11 (a) Findings. The Board of Supervisors finds as follows:

12 (1) Fifty caliber rifles are military-style firearms, used by armed forces around the world,
13 which combine long range, accuracy and massive power. Fifty caliber rifles are accurate to distances
14 of 1,000 to 2,000 yards (10 to 20 football fields), depending on the skill of the shooter, and can
15 penetrate armored vehicles, disable aircraft and damage industrial targets, such as refineries and
16 hazardous chemical plants. The dangers of these weapons are detailed in “Voting from the Rooftops:
17 How the Gun Industry Armed Osama bin Laden, other Foreign and Domestic Terrorists, and Common
18 Criminals with 50 Caliber Sniper Rifles,” Violence Policy Center (2001).

19 (2) Fifty caliber rifles and ammunition are proliferating on the civilian market in the United
20 States.

21 (3) In a briefing paper dated August 4, 1999, the United States General Accounting Office
22 concluded that 50 caliber rifles have been associated with significant criminal activity, stating “Our
23 investigation revealed that .50 caliber semiautomatic rifles have been linked to domestic and
24 international criminal activity. We have established a nexus to terrorist groups, outlaw motorcycle

25 ///

1 gangs, international drug cartels, domestic drug dealers, religious cults, militia groups, potential
2 assassins, and violent criminals.”

3 (4) California Penal Code Sections 12303.6 and 12304 currently prohibit the sale of
4 destructive devices, defined to include weapons of a caliber greater than 60 caliber and any
5 ammunition therefor. In addition, recognizing the danger posed by 50 caliber rifles, the Legislature
6 recently passed, and the Governor has signed, legislation restricting the sale and transfer and tracking
7 the ownership of, 50 caliber rifles;

8 (5) The City and County of San Francisco has a high concentration of potential targets for
9 terrorist attacks;

10 (6) The firearms industry has recently introduced a 50 caliber handgun, and reports
11 indicate that it is difficult to control and fires with five times the muzzle power of a .357 magnum
12 handgun;

13 (7) A recent analysis of data published by the manufacturer of this 50 caliber handgun and
14 ballistics test data published in American Rifleman magazine indicate that bullets fired from the
15 handgun may be capable of penetrating Type IIIA body armor, the highest grade of concealable body
16 armor normally worn by law enforcement officers in the field. The dangers of these weapons are
17 detailed in “Vest Buster: The .500 Smith & Wesson Magnum-The Gun Industry’s Latest Challenge to
18 Law Enforcement Body Armor,” Violence Policy Center (2004);

19 (8) Fifty caliber firearms have no legitimate hunting or sporting purpose in the City and
20 County of San Francisco. Further, such firearms are ill-suited for use as a means to defend one's home
21 or property, since they are difficult to control, greatly increase the risk of harm to bystanders, and the
22 firepower greatly exceeds that which is necessary to protect property or homeowners;

23 (9) The Board of Supervisors hereby finds and declares that the uncontrolled proliferation
24 and use of 50 caliber firearms and ammunition poses an unacceptable threat to the health, safety and
25 security of the public.

7 shall become operative.

8 **SEC. 613.10-2. SALE OF ULTRACOMPACT FIREARMS RESTRICTED.**

9 (a) Findings. The Board of Supervisors finds as follows:

10 (1) A number of other states have enacted legislation to facilitate the
11 issuance of licenses to carry concealed firearms with the result that firearms manufacturers
12 have been designing and marketing ultracompact handguns to respond to the development of
13 the market created by the relaxation of concealed weapons laws in these states.

14 (2) These ultracompact handguns are designed to allow the complete
15 concealment of the weapon on the person.

16 (3) In contrast to those states that have relaxed requirements for issuance of
17 licenses to carry concealed weapons, California has not done so. Moreover, in San
18 Francisco, permits to carry concealed weapons are issued only in very limited circumstances.
19 There are currently fewer than ten individuals authorized by the City to carry concealed
20 weapons.

21 (4) Because concealed weapons permits are rarely issued in San Francisco,
22 any legitimate market for concealable ultracompact handguns is exceedingly small.

23 (5) Ultracompact handguns have no legitimate hunting or sporting purpose,
24 and are ill-suited for use as a means to defend one's home or property, since the short barrel
25 length makes them inherently inaccurate.

1 (6) A national study of weapons confiscated by law enforcement agencies
2 found that a substantial majority of the handguns confiscated have a barrel length of less than
3 three inches.

4 (7) A survey of incarcerated felons found that easy concealment is very often
5 an important consideration in the selection of handguns that are later used to commit crimes.

6 (8) A study of persons in California found that persons whose applications for
7 the purchase of a handgun were denied based on prior criminal activity were more likely to
8 attempt to purchase small, highly concealable handguns than are potential purchasers whose
9 applications were not denied.

10 (9) A study of handgun owners in one state found that 67 percent of felons
11 but just 30 percent of other handgun owners reported owning a handgun with a barrel length
12 of three inches or less.

13 (10) Because there is evidence that criminals prefer smaller, more
14 concealable handguns, and since handguns are used in at least 80 percent of all violent
15 crimes involving firearms in the United States, the public interest is not served by allowing the
16 unregulated sale of easily concealable ultracompact handguns. The concealability of these
17 weapons makes them a high public security and safety risk when owned and carried by
18 individuals unlicensed to carry concealed weapons, particularly in a high-density urban area
19 such as San Francisco.

20 (11) The dangers of ultracompact firearms are further detailed in "Pocket Rockets-
21 The Gun Industry's Sale of Increased Killing Power," Violence Policy Center (2001).

22 (b) Purpose and Intent. The purpose and intent of this Section is to protect
23 the health, safety, and general welfare of the citizens of the City and County of San Francisco
24 by reducing the potential for death or injury to citizens and law enforcement personnel attributable to
25 restricting the sale of ultracompact firearms. It is not the intent of this Section to address the

1 problem of handgun safety, as addressed, for example in Sections 12125 through 12133 of the
2 California Penal Code, or to otherwise regulate ultracompact firearms based on consumer product
3 safety considerations for the person using the firearm.

4 (c) Sale of Ultracompact Firearms Restricted. No person licensed pursuant
5 to this Article shall sell, lease or otherwise transfer any ultracompact firearm except as
6 authorized by paragraph (d) of this Section. Nothing in this section shall preclude any person
7 licensed pursuant to this Article from processing firearms transactions between unlicensed
8 parties pursuant to subdivision (d) of Section 12072 of the Penal Code of the State of
9 California.

10 (d) Exceptions. The requirements of this Section shall not apply to the sale,
11 lease or other transfer of an ultracompact firearm in the following circumstances:

12 (1) To any law enforcement agency;

13 (2) To any agency duly authorized to perform law enforcement duties;

14 (3) To any state or local correctional facility;

15 (4) To a federal law enforcement officer, provided such law enforcement officer is
16 authorized to acquire an ultracompact firearm and does so while acting within the course and scope of
17 his or her employment;

18 ~~(4)~~(5) To any private security company licensed to do business in the State of
19 California;

20 (6) To a person described in Sections 12302 or 12322(a) of the California Penal Code,
21 provided such person is authorized to acquire an ultracompact firearm and does so while acting within
22 the course and scope of his or her employment;

23 ~~(5)~~(7) To any person who is properly identified as a full-time paid peace officer,
24 as defined in Section 830.1, 830.2, 830.4, or 830.5 of the California Penal Code ~~of the State of~~
25 California, provided such peace officer and who is authorized to carry a acquire an ultracompact

1 firearm and does so while acting within ~~during~~ the course and scope of his or her employment ~~as~~
2 ~~a peace officer;~~

3 ~~(6)(8)~~ To the sale, lease or other transfer of any antique firearm, as defined in
4 paragraph (16) of subsection (a) of Section 921 of Title 18 of the United States Code.

5 ~~(7)(9)~~ To any an entity or establishment engaged in the business of motion picture,
6 television, theatrical, entertainment or video production ~~company, or entertainment or theatrical~~
7 ~~company whose production involves the use of a concealable firearm, provided that the ultracompact~~
8 handgun is used only as a prop during the course of the motion picture, television, theatrical,
9 entertainment or video production, is secured ~~and which secures such firearm~~ from unauthorized
10 use, and the person charged with maintaining custody of the firearm while not in use maintains a
11 certificate of eligibility issued to him or her by the Department of Justice pursuant to Section 12071 of
12 the California Penal Code;

13 ~~(8)(10)~~ To any person ~~who~~ or entity conducting a transaction that is exempt from
14 the provisions of subdivision (d) of Section 12072 of the California Penal Code; ~~of the State of~~
15 ~~California.~~

16 ~~(9)(11)~~ To any person or entity conducting a transaction described in subdivision
17 (k) of Section 12078 of the California Penal Code; ~~of the State of California.~~

18 ~~(10)~~ ~~To any person who is licensed as a collector pursuant to Chapter 44,~~
19 ~~(commencing with Section 921) of Title 18 of the United States Code and the regulations issued~~
20 ~~pursuant thereto, and who has a current certificate of eligibility issued to him or her by the Department~~
21 ~~of Justice pursuant to Section 12071 of the Penal Code of the State of California.~~

22 ~~(12)~~ To a firearms dealer who has been issued a Federal Firearms License, and who
23 is in compliance with the requirements of Section 12071 of the California Penal Code;

24 ~~(11)(13)~~ To any person or entity acquiring an ultracompact ~~concealable~~
25 firearm by bequest, ~~or~~ intestate succession or otherwise by operation of law;

1 ~~(12)~~(14) To a non-profit entity that is authorized to destroy firearms, and
2 which has agreed to destroy the firearm being transferred;

3 (15) To a federal, state, or local historical society, museum, or institutional
4 collection that is open to the public, provided that the ultracompact firearm is used for display
5 purposes, is unloaded, and is secured from unauthorized use;

6 (16) To the delivery of an ultracompact firearm to a licensed gunsmith, as defined in
7 California Penal Code Section 12001(r), or to a person licensed pursuant to California Penal Code
8 Section 12071, for purposes of service or repair, or to the return of the firearm to its owner by the
9 gunsmith or by licensee following the completion of service or repairs;

10 (17) To the return of an ultracompact firearm to its owner by a person licensed
11 pursuant to this Article where the firearm was initially delivered to the licensee for the purpose of a
12 consignment sale or as collateral for a pawnbroker loan.

13 (e) Penalties.

14 (1) Violation of this section shall be punishable as a misdemeanor. In
15 addition, each violation of this Section shall constitute grounds for suspension or revocation of
16 the licensee's firearms dealer license under this Article.

17 (2) Each transaction in violation of this Section shall be deemed a distinct
18 and separate violation.
