8 WHEREAS, The San Francisco Film Commission was created by City ordinance in
9 October 1988 to 1) develop, recognize, and promote film activities in the City, 2) explore and
10 promote long-term goals for film-making as a major emphasis of the City's economic and
11 cultural base, and 3) encourage the recognition of film arts as an art form with widespread
12 economic benefits to the City; and

13 WHEREAS, It is the goal of the City and County of San Francisco to increase film and
14 television production in the City; and

15 WHEREAS, Film production has the potential to generate substantial revenue from

19 television episode, \$39 million per mid-range film production, and \$63 million per large film

8 WHEREAS, It is cumbersome and inefficient for film productions to generate separate
9 insurance certificates for numerous City departments when the insurance requirements
10 imposed by the Film Commission cover all City departments; and

12 expressed support for charging reasonable fees for filming in the City, for cooperation
