29. When a matter is appealed to arbitration the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.
30. The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the State Mediation and Conciliation Service.

33. Each party shall bear its own expenses in connection with the arbitration, including, but not limited to, witness and attorney's fees, and any fees for preparation of the case. Each party expressly waives any right to an award of attorney’s fees or costs in any grievance proceeding. Transcripts shall not be required except that either party may request a transcript provided, however, that the party making such a request shall be solely responsible for the cost: All fees and expenses of the arbitrator and the court reporter, if any, shall be split equally between the parties.

Hearing Dates and Date of Award

34. The parties shall make their best efforts to schedule hearings within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein. t

Expedited Arbitration

I.H. UNION SECURITY

1. Authorization for Payroll Deductions

41. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees’ pay according to the Controller’s “Union Deductions Procedure” (“Procedure”), which the Controller may amend from time to time with reasonable notice to the Union. “Contributions” as used in this Section I.H. means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.

42. The City shall deduct Contributions from a represented employee’s pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.

43. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.

44. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller’s Office receives the request after that time, the City will implement the changes in two following pay periods.

ARTICLE I – REPRESENTATION

employee hand delivers the official Union form authorizing such deductions to the Controller’s Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.

46. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.
47. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
48. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee’s revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

49. The Union shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney’s fees, legal costs, settlements, or judgments, arising from or related to the City’s compliance with this Section I.H. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union; (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate

ARTICLE I – REPRESENTATION

in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.H. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

I.I. SHOP STEWARDS

50. 1. The Union shall furnish the City with an accurate list of shop stewards in designated units by July 1 of each fiscal year. The Union shall be limited to designating one (1) steward for every thirty (30) employees in the bargaining unit and three additional stewards for representation at remote locations (Millbrae, Sunol, Hetch Hetchy). The Union may submit amendments to this list at any time because of the permanent absence of a designated shop steward. The City will only recognize those shop stewards officially designated in writing by the Union.
51. 2. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.
52. 3. Upon notification of an appropriate management person, stewards or designated officers of the Union, subject to management approval which shall not be unreasonably withheld, shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that shop steward release time will be equitably distributed. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present an informal grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
53. 4. In emergency situations, where immediate disciplinary action must be taken because of a violation of law or a City departmental rule (intoxication, theft, etc.) shop stewards shall not unreasonably be denied the right to leave their post or duty to assist in the grievance procedure.

ARTICLE I – REPRESENTATION

54. 5. Shop stewards shall not interfere with the work of an employee. It shall not constitute interference with the work of an employee for a shop steward, in the course of investigating or processing a grievance, to interview an employee during the employee's duty time. A steward shall not represent an employee in a disciplinary matter if the steward is a witness or otherwise personally involved in the matter.

55. 6. Departments will notify the Union of new employee orientation sessions at least ten working days prior to the session and shop stewards shall be permitted to make appearances at departmental orientation sessions in order to be introduced, distribute Union materials and to discuss employee rights and obligations under this Agreement.

I.J. BULLETIN BOARDS

56. Upon request by the Union, departments shall provide reasonable space on bulletin boards for use by the Union to communicate with its represented employees. Department representatives, upon request, will meet with Union representatives regarding the placement of bulletin board lock-boxes purchased by the Union in employee work locations. Lock-box keys will be provided to the Department.

I.K. RELEASE TIME - CIVIL SERVICE TEST RESULTS

57. The Board of Supervisors urges all departments to, whenever possible, release people from their work locations in order to visit the Civil Service Commission with regard to matters affecting the particular individual as it pertains to testing and inspection of test results.

ARTICLE II - EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

58. The City and the Union agree that discriminating against or harassing employees, applicants, or persons providing services to the City by contract because of their actual or perceived race, color, creed, religion, sex/gender, national origin, ancestry, physical disability, mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, political affiliation or opinion, gender identity, gender expression, sexual orientation, military or veteran status, or other protected category under the law, is prohibited. This paragraph shall not be construed to restrict or proscribe any rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.
59. This section is not intended to affect the right of any employee to elect any applicable administrative remedy for discrimination proscribed herein. In the event that more than one administrative remedy is offered by the City, the Union and the employee shall elect only one. That election is irrevocable. It is understood that this paragraph shall not foreclose the election by an affected employee of any administrative or statutory remedy provided by law.

II.B. PERSONNEL FILES

60. Except for routine payroll and personnel administration documents, an employee shall have the opportunity to review, sign and date any and all material to be included in the file. 65. No action to impose discipline against an employee shall be initiated more than thirty (30) days from the date the employer knows of the conduct and has completed a diligent and timely investigation except for conduct which would constitute the commission of a crime. 4. COVERED CLASSIFICATIONS/DEPARTMENTS

APPENDIX B

- a. Covered Classifications. All classifications listed in Article I.A of this Memorandum of Understanding shall be covered by this Policy. The parties may add or delete classifications by mutual agreement.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following controlled substances for Pre-Employment, Reasonable Cause/Suspicion and Post-Accident:
 - (1.) Amphetamines
 - (2.) Barbiturates
 - (3.) Benzodiazepines
 - (4.) Cocaine
 - (5.) Methadone
 - (6.) Opiates
 - (7.) PCP
 - (8.) THC (Cannabis)
- b. The City also recognizes that covered employees may at times have to ingest prescribed drugs or medications. If an employee takes any drug or medication known to have potential side effects that may interfere with job performance, the employee is required to immediately notify the designated Department representative of those side effects before performing the employee's job functions.
- c. Upon receipt of a signed release from the employee's licensed healthcare provider, the department representative may consult with healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination as to whether the employee may perform the employee's job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing the employee's job functions.
- d. If an employee is temporarily unable to perform safety sensitive functions because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform non-safety sensitive functions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or not cleared by a licensed healthcare provider to perform safety sensitive functions, the City may extend this accommodation for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is anticipated to be able to resume safety sensitive functions after that thirty (30) day

APPENDIX B

period. Employees required to submit to testing shall immediately identify all prescribed medication(s) that they have taken.

- e. The City reserves the right to test, at its own expense, for over-use, misuse or abuse of prescribed and over-the-counter drug or medication which had a direct job-related impact or played a role in an accident, pursuant to the testing procedures described below.

6. TESTING

A. Reasonable Cause/Suspicion

- a. Reasonable cause to test an employee for illegal drugs or alcohol will exist when specific, reliable objective facts and circumstances would create a good faith belief in a prudent person that the employee has used a drug or alcohol. Such circumstances include, but are not limited to, the employee's behavior or appearance while on any City jobsite, while on City business or in City facilities, and recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol, that are not reasonably explained by other causes such as fatigue, lack of sleep, proper use of prescription drugs, or reaction to noxious fumes or smoke.
- b. Any individual or employee can report an employee who may be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or illegal drugs on the job, two (2) trained employer representatives will verify and document the basis for the suspicion and request testing. The first employer representative shall verify and document the employee's appearance and behavior based on the above-stated indicators and, if necessary, recommend testing to the second employer representative. At work locations within the border of the City and County of San Francisco (including San Francisco International Airport), the second employer representative shall verify and document the appearance and behavior of the employee based on the above-stated indicators and has final authority to require the employee to be tested. At work locations outside the border of the City and County of San Francisco, the second employer representative shall confer with the first employer representative to verify the employee's behavior based on the above-stated indicators, and the first employer representative has the final authority to require the employee to be tested.
- c. If the City requires an employee under reasonable cause or suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City may allow a reasonable amount (a maximum of one hour) of time for the employee to obtain representation. Such request shall not delay the administration of the tests, however.

Moreover, if the City has reason to believe or suspect that a prescription medication may have interfered with or may have had a direct impact on an employee's job performance, it may require that employee to be tested.

APPENDIX B

The department representative(s) shall be required to accurately document and file the incident and the employee shall be required to complete a consent form prior to any testing. If an employee refuses to be tested, then the City shall treat the refusal as having tested positive and shall immediately take appropriate disciplinary action pursuant to the attached discipline matrix.

The City shall bear the costs for any required testing for alcohol and/or drugs under this section. Any counseling and rehabilitation services shall be on the employee's time and at the employee's cost, except that employees may use accrued paid time off to attend treatment and may utilize any resources covered by insurance. Employees shall have the right to use any accrued but unused leave balances while enrolled in any counseling or rehabilitation program. Any request by an employee to re-test a specimen shall be at the employee's cost.

B. Post-Accident

- The City may require a covered employee who was involved in an event meets any of the following criteria to submit to drug and/or alcohol testing:
 - (1.) Fatality;
 - (2.) Employee involved in an on duty vehicular accident resulting in death and/or injury requiring transport for medical treatment;
 - (3.) Disabling damage to vehicles;
 - (4.) Damage to machinery, moving parts, or other non-vehicular equipment or structures in excess of \$1,000.00 and
 - (5.) When reasonable cause/suspicion exists.
- Following an accident, all covered employees subject to testing shall remain readily available for testing. An employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including notifying a supervisor (or designee) of the accident location or if (s)he leaves the scene of the accident prior to submitting for testing.
- Nothing in this section shall delay medical attention for the injured following an accident or prohibit an employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care.

7. TESTING PROCEDURES

A. Laboratory

- a. The testing shall be done at a certified laboratory in California. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for alcohol and drugs

APPENDIX B

identified in this policy. The City shall bear the cost of all required testing.

- b. Testing procedures, including substances to be tested, specimen collection, chain of custody and threshold and confirmation test levels shall comport with the Mandatory Guidelines For Federal Workplace Testing Programs, established by the U.S. Department of Health and Human Services, as amended and the Federal Motor Carrier Safety Act regulations, where applicable. Drug tests shall be conducted by laboratories licensed and approved by SAMHSA, which comply with the American Occupational Medical Association (AOMA) ethical standards. Tests for all controlled substances, except alcohol and THC (cannabis), shall be by urine screening and shall consist of two procedures, a screen test (EMIT or equivalent) and if that is positive, a confirmation test (GC/MS). THC (cannabis) is treated as a controlled substance and will be tested through an FDA-approved oral fluid (saliva) testing collection device at a screening level of 25 ng/ml and a confirmation level of 10 ng/ml (LC/MS). Alcohol tests shall be by breathalyzer.
- c. Covered or prospective employees presenting themselves at a Substance Abuse Prevention Coordinator-approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as “refusing to test.”
- d. Covered employees, who refuse to test, may be subject to disciplinary action, up to and including termination, pursuant to the attached discipline matrix.
- e. The specific required procedure is as follows:
 - (1.)Urine will be obtained directly in a tamper-resistant urine bottle. Alternatively, the urine specimen may be collected at the employee’s option in a wide-mouthed clinic specimen container that must remain in full view of the employee until transferred to, sealed and initialed, in separate tamper-resistant urine bottles.
 - (2.)Immediately after the specimen is collected, it will be divided into two (2) urine bottles, which, in the presence of the employee, will be labeled and then initialed by the employee and witness. If the sample must be collected at a site other than the drug and/or alcohol-testing laboratory, the specimens must then be placed in a transportation container. The container shall be sealed in the employee’s presence and the employee must be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.

APPENDIX B

- (3.) A chain of possession form must be completed by the hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- f. The initial test of all urine specimens will utilize immunoassay techniques. All specimens identified as positive in the initial screen must be confirmed utilizing gas chromatography/mass spectrometry (GC/MS) technique that identifies at least three (3) ions. In order to be considered “positive” for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the GC/MS confirmatory test.
 - g. All positive drug, positive alcohol or substitute, adulterated or diluted specimens as defined herein must be reported to a Medical Review Officer (MRO). The MRO shall review the test results and any disclosure made by the covered or prospective employee and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive. The MRO shall make good faith efforts to contact the individual, but failing to make contact within two (2) working days, may deem the individual’s result a “lab positive.” After the issuance of a “lab positive,” the covered employee may be placed on paid administrative leave pursuant to Administrative Code section 16.17, and will be barred from returning to work until (s)he makes a contact with the MRO and the MRO sends the Substance Abuse Prevention Coordinator a written confirmation of a negative result. New prospective employees, who receive a “lab positive” during a pre-employment test, shall be ineligible for any future City employment for six (6) months from the date of the positive test result unless the rules of the Civil Service Commission deem otherwise.
 - h. If the testing procedures confirm a positive result, as described above, the covered or prospective employee and the Substance Abuse Coordinator for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports, forensic opinions, laboratory worksheets, procedure sheets, acceptance criteria and laboratory procedures.
 - i. In the event of a positive drug or alcohol test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the employee’s request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen. The employee may request a re-test within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.

APPENDIX B

- j. If the final test is confirmed negative, then the Employee shall be made whole, including, if any, the cost of the actual laboratory re-testing, provided that proper documentation is submitted to the City in a timely fashion.
- k. The Substance Abuse Prevention Coordinator shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- l. All information from a covered or prospective employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the covered or prospective employee or as required by law. The results of a positive drug test shall not be released until the results are confirmed.

B. On-Site

- a. The parties agree that for post-accident purposes, the City may conduct "on-site" tests (alcohol breathalyzer testing, "Quicktest" urine testing, and oral fluid testing for THC) and only if any of those tests is "non-negative" will a confirmation test be performed. This on-site test is to enable the covered employee and the City to know immediately whether that employee has been cleared for work.
- b. In order to facilitate the on-site urine testing, the parties agree that an individual's sample will be divided into three separate containers. One of the containers will provide a sample for the on-site test that will be read within 5 to 10 minutes of collection. The other two containers will be sealed and sent to the lab, in the event a confirmation is necessary due to a "non-negative" outcome of an on-site test. The laboratory will store the split sample in accordance with SAMHSA guidelines. One of the two samples will be used for a confirmation test and the other will be made available to the employee for testing by a certified laboratory selected by the employee at the employee's expense.

8. RESULTS

- a. Any test revealing (i) a blood/alcohol level equal to or greater than 0.08 percent (or the established California State standard for non-commercial motor vehicle operations), or when operating a moving vehicle or performing a safety sensitive function as defined in this policy; or (ii) any test revealing a blood/alcohol level equal to or greater than that 0.04 percent (or the established California State standard for commercial motor vehicle operations) when operating a commercial vehicle, shall be deemed positive.

The covered employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to be tested; or

If the Union disagrees with the proposed disciplinary action, it may utilize the grievance procedure as set forth in the parties’ Memorandum of Understanding, provided, however, that such an appeal must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - c. All proposed disciplinary actions resulting from Consequences of Positive Drug/Alcohol Test(s) shall be administered pursuant to the disciplinary matrix contained herein.

10. RETURN TO DUTY

APPENDIX B

The Substance Abuse Prevention Coordinator will evaluate a covered employee who has tested positive. The Coordinator will evaluate what course of action, if any, and what assistance the employee needs, if any, and will communicate a return-to-work plan, if necessary, to the employee and department.

The Committee shall meet at a minimum on a quarterly basis and, in addition, on an as-needed basis to address any implementation and other matters of mutual interests concerning this policy. The Committee may also discuss adding or deleting covered classification from this policy. The Director of Human Resources shall make a final decision based on the recommendations from the Committee.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part or portion of this policy will not invalidate the remaining parts or portions. In the event of such determination, the parties agree to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law and the intent of the parties hereto. Otherwise, this policy may be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

APPENDIX C
SUBSTANCE ABUSE PREVENTION POLICY – ORAL FLUIDS TESTING

Pursuant to MOU Article IV.E., the below Appendix C will be implemented after acquisition of a vendor to provide oral fluid testing. However, Appendix B shall remain in effect until the City has met the conditions outlined in Article IV.E

1. MISSION STATEMENT

- e. Employees are the most valuable resource in the City’s effective and efficient delivery of services to the public. The City has a commitment to prevent drug or alcohol impairment in the workplace, foster and maintain a drug and alcohol free work environment. The City is also interested in preventing accidents and injuries on the job and, by doing so, protecting the health and safety of employees, co-workers, and the public.
- f. The City affirms its belief that substance abuse is a treatable condition. The City is committed to identifying needed resources, both in and outside of the City, for employees who voluntarily seek assistance in getting well. Those employees who voluntarily seek treatment prior to any testing shall not be subject to any repercussions or any potential adverse action for doing so. - a. Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.

- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.

- (1.) Covered Employees presenting themselves at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
 - d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
 - e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City’s Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee’s paid leave has expired under the terms of the applicable provision of the City’s Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform the employee of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited

to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.

- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	50 ng/ml	5 ng/ml
Barbiturates	20 ng/ml	20 ng/ml
Benzodiazepines	1 ng/ml	0.5 ng/ml
Cocaine	5 ng/ml	8 ng/ml
Methadone	5 ng/ml	10 ng/ml
Opiates	10 ng/ml	10 ng/ml
PCP (Phencyclidine)	1 ng/ml	5 ng/ml
THC (Cannabis)	1 ng/ml	2 ng/ml
* All controlled substances including their metabolite components.		

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing their job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

- 4. Is confirmed to have tested positive for alcohol or drugs;
 - 5. Refuses to Submit to testing; or
 - 6. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that the employee has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, the employee shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. LABOR-MANAGEMENT MEETING

To ensure the success of this Policy, the City shall meet with any union covered by this policy that seeks to meet to address any implementation issues regarding this policy, as follows: between June 1st and June 30th, any Union, covered under this Policy, may request to meet, and said meeting shall be scheduled to occur by July 31st.

13. ADOPTION PERIOD

This Policy shall go into effect on July 1, 2014, or as soon as practicable. (See MOU Article IV.E.)

It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B.** Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. **Single Point of Contact:** The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. **Notice of Schedule:** For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel

provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.

D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.

E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.

F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected

office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.
