Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors:

I am reaching out to express my opposition to the appointments of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission.

During their hearing on Monday June 1st both nominees failed to address how they would handle cases of police violence against black and brown communities. Tung herself expressed an unwillingness to fire or prosecute officers who have murdered innocent black and brown people. Gordon-Creed showed a huge gap in experience and knowledge when it comes to important reform measures and steps needed to end racially charged violence in our police force.

Now more than ever we should demand the oversight commission for the San Francisco Police Department is absolutely committed to ending police violence and reforming our use of force policies.

Additionally, we need to figure out what communities under stress need -- by asking members of those communities themselves -- and we need to invest resources into those needs.

These two nominees are not committed to either and therefore should be rejected.

Sincerely,

Susan Vaughan
Richmond District
San Francisco, California

This is a scene that happened on my block on Sunday (video attached, which I filmed). How many police officers pointing guns at a homeless person suffering mental illness do we need? We need change!!!!

Black lives matter. We need to defund the police.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have stripped the Police Commission of the power to oversee taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Nancy Tung continues to support giving tasers to SF police officers, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities increased use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets.

Nancy Tung opposes closing San Francisco's Juvenile Hall, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. Gordon-Creed has no record on juvenile law issues and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung accepted money from the polarizing and controversial POA. She even accepted \$500 from Ryan Crosby, whose racial and gender bias resulted in a lawsuit against the city. The POA regularly condones heinous acts of police violence. By accepting their money, Tung made clear that she can never be trusted to hold SFPD officers accountable. The POA does not reflect San Francisco values like tolerance, compassion, and diversity, but I do, and I hope you will, too.

Nancy Tung opposed ending cash bail, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly opposed prosecuting officers who were involved in shootings of San Francisco residents to date. As we've seen too many times already, and most recently in Minneapolis, failing to hold law enforcement accountable is detrimental to public safety and welfare. We need Police Commissioners who recognize that a

community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We need civilian Police Commissioners who are independent from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victims' rights, but can also serve as an independent check on the police department. Mayor Breed, you must nominate people who represent the values of our community, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,
Ian Bardenstein

We write to implore you not to approve Mayor Breed's nomination of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission. The activism that has emerged after the police killings of George Floyd and Breonna Taylor, as only the most recent examples of long-term systemic racism, have raised fundamental questions about the purpose and form of law enforcement. This broad social movement, not just locally but nationally and internationally, should be the basis from which nominees for the Police Commission are chosen. Please insist that the Mayor withdraw her nominations and work with the Board of Supervisors and community groups to nominate people who are better prepared to take on the enormous challenge and opportunity we are facing now. Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

My name is Leo Fine, and I am a resident of San Francisco. I am writing to you today to ask that you vote No to Mayor Breed's nominees for the Police Commission, Nancy Tung and Geoffrey Gordon-Creed. Neither candidate has demonstrated expertise in police accountability, worked on Police Commission issues, or understands the failures of today's laws and policies. We need candidates who will not uphold "business as usual" and who believe that police are not above the law.

SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. Hello Board of Supervisors,

Good morning, Supervisors, my name is Tim Rollinson, and I live and work in San Francisco.

George Floyd. Breonna Taylor. Ahmaud Arbery. This month has been a powerful reminder of what happens without police accountability.

I oppose Nancy Tung and Geoffrey Gordon-Creed for Police Commission because now, more than ever, we need independent commissioners who will hold police officers accountable, who do not have a long-standing cozy relationship with the police, who will advocate for policies that will protect all vulnerable communities and decrease use of force, not drive it up further.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Please vote NO on Nancy Tung and Geoffrey Gordon-Creed.

Thank you for your consideration.

San Francisco, CA 94102

Dear Chair Ronen,

I am writing to express my support for Nancy Tung as Mayor London Breed's nominee for the Police Commission.

Nancy has served as a Deputy District Attorney in Alameda County since 2017, focusing on investigating and prosecuting civil law enforcement actions against corporations based on California's Unfair Competition Law and False Advertising Law. She served as an Assistant District Attorney in San Francisco from 2006 to 2017. A trial prosecutor and former Deputy California Attorney General with nearly two decades of experience delivering justice for the People, Nancy has handled thousands of cases in local, state, and federal courts. Nancy's experience will play an invaluable role on the Commission, as she embraces the community's goals for a model police department. Nancy will bring legal expertise and community-driven passion to the role, critical to collaborating with other Commissioners on fair and progressive oversight.

In her free time, Nancy is an active member of Moms Demand Action, using her experience as a prosecutor and mom to fight for sensible gun laws in America. She serves on the board of Stop Crime SF, a local group dedicated to protecting victims and holding public officials and the criminal justice system accountable. She also has been a mentor with Big

Brothers Big Sisters, developing a lifelong relationship with the girl she was matched with over a decade ago. Nancy leads an informal group of EMILY's List graduates, which trains and supports women who run for public office, and she has served on the boards of local Democratic clubs. Nancy will contribute a focused mindset and collaborative professionalism to the Commission, as she has to her other many voluntary roles in service of the public.

I am confident that Nancy will bring all of her experiences to bear in this role and will step in and work quickly towards solutions for our City and our citizens in these unprecedented times. I ask you to recommend Nancy Tung for the Police Commission to the Board of Supervisors.

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Dear Members of the SF Board of Supervisors,

As an organization that has been serving the community in a variety of ways through policy advocacy, direct services and community organizing, we take very seriously the issue of police oversight, police reform, public safety and representation of our community. CPA has worked to support immigration campaigns, against hate crimes targeting Asians like Vincent Chin, and today works tirelessly to ensure low wage immigrant workers are not left by the wayside during the Coronavirus pandemic.

We write today to say that we cannot support the nominations of either Nancy Tung or Geoffrey Gordon-Creed to the San Francisco Police Commission. After investigation and conversation with our community leaders, we believe that the API community, and especially the Chinese community, deserve Commissioners who have deep ties to our communities, and track records of working with and in our Chinese immigrant community.

The Chinese community makes up almost a third of the San Francisco population, yet has no representative on the Police Commission. This is unacceptable. While we understand that some in the community believe Tung should be appointed because she is Chinese, that is too low a bar for our communities. We must not only have a commissioner who can represent the Chinese community, but also a commissioner who has a proven track record of working with and in the community, especially with low-income Chinese community members. Unfortunately, Tung has almost no ties to the Chinese community to speak of, and we have no assurances that she will be accountable to low-income Chinese immigrant residents. The few organizations she is a part of have no ties to the Chinese community.

Our communities deserve a leader on the Police Commission who will fight for issues that deeply impact our communities, such as police accountability, public safety, victim services, cultural competency, and language access. Before the pandemic hit, our community was already experiencing deep pain and suffering from violent assaults on Chinese seniors and officer involved shooting deaths of API community members in mental health crisis, including Vinh Bui and Pralith Praloung, and after coronavirus, we faced racist rhetoric from President Trump and right wing forces leading to hate crimes committed against Asian Americans across the country.

As for Gordon-Creed, he has almost no public track record to speak of. We are unclear what his positions are regarding the issues that impact the Chinese immigrant community. Additionally, it is unknown what experience he brings to the area of police accountability and police reform in the last 25 years since his days as a Deputy City Attorney defending the police department.

In this moment, our nation is also witnessing the global solidarity of people standing against police murders of George Floyd and countless other Black people throughout the country,

including in San Francisco. As allies of San Francisco's Black communities, we need nominees who will fight for much needed police reforms and accountability.

Sincerely,

Joyce Lam
Political Director, Chinese Progressive Association

RPDC STATEMENT

The Rose Pak Democratic Club (RPDC) considers public safety one of the most significant issues facing the Asian Pacific Islander (API) community in San Francisco. The Police Commission sets the rules and policies that determine how law enforcement interacts with the public. RPDC takes the opportunity to influence who sits on this body with the utmost importance. **After serious deliberation and consideration, RPDC is unable to support the nomination of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission. We remain neutral with their nominations to the Police Commission.**

When considering the nomination of any commissioner, RPDC reached out to and spoke to each of the candidates. Members of the API community often feel unheard, and so the leaders and members of RPDC did not pass on the opportunity to speak to and be heard by the candidates.

RPDC examined several factors when evaluating the nominees-- professional experience, knowledge of API issues, and demonstrated history of accountability to our community. As a career prosecutor, Nancy had a deep understanding of the San Francisco Police Department (SFPD). We discussed the use of tasers, her relationship with the Police Officer Association (POA), and the 272 Department of Justice reforms. As a former Deputy City Attorney and Ethics Commissioner, Geoffrey Gordon-Creed was well-versed with the structure of the SFPD.

Nancy impressed RPDC with her knowledge of API issues. She had a nuanced understanding of our community's most pressing concerns-- public safety, victim support, and language access. Nancy often broached these topics without prompts-- she was already familiar with the issues we most often hear members of the API community discuss in regards to public safety in San Francisco. Geoffrey spoke about the deep ties to his neighborhood, the Richmond, through his service work with the Richmond YMCA.

While we saw the potential to build a strong relationship with Nancy and Geoffrey, we ultimately decided we could not support their nominations for the San Francisco Police Commission. We were not yet convinced that the candidates reached our standards of demonstrating accountability to the API community in San Francisco. Our API communities deserve commissioners who have a proven record of showing up and doing the hard work in the community alongside us, prior to being nominated as Police Commissioner.

As a steward of the API community, RPDC takes great responsibility when making the decision to support candidates for any city Commission seat. We make these decisions knowing the safety of our community rests on our shoulders. Like the late Rose Pak, we understand that we must fight for everything our community deserves-- safety, health, and security.

Now more than ever, our communities need a champion to fight for the issues most pressing to us-- public safety, victim support, and language access. As anti-Asian sentiment grows

throughout the country due to the coronavirus pandemic, we have seen increasing reports of discrimination and violence against the API community. And as allies of the Black and African American community, we also are seeking nominees who have the courage to reform a system which is broken and even inflicts violence on other members of our community. We ask that Mayor Breed nominate candidates with a proven track record of working in and with our communities.

ANGELA CHAN'S LETTER

Dear Members of the SF Board of Supervisors,

My name is Angela Chan. For identification purposes, I am the policy director and senior staff attorney managing the Criminal Justice Reform Program at the Asian Law Caucus, a nonprofit civil rights organization based in San Francisco. I also had the honor of being appointed by the Board of Supervisors to serve on the San Francisco Police Commission from 2010 to 2014. **I am writing to strongly oppose the appointment of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission.**

Jessica Williams, Mario Woods, Alex Nieto, Pralith Pralourng, Vinh Bui, Luis Góngora – these are the names of some of the people of color that have been killed by SFPD officers. Please remember these community members and their families when you are making a decision about whether or not to confirm Mayor Breed's nomination of Tung and Gordon-Creed to the San Francisco Police Commission. I respectfully ask this of you because given the life and death responsibilities of the Police Commission to discipline officers, set policy for SFPD, and lead reform of the department to address officer involved shootings and racial disparity in policing, appointees to the commission must be held to the highest standard. Disappointingly, the Mayor's Office continues to nominate people to the commission who fall far short of this standard. Before you are two more nominees, Ms. Tung and Mr. Gordon-Creed, who are simply not qualified to take on these responsibilities to provide rigorous, thoughtful, and real oversight of SFPD.

Ms. Tung, a district attorney with Alameda County, has taken numerous positions that make clear that she has no interest or commitment to reforming our criminal justice system, which is badly in need of transformation, much less reform. Ms. Tung opposes the closing of San Francisco's juvenile hall even though this board of supervisors voted to close it. She does not appear to agree with the basic concept that keeping the giant concrete juvenile hall in Twin Peaks open to cage children is an inhumane and ineffective use of San Francisco tax dollars. She argues that she does not want to see children being sent to other counties to be incarcerated in their juvenile halls. Her position misses the point of this reform - which is that children should not be incarcerated period, full-stop. Rather than opposing the closing of juvenile hall, she should be focused on diverting the taxpayer dollars saved to supporting community-led programs and services that are more effective at improving the lives of children and advancing public safety.

Another misguided position is that Ms. Tung supports arming SFPD with tasers. While on the commission, I staunchly opposed, for good reason, attempts by multiple police chiefs to adopt tasers. When police departments adopt tasers, officer involved shootings do not go down. And contrary to Ms. Tung's comment that tasers can be used alongside de-escalation techniques, tasers escalate confrontations, rather than decrease them. This is because tasers can only be used if the officer is within close proximity to a person, taking away the "distance" in the "time and distance" tactics that are core components of de-escalation. Shooting a person with 50,000

bolts of electricity that can be lethal and that has killed over 1,000 people in the U.S. alone also doesn't lend itself to de-escalating a situation. Tasers are used not in place of deadly force; rather, they are used to force compliance with a police order or to detain a person. Not surprisingly, tasers also are disproportionately used against people of color and people in mental health crisis. Thus, tasers only increase use of force in many situations that could be addressed through de-escalation. Ms. Tung's support for tasers shows that her approach to criminal justice reform is giving more lethal weapons to SFPD, which will only result in more use of force, not less.

And while I certainly support having Chinese American representation on the Police Commission, I am concerned that in my fourteen years of working on criminal justice reform at an API civil rights organization in San Francisco, I have never heard of Ms. Tung doing outreach to the Chinese American community, other communities of color, or immigrant communities on police reform issues.

Mr. Gordon-Creed, a civil litigation attorney, also is far from qualified to serve on a commission that should be overseeing and reforming SFPD to reduce officer involved shootings and use of force. His only experience with police appears to be that in the early 1990s, he defended the Police Department in litigation as a deputy city attorney. Mr. Gordon-Creed recently said in the press that he believes Chief Scott is pushing forward reforms recommended by the Department of Justice in 2016 as fast as he can. So far, in four years, SFPD has only adopted 18% of these reforms. If Mr. Gordon-Creed thinks this is fast, I'd hate to see what he thinks is slow reform. Like Ms. Tung, he has no experience collaborating with or advocating on behalf of communities of color who are impacted by policing.

It is frustrating to see these two disappointing nominations to the San Francisco Police Commission, especially at this time when communities across the country, including in San Francisco, are demonstrating in the streets, during a global pandemic, to express outrage and sadness regarding multiple outrageous murders of black men and women by police. This commission has serious work to do, work that hasn't been carried out by Mayor appointees for many years. Take for example the fact that the commission only met recently for the first time in three months, and only after being called out in the press by members of the commission who were appointed by the Board of Supervisors. If you confirm these two nominees, you will be continuing this do-nothing status quo by Mayor appointees to the commission, and that's simply unacceptable given the uprisings that are taking place throughout this country against police abuse and police killings. It's unacceptable in the face of SFPD officers wearing "blue lives matter" face masks to patrol May Day protests. It's unacceptable to the memories of people of color who have been killed by SFPD. The communities most impacted by SFPD's policing policies and practices deserve much better than these two nominees. Rather than nominating yet another prosecutor or private firm attorney who has no experience or commitment to police reform to the police commission, the Mayor should be selecting people who have been directly impacted by policing. I urge you to reject both of these nominations, and demand that Mayor Breed nominate appointees who are qualified to take on the heavy responsibilities of overseeing and reforming SFPD.

Thank you for considering these concerns. This Board of Supervisors has made laudable advancements in reforming San Francisco's carceral system, including closing juvenile hall and county jail number 4, please do not confirm the nomination of appointees to the police commission who will undercut these reforms. If you have any questions, please do not hesitate to contact me at angelachan@gmail.com.

In Community,
Angela Chan

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. We need more reform-minded people on the Police Commission, not moderates like Geoffrey Gordon-Creed and Nancy Tung. I hope you will consider the opinion of your constituents as you think about your decision during tomorrow's meeting.

Dear Board of Supervisors,

My name is Fiorella Martinez. I am a San Francisco resident and voter from the 94115 zip code.

I am writing to ask you to please vote no on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. I ask this of you because they are not dedicated to deep police reforms. Neither of them has a history of working with any organization that advocates for police reform.

The past few weeks have highlighted just how deeply we need systemic reforms, including a dramatic rethinking of our community safety systems. We need to consider large reductions in the police budget in order to support other social services which are essential to lasting and just community safety. Mayor Breed's nominees are not appropriate candidates to meet our needs.

Thank you for your time and consideration.

Dear Members of the Board of Supervisors,

I am writing to urge you to vote NO on the current nominees to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.

We need commissioners with commitment, experience rooted in justice advocacy, and real urgency to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions which indicate they will take seriously the need for police reform. This is unacceptable, in light of recent events across the country and in memory of Alex Niento, Mario Woods, and Luis Gongora Pat who were all murdered by the SFPD with no accountability.

Thank you,

Dear President Yee, Supervisors Haney, Mandelman, Mar, Peskin, Preston, Fewer, Ronen, Safai, Stefani, and Walton:

My name is Julie Traun; I am an attorney, long time resident of San Francisco, and active member of the Bar Association of San Francisco's Criminal Justice Task Force (CJTF) formed after the killing of Michael Brown in Ferguson. Our CJTF includes prosecutors, defense counsel, civil rights attorneys, representatives from DPA, law enforcement (SFPD and SFSD) academia as well as the Superior Court and Federal bench.

Our goal is to assist law enforcement achieve 21st Century policing. As lawyers, we volunteer our skillset to arm ourselves with the research and best practices throughout the country to help assure this City that we have access to what is most needed in order to reach our shared goals for policing.

Our independent voice and thorough research contributed greatly to the 2016 Use of Force Policy, led us to oppose Prop H and Tasers, and our detailed Data Collection and Analysis report mirrored the recommendations of the DOJ. We filed a strong amicus brief in support of the Use of Force policy when the POA challenged the Police Commission's work. Our work is vetted by the Bar Association of San Francisco's board of directors prior to issuing studies, reports and/or recommendations as well as amicus briefing on behalf of this large and diverse legal organization of nearly 8,000 members.

Our hardworking and committed CJTF members participate on each of the 5 Executive Sponsor Working Groups (ESWG) established under the COPS DOJ. I sit on three of those groups: Use of Force, Bias and Community Policing.

We are so mindful of events preceding and following the killing of George Floyd, and while we appreciate the work underway with SFPD, we have far to more to do.

There has *never* been a more important time to add commissioners who are knowledgeable and have demonstrated a commitment to reform by their actions and their capacity to move us forward. Historically, the Commission itself has fallen short on its obligations to keep up with research and stay current with reform. This is a complex undertaking and at this critical time, there is a clear need for informed commissioners.

What have these two nominees contributed to reform to date? How have they advocated for reform? How knowledgeable are they about policing issues in San Francisco and reform-focused solutions for these issues? What do they know about 21st Century policing, PERF's research, the 272 recommendations from the DOJ – and specifically, the recommendations satisfied and outstanding? What do they know about model police departments who have achieved greater levels of reform than we have to date? Who and what interests support the nominee? What research have they undertaken? Have they supported Proposition H? What do they know of the “meet and confer” process and whether it's properly leveraged in San Francisco? What is their vision of reform for policing? Importantly, how will they help to heal the relationship between the communities of color and law enforcement? Do they have credibility with communities of color who are so overrepresented in our criminal justice system?

This Bar Association is invested and concerned; we ask our Supervisors and our Mayor to assure all San Franciscans that *any* nominee to the Commission has a demonstrated commitment to effective police reform and is thoroughly informed by the research and the state of policing locally and beyond. Each nominee must demonstrate that he or she is a strong and informed steward to bring us into compliance with 21st Century policing and the recommended reforms enumerated more than 4 years ago by COPS DOJ. Changing police culture takes strong leadership by those well versed in reform and the

research supporting it. We cannot afford to do any less at this critical time of need in San Francisco.

Thank you.

My name is Ally Pardo and I am a resident of San Francisco. Having grown up witnessing the brutal murders of black folxs at the hands of the police, the murder of George Floyd and countless other black bodies are symbolic of a broken law enforcement system. Though San Francisco has been praised for its police reforms, the numbers of murders by the police still remains high. I am concerned about the nominees, Nancy Tung Geoffrey Gordon-Creed, who have repeatedly shown a complete lack of understanding of police reform. I urge you all to **nominate more qualified candidates** who can help to mend our broken law enforcement system **for the sake of my generation and the black communities** of our city.

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,
Casey Beppler

San Francisco Board of Supervisors

Rules Committee
Supervisor Hillary Ronen, Chair
City Hall, 1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Dear Chair Ronen,

I am writing to express my support for Nancy Tung as Mayor London Breed's nominee for the Police Commission.

Nancy has served as a Deputy District Attorney in Alameda County since 2017, focusing on investigating and prosecuting civil law enforcement actions against corporations based on California's Unfair Competition Law and False Advertising Law. She served as an Assistant District Attorney in San Francisco from 2006 to 2017. A trial prosecutor and former Deputy California Attorney General with nearly two decades of experience delivering justice for the People, Nancy has handled thousands of cases in local, state, and federal courts. Nancy's experience will play an invaluable role on the Commission, as she embraces the community's goals for a model police department. Nancy will bring legal expertise and community-driven passion to the role, critical to collaborating with other Commissioners on fair and progressive oversight.

In her free time, Nancy is an active member of Moms Demand Action, using her experience as a prosecutor and mom to fight for sensible gun laws in America. She serves on the board of Stop Crime SF, a local group dedicated to protecting victims and holding public officials and the criminal justice system accountable. She also has been a mentor with Big Brothers Big Sisters, developing a lifelong relationship with the girl she was matched with over a decade ago. Nancy leads an informal group of EMILY's List graduates, which trains and supports women who run for public office, and she has served on the boards of local Democratic clubs. Nancy will contribute a focused mindset and collaborative professionalism to the Commission, as she has to her other many voluntary roles in service of the public.

I am confident that Nancy will bring all of her experiences to bear in this role and will step in and work quickly towards solutions for our City and our citizens in these unprecedented times. I ask you to recommend Nancy Tung for the Police Commission to the Board of Supervisors.

Thank you,

Dearest Supes,

Pretty please **vote no** on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed.

They are not advocates of police reform, so please tell the Mayor to withdraw the nominees and find nominees who are real advocates.

San Francisco needs to be a beacon of light for all the other cities in this country. This country requires serious serious police reform.

Do the right thing.

Dear Mayor and Supervisors,

I ask that you vote NO against Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed because they are not advocates of police reform. Please withdraw their names and find real advocates for police reform. The Rules Committee voted against them already. One has no background related to criminal justice; the other is clearly opposed to reforms.

The George Floyd case has brought world-wide attention to looking for better ways for police to interact with everyone. We need to think boldly, out of the box, and empathetically, while still maintaining public safety. Personally, I am in favor of Campaign Zero's 8 Can't Wait approach, but I will wait to see what our Police Commissioners endorse. Meanwhile, we need the very best people as Commissioners, not these individuals.

Dear Board of Supervisors,

From all I have read and with all going on in the Bay Area and across the country, this is the time for the SF Police Commission to make bold changes in how our police department carries out its work and begin with policy changes through examination, analysis and voices from the communities..

Both nominees that Mayor Breed chose have no experience or record with meaningful police reform. In fact, they either lack experience or have supported positions (such as laser use) that are the antithesis of what we need now.

Please reject the Mayor's nominees and call on her to make new nominations that reflect the right direction for us to move in to ensure that the police department is accountable to the public and to our communities. The Police Officers Association is too often an obstruction to progress in this area and we need bold changes to become the kind of city San Francisco can be.

Thank you for your attention.

Dear Supervisors,

I'm writing to urge you to oppose Mayor Breed's nominees to the SF Police Commission in the Board Meeting on Tuesday. Nancy Tung and Jeffrey Gordon-Creed are not the right candidates to meet the pressing need for police reform that San Franciscans are demanding whether in the streets these past ten days or by contacting you directly to express our concerns.. It is high time that the DOJ'S recommendations of 2016 in response to police killings be implemented at the very least.

Please tell the Mayor to withdraw her candidates and nominate true advocates for police reforms who will advocate for justice.

Honorable Supervisors:

I do not stand alone in my disappointment and alarm at the Mayor's two candidates for the Police Commission: Nancy Tung and Geoffrey Gordon-Creed. They lack the experience and perspective needed to oversee police activities. This is strikingly true in our current climate of upheaval and misconduct.

I urge you to vote against their appointments and demonstrate to San Franciscans that you understand how important it is, especially now, to have people with a viable vision of how justice should operate.

Dear Supervisors:

In light of the George Floyd murder by police, we need to move forward to implement concrete actions to reduce police misconduct and implement racial justice. I believe that the two current nominees to the San Francisco Police Commission; Nancy Tung and Geogrey Gordon-Creed do not meet these criteria: one has opposed police reforms and the other doesn't seem to have any background or commitment to the issue.

We need the Mayor to nominate commissioners with commitment, experience rooted in justice advocacy, and someone who understands the urgency to implement the recommendations made by the DOJ in 2016.

This is important, given the state of the nation - let San Francisco show the way.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

Dear Supervisors:

I am writing to support Hillary Ronen's request of all of you to vote NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed because they are not advocates of police reform.

At this moment in our city and nation we must focus support on candidates and policies that will fundamentally change police training, tactics, and policies.

These systemic changes need to start here and now. As I read on a hand-printed sign today at a #BLM March, "Right f-----g Now is When."

Please vote NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Hello,

I am writing to strongly urge you to vote down Mayor Breed's two proposed candidates for the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.

As a public school teacher who just heard her former student was gunned down by the Vallejo police *while kneeling with his hands up*, it could never be more clear that we need real change. These candidates will not bring this change.

Neither person shows any depth of understanding of the issues necessary to sit on the Commission, nor will they bring any leadership to the Commission during such difficult times. We need people who will bring change, and help us to implement Department of Justice recommendations for our police force.

This is a moment of change, when we want to stand up for racial and other social justice. PLEASE, do not just rubber stamp Mayor Breed's candidates. They are the wrong people for this work.

Thank you,

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

To the San Francisco Supervisors:

I urge you to vote no on the nomination of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission. Nominees to this critical board need to be well-versed on the need for changes in policing tactics. The current nationwide outrage at the killing of George Floyd is evidence that this needs the attention of people with tons of experience and a demonstrated commitment to make things better. Neither of the candidates seems to be up to this mark. Please reject their nominations and seek other candidates.

Thank you for your attention to this.

GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Dear Supervisors and Mayor Breed,

I'm a resident of District 10 and wanted to pass along my recommendation to vote in favor of rejecting the appointments of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission. Thousands are on the streets of the United States demanding change to the way we approach policing. Ms. Tung's stated position that she would not have fired the officers who killed Jessica Williams or Mario Woods is concerning, and Mr. Gordon-Creed's statement that he does not have enough information to have an opinion on cases the likes of which will certainly be part of his new job is disqualifying. However, even if the nominees were to take tougher stances in the future, the demands of those on the streets do not stop at simply holding police officers to account for their misdeeds. The people on the streets know, and have known, that policing in the United States has racist roots - why discuss good and bad apples when the tree itself is rotten?

The scope of policing needs to be drastically shrunk, and education, health care, and social services need to receive the funding necessary to provide more humane, long-term solutions to crime. These two candidates, who have much experience with law enforcement and law enforcement officials, but little experience with the communities that do not trust them, are not the right candidates for this moment, and for this movement. We need oversight and policies from a Police Commission that will see the SFPD not just improved, but radically reconsidered. Please support rejecting these candidates, and encourage the mayor to find candidates from the community who are engaged with and best understand the concerns of the communities that the police are unable to protect or serve.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. Dear Supervisors and Mayor Breed,

I am a San Francisco resident living in the Mission district and I strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Since George Floyd's murder, the residents of San Francisco have made it clear that they demand police accountability and systemic change. This begins with you and your vote.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed demonstrates none of the values we are marching in the streets for.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS. ARE YOU KIDDING?

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL. We can do better than tasers and juvenile halls. This is 2020 and we are demanding you do better.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. END THIS RACIST SYSTEM.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. This is horrific and shows that she stands for lawlessness.

In what world would it be okay to vote for this woman?

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Members of the SF Board of Supervisors,

My name is Angela Chan. I am the policy director and senior staff attorney managing the Criminal Justice Reform Program at the Asian Law Caucus, a nonprofit civil rights organization based in San Francisco. I also had the honor of being appointed by the Board of Supervisors to serve on the San Francisco Police Commission from 2010 to 2014. **On behalf of the Asian Law Caucus, I am writing to strongly oppose the appointment of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission.**

Jessica Williams, Mario Woods, Alex Nieto, Pralith Pralourng, Vinh Bui, Luis Góngora, Amilcar López-Pérez – these are the names of some of the people of color who have been killed by SFPD officers. Please remember these community members and their families when you are making a decision about whether or not to confirm Mayor Breed’s nomination of Tung and Gordon-Creed to the San Francisco Police Commission. We respectfully ask this of you because given the life and death responsibilities of the Police Commission to discipline officers, set policy for SFPD, and lead reform of the department to address officer involved shootings and racial disparity in policing, appointees to the commission must be held to the highest standard. Disappointingly, the Mayor’s Office continues to nominate people to the commission who fall far short of this standard. Before you are two more nominees, Ms. Tung and Mr. Gordon-Creed, who are simply not qualified to take on these responsibilities to provide rigorous, thoughtful, and real oversight of SFPD.

Ms. Tung, a district attorney with Alameda County, has taken numerous positions that make clear that she has no interest or commitment to reforming our criminal justice system, which is badly in need of transformation, much less reform. Ms. Tung opposes the closing of San Francisco’s juvenile hall even though this board of supervisors voted to close it. She does not appear to agree with the basic concept that keeping the giant concrete juvenile hall in Twin Peaks open to cage children is an inhumane and ineffective to use San Francisco tax dollars. She argues that she does not want to see children being sent to other counties to be incarcerated in their juvenile halls. Her position misses the point of this reform - which is that children should not be incarcerated period, full-stop. Rather than opposing the closing of juvenile hall, she should be focused on diverting the taxpayer dollars saved to supporting community-led programs and services that are more effective at improving the lives of children and advancing public safety.

Another misguided position is that Ms. Tung supports arming SFPD with tasers. ^[1] She also went so far as to support Prop H, a failed 2018 ballot measure pushed by the Police Officers Association which would have taken away power to set a use of force standard with respect to tasers from the commission she now seeks to sit on. When police departments adopt

tasers, [officer involved shootings do not go down](#). And contrary to [Ms. Tung's comment](#) that tasers can be used alongside de-escalation techniques, tasers escalate confrontations, rather than decrease them. This is because tasers can only be used if the officer is within [close proximity to a person](#), taking away the “distance” in the “time and distance” tactics that are core components of de-escalation. Shooting a person with 50,000 bolts of electricity that can be lethal and that has killed [over 1,000 people](#) in the U.S. alone also doesn't lend itself to de-escalating a situation. Tasers are used not to in place of deadly force; rather, they are used to force compliance with a police order or to detain a person. Not surprisingly, tasers also are [disproportionately used against people of color and people in mental health crisis](#). Thus, tasers only increase use of force in many situations that could be addressed through de-escalation. Ms. Tung's support for tasers shows that her approach to criminal justice reform is giving more lethal weapons to SFPD, which will only result in more use of force, not less.

And while we certainly support having Chinese American representation on the Police Commission, I am concerned that in my fourteen years of working on criminal justice reform at an API civil rights organization in San Francisco, I have never heard of Ms. Tung doing outreach to the Chinese American community, other communities of color, or immigrant communities on police reform issues.

Mr. Gordon-Creed, a civil litigation attorney, also is far from qualified to serve on a commission that should be overseeing and reforming SFPD to reduce officer involved shootings and use of force. His only experience with police appears to be that in the early 1990s, he defended the Police Department in litigation as a deputy city attorney. Mr. Gordon-Creed recently said in the press that he believes [Chief Scott is pushing forward reforms recommended by the Department of Justice in 2016 as fast as he can](#). So far, in four years, SFPD has only adopted 18% of these reforms. If Mr. Gordon-Creed thinks this is fast, I'd hate to see what he thinks is slow reform. Like Ms. Tung, he has no experience collaborating with or advocating on behalf of communities of color who are impacted by policing.

It is frustrating to see these two disappointing nominations to the San Francisco Police Commission, especially at this time when communities across the country, including in San Francisco, are demonstrating in the streets, during a global pandemic, to express outrage and sadness regarding multiple outrageous murders of black men and women by police. This commission has serious work to do, work that hasn't been carried out by Mayor appointees for many years. Take for example the fact that the commission only met recently for the first time in three months, and only after being called out in the press by members of the commission who were appointed by the Board of Supervisors. If you confirm these two nominees, you will be continuing this do-nothing status quo by Mayor appointees to the commission, and that's simply unacceptable given the uprisings that are taking place throughout this country against police abuse and police killings. It's unacceptable in the face of SFPD officers wearing [“blue lives matter” face masks](#) to patrol May Day protests. It's unacceptable to the memories of people of color who have been killed by SFPD. The communities most impacted by SFPD's policing policies and practices deserve much better than these two nominees. Rather than nominating yet another prosecutor or private firm attorney who has no experience or commitment to police reform to the police commission, the Mayor should be selecting people who have been directly impacted by policing. We urge you to reject both of these nominations, and demand that Mayor Breed nominate appointees who are qualified to take on the heavy responsibilities of overseeing and reforming SFPD.

Thank you for considering these concerns. This Board of Supervisors has made laudable advancements in reforming San Francisco's carceral system, including closing

juvenile hall and county jail number 4, please do not confirm the nomination of appointees to the police commission who will undercut these reforms. If you have any questions, please do not hesitate to contact me at 415.848.7719 or angelac@advancingjustice-alc.org.

There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am emailing to ask that you vote **no** on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. Neither of these individuals is an advocate for police reform, which is what is desperately needed in our city at this time.

Sincerely,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Members of the Board of Supervisors,

I am writing to urge you to vote NO on the current nominees to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.

We need commissioners with commitment, experience rooted in justice advocacy, and real urgency to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions which indicate they will take seriously the need for police reform. This is unacceptable, in light of recent events across the country and in memory of Alex Nieto, Mario Woods, and Luis Gongora Pat who were all murdered by the SFPD with no accountability.

Thank you,
Gillian Teng

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities **INCREASED** use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Mayor and Supervisors:

I am asking the Board to reject the nominations of Nancy Tung and Geoffrey Gordon-Creed for the Police Commission. Ms. Tung has opposed police reforms, and Mr. Creed has limited to no background with police reforms.

As you know, the SFPD has been slow to implement the 2016 recommendations of the US Department of Justice. We need commissioners with experience and commitment to implement these reforms. We need to change the racist, homophobic culture that still exists within the San Francisco Police Department.

I am also asking the Mayor to withdraw the nominations, or, alternatively, when the Board rejects the nominations, to nominate individuals who have experience with, and commitment to, police reforms.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

I support **Supervisor Ronan's statement** that we police commissioners with commitment, experience rooted in justice advocacy, and real urgency to, at the very least, implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. It's been four years. We need to make changes now!

Dear Mayor Breed and members of the Board of Supervisors,

I am writing to request that neither Nancy Tung and Geoffrey Gordon-Creed receive your support as Police Commission nominees. We are living in a tumultuous time that makes it essential that those who are representing and voting on behalf of the San Francisco community clearly demonstrate their support and understanding of the forces that have led to this moment. Then we, the people of San Francisco, can clearly see their abilities and experiences clearly relate to the positions they hold.

Ms. Tung fails to show a clear separation between herself and the police. Mr. Gordon-Creed also fails to demonstrate a clear separation between himself and the police through his position as attorney representing the Police. In addition, he has no relevant experience for the job relating to criminal justice, racial issues within our communities or ways to enter and mitigate racial issues and actions in relation to criminal justice.

There are many in the city who are highly qualified, show clear distancing between themselves and the police department and have strong and relevant criminal justice ties to the community.

I ask you do not support either and that you, Mayor Breed, in consultation with others, review and put forward new candidates whose experiences are proven and whose knowledge regarding criminal justice issues, is strong.

We need this now, more than ever. Please be clear and keep the politics aside from the decisions you are making.

Sincerely,

Paula Levine
