Re: Re-Appointment of Kathrin Moore to the San Francisco Planning Commission

Dear President Walton,

The Pacific Avenue Neighborhood Association (PANA) thanks you for initiating the re-appointment of Kathrin Moore to the San Francisco Planning Commission.

We have personally observed Kathrin Moore's review of many projects and know her to be fair, informed and experienced.

Kathrin Moore serves the City of San Francisco with the utmost integrity, grace and grit, enduring long hours of preparation and review of development designs prior to and during Planning Commission hearings. She truly epitomizes the humanity and skill that we hope for from those who serve our City.
