RE: [Master Encroachment Permit and Major Encroachment Permit - Mission Rock]
DATE: March 25, 2025

Resolution granting revocable permission to the Port of San Francisco to maintain encroachments in the public right-of-way, including but not limited to non-standard roadway and sidewalk treatments, stormwater drainage elements and infrastructure, street furnishings, public art installations, custom benches and trash receptacles, non-standard way-finding signage, operational pedestals for retractable bollards, streetlight protection elements and stone blocks, landscaping and irrigation, shared public way improvements under an Interdepartmental Master Encroachment Permit; granting revocable permission to Mission Rock Horizontal Sub (Phase I), L.L.C., a Delaware limited liability company, to maintain monitoring instruments associated with the required monitoring of lightweight cellular concrete installed throughout Phase 1A of the Mission Rock project under a Lightweight Cellular Concrete Monitors Major Encroachment Permit; adopting environmental findings under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and authorizing the Director of Public Works to enter into amendments or modifications to the Interdepartmental Master Encroachment Permit, the Lightweight Cellular Concrete Monitors Major Encroachment Permit, and the associated maintenance agreements, that do not materially increase the obligations or liabilities to the City and are necessary to effectuate the purposes of the Permit and associated Agreements or this Resolution.
