibilities from the Office of Economic and Workforce Development (OEWD) to manage the City’s portfolio of ambassador programs, including the Mid-Market/Tenderloin Community-Based Safety Program and Downtown Ambassadors Program, in coordination with the City’s street response efforts. DEM staff report that the department will be responsible for coordinating the ambassador programs (including identifying training needs), evaluating the programs, and creating a streamlined process for ambassadors to be deployed to respond to complaints received via 311 or by the contractor. OEWD will continue to be responsible for fiscal management of the contracts.

The Mayor’s Proposed Budget includes a new Street Ambassador Program Coordinator (0922 Manager I) in DEM to oversee the City and CBD-funded ambassador teams. OEWD reports they are reducing staffing dedicated to the ambassador programs from 0.30 FTE in July 2022 to 0.15 FTE in July 2023.

Total spending on the two program contracts in FY 2023-24 is budgeted at \$26.5 million in the Mayor’s proposed budget, decreasing to \$19.15 million in FY 2024-25. Funding over the two-year period includes opioid settlement funding of \$15.1 million in FY 2023-24 and \$11.2 million in FY 2024-25 to support the Mid-Market/Tenderloin program.

Exhibit 1: Select Ambassador Program Costs

Grantee	FY 2022-23 Original	FY 2023-24 Proposed	FY 2024-25 Proposed	3-Year Total

SF Travel	6,600,000	5,000,000	3,150,000	14,750,000
Total	30,190,570	26,500,000	19,150,000	75,840,570

The proposed budget of \$26.5 million for FY 2023-24 reflects an increase of \$9.1 million above the original FY 2023-24 budget of \$17.4 million previously approved by the Board of Supervisors.

Mid-Market/Tenderloin Community-Based Safety Program

In July 2021, OEWD entered into a contract with the Mid-Market Foundation, a 501(c)(3) organization affiliated with the Mid-Market Business Association,¹ to provide community ambassador services in the Mid-Market/Tenderloin neighborhood based on a competitive solicitation process.² The original agreement was for a not to exceed amount of \$4,500,000 for a one-year term from July 2021 to June 2022. In December 2021, OEWD amended the agreement to increase the funding amount to \$5.25 million to increase community ambassador staffing in the Tenderloin neighborhood.³

In July 2022, OEWD entered into a new \$9 million agreement with Mid-Market Foundation for the period July 2022 to March 2023, relying on the 2021 RFP related to the Mid-Market/Tenderloin Community-Based Safety Program. In November 2022, the Board of Supervisors approved the first amendment to the July 2022 agreement, increasing the not to exceed amount from \$9 million to \$20.49 million and extending the term from March 2023 through June 30, 2023 (File 22-1058). In March 2022, the Board of Supervisors approved the second amendment to the July 2022 agreement, increasing the not to exceed amount from \$20.49 million to \$33,590,570 and extending the term from June 2023 through October 15, 2023 (File 23-0041). The Department executed the second amendment at a lower funding level of \$30,090,570.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the third amendment to OEWD's grant agreement with the Mid-Market Foundation to increase the not to exceed amount from \$30,090,570 to \$61,090,570, an increase of \$31,000,000 and to extend the term by one-year and eight-months through June 2025.

¹ According to the Internal Revenue Service, a business league is an association of persons formed to address a common business interest rather than for generating profit. Section 501(c)(6) of the Internal Revenue Code provides for tax exemption of business leagues. According to its website, the purpose of the Mid-Market Foundation is to secure grants to fund community-based safety programs, cleanliness, arts/activation, and connect the community.

² The Mid-Market Foundation submitted the only response to a 2021 Request for Proposals (RFP) to provide community ambassador staffing in the Mid-Market area. As noted in our November 2022 report, the RFP's minimum qualifications and two-week posting may have limited the pool of proposers (See File 22-1058). The 2021 Request for Proposals provided for a maximum \$4.5 million and one-year term for the Mid-Market/Tenderloin scope of work, but also stated that the City may renew or extend programming through FY 2024-25.

³ Separately, under the Mayor's Tenderloin Emergency Declaration, OEWD entered into a sole-source \$7.4 million agreement with the Mid-Market Foundation for the period January 2022 – June 2022- to further increase ambassador staffing in the Tenderloin.

Service Provided

According to Appendix B-1 of the proposed amended agreement, Mid-Market Foundation will continue to manage the Mid-Market Community-Based Safety Program, whose purpose is to ensure safe and inviting public space, overdose prevention, and connect people to services.

Urban Alchemy

Mid-Market Foundation subcontracts to two organizations: Urban Alchemy and Urban Space Planning. Urban Alchemy will provide 225 community ambassadors to cover 80 block faces within Mid-Market/Tenderloin Community-Based Safety Program Area⁴ between 7am and 7pm, every day. The second amendment added 20 community ambassadors between January 2023 and March 2023, a three-month period, to provide increased services to United Nations Plaza. The second amendment also funded an expansion in the service area in the Market Street and Civic Center area between December 2022 and June 2023, which is maintained under the proposed third amendment, although DEM staff expect deployment levels to decline over time.⁵

Under the proposed grant agreement, Mid-Market Foundation's deployment plan must be approved by OEWD after it is approved by DEM. Appendix 1 to this report shows the deployment area as of March 2023.

Urban Alchemy's scope of work includes recruiting, training, and deploying community ambassadors to provide visitors, residents, and businesses with resource information (including emergency medical and law enforcement requests), interrupting negative behavior (such as public urination, noise, and littering), de-escalating mental health events, reversing overdoses, preventing or interrupting violence and other crimes, and light trash pick-up (including needle disposal). Exhibit 2 below shows these activities for July 2022 through March 2023, as reported by the Mid-Market Foundation. Total ambassador hours and block faces with ambassador presence have increased over the nine-month period due to the Mayor's expansion of ambassador programming, which was implemented on December 1st according to Mid-Market Foundation's November report on the program.

⁴ According to the 2021 RFP, the Mid-Market/Tenderloin Community-Based Safety Program Area boundaries are from Powell Station (5th Street) to 8th Street on Market Street and adjacent areas south of Market Street to Mission; UN Plaza; and the Tenderloin blocks bordered by Market Street, Larkin Street, and Ellis Street.

⁵ The Market Street area expanded from 8th Street to Van Ness Avenue and from 5th Street to 4th Street, and the Civic Center area expanded to provide services around Bill Graham Auditorium.

Urban Place Consulting

Urban Place Consulting is a private firm subcontracted by the Mid-Market Foundation to take “total responsibility” for the management, administration, and operations of the Mid-Market Foundation, including managing the Urban Alchemy contract, managing the Foundation’s finances, conducting marketing and outreach for the Mid-Market Foundation and Mid-Market Business Association, and preparing invoices and periodic reports for the City.

Performance Monitoring/Program Evaluation

The grant agreement requires that the Mid-Market Foundation complete ongoing program evaluation, including through community surveys. In addition, the grantee provides OEWD with periodic deployment reports, which are summarized in Exhibit 2 above.

The most recent community survey was completed in November and December 2022 and included 162 respondents. Respondents were residents, employees, business owners, visitors, and students. According to the survey, 30 percent of respondents feel much safer or somewhat safer than they did six months ago, and 70 percent reported feeling the same level of safety or less safe. Sixty-two percent of respondents reported feeling not safe outside of program hours (after 7pm). Results from a forthcoming 2023 community survey will be included in the Semi-Annual Report for the January to June 2023 period due to the City by June 20, 2023.

FISCAL IMPACT

The proposed grant agreement provides for milestone payments, payable upon receipt of start-up and ramp-down program plans and monthly or quarterly activity reports.

The programmatic budget is shown in Exhibit 3 below. The budget declines by 9 percent in the second year from \$23,590,570 in FY 2022-23 to \$21,500,000 in FY 2023-24 and by an additional

25 percent in the third year to \$16,000,000 in FY 2024-25 driven by reductions in the subgrant to Urban Alchemy for ambassador programming.

⁶ According to OEWD staff, costs for the UA Turk/Hyde Field office are more than doubling in FY 2023-24 to reflect annual operating costs because the FY 2022-23 budgeted amount was estimated before the field office opened.

⁷ In FY 2022-23, \$700,000 was included to staff community ambassadors for three parks in the Tenderloin via the Tenderloin Community Benefits District, and \$222,600 is included to staff community ambassadors to patrol alleys off Larkin Street via the Tenderloin Merchant Association. According to OEWD staff, OEWD funding for other ambassador programs is not included in the remaining years of the grant to streamline ambassador programs and minimize fragmented funding. The Tenderloin CBD has a separate grant under the Tenderloin emergency plan for park ambassadors, safe passage, and cleaning services that will continue in FY 2023-24.

⁸ According to OEWD staff, Neighborhood Safety Improvements stimulate positive activity in the district and ensure negative activity is less likely to return. Initiatives could include activations, support to small businesses and filling vacancies, and pro-social programming. Funds will be programmed as sub-grants to organizations, which could include Urban Alchemy.

Costs are funded by \$26.3 million in opioid settlement funding (\$15.1 million in FY 2023-24 and \$11.2 million in FY 2024-25) and \$34,790,570 from the General Fund. As of June 2023, \$20.3 million of the \$23.6 million grant agreement (87 percent) had been spent. The Mayor’s proposed budget includes \$21.5 million for the proposed amended grant in FY 2023-24 and \$16.0 million in FY 2024-25, which reflects the grant budget.

City Staff Costs

City staff costs to support the ambassador programs (including the Mid-Market/Tenderloin and Downtown Ambassadors programs, as well as other programs) are \$275,565 in FY 2023-24 and \$283,147 in FY 2024-25, as shown in Exhibit 4 below.

Under the new oversight structure, the City’s role in the programs is enhanced, and DEM is responsible for operational management of the programs, and OEWD is responsible for fiscal management activities. The new structure results in additional costs of approximately \$215,000⁹ in FY 2023-24 relative to the previous structure under which OEWD was solely responsible for operational management and fiscal management activities.

POLICY CONSIDERATION

Reduced but Continued Ambassador Deployment through June 2025

The Mid-Market/Tenderloin program was designed to promote economic recovery in the Mid-Market/Tenderloin area, which was impacted by the COVID-19 pandemic. According to the existing agreement, the intent of the program is to ramp down ambassador presence over time. However, there is no planned end date to the program, and the City is adding permanent

⁹ In July 2022, OEWD had 0.30 FTE dedicated to the programs, including 0.15 FTE 0922 Manager I, 0.10 FTE 9774 Senior Community Development Specialist I, and 0.05 FTE 1823 Senior Administrative analyst. If this structure was continued in FY 2023-24, the cost of these positions would be \$61,112.

positions to manage the ambassador programs. The proposed grant budget reduces funding over the three-year period, but the FY 2024-25 budget is still \$16.0 million, or 68 percent of the FY 2022-23 budget. Because the proposed agreement extends the program by an additional one-year and eight-months, approval of the proposed resolution is a policy matter for the Board of Supervisors.

Status of Program Ramp Down

OEWD staff report that Urban Alchemy initiated the planned ramp down¹⁰ in October 2022. The expanded coverage area that began in December added additional ambassadors while the originally planned ramp down in other areas continued – primarily achieved by reducing the concentration of posts where feasible and adding roving posts to supplement reduced fixed posts. Although the service area will remain the same, DEM staff report that they expect the number of ambassadors to decline over the upcoming two-year period by implementing program efficiencies. According to DEM staff, such program efficiencies may include new partnerships with other ambassador programs and additional changes to the configurations of postings (i.e., transitioning from fixed posts to roving posts).

High Administrative Costs

Administrative and overhead costs are more than 20 percent of direct service costs, including administrative costs for Mid-Market Foundation and Urban Place, as well as Urban Alchemy's overhead. As shown in Exhibit 3 above, the proposed grant agreement includes \$2.8 million (4.6% of the grant budget) for outreach and management to pay for Mid-Market Foundation and Urban Place activities, including \$1.5 million over the extended term.¹¹ These monies do not provide direct service and do not appear essential to service delivery, given that the Urban Alchemy budget includes field staff, program management, and overhead, calculated as 15 percent of direct costs to support executive leadership, accounting support, human resources, payroll, etc. According to OEWD, these expenditures are related to ongoing community engagement efforts that inform community ambassador deployment to ensure the program is responsive to community needs.

In addition, the City is enhancing its role in operational management of the programs at an annual cost of approximately \$215,000 in FY 2023-24, without any reduction in administrative costs of the grants in FY 2023-24. The Board of Supervisors could consider rejecting the proposed resolution and request that OEWD and DEM reprocur the service with a direct service provider to reduce administrative costs. For example, Urban Alchemy directly contracts with the City for other programs. The approximately \$1.5 million in administrative savings could be used for other purposes such as (a) an increase in ambassador coverage, (b) up to 12,500 hours of Police

¹⁰ The ramp down plan prepared by the grantee identified the following three elements to sustain a reduced initiative after the grant: (1) a decrease in the number of 12-hour/7-day per week posts from 115 in September 2022 to 63 in June 2023; (2) an increase in fundraising efforts to raise financial support from the private sector; and (3) a reduction in the need for the program through “public art, placemaking, and targeted retail activations.”

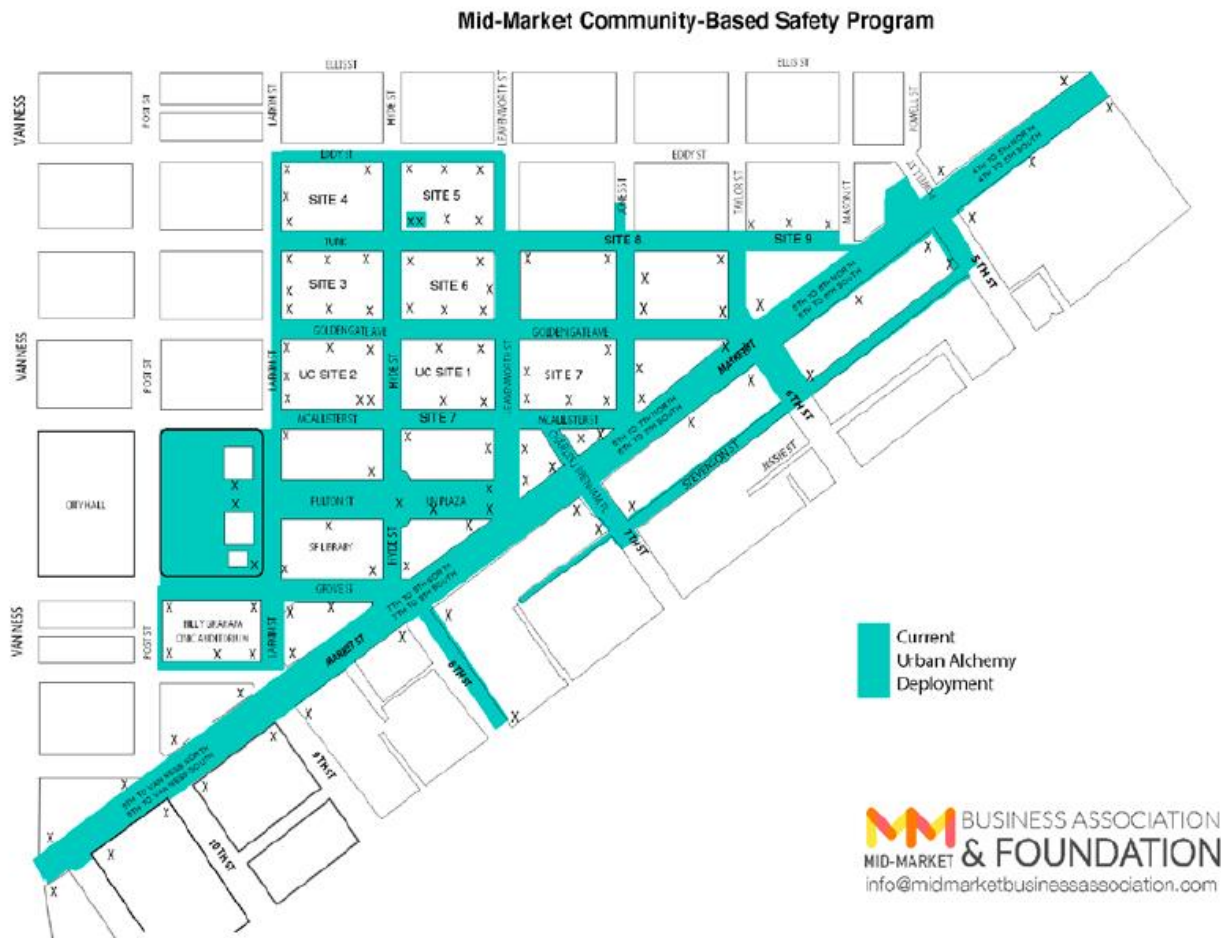

¹¹ Includes \$666,467 for eight-month extension in FY 2023-24 and \$850,400 in FY 2024-25.

overtime, (c) 100 clients attending DPH-funded residential substance use disorder treatment, or (d) 278 clients attending DPH-funded mental health outpatient treatment.

Ambassadors' roles with respect to safety are to provide a physical presence in the neighborhood, engaging with people who may need support (for a variety of health and safety reasons), and coordinating with and providing situationally appropriate referrals to other entities, which may include the police via calls to 911, DPH's Street Response Team, or other appropriate City agencies or nonprofit organizations. Ambassadors are to be *facilitators* of safety services, as opposed to the parties intervening in potentially dangerous situations, more appropriately handled by the police.

- Implement ongoing and semi-annual evaluation, including via community surveys

 - Coordinate with TLCBD and City-funded ambassador programs working in the same area, including TLCBD park stewards, Tenderloin Merchants ambassadors, and St. Anthony's.
 - Make periodic adjustments to deployment plan based on City and community stakeholder priorities, including extending beyond the initial deployment map to additional community "hot spots", provided the area is safe for ambassadors
 - Provide training to its employees on their interaction with members of the public exercising constitutional rights of freedom of speech, assembly, and the practice of religion, and/or the right to peacefully remain, as applicable, in public forums."

- Hire and train ambassadors who will engage with everyone on the street, with a specific focus on people in need but also generally providing hospitality and a welcoming presence to all residents, workers, visitors, and business owners

- Ensure its team is adequately trained with the most up to date information on weekly coordination goals and service program referrals
- File 311 requests as issues are identified in any part of the operation's geographic boundary
- Provide weekly deployment reports and monthly deployment plans which include a fixed monthly cost
- Maintain an ambassador "hub" in the Tenderloin that will support ambassadors and supervisors in maintaining a safe and healthy presence

Grantee shall provide training to its employees on their interaction with members of the public exercising constitutional rights of freedom of speech, assembly, and the practice of religion, and/or the right to peacefully remain, as applicable, in public forums.

The Controller is not authorized to make payments on any agreement for which funds have not been certified as available in the budget or by supplemental appropriation.

ARTICLE 4 IMPLEMENTATION OF GRANT PLAN

4.1 Implementation of Grant Plan; Cooperation with Monitoring. Grantee shall diligently and in good faith implement the Grant Plan on the terms and conditions set forth in this Agreement and, to the extent that they do not differ from this Agreement, the Application Documents. Grantee shall not materially change the nature or scope of the Grant Plan during the term of this Agreement without the prior written consent of City. Grantee shall promptly comply with all standards, specifications and formats of City, as they may from time to time exist, related to evaluation, planning and monitoring of the Grant Plan and shall cooperate in good faith with City in any evaluation, planning or monitoring activities conducted or authorized by City.

4.2 Grantee's Personnel. The Grant Plan shall be implemented only by competent personnel under the direction and supervision of Grantee.

4.3 Ownership of Results. Any interest of Grantee or any subgrantee, in drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, or other documents or Publications prepared by Grantee or any subgrantee in connection with this Agreement or the implementation of the Grant Plan or the services to be performed under this Agreement, shall become the property of and be promptly transmitted to City. If it is ever determined that any such creations are not works for hire under applicable law, Grantee hereby assigns all copyrights thereto to City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of City, Grantee may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Grantee shall obtain all releases, assignments or other agreements from subgrantees or other persons or entities implementing the Grant Plan to ensure that City obtains the rights set forth in this Grant.

4.5 Publications and Work Product.

(a) Grantee understands and agrees that City has the right to review, approve, disapprove or conditionally approve, in its sole discretion, the work and property funded in whole or part with the Grant Funds, whether those elements are written, oral or in any other medium. Grantee has the burden of demonstrating to City that each element of work or property funded in whole or part with the Grant Funds is directly and integrally related to the Grant Plan as approved by City. City shall have the sole and final discretion to determine whether Grantee has met this burden.

(b) Without limiting the obligations of Grantee set forth in subsection (a) above, Grantee shall submit to City for City's prior written approval any Publication, and Grantee shall not disseminate any such Publication unless and until it receives City's consent. In addition, Grantee shall submit to City for

approval, if City so requests, any other program material or form that Grantee uses or proposes to use in furtherance of the Grant Plan, and Grantee shall promptly provide to City one copy of all such materials or forms within two (2) days following City's request. The City's approval of any material hereunder shall not be deemed an endorsement of, or agreement with, the contents of such material, and the City shall have no liability or responsibility for any such contents. The City reserves the right to disapprove any material covered by this section at any time, notwithstanding a prior approval by the City of such material. Grantee shall not charge for the use or distribution of any Publication funded all or in part with the Grant Funds, without first obtaining City's written consent, which City may give or withhold in its sole discretion.

(c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. In addition, Grantee shall furnish any services funded in whole or part with the Grant Funds under this Agreement solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion.

(d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any clients from participating in activities covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

(e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.

(f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Except as set forth in this subsection, Grantee shall not use the name of the Department or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds. The amount of the Grant Funds authorized for disbursement hereunder shall not exceed NINE MILLION Dollars (\$9,000,000) during the Term of the Agreement.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A and for no other purpose. Grantee shall expend the Grant Funds in accordance with the

Budget and shall obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

(a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.

(b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds no more than once during each **MONTH**.

5.4 Reserved. (State or Federal Funds)

5.5 Construction.

(a) For Grant Plans that include construction or renovation activity, Grantee shall obtain all permits and comply with all applicable laws with respect to the work including the payment of prevailing wages. Grantee shall exercise prudent construction management and oversight, including ensuring that all contractors are licensed and bonded for the work, and that they maintain builders all risk and general liability insurance. City's funding contribution will not exceed the amounts set forth in this Agreement, and Grantee will be responsible for any and all cost overruns or construction defects or deficiencies. Grantee shall maintain appropriate reserves for contingencies.

(b) For any construction project costing \$200,000 or more, Grantee shall competitively bid the work. For any project costing more than \$5,000 but less than \$200,000, Grantee shall informally or formally solicit at least 3 proposals or bids from eligible contractors. Grantee may seek a waiver of these requirements from the City with justification, but any such waiver may be given or withheld in the City's sole discretion. For construction and rehabilitation projects that require building permits, Grantee shall consult with the Mayor's Office on Disability before applying for such permit to ensure that any disability accommodation issues are appropriately addressed.

(c) If the Grant Funds are used for the rehabilitation or improvement of real property, then Grantee shall maintain the nonprofit eligible purpose and use of the property consistent with this Agreement for the Tenure Period. The "Tenure Period" of this Agreement is the period of time that starts on the date of completion of the rehabilitation or improvements and that ends five (5) years thereafter. If Grantee leases the property and the remaining term of the lease is less than five (5) years following the expected date of completion such that Grantee may not be in a position to satisfy the Tenure Period requirement set forth above, then Grantee shall inform the City of such fact before the start of the construction work. The City may elect not to provide the Grant Funds if continued use of the real property for the full Tenure Period cannot reasonably be achieved.

ARTICLE 6

Grantee shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the Department, in form and substance satisfactory to the Department. Pursuant to San Francisco Administrative Code Section 67.32 and Controller requirements, if requested, within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.

6.5 Books and Records. Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.

6.6 Inspection and Audit. Grantee shall make available to City, its employees and authorized representatives, during regular business hours all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.

6.7 Submitting False Claims Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendix A. Any Grantee who commits any of the following false acts shall be

liable to the City for three times the amount of damages the City sustains because of the Grantee's act. A Grantee will be deemed to have submitted a false claim to the City if the Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d) conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

6.8 Grantee's Board of Directors. Grantee shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Grantee's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. ARTICLE 7 TAXES

7.1 Grantee to Pay All Taxes. Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:

(a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.

(b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.

(c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

7.3 Withholding. Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization. Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.

8.2 Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.

8.3 No Misstatements. No document furnished or to be furnished by Grantee to City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

8.4 Conflict of Interest.

(a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and step-parents).

8.5 No Other Agreements with City. Except as expressly itemized in Appendix D, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.

8.6 Subcontracts. Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.

8.7 Eligibility to Receive Federal Funds. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs.

Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

9.1 Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.

9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR

TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

10.1 Types and Amounts of Coverage. Without limiting Grantee's liability pursuant to Article 9, Grantee shall maintain in force, during the full term of this Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than one million dollars (\$1,000,000) each accident, injury, or illness.

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage, and

(c) Commercial Automobile Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

(a) Name as additional insured City and its officers, agents and employees.

(b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.

10.3 Additional Requirements for All Policies. All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

10.6 Evidence of Insurance. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance, and additional insured policy endorsements, in form and with insurers satisfactory to City, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly upon City's request. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

10.8 Insurance for Subcontractors and Evidence of this Insurance. If a subcontractor will be used to complete any portion of this agreement, the grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and the grantee listed as additional insureds.

10.9 Worker's Compensation. The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors. The City will accept Grantee's compliance with the Workers' Compensation requirements under this Article 10 by causing its contractor (Urban Place Consulting Group, Inc.) to submit to the City evidence of Workers' Compensation coverage that complies with this Article 10, as further described in the email correspondence attached to this Agreement as Appendix F.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:

(a) **False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.

(b) **Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.

(c) **Failure to Comply with Representations and Warranties or Applicable Laws.** Grantee fails to perform or breaches any of the terms or provisions of Article 8 or 16.

(d) **Failure to Perform Other Covenants.** Grantee fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.

(e) **Cross Default.** Grantee defaults under any other agreement between Grantee and City (after expiration of any grace period expressly stated in such agreement).

(f) **Voluntary Insolvency.** Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.

(g) **Involuntary Insolvency.** Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

11.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

(a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee of the Event of Default and that, on the date specified in the notice, this Agreement shall terminate and all rights of Grantee hereunder shall be extinguished. In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.

(c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.

(d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement at any time for convenience and without cause. City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Upon receipt of the notice of termination, Grantee shall undertake with diligence all necessary actions to effect the termination of this Agreement on the date specified by City and minimize the liability of Grantee and City to third parties. Such actions shall include, without limitation:

- (a) Halting the performance of all work under this Agreement on the date(s) and in the manner specified by City;
- (b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, services, equipment or other items; and
- (c) Completing performance of any work that City designates to be completed prior to the date of termination specified by City.

In no event shall City be liable for costs incurred by Grantee or any of its subcontractors after the termination date specified by City, except for those costs incurred at the request of City pursuant to this section.

11.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

12.1 Proprietary or Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.

12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.

12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such projections and financial statements shall be public records that must be disclosed.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.

13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.

13.3 Subcontracting. If Appendix E lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix E is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.

(a) **Limitations.** In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.

(b) **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

(a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.

(b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).

(c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

16.1 Reserved.

16.2 Nondiscrimination; Penalties.

(a) **Grantee Shall Not Discriminate.** In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) **Subcontracts.** Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) **Non-Discrimination in Benefits.** Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) **Condition to Contract.** As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of fifty dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

16.3 Reserved.

16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.

16.7 Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with all or any portion of the Grant Plan and shall comply at all times with the provisions of the ADA.

16.8. Requiring Minimum Compensation for Employees. Grantee shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. Grantee is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. Grantee is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing this Agreement, Grantee certifies that it complies with Chapter 12P.

16.9 Limitations on Contributions. By executing this Agreement, Grantee acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that

official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10 % in Grantee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Grantee certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the grant, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

16.10 First Source Hiring Program. Contractor must comply with all of the provisions of the First Source Hiring Program, Chapter 83 of the San Francisco Administrative Code, that apply to this Agreement, and Contractor is subject to the enforcement and penalty provisions in Chapter 83.

16.11 Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this section. In the event Grantee violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.

16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. incorporated herein as if fully set forth. Grantee agrees that any failure of Grantee to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against the Grantee pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Grantee.

16.15 Public Access to Meetings and Records. If Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.16 Consideration of Criminal History in Hiring and Employment Decisions.

(a) Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T, “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (“Chapter 12T”), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Contractor’s or Subcontractor’s operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee’s failure to comply with this provision.

16.18 Reserved. Slavery Era Disclosure.

16.19 Distribution of Beverages and Water.

A copy of the Contractor Vaccination Policy can be found at: <https://sf.gov/confirm-vaccine-status-your-employees-and-subcontractors>. (1) Grantee shall ensure it complies with the requirements of the Contractor Vaccination Policy pertaining to Covered Employees, as they are defined under the Emergency Declaration and the Contractor Vaccination Policy, and insure such Covered Employees are fully vaccinated for COVID-19 or obtain an exemption based on medical or religious grounds; and

2023. Ambassadors will be deployed daily from 7am to 7pm, except at grantee's discretion to support special or community events by request and to support business activity on Market Street and other appropriate areas, where hours may extend beyond 7:00 pm, for instance to provide coverage to cultural institution patrons. Grantee's deployment plan and all additional deliverables will be approved by OEWD once they have been approved by the Department of Emergency Management.

Ambassadors' roles with respect to safety are to provide a physical presence in the neighborhood, engaging with people who may need support (for a variety of health and safety reasons), and coordinating with and providing situationally appropriate referrals to other entities, which may include the police via calls to 911, DPH's Street Response Team, or other appropriate City agencies or nonprofit organizations. Ambassadors are to be *facilitators* of safety services, as opposed to the parties intervening in potentially dangerous situations, more appropriately handled by the police.

Ambassadors will engage with compassion and respect to support people in need, and improve the conditions of the area. Ambassadors will provide safety services as appropriate and delegate and report high risk activities or potentially dangerous situations, such as drug sales or violent activity, to the responsibility of the Police.

Specifically, the grantee will:

- Be responsible for contributing to culture change in the area included in Tenderloin Emergency Initiative by creating a deployment strategy to cover a single contiguous subarea within it
- Coordinate closely with Department of Emergency Management, San Francisco Police Department, including daily coordination with CBDs and City agencies and other ambassador programs, as appropriate.
- Implement ongoing and semi-annual evaluation, including via community surveys
- Plan additional neighborhood improvements that will increase business activity and ultimately reduce the need for safety ambassador services
- Subcontract to one or more vendors who will
 - Take responsibility for a single, contiguous multi-block area, deploying primarily fixed post-style ambassadors
 - Ensure ambassador coverage is efficient across blocks, taking care to deploy the minimum number of ambassadors needed so as to maximize the coverage of the program
 - Coordinate with TLCBD and City-funded ambassador programs working in the same area, including TLCBD park stewards, Tenderloin Merchants ambassadors, and St. Anthony's.
 - Make periodic adjustments to deployment plan based on City and community stakeholder priorities, including extending beyond the initial deployment map to additional community "hot spots", provided the area is safe for ambassadors
 - Provide training to its employees on their interaction with members of the public exercising constitutional rights of freedom of speech, assembly, and the practice of religion, and/or the right to peacefully remain, as applicable, in public forums."

- Hire and train ambassadors who will engage with everyone on the street, with a specific focus on people in need but also generally providing hospitality and a welcoming presence to all residents, workers, visitors, and business owners
- Hire and train ambassadors who will provide referrals to city and nonprofit services for people in need, as well as provide basic information to the public about these services
- Ensure its team is adequately trained with the most up to date information on weekly coordination goals and service program referrals
- File 311 requests as issues are identified in any part of the operation's geographic boundary
- Provide weekly deployment reports and monthly deployment plans which include a fixed monthly cost
- Maintain an ambassador "hub" in the Tenderloin that will support ambassadors and supervisors in maintaining a safe and healthy presence

Grantee shall provide training to its employees on their interaction with members of the public exercising constitutional rights of freedom of speech, assembly, and the practice of religion, and/or the right to peacefully remain, as applicable, in public forums.

Prevailing Wages. Grantee agrees to comply with, and require its contractors to pay, prevailing wages for any labor in connection with a "public work" as defined under California Labor Code Section 1720 *et seq.* (which includes certain construction or maintenance work if paid for in whole or in part out of public funds).
